BHARATI VIDYAPEETH (DEEMED TO BE UNIVERSITY) MEDICAL COLLEGE, PUNE INSTRUCTIONS FOR RECOMMENCEMENT OF MBBS COURSE OFFLINE IN COLLEGE

The following instructions are issued for the recommencement of the MBBS course including conduct of examinations in the ensuing months. It is proposed to recommence college for all students from 18 Nov 2020 after the Deepavali vacations. All concerned are requested to follow the instructions as given under.

The COVID19 situation is slowly coming under control and it is anticipated that the situation will be much better by the time classes restart. These instructions are issued subject to Government guidelines as issued from time to time.,

GENERAL INSTRUCTIONS

Classes will be conducted for this semester to purely cover those aspects of syllabus not having been covered in online teaching such as practicals and clinical rotations. There will be no didactic lectures in classrooms and where any department feels a need for the same, these will be conducted online under departmental arrangements.

Online/distance learning shall continue to be the preferred mode of teaching of didactic component of syllabus and is encouraged.

Students may attend college only with the written consent of parents which they must bring along with when they come to college. The format for the same is given on our college website.

2. INSTRUCTIONS FOR STUDENTS-

- The above time table is subject to final approval by Bharati Vidyapeeth(DTBU) and as per the guidelines of the State Government.
- There may be some changes in proposed time table depending on instructions from National Medical Commission, if any.
- Students should have an RTPCR test done before coming to College, if any family member has tested positive for COVID or if the student has come in contact with COVID positive case in the previous 14 days. They should report to Bharati Hospital Flu OPD on arrival for medical examination and quarantine if necessary.
- Between 17/11/20 and 30/11/20 students staying in hostel will be provided packed breakfast & lunch. The students will have lunch in their rooms. Dinner will be in hostel mess as per the arrangements made by the hostel committee.
- All the students staying outside should follow the rules laid down by the concerned society/Pune Municipal Corporation and accordingly report.
- All the students should follow the protocols laid down by Government/PMC/ College authorities from time to time.
- If, unfortunately, any student falls ill due to COVID19 he/she will be treated at Bharati Hospital, which is a designated COVID hospital. Separate rooms will be allocated for quarantine for those staying in hostels. Students staying outside can opt for home isolation (after registering at Bharati hospital) or quarantine facility made available by hospital. □ All the students should give a self-declaration on reporting that they are not having symptoms related to COVID19 and that they will follow all the rules and regulations with regards to pandemic (Annex I). They will also submit a letter from parents stating that they are permitting their ward to join college (Annex II).
- Students should wear mask and follow social distancing during classes/practical's/tutorials. Students should maintain hand hygiene. Hand wash/Soap will be available at all places. However, as a precautionary measure student may carry personal sanitizer.
- As far as possible they should avoid using elevators. They should use staircase and should not touch the walls or any other surface. Students should use non-dominant hand for opening doors/using handles wherever required.
- They should avoid being in groups as far as possible.
- Student should not attend college if he/she is suffering from cold/cough/fever or any other Influenza like symptom.

- Respiratory etiquettes are to be strictly followed. This involves strict practice of covering one's mouth and nose while coughing/sneezing with a tissue/handkerchief/flexed elbow and disposing off used tissues properly and wearing of mask all the time..
- Students should avoid sharing of aprons/handkerchief/or any other item which may spread the virus.
- Students should not eat meals together and should observe social distancing.
- Students should maintain their health by doing regular exercise, having good nutritious food and avoiding crowded/ public places till the pandemic is over.
- Student should NOT use social media for propagating fake news and also should not spread rumours that may affect college/university/society in general.
- They should be aware of all rules and regulations stipulated by Government (Central/State) regarding use/misuse of social media.
- As per suggestion of Government/UGC all students should download AAROGYA SETU app.
- Student should go out only for purchase of essentials and in case of emergency.
- If students need any kind of help, they can contact their mentor of Ward teacher programme.
faculty are available.
- If students become ill your personal details- name, mobile number, current residential address will be shared with Public health authorities as per the Epidemic act.
