Activity Details:-

A Presentation was held under the aegis of Faculty Clinical Meet on 24<sup>th</sup> April 2024. The Programme started by welcoming Principal sir, Vice-Principal, all the faculty members and Interns of Bharati Vidyapeeth (Deed to be University) Dental College and Hospital, Sangli.

Topic of the presentation was “Recent advances in CBCT imaging technology”. Presentation mainly emphasised on the recent advances in the CBCT imaging technology extending the use of CBCT beyond dentistry. It was well attended by all the head of departments, faculty members and Interns of our Dental College.

Presentations of such kind will upgrade the knowledge about CBCT imaging and also its utilization beyond dentistry in ENT, orthopaedics etc to improvise diagnosis and treatment approaches as well as interdisciplinary collaborations that will enhance the quality of continuing dental education and research.

The programme concluded with vote of thanks followed by tea for everyone.
