

**BHARATI VIDYAPEETH (DEEMED TO BE UNIVERSITY)
Homoeopathic Medical College and Hospital, Pune 411043**

**Seminar on Placement Opportunity for Interns at Peachtree
Chain of Homoeopathic Clinic**

- **Name of the topic:** Placement opportunity for the interns at Peachtree Chain of Homoeopathic Clinic
- **Day and Date:** 8/2/2022, Tuesday **Time:** 3 to 4 pm
- **Venue:** Dr. Samuel Hahnemann Seminar Hall, BVMF Homoeopathic Hospital Pune
- **Speaker:** Dr. Smita Patil.
- **Gist of Session:** A lecture was conducted regarding placement opportunity for the interns of the 39th and 39th supplementary batch. A brief welcome was given by placement cell co ordinator Dr R. M. Koraykar. The placement cell Incharge Prof. Dr. M. A.Nerlekar introduced the chief guest Dr. Smita Patil. Principal Dr. (Mrs). Tanveer A. Khan addressed the interns and stressed upon the importance of exploring opportunities after BHMS and M.D course. Dr. Khan also said as the interns are heading towards their internship completion and are prepared to set out into the practical world, many students yet have a question about various oppturnities which could be explored. One such question was asked to her by intern Sarvesh Puranik which quicken the whole process of initiating this lecture for the interns. Dr Smita Patil is a Homoeopath from CMP Homoeopathic College and has done her Diploma in Cosmetology and Nutrition from IIM institute. She is successful practioner working in the field of cosmetology since 9 years. She is founder of Peachtree Clinics which are running successfully at Wakad and Koregoan Park, Pune. She has efficiently treated various skin and hair complaints with the help of aesthetic machinery and Homoeopathic medications. She narrated her journey in this field and motivated the interns to practice Homoeopathy. She also gave information about the Homoeopathic cosmetology course initiated at her clinics. She provided all the details in regards to the Duration of the course, Timing, syllabus and the course fee. She also narrated various cases of skin and Hair related condition which were treated at the various branches of Peachtree Clinics. At the end she detailed about the placement opportunity which the interns could avail at her clinics. The details regarding the same were discussed in brief which was followed by the question answer session. Final round of selection and interview for interns will be followed.

This session was very informative for the interns. The Lecture was concluded by vote of thanks presented by the placement cell co ordinator Dr. S. S .Nadgauda.
