

RESEARCH POLICY OF THE COLLEGE

One of the primary objectives of Bharati Vidyapeeth (Deemed to be University) Institute of Hotel Management & Catering Technology, Pune is to inculcate research, an important component in teaching and learning. The college has a research committee that gives support to the faculty and students regarding research projects.

The research Committee's objectives are:

- To create awareness regarding research among the faculty and students,
- To motivate the faculty to enroll for Ph.D. programmes
- To encourage faculty members to apply for financial assistance for research projects through various funding agencies and to organize training workshops for the same.
- To encourage faculty to publish their research finding in journals of national and international repute
- To organize various research workshops, seminars, conferences to strengthen research in the college

D) PARTICIPATION IN NATIONAL/INTERNATIONAL CONFERENCES/ SEMINARS/ WORKSHOPS

To encourage research among faculty, financial support in terms of registration fees & travel expenses will be provided to the teachers in full / part, presenting their original research in national/international conference organized by professional organizations of repute as per the provision in the research budget of the institute.
