The Annual Quality Assurance Report (AQAR) of the IQAC for the Academic Year 2016-17

Part – A

1. Details of the Institution

1.1	Name of the Institution	BHARATI VIDYAPEETH (DEEMED TO BE UNIVERSITY)
1.2	Address Line 1	Bharati Bhavan,
	Address Line 2	Lal Bahadur Shastri Marg,
	City/Town	Pune
	State	Maharashtra
	Pin Code	411030
	Institution e-mail address	bvuniversity@yahoo.co.in
	Contact Nos.	020-24325510 / 24325509
	Name of the Head of the Institution:	Prof. M. M. Salunkhe
	Tel. No. with STD Code:	020-24325701
	Mobile:	09922699313

Name of the IQAC Co-ordinator: Prof. S. F. Patil

Mobile: 09822307348

IQAC e-mail address: prof.sfpatil@gmail.com

1.3 **NAAC Track ID** (For ex. MHCOGN 18879):

MHUNGN10104 - Bharati Vidyapeeth (Deemed to be University), Pune-Maharashtra.doc

1.4 Website address: www.bvuniversity.edu.in

Web-link of the AQAR: <http://bvuniversity.edu.in/media/pdfs/AQAR201617.pdf>

1.5 Accreditation Details:

Sl. No.	Cycle	Grade	CGPA	Year of Accreditation	Validity Period
1	1 st Cycle	A	-	2004	5 years
2	2 nd Cycle	A	3.16	2011	5 years
3	3 rd Cycle	A+	3.53	2017	7 years

1.6 Date of Establishment of IQAC: DD/MM/YYYY 30/08/2002

1.7 AQAR for the year 2016-17

1.8 Details of the previous year's AQAR submitted to NAAC after the latest Assessment and Accreditation by NAAC (*for example AQAR 2010-11 submitted to NAAC on 12-10-2011*)

-

1.9 Institutional Status

University	State	<input type="checkbox"/>	Central	<input type="checkbox"/>	Deemed	<input checked="" type="checkbox"/>	Private	<input type="checkbox"/>
Affiliated College			Yes	<input type="checkbox"/>	No	<input checked="" type="checkbox"/>		
Constituent College			Yes	<input type="checkbox"/>	No	<input checked="" type="checkbox"/>		
Autonomous college of UGC			Yes	<input type="checkbox"/>	No	<input checked="" type="checkbox"/>		
Regulatory Agency approved Institution			Yes	<input checked="" type="checkbox"/>	No	<input type="checkbox"/>		

(eg. AICTE, BCI, MCI, PCI, NCI)

Type of Institution	Co-education	<input checked="" type="checkbox"/>	Men	<input type="checkbox"/>	Women	<input type="checkbox"/>
	Urban	<input checked="" type="checkbox"/>	Rural	<input type="checkbox"/>	Tribal	<input type="checkbox"/>
Financial Status	Grant-in-aid	<input type="checkbox"/>	UGC 2(f)	<input checked="" type="checkbox"/>	UGC 12B	<input checked="" type="checkbox"/>
	Grant-in-aid + Self Financing	<input checked="" type="checkbox"/>	Totally Self-financing	<input type="checkbox"/>		

1.10 Type of Faculty/Programme

Arts	<input checked="" type="checkbox"/>	Science	<input checked="" type="checkbox"/>	Commerce	<input checked="" type="checkbox"/>	Law	<input checked="" type="checkbox"/>	PEI (Phys Edu)	<input checked="" type="checkbox"/>
TEI (Edu)	<input type="checkbox"/>	Engineering	<input checked="" type="checkbox"/>	Health Science	<input checked="" type="checkbox"/>	Management	<input checked="" type="checkbox"/>		
Others (Specify)	<input type="text" value=". Social Science, Pharmacy, Architecture and 3 Research Institutes."/>								

1.11 Name of the Affiliating University (*for the Colleges*)

1.12 Special status conferred by Central/ State Government-- UGC/CSIR/DST/DBT/ICMR etc

Autonomy by State/Central Govt. /University	Central		
University with Potential for Excellence	-	UGC-CPE	-
DST Star Scheme	-	UGC-CE	-
UGC-Special Assistance Programme	Yes	DST-FIST	-
UGC-Innovative PG programmes	-	Any other (<i>Specify</i>)	MHRD 'A' status
UGC-COP Programmes	-		

2. IQAC Composition and Activities

2.1 No. of Teachers	10
2.2 No. of Administrative/Technical staff	1
2.3 No. of students	0
2.4 No. of Management representatives	1
2.5 No. of Alumni	0
2.6 No. of any other stakeholder and community representatives	0
2.7 No. of Employers/ Industrialists	1
2.8 No. of other External Experts	3
2.9 Total No. of members	16
2.10 No. of IQAC meetings held	91 and 3 IQAC meetings were held during the year at Constituent Units and the University respectively.

2.11 No. of meetings with various stakeholders: No.

Faculty Non-Teaching Staff and Students Alumni Others

2.12 Has IQAC received any funding from UGC during the year? Yes No

If yes, mention the amount

2.13 Seminars and Conferences (only quality related)

(i) No. of Seminars/Conferences/Workshops/Symposia organized by the IQAC: Total Nos.

International National State Institution Level

(ii) Themes

Some of the quality related themes of conferences; workshops and seminars organized by the IQAC in different constituent units are as under:

WORKSHOPS :

- FESS Workshop
- Temporal Bone Dissection Workshop
- Bronchoscopy Simulation Workshop
- Workshop on SOTM for Stapler & Stapler
- Research Methodology Workshops
- Workshop on Data Management, Analysis & Dissertation Writing
- Workshop on Implementation of NABH.
- A workshop on e-resources for research by EBSCO
- Implementation of ERP system

FACULTY DEVELOPMENT PROGRAMMES :

- Teaching methodology
- Research
- ICT.

SEMINARS :

- International Seminar on ‘Legal Research Methodology: The Use of Technology’
- Seminar on “Online Documentation System of University” (for teaching and non-teaching staff).
- Seminar on Curriculum Development
- Seminar on Marketing “AMP Android Application”

2.14 Significant Activities and contributions made by IQAC

Some significant activities and contributions made by the IQAC during the year are :

- Organisation of RESCON- in house research society conference
- Awareness amongst faculty about h-index and citation index, various other indices like SNIP, SJR
- Participation in NIRF ranking
- Organization of workshop on dissertation writing for final year postgraduate students.
- Preparation of the visit of the Peer Team Members of NAAC for third cycle
- Preparation of visit UGC Review Committee
- Organisation of Paediatric Conference.
- Implementation of ICT for academic management.
- Implementation of innovative teaching methods in teaching learning process.
- Organization of an International Conference on Wildlife Law and Crime.
- Restructuring of courses of M.Sc. Medical Biotechnology and M.Sc. Biotechnology programs.
- Preparation of academic calendar for the respective constituent units.
- Enhancing liaison with industry and R & D Laboratories for research proposals.
- Introduction of MOOC in some of the constituent units.
- Organization of Legal Education Programmes
- Organization of International Moot Court Competition.
- Linkages with academic institutions and industries
- Students involvement in Model Village Development Project in Mulshi area.
- Organization of Industry-Institute Partnership Summit
- Organization of Faculty Development Programmes
- Organization of socially relevant programmes.

2.15 Plan of Action by IQAC/Outcome

The plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement and the outcome achieved by the end of the year *

Plan of Action	Achievements
Organization of knowledge events such as Conferences / Seminars / Workshops, etc.	Organized various State, National and International level knowledge events
Preparation of Academic calendar	Prepared and implemented effectively
Introduction of super specialty courses	Introduced super speciality courses in Urology, Neonatology, Pediatric surgery, Cardiology and Critical Care Medicine under the Faculty of Medicine.
NABL accreditation of laboratories of Bharati Hospital	Laboratories of the hospital are accredited
To encourage online feedback from stakeholders.	Participation of stakeholders is increased.
Implementation of Virtual Learning environment	Lecture capture system is introduced in some of the constituent units.
Introduction of Skill / Professional development programmes	Skill / Professional development programmes in dental practice management are introduced.
Organization of faculty and staff development programmes	Organised and conducted successfully
Non-teaching staff development programme	Seminar on "Online documentation system of University" for non-teaching staff.
Organization of Outreach programmes / Institute Social Responsibility programmes	Organization of Health Check-up Camps, adoption of villages, Health Talk, Exhibitions, Street Play and Mime on current social issues like AIDS, Diabetes Mellitus, Vitiligo (Skin diseases), Environmental Hygiene, Water sanitation etc. were organized.
To continue & develop collaborations with National & International Organization	Some of the constituent units have developed new collaborations with national and international organizations.
To enhance placement activity by organizing company specific training	Successfully implemented by College of Engineering, Pune
Organization of Cultural/ Sports / NSS activities	Various Cultural, Sports, NSS activities are conducted.

* **Academic Calendar of the year is enclosed at Annexure - I.**

2.16 Whether the AQAR was placed in statutory body: Yes No

Management Syndicate Any other body

Provide the details of the action taken

The AQAR for the year 2016-17 was placed before the Academic Council and the Board of Management. It was accepted by both the Academic Council and the Board of Management.

Part – B

Criterion – I

1. Curricular Aspects

1.1 Details about Academic Programmes

Level of the Programme	Number of existing Programmes	Number of programmes added during the year	Number of self-financing programmes	Number of value added / Career Oriented programmes
PhD	79	0	75	46
PG	96	0	92	71
UG	33	0	28	14
PG Diploma	14	0	14	14
Advanced Diploma	1	0	1	0
Diploma	23	2	21	7
Certificate	6	7	11	9
Others	16	5	16	20
Total	265	14	258	181
Interdisciplinary	11	1	2	0
Innovative	12	7	0	1

- 1.2 (i) Flexibility of the Curriculum: CBCS[✓] / Core[✓] / Elective option[✓] / Open options[✓]
 (ii) Pattern of programmes:

Pattern	Number of programmes
Semester	64
Trimester	1
Annual	48
<i>*Ph.D., PG programmes in Medicine, Dentistry, Homoeopathy & Certificate courses are excluded.</i>	

- 1.3 Feedback from stakeholders* Alumni Parents Employers Students
 (On all aspects)

Mode of feedback : Online Manual Co-operating schools (for PEI)

*** Analysis of the feedback is enclosed at Annexure - II.**

1.4 Whether there is any revision/update of regulation or syllabi, if yes, mention their salient aspects.

- Syllabus of BASLP has been modified based on modifications given by RCI, India. The salient features include change to Semester pattern and greater focus on clinical and practical skills.
- Syllabus of the UG and PG programmes of Homoeopathy has been amended as per CCH Regulations 2015.
- The syllabi of MSW and MBA (General) programmes have been revised & implemented.
- The syllabi of BHMCT and B.Sc. (H&HA) have been revised, adopting CBCS pattern.

1.5 Any new Department/Centre introduced during the year. If yes, give details.

The following departments / laboratories have been established in various constituent units:

Medical College, Pune

- 1) Department of Urology (Superspeciality)
- 2) Department of Neonatology (Superspeciality)
- 3) Department of Critical Care Medicine (Superspeciality)
- 4) Department of Cardiology (Superspeciality)

Medical College and Hospital, Sangli

- 1) Department of Haematoncology
- 2) Department of Gastroenterology

Interactive Research School for Health Affairs, Pune

- 1) Centre for advanced research for 'Investigating mechanisms leading to preeclampsia' (ICMR).
- 2) Establishment of a novel electronic surveillance system for dengue in Pune: an initiative for smart cities mission. (ICMR)

Criterion – II

2. Teaching, Learning and Evaluation

2.1 Total No. of permanent faculty

Total	Asst. Professors	Associate Professors	Professors	Others
1752	762	369	306	315

2.2 No. of permanent faculty with Ph.D.

295

2.3 No. of Faculty Positions Recruited (R) and Vacant (V) during the year

Asst. Professors		Associate Professors		Professors		Others		Total	
R	V	R	V	R	V	R	V	R	V
178	36	50	18	30	5	120	36	378	95

2.4 No. of Guest and Visiting faculty and Temporary faculty

243

256

37

2.5 Faculty participation in conferences and symposia:

	Number of Faculty who attended at		
	International level	National level	State level
Attended Seminars/ Workshops	212	429	342
Presented papers	116	154	27
Resource Persons	61	111	84

2.6 Innovative processes adopted by the institution in Teaching and Learning:

Following innovative processes are adopted.

- Skill based teaching using mannequin to enhance motor skill are adopted.
- Self-learning opportunities in the form of student seminars, quiz and computer based self-learning modules are introduced.
- Videos and lectures are being uploaded on the ICT portal.
- Teachers blog are created and used for displaying of educational module.
- Collaborative Research projects with industry experts are initiated.
- Peer learning through assignments is introduced.
- Virtual Labs providing complete learning management system that includes web-resources, video lectures, animated demonstrations and self-evaluation are created.
- Initiation of innovative programme 'Saturday at Bharati Vidyapeeth' for engineering students, wherein the entrepreneurs and high ranked corporate share their experiences and hardships.
- MOOC as a part of teaching learning process is introduced.
- Online tests as a part of continuous evaluation using Google forms are conducted.

2.7 Total No. of actual teaching days during this academic year

204

2.8 Examination/ Evaluation Reforms initiated by the Institution (for example: Open Book Examination, Bar Coding, Double Valuation, Photocopy, Online Multiple Choice Questions)

Following Examination/ Evaluation Reforms are introduced.

- Generation of report relating to paper setting through software.
- Introduction of CBCS pattern for BHMCT and B.Sc. (H&HA) programmes.
- Facility for online examination forms, verification and revaluation forms, as well as convocation forms.
- Provision of online information for students pertaining to actual Mark Statement, Examination Circulars, Schedule of Examinations and Rules of Examinations by submitting PRN of the concerned student.

2.9 No. of faculty members involved in curriculum restructuring/revision/syllabus development as member of Board of Study/Faculty/Curriculum Development workshop

313

108

326

2.10 Average percentage of attendance of students

77%

2.11 Course/Programme wise distribution of pass percentage:

Results of final year examination for each course are as under.

BHARATI VIDYAPEETH DEEMED UNIVERSITY, PUNE-30

2.12 How does IQAC Contribute/Monitor/Evaluate the Teaching & Learning processes :

- Feedback from stakeholders and its analysis on regular basis for improving teaching learning processes.
- Strict adherence of Academic calendar involving teaching and examination schedule.
- Organization of workshops for hands on training, guest lecturers for motivation of teachers and students and co-curricular activities.
- Online feedback on the use of ICT for Teaching-Learning Processes by teachers.
- Monitoring students performance through departmental examinations, seminars, group discussions, home assignments, quizzes and oral examinations.
- Implementation of Self Appraisal System for teaching faculty.
- Monthly review of teaching plan of the teacher by the concerned Head of the Department.
- Conducting monthly faculty meetings for reviewing academic progress.
- Academic monitoring through the rubrics system for the achievement of the course objectives, course outcomes, program outcomes and program educational objectives in respective disciplines.
- Optimization and integration of modern methods of teaching & learning.
- Declaring University examination results within 20 to 30 days.

2.13 Initiatives undertaken towards faculty development

Faculty / Staff Development Programmes	Number of faculty benefitted
Refresher courses	102
UGC – Faculty Improvement Programme	57
HRD programmes	4
Orientation programmes	29

Administrative Staff	1898	72	84	46
Technical Staff	1663	141	180	5

Criterion – III

3. Research, Consultancy and Extension

Initiatives of the IQAC in Sensitizing/Promoting Research Climate in the institution

- Formation of Research Advisory Committee at University, as well as at each constituent unit level.
- Organization of Research Methodology Workshops for UG and PG students.
- Participation of students in Conferences / Seminars / Symposia organized by the University.
- Promoting students to undertake ICMR and STS projects
- Motivating faculty members to pursue Ph.D. in respective discipline.
- Motivating faculty members to submit research proposals to various funding agencies.
- Providing facility of online databases in various disciplines.
- Providing seed money from the University fund to faculty members for undertaking research.
- Encouraging faculty members to participate in Conferences / Symposia / Workshops organized by other Institutions.
- Providing state of art laboratories, sophisticated instruments/ equipments.
- Encouraging faculty members to collaborate with industries and other institutes at national and international level for undertaking research projects.
- MoU with international universities for exchange of faculty and students.
- Organizing project exhibition and competition for students.

3.26 Major Activities during the year in the sphere of extension activities and Institutional Social Responsibility

Following are some of the extension activities and institutional social responsibilities undertaken by the university :

- Organization of Health check-up camps, Diagnostic camps, Vaccination camps, Spirometry camps, Tubectomy, Cataract, DBCS, Mid life health check-up camps, Public private partnership-ZP health check-up camps, Vision screening camps, Hearing check-up camps, School children health check-up camps, etc. in rural and urban areas.
- Organization of 61 Dental camps, benefitting 10998 patients.
- Organizing exhibitions of books and therapy materials for parents of children with hearing and speech language disability.
- Organization of lecture series for general practitioners as a part of Network Neighbourhood Programme.
- Organization of health awareness lectures such as - anaemia, woman's health, hand hygiene etc.
- Tree plantation on the campus, as well as in the villages adopted by the NSS units of the University.
- Celebration of World AIDS day, International Women's day, International Yoga day , World Environmental day, Youth day, Rashtriya Ekta Divas etc.
- Participation in Swachata Bharat Abhiyan, Road Safety Programme and *Nirmalya Sankalan* at the time of *Ganesh Visarjan*
- Use of Mobile Homoeopathic Clinic for treating the patients in rural areas.
- Organization of NSS Winter Camps for overall development in adopted villages.
- Participation in Pulse Polio Programme organized By PMC & Pune Cantonment.
- Organization of environment related action based programmes on water and energy conservation in 9050 schools through Maharashtra State National Green Corps Programme.
- Organization of health exhibition on hypertension, diabetes mellitus and street play on alcoholism.
- Conduction of intensive programme in sustainability in 50 rural schools in Western Ghats area of Pune and Satara district.
- Visits of NSS volunteers to Janaseva Foundation , a destitute home which provides care to the weak-orphans, children, senior citizens, disabled, disaster-stricken and the destitute.
- Rally on child sexual abuse to impart knowledge about abuses in society.
- Organization of "Mahanetradan Abhiyan" to create awareness about eye donation and blindness preservation.
- Organization of workshop for awareness of dengue and chikungunya.

Criterion – IV

4. Infrastructure and Learning Resources

4.1 Details of increase in infrastructure facilities:

Facilities	Existing	Newly created	Source of Funds	Total
Campus area	187.91 acres	0	BVDU	187.91 acres
Class rooms	353	7	BVDU	360
Laboratories	358	4	BVDU	362
Seminar Halls	106	10	BVDU	116
No. of important equipments purchased (\geq 1-0 lakh) during the current year.	2385	310	BVDU	2695
Value of the equipment purchased during the year (Rs. in Lakhs)	5844.217	964.64	BVDU	6808.85
Others	22	0	BVDU	22

4.2 Computerization of administration and library

- Wi-Fi facility is available in all the constituent units.
- Bar code system in libraries of all constituent units is in placed.
- Biometric attendance, OPAC system and Library Management System are installed in all the libraries.
- Virtual Computer Laboratory System is established and is made available to students 24 X 7 in some of the constituent units.
- Financial and administrative units of the University and the Constituent Units are fully computerized.
- Oracle Finance Fusion System is introduced to integrate finance modules of the University and its constituent units.
- Separate Data Centre was established at Erandwane Campus, Pune, with optical fibre network on the campus.
- The pre examination tasks at the University level are fully computerized.
- Examination Information System was implemented. This system enables publication of examination related information such as notices, schedules, seat numbers, results, etc., over the internet. A digital repository of past question papers is also made available through this system.
- IDIS 4.0 – Drug Database is established in the Poona College of Pharmacy, Pune

4.3 Library services:

	Existing		Newly added		Total	
	No.	Value (Rs.)	No.	Value (Rs.)	No.	Value (Rs.)

4.4 Technology up-gradation (overall)

	Total Computers	Computer Labs	Internet	Browsing Centres	Computer Centres	Office	Departments	Others
Existing	4512	95	2-12 MBPS Band width and Wi-Fi connectivity in all units	29	32	Offices of the University and its Constituent Units are fully computerized with upgraded software and latest tools.	Departments of each constituent unit are provided with necessary subject specific teaching and learning tools.	Data Centre at Dhankawadi & Erandawane campus
Added	663	2	-	0	0	-	-	-
Total	5175	97		29	32	-	-	-

4.5 Computer, Internet access, training to teachers and students and any other programme for technology upgradation (Networking, e-Governance etc.)

- Wi-Fi facility is made available in all the constituent units and in some of the campuses of the University.
- Centralized ERP system is in the process of establishment.
- The university has established the ICT portal to develop, deploy and maintain information resources and facilities.
- Blended learning system is adopted as a part of teaching-learning process.
- The examination section is fully computerized.
- Training programme on Online Pre Examination System was organized for the non teaching staff.
- E-governance is used for administration and admission process.
- Access to National Knowledge Network is available.
- Workshop on Virtual Lab was organized for teachers.
- Websites of the University and its constituent units are regularly updated
- E-Learning through Video conferencing & Online Legal databases is adopted
- Training programmes for online databases which includes Westlaw, CLA online, Manupatra, AIR online, SCC Online and Online E-filing of petitions are organized by the New Law College, Pune
- Faculty development program was organised on use of ICT resources, such as Darim Studio and Raptivity.
- Impartus Lecture Capture System is installed in some of the constituent units.

4.6 Amount spent on maintenance in lakh :

i. ICT	260.86
ii. Campus Infrastructure and facilities	742.28
iii. Equipment	459.48
iv. Others	411.64
Total :	1874.26

Criterion – V-

5. Student Support and Progression

5.1 Contribution of IQAC in enhancing awareness about Student Support Services

The IQAC of the University, as well as constituent units have taken following activities for enhancing the awareness about Student Support Services:

- Organising orientation programmes for fresher's and parents.
- Providing necessary assistance for Banking Services.
- Encouraging students to organise and participate in cultural and sports events, at intra and inter college level.
- Encouraging students to participate in conferences, workshops, quiz competitions etc.
- Organizing lectures on research methodology for UG & PG students.
- Conducting regular meetings of student council, cultural and sport committees.
- Organizing foster parents and students meet.
- Organizing lectures on ICT services and online feedback for UG and PG students.
- Awareness through career guidance programs and arranging parent- teacher meetings.
- Providing information regarding Anti-ragging committee, Student council, NSS, Grievance cell, Anti-Sexual Harassment committee
- Awareness through SNA executive meetings and SNA general body meeting.
- Providing guidance, counseling services and medical assistance to students.
- Arranging personality development programmes and providing financial help to economically backward students.
- Assistance and guidance for educational loan through banks.
- Awareness and training for competitive examinations.
- Industrial visits twice in the year to get exposure of industry.
- Informing the availability of SMS system for sending messages to students and parents.
- Providing relevant information in pocket size academic calendar to all students.
- By informing the facility of tuition fee waivers/concession and free accommodation to meritorious and economically weak students.
- Providing counselling to SC/ST/OBC students for Govt. & private scholarship.
- Conducting hotel orientation programme for Semester-I students.

5.2 Efforts made by the institution for tracking the progression

- Progression is also regulated through regular exams, discussion, seminars etc
- Student counselling cell in respective constituent units is functional to deal with students' academic as well as individual difficulties.
- Students' academic progress is conveyed to their parents by letter/mail/phone. It is also accessible to parents and students on college website.
- Feedback mechanism helps us to track the progression of the student.
- Teacher ward system helps to monitor the academic progress of the student.
- Special coaching classes are conducted for academically weak students.
- Result analysis is carried out after every examination and students unsuccessful in various subjects are counselled and remedial courses are organized for them.
- Personal attention is given by the GFM and the HOD for improving the performance of the students.
- The Placement Cell conducts training programmes for students.
- Ph.D. students regularly submit progress report every 6 months apart from monitoring their research in person by respective guides.
- Students' progress is evaluated perpetually in terms of marks, attitude, behaviour, feedback and personality on a day-to-day basis.
- Student profiling is a regular practice and is conducted by Corporate Resource Center (CRC) of the institute from time to time.
- Progress is monitored through continuous assessment of students.

5.3 (a) Total Number of students

UG	PG	Ph. D.	Others
16412	4161	664	536

(b) No. of students outside the state

8660

(c) No. of international students

Demand ratio : UG – 9.63 and PG – 2.28

Dropout % : 1.89

5.4 Details of student support mechanism for coaching for competitive examinations (If any)

- Students are guided through student support cell to prepare for entrance examinations for post graduate courses.
- Coaching classes for competitive examinations such as, RN, NCLEX, IELTS and CGFNS are organized for the Nursing College students.
- Poona College of Pharmacy conducts classes for the pharmacy students appearing for various competitive exams like GPAT, CAT, GRE, TOFEL, IELTS, G-MAT, NIPER, etc. for pursuing post graduation in India or abroad.
- Students appearing for NET are coached by faculty members of Institute of Environment Education & Research, College of Physical Education and RGIT&BT.
- Masters students of College of Architecture are trained for examinations conducted by rating systems such as GRIHA, LEED and ECBC Master Trainer Course
- Examination training centre is established by the New Law College, Pune to train the students to appear for Judiciary's' examinations.
- Coaching on aptitude test for competitive examination is provided to the students of MBA BBA and BCA by organizing sessions for 8 weeks in institutes of management.

5.6 Details of student counselling and career guidance

- Student counselling and guidance cell exists in every constituent units.
- Mentor- mentee concept is being introduced for regular students for counseling and guidance in all constituent units.
- During internship orientation programme guest lectures are organized regarding USMLE for Medical students .
- Career counselling is regularly provided by the placement cell by way of arranging lectures of experts such as entrepreneurs and experts from varied fields in almost all constituent units.
- CDE programmes by alumni are conducted for guiding Dental students regarding advanced studies in US/ Canada/Australia
- Lectures of renowned homoeopathic practitioners and homoeopathy practicing alumni are organised for Interns and PG students for career guidance.
- Entrepreneurship Development Cells of Management institutes provide counseling to students to become entrepreneurs.
- Poona College of Pharmacy organizes seminars, workshops and guest lectures of alumni to encourage and develop professional and entrepreneurial skills among students.
- Through ISTE students chapter various activities such as acquiring organizational skill, team management skill, communication skill etc. are organized.
- 'Saturday at BV' programmes are conducted by the College of Engineering with senior corporate for mentoring and career guidance for students.
- The Corporate resource centre at Institute of Management & Research, Delhi, regularly conducts career guidance sessions for management students.
- The Institute of Hotel Management & Catering Technology had signed a MOU with Global Education Management services, UK, for providing work experience and placement for students in UK, Australia, China and Middle East.

554	1799	967	489

5.8 Details of gender sensitization programmes

- During UG and PG student orientation programme, members of the Prevention of Sexual Harassment Committee provide information to the students about the functioning of the cell.
- Women students are encouraged to participate in sports and cultural competitions.
- Panel discussions, debates and poster making competitions are organized on gender issues.
- University conducts gender sensitization programmes for the faculty and students.
- National seminars/ workshops are organized on gender centric themes.
- Programmes on women's health issues and women empowerment are organized on the occasion of International Women's Day.
- As far as possible equal ratio is maintained in male/ female recruitment.
- Film show, street plays and rallies are organized on gender sensitization.
- 'Self Defence Camps' are arranged for girl students.

5.9 Students Activities

5.9.1 No. of students participated in Sports, Games and other events

State/ University level National level International level

No. of students participated in cultural events

State/ University level National level International level

5.9.2 No. of medals /awards won by students in Sports, Games and other events

Sports :

State/ University level National level International level

Cultural:

State/ University level National level International level

5.12 No. of social initiatives undertaken by the students

5.13 Major grievances of students (if any) redressed:

Some of the grievances made by the students from various constituent units are as follows :

- Repairing of lifts.
- Non functional of LCD projectors in lecture halls.
- Complaints pertaining to teaching of some faculty members.
- Organization of extra-classes for difficult subjects.
- Up-gradation of Cyber Cell with new softwares and latest legal databases
- Non availability of certain books in the Libraries.

All these grievances are redressed by respective constituent unit.

Criterion – VI

6. Governance, Leadership and Management

6.1 State the Vision and Mission of the institution

VISION:

- *“To be a world class University for Social Transformation through Dynamic Education”.*

MISSION:

- *To provide inclusive borderless access to higher education and vocational education based on merit.*
- *To offer varied professional, technical, vocational, and general education programs to meet the changing and diverse needs of society in a global context.*
- *To provide quality higher education for liberation of mind and empowerment of hands.*
- *To promote quality research in diverse areas of development and engage in application of knowledge for community development*
- *To develop national and international networks with industry, service sector and other academic and research institutions to meet the expectations of various stakeholders.*
- *To promote extensive use of ICT for enrichment of teaching learning and for effective governance.*
- *To make quality an integral part of all University operations by promoting innovative practices.*

6.2 Does the Institution has a Management Information System

Yes. Management Information System is in place in every constituent units of the University.

- All administrative records and financial records of the University are computerized.
- Patient records and laboratory reports are computerized in hospitals.
- Hospitals have functioning Hospital Information Systems (HIS), Lab Information Management System (LIMS) and Picture Archiving and Communication System (PACS).
- Academic progress and attendance record are entered in the student software which can be accessed by parents and students.
- Documentation of all the activities on online portal that are accessible to staff and the university for reference.
- ERP system is used for facilitating and managing the administrative and academic work such as leave management, teaching plan etc.
- AICTE enabled MIS web portal is in place in the College of Engineering, Pune for information related to students, teaching staff, infrastructure, laboratories and land.
- The Software Development Cell has developed software related to attendance monitoring, time table generation for teaching, question paper generation, examiners panel generation and for placement.

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

- Quality sustenance and quality enhancement measures are regularly undertaken through IQAC.
- Feedback on curriculum from staff members, students, alumni, parents, employers/academic peers and community.
- A comprehensive audit was conducted in Medical Faculty while upgrading the syllabus.
- The curricula of B. Pharm. & M. Pharm. programmes have been thoroughly revised as per the guidelines issued by the AICTE & PCI.
- Institute of Environment Education & Research has involved international faculty in drafting the syllabi of the various courses.
- Workshops are organized on curriculum development in some of the constituent units.
- Pre Ph.D. courses are revised as per UGC Regulations 2016.
- Add on courses like foreign language, DOTNET, cyber security and skill development programmes are introduced.

6.3.2 Teaching and Learning

Following Teaching and Learning methods are adopted:

- The academic calendar is planned in advance before the term starts and is displayed on the website and the notice board of the constituent units for the students and is followed meticulously
- Master plan, Teaching plan, Rotation plan and Course plan are in place.
- ICT is an integral part of teaching and learning.
- Student's feedback on teaching of individual faculty member is taken and is analyzed for taking corrective action.
- Medical Education Technology workshops are conducted regularly for the faculty for improving teaching.
- Student centric interactive teaching and learning methods such as student seminars, quiz, group discussions, field visit etc., are adopted.
- Intensive 'Clinical Teaching' which includes live demonstration and videos illustrating assessment and management of various speech and hearing disorders is adopted by School of Audiology and Speech Language Pathology.
- Lecture capture systems are installed in some of the constituent units for the benefit of the students.
- Hands on training are provided through Midwifery skill stations, Neonatal resuscitation programme and paediatric skill stations in the Faculty of Nursing.
- Quality Improvement Programmes sponsored by AICTE are organized by Poona College of Pharmacy for teachers to keep them abreast with latest developments.
- In-plant training of 45 days in industry is introduced for engineering students.
- NPTEL video lectures, virtual laboratories etc. are integrated as a part of term work.

6.3.3 Examination and Evaluation

- Regular formative examinations are conducted and feedback is given to the students for improving the performance
- On line MCQs available to the students to enhance the self learning process.
- Answer books of the University examination are shown students on demand.
- University examinations results are analyzed to monitor the performance of students.
- Transparency is maintained in examination system.
- University examinations results are declared within 30 days.
- Online software is introduced to perform the various tasks related to pre-university examinations, revaluation and convocation.

6.3.4 Research and Development

- Research advisory committee at the university level monitors overall research progress.
- Research Committee in each constituent unit monitors research activities of the unit.
- Students from medical faculty are encouraged to participate in research activities and to present papers in Annual Research Society Conference.
- Research methodology workshops and manuscript writing workshops are conducted for the students and the faculty.
- Presentation of research paper or poster presentation is made mandatory for postgraduate medical students.
- Seed money is provided by the University to 112 projects submitted by younger faculty members.
- Faculty members are encouraged to undertake consultancy services. Revenue of Rs. 56.82 lakhs is generated during the year.
- Financial assistance is provided to the faculty members for presenting research papers at national/international level conferences.
- A benchmark of a minimum of 2 international publications with impact factor was set in the Poona College of Pharmacy for Ph.D. scholars before submission of the thesis.
- Faculty members are encouraged to undertake interdisciplinary research projects in collaboration with industries and universities.
- Libraries of various constituent units are enriched with online databases, journals and books.
- Periodical conferences, seminars, symposiums, journal clubs, workshops, quality improvement programmes and guest lectures are organized on various research themes.
- Faculty members are encouraged to write research proposals to procure funding from various funding agencies.
- Linkages with international/national organizations, industries and other universities are established for undertaking research in various constituent units.
- Laboratories are updated with modern equipment, computing devices and software.
- Indo – European Legal Study Research Centre, International Research Centre, IPR Research Centre are established in New Law College, Pune.
- Progress of research students is monitored through six monthly report and three presentations before expert committee.

6.3.5 Library, ICT and physical infrastructure / instrumentation

- 17734 text books and reference books are added to various constituent units libraries by spending Rs. 1.47 crores.
- Access to National Knowledge Network, INFLIBNET and relevant online databases is made available.
- Softwares are indigenously developed for tracking the academic progress and attendance of students and examination related information.
- Wi-Fi zone facility is made available to all the campuses of the University.
- University portal is being used for e governance, student feedback, online tests, virtual notices, attendance etc.
- 663 computers have been added to the existing 4512 computers.
- University has spent Rs. 9.65 crores in procuring advance equipment during the year.
- **ERP** system is installed to facilitate better coordination among students, faculty and non-teaching staff.
- A Finishing School is established in the Faculty of Management in association with Corporate Resource for grooming students for the corporate world.

6.3.6 Human Resource Management

- Comprehensive evaluation of teachers by students is done by frequent feedback system.
- Hospital services is further strengthened through feedback from patients.
- Biometric attendance for staff is made compulsory to ensure punctuality.
- Yoga sessions are conducted for the staff.
- Decision making processes are decentralized at University and constituent unit level.
- Self appraisal form issued by Govt. of Maharashtra and API form of UGC are used as tool for appraisal of faculty members.
- Training programmes in specific areas are conducted for non-teaching staff.
- Faculty development programs are organized for enriching the knowledge of teachers.
- Counselling and career guidance sessions for students are conducted in each constituent unit.
- Faculty members are deputed to universities abroad and institutions of national importance for higher studies.
- Faculty and student exchange programme is in place in some of the constituent units.
- Faculty members are rewarded Best Teacher Awards, Best Researcher Awards on the Foundation Day of the University.

6.3.7 Faculty and Staff recruitment

- Wide publicity is given in national newspapers for recruitment of teaching and non-teaching staff.
- Recruitment of the faculty members is done as per the guidelines of regulatory bodies and the university.
- Teachers are recruited by duly constituted selection committee following the UGC and State Government norms.
- Non-teaching staff are selected following the norms of the State and Central Govt. and the university.
- Super speciality professionals are appointed as visiting faculty for teaching allied subjects in the Faculty of Medicine.

6.3.8 Industry Interaction / Collaboration

- Medical College, Pune is conducting research projects and clinical trials in collaboration with various pharmaceutical companies.
- Dental College & Hospital, Pune has collaborated with Tata Memorial Hospital, Mumbai for management of oral cancer and with Maharashtra Memorial Foundation Ratna Memorial Hospital, Pune, for cancer screening.
- Ayurved College has signed MoU with Ayurved Rasayani, Pune for training of PG scholars and with Center for Innovation, IRSHA, Pune for clinical trials.
- An Industry-Institute Partnership Cell (IIPC) is in place with a financial assistance of AICTE in the Poona College of Pharmacy and has linkages with many pharmaceutical industries for promoting research activities.
- The Institute of Environment Education and Research, Pune has an Institute –industry cell that liasons with industry for expert inputs, internship and job placements as well as consultancy. It is associated with the TATA Power company to conduct CSR activities as well as advisory services for biodiversity conservation.
- College of Engineering has established linkages with industries through project exhibition, technical seminars and sponsored projects.
- Apart from in house collaborations, IRSHA collaborates with several clinicians from the hospitals such as KEM, Gupte Hospital, Hardikar etc. in Pune city.
- Industry institute partnership summit is organized every year wherein corporate leaders are invited to interact with the students by Institute of Management and Entrepreneurship Development, Pune. It also has collaboration with business houses, associations and other Institutions.
- One semester is earmarked for Industrial Training for the students of Institute of Hotel Management & Catering Technology, Pune in various luxury hotels for a period of four months. It has also signed MOU with Global Education Management services, UK, for placement of students in UK, Australia, China and Middle East.

6.3.9 Admission of Students

- Admission of students for UG and PG in Medical and Dental sciences is made through NEET.
- Admissions of UG & PG students to various courses are made through All India CET of the University.
- Process of admission is transparent and based on merit in CET and NEET.
- Online Information Brochures are made available to the students.

6.4 Welfare schemes for

Teaching	Health scheme, Sevak Kalyan Nidhi, Deputation of teachers with full salary for PG Programmes and Bank facilities in campus with ATM services.
Non-teaching	Health scheme, Sevak Kalyan Nidhi and Bank facilities in campus with ATM services.
Students	Health scheme, Fee concession, Store, Health services, Gymnasium in each campus.

6.5 Total corpus fund generated Rs. 5.00 cr.

6.6 Whether annual financial audit has been done Yes No

6.7 Whether Academic and Administrative Audit (AAA) has been done?

Audit Type	External		Internal	
	Yes/No	Agency	Yes/No	Authority
Academic	Yes	External Experts	No	-
Administrative	Yes	External Experts	No	-

6.8 Does the University/ Autonomous College declares results within 30 days?

For UG Programmes Yes No

For PG Programmes Yes No

6.9 What efforts are made by the University/ Autonomous College for Examination Reforms?

- Display of model answers for various internal examination.
- Use of innovative methods in formative assessment like OSCE.
- Availability of CCTV facility during examinations.
- Use of Anti-Plagiarism software to check the plagiarism in the thesis.
- Strict implementation of Ph.D. examination reforms as per UGC Regulations 2016.
- Use of online modes such as Google docs for internal tests.

6.10 What efforts are made by the University to promote autonomy in the affiliated/constituent colleges?

- Various committees are established to effectively perform the specific duties with full autonomy to their functioning in each constituent unit
- Principals and Directors have the autonomy with respect to administration and academic programmes.
- Constituent Units have a full freedom to plan for new courses as per the needs of the society.
- Conducive environment is created at the University and the Institute level to foster innovation and develop a culture of excellence.

6.11 Activities and support from the Alumni Association

Alumni associations of various constituent units extend considerable support for successfully conducting various academic and extension activities such as :

- An alumni portal exists for past students to register and know about future activities of the association.
- Alumni of School of Optometry are engaged in activities like donation of books, information of jobs in India and abroad, allowing our students to be trained under them in different eye hospitals, eye clinics, ophthalmic industries, optometry clinics and optical outlets etc.
- The Alumni Association of Dental College & Hospital, Pune participate in teaching, orientation programmes for the undergraduate and post graduate students and CDE programmes.
- An alumnus of Nursing Colleges provides scholarship through alumni fund and participates in organizing seminars/workshops.
- Alumni Associations of some of the constituent units guide the existing students to promote entrepreneurship, as well as support the placement opportunities.
- Awards are sponsored to the students with outstanding performance in academics and sports by Alumni Association of Poona College of Pharmacy, Pune.
- Members of the Alumni Association have contributed in curriculum development in engineering subjects as members of BOS. Further, financial assistance is also provided to organize seminar and conferences.
- Alumni Association of New Law College, Pune has helped in stitching the bonds of international collaborations and linkages with renowned foreign universities and organizations. It also renders assistance in organization of workshops, law fest, placement of students etc.
- Alumni sport persons of Y. M. College are invited to coach the students participating in national and international sports competitions.
- Alumni of Social Science Centre are actively involved in field work, block placement and organizing study tours and orientation visits.
- Alumni Association of Institute of Management & Research, New Delhi provides summer training and placement to the students in cooperation with industries. Alumni are involved in orientation programmes, viva-voce and as guest faculty.

6.12 Activities and support from the Parent – Teacher Association

- Feedback is taken from parents especially those from medical field to improve teaching learning, patient care and technology advancement.
- Parent-teacher meetings are organised to address the issues of students and parents in all the constituents units.
- Some of the constituent units have started online feedbacks from the parents. Feedbacks are analysed and corrective measures taken.
- Many local parents offered active assistance in social and community activities.
- Parents having self-employment and placed at senior corporate level proactively help in getting students in-plant training, sponsored projects, industry visits, sponsorships to college tech-fest, training programs and placement activity of College of Engineering, Pune.

6.13 Development programmes for support staff

- Medical faculty of the University regularly conducts in house training programme for support staff of hospital to create awareness of prevention of hospital infection through hand hygiene practices and biomedical waste disposal
- Non-teaching staff is sent for training to various institutes.
- Computer training programmes are organized in some of the constituent units for the non teaching staff.
- Yoga classes are also conducted in some of the constituent units.
- Support staffs are involved in cultural programmes and recreational activities.
- Support staffs are encouraged to improve their qualification.
- Training program is organized for laboratory assistance about the maintenance of equipment.
- The supporting staffs are also given training regarding various aspects such as accounting, maintaining office operation records and soft skills.

6.14 Initiatives taken by the institution to make the campus eco-friendly

- Awareness campaigns on environment are conducted.
- Students are encouraged to participate in various drives and rallies
- All campuses are regularly cleaned and maintained.
- Tree plantation campaigns are undertaken in all campuses.
- Energy efficient appliances like LED bulbs, LED TVs, refrigerators etc. are inducted in day to day use.
- Solar water heater plants are installed in hospitals and boys and girls hostels.
- Sewage water plant is installed in Sangli campus for recycling and is used for garden.
- Document management system is in place to encourage paperless environment.
- Staff and the students are encouraged to minimize the use of plastic bags.
- Water harvesting and Vermicomposting facilities are available in some of the campuses.
- Swaccha-Bharat-Abhiyan is implemented and practiced regularly.
- The university takes a lead in campaigning for celebrations of eco-friendly festivals on campus eg. Ganesh festival, Holi, etc., by putting up posters and street plays on the campus.
- PUC camps are conducted by students for spreading awareness about vehicle pollution.
- No Vehicle Day (Every Second Saturday of the month) is observed by the Management Institute, Kolhapur
- Biomedical waste disposal rules & regulation as laid down by regulatory body are strictly adhered.
- The animal house waste is disposed to PASSCO Environmental Solutions Pvt. Ltd., Pune for disposal of biological waste.

Criterion – VII

7. Innovations and Best Practices

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

Following innovations are introduced during the academic year :

- Installation of Pneumatic chute in hospital.
- Conducting Green Audit in all campuses of the University.
- Adoption of renewable energy sources.
- Implementation of problem based learning in medical sciences.
- Launching of Examination Portal of the University.
- Installation of Lecture Capture system in some of the constituent units.
- Implementation of ERP in almost all campuses.
- Adoption of Open book examination for P.B.B.Sc. Nursing students for unit tests.
- Yoga classes for newly admitted students for initial 2 months in College of Nursing, Navi Mumbai.
- Establishment of Finishing School for BSc Nursing internship students.
- Introduction of Company Specific Training for placement in College of Engineering, Pune.
- Establishment of centre of excellence in Cyber Law and IPR and free Legal Aid Centre in New Law College, Pune
- Organization of Pune Biennale 2017 – “Habit – Co- Habit”

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year

Proposed Actions	Actions Taken
<ul style="list-style-type: none"> Upgradation of Medical Hospital 	<p>Medical Hospital, Pune has been upgraded with regards to</p> <ul style="list-style-type: none"> Development of trauma centre Component laboratory Nuclear Acid Testing (NAT) for HIV Infrastructure Latest equipments
<ul style="list-style-type: none"> Organization of knowledge events such as Seminars, workshops, symposium, national and international conferences, Faculty and staff development programmes. 	<ul style="list-style-type: none"> 17 International, 55 national, 20 state level and 61 university level conferences were organized by constituent units with varying themes. 90 workshops, seminars were organized at international, national, state and institute levels. 84 faculty development programmes were organized by various constituent units.
<ul style="list-style-type: none"> Deploying the software developed by ICT Center of the University at the constituent units and train the faculty in its effective use for various academic and administrative processes 	<p>Following software were developed/adopted by ICT Center:</p> <ul style="list-style-type: none"> e-Learning Environment Online Feedback System Online Testing System Performance Based Assessment System Virtual Classrooms using Big Blue Button Technology <p>Five technical training programmes on ICT Services, five Functional training programmes on software such as Windows OS, MS-Office Suite and Web browsers, and two programmes on ICT Ecosystem for Research were conducted.</p>
<ul style="list-style-type: none"> Establishing e-Learning environment on MOODLE platform and train the faculty for preparing content for various courses. 	<ul style="list-style-type: none"> “e-Learning Environment of Bharati Vidyapeeth University” can be accessed at “http://ele.bvuiet.in”. This service was used by some of the constituent units such as College of Nursing, Pune, Rajiv Gandhi Institute of IT & BT, Pune etc.
<ul style="list-style-type: none"> To develop infrastructure to establish virtual classrooms in some of the constituent units. 	<ul style="list-style-type: none"> Virtual Classrooms using Big Blue Button Technology can be accessed at “http://vcs.bvuiet.in”. 3 lecture halls were converted to smart classrooms
<ul style="list-style-type: none"> To install document management system to facilitate paperless communication between the university and its constituent units. 	<ul style="list-style-type: none"> Has been implemented at Dental College & Hospital, Pune.
<p>To undertake</p> <ul style="list-style-type: none"> Construction of New Library Building for Medical College, Pune Construction of New Hostel at Kolhapur campus and completion of 13 storied building at Pune Campus for students from India and abroad. 	<ul style="list-style-type: none"> Construction of new Library Building for Medical College, Pune is under consideration. Construction of New Hostel at Kolhapur campus could not be materialized due to financial constraints. 13 storied building at Pune Campus for students from India and abroad is completed.

Proposed Actions	Actions Taken
<ul style="list-style-type: none"> • Shifting of laboratories in the existing building of IRSHA to a newly constructed 5 storied building with modern amenities. • To establish ICAR centre for Linseed Value Addition 	<ul style="list-style-type: none"> • Laboratories of IRSHA have been shifted to the newly constructed 5 storied building. • ICAR centre for Linseed Value Addition is established.
<ul style="list-style-type: none"> • Starting new PG courses (MDS) in Dental College and Hospital at Sangli, Ph.D. Programme in Drug Regulatory affairs in Poona College of Pharmacy, Pune, MSc course in Wildlife Conservation Action in Institute of Environment Education and Research, Pune and Value Addition Courses such as Business Analytics, Cloud Computing, E-Marketing, Mobile Technology and Retail management at Management Institutes of the University. 	<ul style="list-style-type: none"> • PG course MDS (Periodontics) has been started. • Ph.D. in Drug Regulatory Affairs not started yet. • M.Sc. course in Wildlife Conservation Action (WCA) has been started. • Value Addition Courses such as Business Analytics, E-Marketing, Mobile Technology and Retail management at Management Institutes have been started.
<ul style="list-style-type: none"> • Undertaking development of speech and hearing tests and materials which will be valid for our Indian population due to the paucity of the availability of tools in Indian context 	<ul style="list-style-type: none"> • Development of speech and hearing tests and other materials is in process.
<ul style="list-style-type: none"> • Conducting health checks up camps at rural and urban areas. 	<ul style="list-style-type: none"> • Constituent Units have organized 540 Health Check-up Camps during the academic year 2015-16 in rural and urban areas wherein 27664 patients were beneficiaries. Further, 39 Blood Donation Camps were organized and collected 1998 blood bags.
<ul style="list-style-type: none"> • Developing resource material for extension activities related to environment. 	<ul style="list-style-type: none"> • Resource material in the form of posters was developed for environmental action at school and community levels.
<ul style="list-style-type: none"> • Introduction of Choice Based Credit System at UG level. 	<ul style="list-style-type: none"> • CBCS has been implemented at UG level.
<ul style="list-style-type: none"> • Organisation of international Moot Court Competitions in emerging areas 	<ul style="list-style-type: none"> • Justice P.N. Bhagwati 5th International Moot Court Competition was organized in which 45 teams including 15 international and 30 top national law schools participated
<ul style="list-style-type: none"> • Organisation of sports and cultural activities. 	<ul style="list-style-type: none"> • 1052 students of the constituent units have participated in sports and games and won 147 awards / medals. • 1312 students have participated in various cultural events at state, zonal, national and international levels and won 360 awards / medals.

Proposed Actions	Actions Taken
<ul style="list-style-type: none"> Commercialization of beta-thalassemia carrier detection kit. 	<ul style="list-style-type: none"> Beta-thalassemia carrier detection kit is in the process of commercialization. The process is delayed due to the patent.
<ul style="list-style-type: none"> Celebration of Corporate Week 	<ul style="list-style-type: none"> The Industry Institute Partnership Summit was organised to enhance industry partnership.

7.3 Give two Best Practices of the institution (*please see the format in the NAAC Self-study Manuals*)

- Fostering Global Employability through Skill Development Programmes & Massive Open Online Courses (MOOC)
- Drug Information Centre.

****Details of Best Practices is enclosed at Annexure-III.***

7.4 Contribution to environmental awareness / protection

- Regular training of waste disposal for faculty, PG students and technicians.
- Involvement of students and faculty in Swatchh Bharat Abhiyan
- Tree plantation programmes by the NSS unit of colleges
- Conducting Traffic awareness drive.
- Use of solar water systems for hostels and hospitals.
- Installation of biogas plant and waste water treatment plant in Sangli campus.
- Water harvesting plant available in some of the constituent units.
- Maintaining already established incineration plants and solid immobilized bio-filter systems.
- Disposal of bio-medical waste as per rules and regulations.
- Composting of wet garbage
- Organization of free PUC check-up camps.

7.5 Whether environmental audit was conducted? Yes

No

7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

- The University was awarded with highest A+ grade in its 3rd cycle of accreditation on 27th March, 2017 by National Assessment and Accreditation Council, Bengaluru.
- ICMR granted Rs. 6.82 crore for establishing the Centre for Advance Research in Mother and Child Health Care to IRSHA.
- Institute of Environment Education and Research, Pune, was requested to develop Maharashtra State Biodiversity Strategy and Action Plan for 10 years (2018-2028) by Maharashtra State Biodiversity Board.

8. Plans of institution for next year

- Construction of new state of the art super specialty building for Medical College, Pune.
- Starting of Open Heart Surgery & CVTS facility at Bharati Hospital, Pune.
- Foster collaborations with the best in the field of education & research.
- Establishment of laboratory for investigations with sophisticated instruments to support the super speciality branches.
- To start PG courses in Oral Medicine, Oral Pathology and Public Health Dentistry at Dental College & Hospital, Sangli.
- To establish separate cleft lip and palate clinic, laser clinic and tobacco cessation cell with latest equipment at Dental College & Hospital, Sangli.
- To organise faculty development programmes and CDE programs.
- To organise non-teaching staff development programmes.
- To obtain NABH accreditation of Ayurved hospital.
- Networking and linkages with other nursing colleges at national and international level.
- To organise Winter School in collaboration with Cologne University, Germany with funding from DAAD.
- To establish School of Design and School of Nano sciences at College of Engineering, Pune.
- To set webcast / podcast facilities in all classrooms.
- To enhance revenue generation through testing and consultancy.
- Promotion of E- Learning, E- litigation and E-justice.
- Organisation of international Moot Court Competitions in emerging areas.
- To start Post Graduate Diploma in (1) Counseling and (2) Corporate Social Responsibility.
- Development of infection resistant urinary catheter in collaboration with Columbia University, New York, USA.

Part –B, Point No. 1.3 of AQAR 2016-17

ANALYSIS OF THE FEEDBACK FROM STAKEHOLDERS

Outcomes of the analysis of Students feedback:

- Students were given very good feedback about most of the staff members.
- Most of the students appreciated the medical camps organized by health sciences institutes.
- Timely completion of syllabus is appreciated by the students.
- Professional growth through various courses students, recommended to implement certified courses during academic and internship by nursing institutes.
- Appreciated uploading of power point presentations of lectures on website.
- Placement activities of management technological institutes are appreciated.
- Expressed happiness over for conducting demonstrations, field visits, competitions, theme lunches, and food festivals.

Outcomes of the analysis of Alumni feedback:

- Feedback from alumni is used for upgrading and revising syllabus and also to integrate academia with industry in case of some of the constituent units
- It was suggested by the alumni to improve further networking facility.
- Alumni have suggested that infrastructural facilities of the constituent units in rural areas need to be further improved.
- Alumni may be involved in establishing the linkages with industries.
- Skill based courses need to be launched.

Outcomes of the analysis of Parents feedback:

- Most of the parents are happy and satisfied, given suggestion about PTA should conduct 3 times in a year and approachability of teachers is appreciated.
- Parents have appreciated the system of information about students attendance and exam results.
- Interaction of teachers with each parent separately is appreciated by the parents. This has helped to understand the problems of the students.
- Parents also suggested to start some add on courses in some of the constituent units.
- Expressed happiness over the facility of providing online results of the University examinations on the University website.

Outcomes of the analysis of Employers feedback:

- Involvement of experts from industry in designing the curriculum with the focus on industry demands.
- Employers are actively involved for providing in plant training to the students.
- Employers are satisfied with the performance of students employed in different fields including industry.

Part –B, Point No. 7.3 of AQAR 2016-17**BEST PRACTICES****Best Practice : 1****1. Title of the Practice - Drug Information Centre.****2. Objectives of the Practice**

The objectives of this practice are to provide unbiased well referenced and critically evaluated up-to-date information on every aspect of drug use free of cost to practitioners, physicians, surgeons, nurses, residents, patients and consumers and promote patient care through rational use of medicines. The drug information includes complete monograph of newly marketed drug, efficacy of medicines in a disease condition as prescribed, safety of medicines in pregnancy, lactation, child and elderly patients, drug interactions with other drugs/food/disease, correct administration and storage of medicines. It also includes the information to patients about the right drug, dose, dosage form, route and duration of prescribed medicines.

3. The Context

In present situation the medical professionals needs to update the recent developments in drugs related information. Although they are expert in their areas, there is need to update them with the new drugs related information. Further, many patients are not aware of drug and its correct usage. Misuse of drugs leads to various problems such as side effects, ineffectiveness, over-dosage and even death. Health care providers could not share the information about the drugs to all patients due to factors such as time limitation and impatience to explain the complex drug information to patients. Thus there is a definite need for a forum that can provide drug information to medical professionals and patients.

4. The Practice

The Drug information centre has well qualified staff with knowledge in drug information. The DIC works on daily basis. It has exclusive phone line and e mail contacts through which any one can approach for any kind of drug information. The DIC will respond to each query within 12 hours and provides necessary information. If new drug information is required necessary information are collected and communicated to concern persons.

5. Evidence of Success

DIC has been able to penetrate into the world of medical professionals and society. We have documented DIC reports in a prescribed format. The documentation consists of about the enquirer details, its enquiry, time of receiving and delivery of information, detailed information provided and references utilized to solve the drug related query. The information is solved by our young graduate and post graduate pharmacy students, checked and countersigned by a supervisor for its authenticity and appropriateness.

6. Problems Encountered and Resources Required

Initially while setting up the DIC resources were the major issue. Subsequently, the resources such as medical and pharmaceutical books, drug database (micromedex), e-journals access and various websites have been made available to address the queries successfully.

We have been able to reach the medical professionals of our hospital and community pharmacists through various continuing pharmacy education programs conducted by Maharashtra State Pharmacy Council. There is a need to motivate pharmacists to use such services frequently and spread the awareness in the society. More steps have to be taken to create awareness about DIC in society so that it can be used extensively.

Best Practice : 2

1. Title of the practice

Fostering Global Employability through Skill Development Programmes & Massive Open Online Courses (MOOC)

2. Objective of the Practice

The modern trends which are reshaping the legal profession necessarily warrant the students to acquire adequate legal knowledge with expertise in the new and emerging areas of law. The holistic jurisprudence & specialized legal training sought by law students in these legal emerging areas definitely remains their asset to secure an employment offering global exposure and attractive package.

In the wake of these new challenges, the College has introduced “Skill Development Programmes” and Massive Open Online Courses (MOOC) which aims to generate new prospects for law students and also to bring ground breaking changes.

The **objectives** of the practice are:

- To Foster global employability through acquisition of specialized knowledge
- To instill specialized skills among the students in particular areas of law
- To prop up a unique state of the art ambiance for Digital learning, E- Commerce , E-Litigation & E-Justice
- To explicate and develop the didactic and pedagogic models for MOOCs compatible to the demands of legal industry
- To build up a sustainable open knowledge network for various types of Skill Development programmes & MOOCs which is open to tomorrow’s young budding lawyers
- To ensure the development of a high-tech teaching and learning environment with the aid of digital classrooms and smart online education solutions
- To develop overall personality of the students, and help them become professionally competent lawyers, inquisitive researchers, able administrators and conscientious judicial officers.

3. The Context

In the age of stiff competition and uncertain career paths, ‘*that little extra*’ always counts. The additional and specialized knowledge in a particular branch of law definitely sets the students apart and makes a difference.

This practice remains unique in nature in terms of quality legal education and creates a smart digital world conducive for quality teaching and research informed real world learning. The paramount aim of the practice is to create innovative lawyers with excellent acquaintance of particular legal expertise and dedicated skills required to attain greater success in the profession.

This practice is a daring deviation from learning the traditional law subjects towards learning the modern innovative and emerging subjects of law complimented by different teaching techniques and virtual atmosphere created for E-Learning.

The major challenge before the teachers is how to teach their subjects of Law with the help of technology, so that, students study and understand law in the context of contemporary relations with society and be responsible to bring a sea change in the society.

4. The Practice

The novelty of practice is to spread legal literacy in the specialized areas of law and justice alongside the latest technology and digital classrooms. Unlike studying the traditional law subjects, students get to learn and focus more on particular emerging areas of law wherein they seek to gain specialization and expertise.

This practice is a pre-step for every student to climb the ladder of success in the legal profession. He/she not only gets to know the subjects he chooses, opportunity to remove doubts & difficulties from expert faculty but also acquire practical knowledge directly from horse's mouth.

The uniqueness of the practice is that these programmes have been blended with the conventional teaching of Law subjects in such a manner that their study in turn proves beneficial for a law student to understand law and the intricacies of the legal profession.

5. Evidence of Success

The College has started Massive Open Online Courses which have been introduced in collaboration with potential national and international academia-techno partners. These courses shall bring new innovations and shall add on quality element to the structure of Legal Curriculum. Professional techno-savvy experts shall be teaching the curriculum with the help of renowned legal industry experts.

The College has collaborated with *Enhelion Knowledge Ventures Pvt Ltd* and *Educality.com* which are providing virtual ambiance and technical support for the successful conduction of the programme at our College.

In order to mobilise more employability at global scale, the College has proposed to introduce the special Skill Development programmes which will offer wider and greater opportunities for students to gain expertise in focused areas of law.

Following skill development programmes and MOOC courses were introduced by the institute:

Skill Development Programmes :

- Court Management, Counselling and Arbitration
- Diploma in Corporate Law and Practice

Massive Open Online Courses :

- Introduction to Legal Writing
- Contract Drafting
- Intellectual Property and the Internet
- Introduction to the Banking Sector Regulations and Banking Transactions
- Social Media and the IT Act

6. Problems Encountered and Resources Required

1. THE PROBLEMS IDENTIFIED:

- Cultural Change needed for Faculty- new techno-competencies
- Challenges to create the virtual and digital set up
- Un-even level of engagement of learners
- Lack of awareness among students

2. THE RESOURCES REQUIRED:

- High –tech virtual set up with latest amenities and upgraded technology
- Academic Co-ordinator dedicated to the successful conduction of courses
- Honorarium for the resource persons, experts, Practicing lawyers, etc
