Owing to the unprecedented times and the nationwide lockdowns for the containment of the Covid-19 pandemic, unfortunately, no on-ground cultural events could be conducted during the term 2020-21.

#### **1. Events in Foundation course:**

##### **a) Cultural event (online)**

Cultural event was conducted on 9<sup>th</sup> January 2021, as a part of the foundation course by the cultural committee members. The event began with an introductory session of the cultural committee and various events conducted in the college by the cultural in-charges. This was followed by an interaction round where the students asked their doubts regarding the various cultural opportunities available. The faculty members of the cultural committee also joined in for a short duration to encourage the students to participate in various cultural events while balancing their academics. After this, the magazine

incharges gave a presentation about Elixir magazine. This was followed by a Q&A round. A quiz activity was conducted thereafter for 15 mins which received a decent response. The quiz included questions from all walks of life, to test the general knowledge of the students.

To give the students an opportunity to display their unique talents and skills, a talent show was then conducted in 2 sessions of 8 performances each. All the performances were voluntary and included some energetic dances, and melodious songs. Some performers also showcased their skills in playing instruments while others displayed their artwork and photography skills. A major highlight of the event was the debate where all the students participated. The entire batch was divided into 12 groups and topics were allocated to them, a couple days prior to the event. The debates encased various topics of science, literature, culture and current affairs. The students participated in it with great zeal and enthusiasm and presented some great points and counter arguments and rebuttals. It highlighted their different point of views on important topics. The debates continued for a long time which was then followed by a fun event of scavenger hunt. It was conducted between the events to keep the students energized and the winners were declared. The event went off smoothly and received a great response from the students.

A feedback form was circulated later. The feedback was also positive and the students were highly enthusiastic about the future cultural events. Overall, the event was a success.

Though the pandemic prevented the possibility of organizing a full-fledged cultural event in the current term, it has created an enthusiasm amongst all to conduct great events in the future, once the Covid-19 pandemic situation is over. The students and the faculty alike, look forward to the same

#### **b) Essay competition and virtual Poster presentation –**

The competition was arranged on 12<sup>th</sup> January 2021.

Topic-Teachings of Swami Vivekananda

14 students participated in essay writing and 7 students submitted posters

Winners for the competition were awarded prizes in white coat ceremony in foundation course.

CULTURAL COMMITTEE EVENT

Project Name: Online Farewell Party.

Venue: Lecture hall 1

Start time & date: 1 pm , 11 March 2021

End time & date: 3 pm , 11 March 2021

Aim: To bid goodbye to all the beloved outgoing interns batch of 2020.

Groundwork: We initiated by conducting a core team meeting where work was distributed among the committee members and heads were appointed for the same. At a very fast pace e-invites, memory video of students as well as message video from staff was made. After the immediate sanctioning of budget, arrangements for food, relieving notices were made. Students started preparing for dance performances and decoration work according to the theme etc. There was a special feature of the event on the facebook live thus following the social distancing protocol. There was a stage rehearsal held one day prior the event for which costumes, steps and dances were approved by Dr. Sangeeta Sharma. Several

entertaining activities such as games, funny awards were planned. We started the event with our very own principal sir's words of acknowledgement and permission followed by speech of the outgoing general secretary Dr. Sandeep Patil. The event was wonderfully hosted by the current general secretary along with the joint cultural secretary and Zehra along with Aavesh Bhoir and the ICT team handling the technicals. The smooth functioning of the event was ensured by Dr. Sumit Bedia and Dr. Deepak Kolte. The outgoing interns batch enjoyed the event to the fullest despite of the event being online.

Summary/ Actual Project: The entire event was efficiently handled by keeping all the Covid-19 safety guidelines into consideration - social distancing, wearing masks & proper sanitisation and also by getting a consent form signed for this.

Feedback: Dr.V.Sreenivasan - The program was well organized. The performances were good.

Interns-We loved the online farewell party. Thank you so much for making our day memorable and unique.

CULTURAL COMMITTEE EVENT

Project Name: Prize distribution

Venue: Lecture Hall 1

Start time & date: 10am ,11 th March 2021

End time & date: 12 pm , 11 th March 2021

Aim: Award ceremony for the winners in the year 2020.

Ground work: A yearwise list of winners was circulated online two days prior the event so that only those students along with the staff can take prizes thus maintaining social distancing protocol. The event started by getting the covid-19 consent forms before the prize distribution ceremony. Medals and certificates were distributed to all the winners. The event was fantastically hosted by Jacklyn and Ashlesha ensuring smooth functioning of the prize distribution ceremony.

Summary/ Actual Project: The entire event was efficiently handled by Sandeep Patil keeping all the Covid-19 safety guidelines into consideration - social distancing, wearing masks & proper sanitisation.

## **CULTURAL COMMITTEE EVENT**

Project Name: Republic Day celebration

Venue: Engineering college campus

Start time & date: 9am , 21 January 2021

End time & date: 10am , 26th January 2021

Aim: To honour & celebrate the date on which constitution of India was implemented.

Groundwork: We initiated by releasing a brief notice regarding the activities & the arrangements for the republic day celebration. All the cultural committee members along with the other students of our college actively participated in poster making & other activities. There was a parade training session for the volunteers followed by stage rehearsal on all the performances a day before the celebration. On 26th January, we celebrated republic day with all the zeal and enthusiasm. Spectacular parade & National flag hoisting followed by National anthem & common practices. We started the event with a short introduction to highlight on the significance of the day followed by solo, duet & group dance performance on patriotic songs. The entire event was smoothly hosted by Upasna Toppo & Rucha Kulkarni along with Shruti as technical support. The event was concluded with our principal sirs acknowledgement & vote of thanks to the whole cultural committee along with NSS committee of the college followed by a group photo.

Summary/ Actual Project: The entire event was efficiently handled by keeping all the Covid-19 safety guidelines into consideration - social distancing, wearing masks & proper sanitisation.

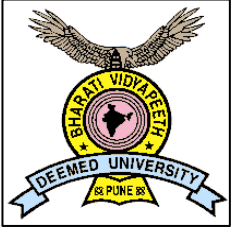

Feedback: Dr.V.Srinivasan - The program was well conducted. I really appreciate your efforts. Proud of you.

The Faculty Bonding Committee in collaboration with the Cultural Committee, of Bharati Vidyapeeth Dental College And Hospital, Navi Mumbai organized an online event to celebrate 'Teacher's Day' on 05/09/2020 (Saturday). Approximately 200 people attended the event through online mode.

Presentations including cultural songs and video presentations expressing the gratitude towards all the teachers were displayed by the students. The event concluded after the felicitation of the retired professors from the institute who ignited all the minds and are an inspiration to all the students-

Dr. Vaishali Vadgaonkar, Dr. Girish Karandikar, Dr. Anita Karandikar

Dr. Gajare, Dr. Jayant Kulkarni, Dr. Vipin Thakkar, Dr. Maya Dalaya

Dr. Ishaq Syed, Dr. Sudarshan Ranpise, Dr. Milind Karmalkar, Dr. Parvati

with the presence of the Principal Dr. V. Sreenivasan. The event was implemented online through live streaming via Facebook and Zoom due to the pandemic restrictions.

The program ended with a vote of thanks.

## Scientific and Technological Achievements of India.

“We live in a society exquisitely dependent on science and technology, in which hardly anyone knows anything about science and technology.” - Carl Sagan

Science and Technology have reliably been an important piece of Indian culture. Natural perspective, as it was considered in those ancient days, was sought after eagerly at associations of higher learning. It was simply because of science that we have developed, for instance, town planning was a critical element of the Indus Valley civilization, likewise, the strength of the Mauryan empire was additionally ascribed as innovation of utilizing the iron. From that point forward, man's interest and fastidious endeavours have helped life become more mechanical for new developments and revelations. Notwithstanding, the finish of the most recent century and the initial 50 years of the current one was a time of renaissance of science for India. Prestigious researchers like Sir J. C. Bose, C. V. Raman, S. N. Bose, Srinivasa Ramanujan, Dr. Homi J. Bhabha, Dr. Vikram Sarabhai, Dr. Har Govind Singh Khorana and so on turned out to be remarkable for their noteworthy scientific studies in different fields and brought global recognition for India. During post freedom period and through the vision of Pandit Jawaharlal Nehru at that point Prime Minister, science and technology were created in a cognizant manner as a significant power for speeding up social and financial dynamics. Presently due to the capacity and structure in our country, India is among the most elevated countries on earth in the field of research and development. As Covid has hooked the world with anxiety and misery, people have huge suppositions from science and technology. Artificial intelligence or space technology science has completely changed mind-set of common masses. Activities on COVID-19 research have been taken up rapidly. The country's scientific associations like DST have set up their own COVID-19 team to speed up diagnostics and R&D to support the country's work to moderate and formulate strategies to combat it. Recently a group of Indian astronomers found an amazingly enormous super cluster of universes, it is a seminal revelation and the cluster has been named 'Saraswati'. ISRO exhibited its ability of dealing with complex missions by effectively dispatching a record 104 satellites on a solitary rocket, this is the most noteworthy number of satellites at any point dispatched in a single mission by some other country on the planet. Rifath Sharook, an 18-year-old from Karur in Tamil Nadu, created history by making the world's smallest satellite. India ranks twelfth in the number of patents filed, ninth globally in the number of scientific publications seventh in innovation quality in 2017, third in Scientific & Technical Manpower, and second in terms of contribution to high-quality scientific research. India is as yet falling behind in the field of energy. Explicitly acquiring clean, harmless and non-contaminating energy through upgrading of non-conventional resources. Solar oriented energy, the boundless source given by Mother Nature, is still underutilized. Even though much is accomplished, more is left disregarded.

Biography

A pioneer in the Indian Travel Industry, the late Mr. Inder Sharma joined the Tourism industry in 1953 as a transfer assistant. In 1955, he was selected by SITA World Travel Inc., New York for a 6-month advanced training in Travel Management in the USA. After completing his training he returned to India and opened the first SITA office here in 1956.

He worked as the Regional Manager (India) from 1958 to 1963 post which he was promoted to the position of Vice President, Asia. In 1963, SITA World Travel Inc. was established as an Indian Private Limited Company and Mr. Sharma took charge as Managing Director. SITA India grew from strength to strength and by March 2000 it had over 23 pan-India offices and 9 international marketing offices.

With a Master's in Economics from Delhi University, (late) Mr. Inder Sharma married Divyasha Sharma, a Medical Practitioner.

In his lifetime he was considered a father of modern Tourism and he worked very closely with various Governments and private companies to enhance and grow Tourism India. His DNA was Tourism and Hospitality and he led a lot of Global and Indian travel and tourism associations in his journey. (Late) Inder Sharma along with his children Arjun and Neeraj conceived Select CITYWALK along with their partners the Aaron Group.

Select CITYWALK is often regarded as the benchmark for modern retailing in Delhi and NCR region! Spread over 1.3 million square feet, the shopping centre brings an unforgettable shopping and lifestyle experience with a plethora of brands, Serviced Apartments, Cinema, Health Club, Destination Restaurants, Cafes, bistros and more to the affluent South Delhi consumer audience. Aiming to make for an unmatched shopping experience, the outlets here offer convenience and several value added services to customers. Home to more than 190 internationally acclaimed brands, it also offers a wide range of dining, lifestyle and entertainment options.

All DOORS Opened is hard to read into my one particular genre of writing because it fits into so many of them. Essentially, it is a story of Inder Sharma, the carry creator of Sita World Travel India the towering giant of India's travel industry and later the chairman of India's travel industry and celebrated shopping centre Select Citywalk. As told in his own words, but its much more than an AUTOBIOGRAPHY.

An Autobiography written for and by Inder Sharma  
 launched on January 1st, 2018

# Smart city mission

"Cities have the capabilities of providing something for everybody, only because and only when they are created by everyone"

-Jane Jacobs

A smart city is an urban area that uses technology to provide services and solve city problems .It improves transportation and accessibility .social services and sustainability are also the key factors of a smart city .In 2016 ,the Indian government launched the smart city mission which focused on harnessing technology to create a better quality of life for its people.

Bhubaneswar is one of the first smart cities of India to be developed .It is the capital city of state ODISHA and is also called " the temple city" . It is today a very popular tourist destination and an emerging hub of education, health and information technology.

Bhubaneswar is the only tier-2 city in India where all of India's top 5 companies have bases that is INFOSIS, WIPRO, TCS, MAHINDRA and MINDTREE. It was ranked as the third best place to do business in India by world bank.

It has seven smart city pillar based on citizens needs and aspirations. Those are, governance , city planning and design ,urban utility ,urban mobility ,shelter ,economic and social development. The motto of Bhubaneswar is to create a 'user-friendly transport system that offers citizens a combination of flexibility ,intelligence and sustainably alternative mode of travel'. A step into that direction, BRT has reduced travel times by 38% and the noxious emission by 40%.

It is also in the search of the ways to better its management of trash collection and sewage treatment. Citizens are being asked to vote for the best scheme ideas . The ideas are inspired from previous initiative like Ecosan community composed toilet (Tamil Nadu) or the smart bin at lotte departmental store (South Korea).

This city is 985 acres large and has been appreciated by Dr. Alexandar Creesin who has been observing the city since long time . He quoted , " The phased smart city approach of Bhubaneswar shows how important is the adaptation of best practice from other cities and strengthening of the local ecosystem ."

Bhubaneswar has some on going programmes and initiative . It includes BMC , E-municipality services and the app of "My city my pride".

Through this apps , citizens can raise issues about BMC ,provide transparency ,accountability and responsiveness .It helps tackle , common problems such as health and sanitation .Citizens can also track the states of their complaints.

In the global index, Bhubneswar is ranked 13<sup>th</sup> on safety and 20<sup>th</sup> on parameters of mobility ,health and productivity.it also ranked 18<sup>th</sup> in national ease on august 2018.

Bhubneswar is on its way to become not just a smart city but an ideal urbanized hub of india .

" A smart city is the one which lights up your home and gives your vision a possibility . a city where architecture speaks and horns keeps silent"

## **CHATTRAPATI SHIVAJI MAHARAJ JAYANTI**

Chattrapati Shivaji Maharaj, a determined leader, a great Maratha ruler and one of the finest Indian warriors known for his great administrative & leadership skills and innovative military tactics. He was born on 19<sup>th</sup> February, 1630 in Pune district of Maharashtra.

Shivaji Jayanti is a festival celebrated in Maharashtra with great enthusiasm every year on 19<sup>th</sup> February, celebrating birth anniversary of the first Chhatrapati and founder of the Maratha Empire, Shivaji Bhosale Maharaj.

NSS Unit of Bharati Vidyapeeth (Deemed to be) University, IMED, Pune celebrated Shivaji Jayanti this year on 18<sup>th</sup> February 2021. The preparation for the celebration was started a day before which included the arrangements and decorations of the event. A beautiful and artistic rangoli was made at the entrance of IMED. Orange symbolic flag of Maratha Empire was hanged in front of IMED entrance.

On the day of celebration, all the teaching and non teaching staff members wore traditional and semi traditional attire with Pheta, a traditional turban of Maharashtra that made everything look more splendid and beautiful. The idol of Chhatrapati Shivaji Maharaj was put at the entrance of IMED. A beautiful garland of flowers was made in front of rangoli. The celebration was started with the puja of Shivaji Maharaj at 10:30am. All the precautionary measures were taken care during the celebration. Everyone from the college and campus become the part of the celebration. The event was well organized under the guidance of Dr. Sachin S. Vernekar and support of Programme officer Dr. Vijay Phalke and all the staff members. It was a great celebration that brought happiness and smile on all the faces.

# FIT INDIA CAMPAIGN

## REPORT

Fit India movement is a nation-wide movement that encourages people to stay healthy and fit by devoting time in physical activity and sports every day.

It was launched by Prime Minister of India Narendra Modi at Indira Gandhi Stadium in New Delhi on 29 August 2019 (National Sports Day).

This campaign aims to increase the health and living standard of the people.

Every year, the NSS team of IMED organizes this campaign by performing various games and activities like football, basketball, volleyball, kabaddi, etc. This year due to Covid-19 and lockdown the activity was performed from different geographical locations by every participant in their hometown in a safe manner.

The campaign took place from 2nd September, 2020 – 2<sup>nd</sup> October, 2020. The total of 85 individuals participated in this campaign including 73 students and 13 faculty members.

The campaign was divided into two shifts :-

**Morning** - 5.30 am - 7.30 am

Minimum 30 minutes of walk or jog daily resulting in average of 10,000 foot steps travelled.

**Evening** - 4.30 pm - 7.30 pm

Performing yoga, plank, skipping, push ups, playing any indoor game, etc.

A seminar was conducted by **Arjun jain** on Fitness and its health benefits to spread awareness among the viewers. The campaign was regulated by taking the screenshot of the workout done by participants and posting it in the common NSS group.

The result of this campaign was great as the participants managed to make a huge impact on their families and surrounding as well, as the later ones too contributed in this campaign by doing certain physical activity.

It is requested by everyone to give atleast 30 minutes in a day towards fitness and physical activity for better health regime.

They could include one or more of the following items in their evening snack. The items are Fruit plate, Oats, Soaked Almonds, Dry Fruits, Sprouts, Boiled egg, Butter Milk, Lemonade, Salad and Fox nuts. They were allowed to include any other item in their snack but had to justify its nutritional value. Having a fruit or fruit juice along with the evening meal was mandatory.

Eating a healthy evening snack has a lot of benefits and our aim was to motivate people to include it in their daily routine.

Some of the benefits are:

- Increases sustained energy
- Improves cognitive function
- Boosts mental health
- Improves focus

# YOGA

**Yoga** is a magical word. It is often known as that yoga is meeting one's soul with the God's soul. It can heal anything and everything. Regular practice can help us to get rid of any physical and mental problems. It has no. of forms. Different Asanas are performed for several benefits. To boost our immunity we should practice every day.

This year, **NSS** unit of IMED celebrated **Yoga day** as evening activity on **5<sup>th</sup> of September, 2020** in a different way though online medium. During this pandemic also everybody participated with great enthusiasm.

Students performed different yoga poses (asanas) at their homes and made a collage out of it and shared it. The activity started from 4:30 pm and lasted till 7:30 pm. Major students were able to perform all 6 poses and tested their flexibility and body limits. They felt really refreshed after performing these poses and wished to continue this as a daily routine.

The activity was well organised under the guidance of **Dr. Vijay SS Phalke** and the core team members. It was quite overwhelming to see such a huge participation of **47** volunteers.

## PLANK CHALLENGE

The NSS unit of IMED has organised fit India campaign of 30 days in which we made the students and the faculties aware about the importance of fitness and on the daily basis the participants have started to exercise run and walk during this fitness campaign we also organised some evening activities during which on the fifth day we organised a plank challenge in which the participants has to do a one minute plank and shoot a video of them doing a plank. All the participants participated actively in the challenge and a wonderful job by doing a plank of 1 minute the participants did many variations in the plank like:-full plank, alternating plank etc.

Plank is considered as one of the most wonderful exercise for the core strengthening in this the candidate has two holder particular position which strengthen their core, which basically strengthen the whole body and gives whole body exercise, from pelvic girdle to shoulder girdle as well as legs. The plank strengthens the spine which ultimately improves the posture of the body this exercise is very helpful in making youth fit.

This fit India campaign help the participants to inculcate the daily exercising and taught them the importance of staying fit and active which brouter healthy change in their lifestyle.

## SQUATS CHALLENGE

Squat is a strength exercise in which trainee lowers their hips from standing position and then stands back up. During the descent of the squat, the hip and knee joints flex while the ankle joint dorsiflexes conversely the hip and knee joints extend and the ankle joint plantarflexes when standing up.

Squats are considered a vital exercise for increasing the strength and size of the lower body muscles as well as developing core strength.

This year, **NSS unit** of **IMED** organised **Squats Challenge** as evening activity on **9<sup>th</sup> of September, 2020** in a different way through online medium. Everybody participated with great energy and showed their possible strength.

Students performed the challenge at their homes and made videos and shared it. The activity started from 4:30 pm and lasted till 7:30 pm. They enjoyed the activity as it was a strength building activity.

The activity was well organised by core team members under the guidance of **Dr. Vijay SS. Phalke**. It was quite overwhelming to see such a huge participation of **47** volunteers.

## WEBINAR ON FITNESS

In today's world fitness is something which every individual urge to have in his lifestyle, and its important also. But motive behind fitness varies from person to person. Some do because; they want to be healthy while some want an attractive personality and etc.

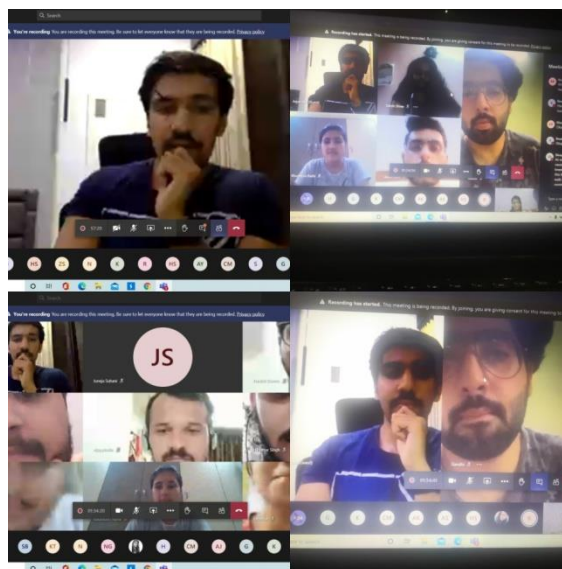

Now when we see today's youth involvement in fitness activities it's incredible.

With this thought in mind NSS unit of IMED organized a "Fit India Campaign" for 30 days under which different activities were performed by volunteers, students and faculties. This campaign was started on 2<sup>nd</sup> Seprember.

On 9th day of this campaign NSS unit organized a webinar on how to improve your health and get to know how to do exercise effectively and make your lifestyle healthy. To conduct this webinar Mr. Arjun Jain was invited. He is the Fitness Advisor, founder of A.N.S Performance & Nutrition. He holds an experience of 6 years in fitness industry.

In this webinar our guest talked about the fitness activities one can apply in his daily life. Many rumors regarding diets, various drinks were Clearfield by the Fitness Advisor.

A question and answer round was also conducted. The webinar was attended by approximately 45 fitness enthusiast who included NSS volunteers, faculties, and students of IMED. And in the end the activity was a successful one.

Greetings

Team Nss is back again with fun challenges i.e. #5DaysFitnessChallenge. We will be starting from 17th June to 21st June. You have to send picture of yourself doing respective tasks.

Working out and eating right isn't just about trying to slim down or look a certain way. It's about changing your lifestyle in a way that makes you a mentally and physically stronger person. It's all about confidence and letting your inner beauty take over.

Anyone can register for this challenge( IMED faculty & IMED students).

You can INVOLVE/CHALLENGE as many members you want in this challenge, whether it be your family member or local friends.

We've compiled a fitness activity for each day, None of these require a gym and can be done at home or in a nearby park.

Here is the Google form for registration

[https://docs.google.com/forms/d/e/1FAIpQLSdtpCycpAptY-Q2zmvw4YWSod0lajxXkl6CiGS4j4PXCJbr6g/viewform?usp=pp\\_url](https://docs.google.com/forms/d/e/1FAIpQLSdtpCycpAptY-Q2zmvw4YWSod0lajxXkl6CiGS4j4PXCJbr6g/viewform?usp=pp_url)

Note :- We will issue a participation certificate for those who have completed all the task.

And after filling the form don't forget to join the whatsapp group for participating

## REPORT

We have organized a “My Family My Responsibility” under which we have Taken Virtual Survey by Students of IMED. This activity has been conducted on 3<sup>rd</sup>October 2020.

The activity has been organized by Vishal Kumar, Prajjwal Asthana and Tejas Gujar with the help of 70 Volunteers and the mentors in the guidance of Dr. Vijay Phalke (NSS Programme Officer) in online mode due to COVID-19 pandemic situation.

The volunteers were supposed to Fill a Google Form in which their recent health and travel details were taken along with their family members to make a clear survey, after that everyone posted their family photo in which the volunteers had done a fantastic job. We merged every photo and made a final video.

<https://www.youtube.com/watch?v=irNIhrOIoYs&feature=youtu.be>

In this pandemic Online Survey is a creative idea.

My Family, My Responsibility’ campaign will aim to achieve effective health care education for the control of Covid-19 outbreak.

The health Survey will monitor family members, senior citizens and oxygen levels.

## ACTIVITY: 7 SAVE GIRL CHILD (National Girl Child Day 2020)

NSS Unit of IMED ,Bharati Vidyapeeth (Deemed to be) University has organized a activity “SAVE GIRL CHILD” under which different activities has been performed by volunteers. This activity been conducted on 11<sup>th</sup> October 2020.

The activity has been organised by Arjun Kakkar with the help of core committee members including Dr. Vijay Phalke(NSS Programme Officer). This activity was basically organized for the enrollment of MBA first year students in which 29 volunteers have participated.

The activity was performed in online mode due to COVID-19 pandemic situation. The volunteers were supposed to perform two activities. In the **first task**, volunteers were supposed make a video sharing their views that As a youth, how can they change the mindset of people regarding present condition of girls and saving girl child. The second task was to make handmade posters and to write a slogan regarding the topic in which students had done a spectacular job.

This activity has been organized on the golden occasion of ‘**National Girl Child Day 2020**’ to spread awareness among the people to save girl child. As today also in India, girls get killed under her mother’s womb when the parents get to know that there is a girl. People in today’s world also have the same old thoughts that girl are a responsibility and they can’t do anything where today girls can earn more than boys and work at high managerial positions too.

## POSTER MAKING COMPETITION

The NSS Unit of Bharati Vidyapeeth (Deemed to be) University, IMED, Pune organized poster making competition on 12<sup>th</sup> February 2021. The theme for the competition was Historical places of India. The activity was conducted in Vardhman Society, Katraj, Pune. The participants were divided into two groups as per their age. The competition was started at 6pm and went for about 1.5 Hour. About 30 children from different age groups participated in the competition.

The objective to conduct this activity was to embrace our Indian history and encourage the talent of our young generation. Participants drew different historical places of India like Red fort, India gate, Taj mahal, Shivaji Maharaj etc. and gave their best. The posters were evaluated by Dr. Kuldeep Rade (Chairman, Vardhman Society) and Prof. Vaishali Phalke.

The winners of the competition were:

Small Age Goup		High Age Group	
Winners Name	Position	Winners Name	Position
Pari Mandwalkar	I	Tanmayi	I
Swarali Sonawade	II	Swaraj Patil	II
Akshara Pawar	III	Swarali Kadam	III

The results were announced on Shivaji Jayanti i.e. 17<sup>th</sup> February 2021 and were awarded with cash prizes and momentos sponsored by Mr. Pratap Murtadak (Secretary, Vardhman Society). The response from the participants and their parents was overwhelming. The activity was organized and managed well and was a great success.

# **WORLD OZONE DAY**

## **NOTICE**

**Bharati Vidyapeeth (deemed to be University)**

**Institute of Management and Entrepreneurship Development, Pune.**

HELLO IMEDIANS !!

Let's celebrate Ozone Day differently this time! We will be conducting a one day NO VEHICLE CAMPAIGN on 16th September, 2020. All you have to do is not use your vehicles for a day. So, are you ready to give our Mother Earth some time to heal and your vehicles some rest!

We are having the No Vehicle Campaign for just one day but our aim is to aware people about the importance of limited use of motor vehicles. To serve the purpose, you will have stick a "NO VEHICLE DAY" banner on your vehicles and post a picture of yourself with your vehicles (and banners) on your Instagram story. Use the hashtags #novehicleday & #novehiclecampaign and don't forget to tag @imed.nss

Send a screenshot of your Instagram story on this group between till 7 pm. Or you can also send it in the group itself.

Regards,

Team NSS

## **REPORT**

Everything on this earth, living and non living is connected in some way. These connections often affect us in many ways. We are facing pandemic as well as climate crises at the same time. One of the climatic affect on the earth is global warming due to ozone layer depletion. Every year on 16<sup>th</sup> September, we celebrate International ozone day to spread awareness of the depletion of ozone layer and how to preserve it.

This year, NSS unit of IMED celebrated this day in a unique manner in form of different activities. The activities were started from the early morning with a fitness activity.

NSS Team has organised a “Fit India Campaign” for 30 days under which different activities has been performed by volunteers. This campaign was started on 2<sup>nd</sup> September and on the 14<sup>th</sup> day of the campaign and on international ozone day Director IMED, Dr. Sachin S. Vernekar joined us to motivate about importance of staying fit and staying fit would result to Hit India. With this, on the occasion of ozone day he told us about the importance of ozone layer for the mother earth, how without ozone layer the survival on earth would be impossible. He also suggested us the measures and steps we should take to reduce the depletion of ozone day. This morning session began at 6:15 am through online mode and was attended by many faculty and students of IMED.

Another activity conducted was one day campaign of No Vehicle Day. As we know vehicles are the major source of air pollution which also affects the ozone layer. In order to take a step towards protecting our mother earth and giving a small break to our vehicles, No Vehicle Day was celebrated. All the IMED students as well as faculties took an active part in this campaign by not using their vehicles for a day and even promoted this campaign further by posting their photographs with no vehicle day posters on various social media platforms. This campaign was started in the morning and continued for the whole day.

Planting more and more trees is a need of this hour. As trees grow, they help stop climate change by removing carbon dioxide from the air, storing carbon in the trees and soil, and releasing oxygen into the atmosphere. As every year, this year too IMED celebrated International Ozone Day by planting saplings. All the IMED Teaching and non teaching staff took active part in this activity. The activity was inaugurated by Director IMED, Dr. Sachin S. Vernekar. About 35 saplings were planted in the campus.

16 <sup>th</sup> September 2020	Tree Plantation	35

All the activities were well organized by NSS core team under the guidance of Programme officer, Dr. Vijay SS. Phalke. The event was successful with the help of the volunteers, IMED students and faculties in spreading awareness about planting more and more trees and less use of vehicles contributing in a step towards protecting our Mother Earth.

### **REPORT**

The NSS team of Bharati Vidyapeeth (Deemed to Be University), Institute of Management and Entrepreneurship Development (Pune), organized “Plantation Drive And Awareness” on 21st August,2020. Many students showed their enthusiasm through participating in this Drive and Awareness activity. The activity was guided under Dr.Vijay SS Phalke.

Our only motive for this activity was to plant more and more Trees. So, that we can have green environment all over the country and have fresh and clear air to breath. And also it would have

helped to make people aware why plantation is important. Plantation Drive and Awareness came to an end by completion of three successful activities. First activity was to Submit a digital meme (related to planting trees) which helped to serve our motive of saving trees. People showed their awareness level through these memes. Second activity was Plantation Activity, planting one or more saplings in home, garden or society. Volunteers showed their love through planting saplings at their suitable places. Third activity was Quiz On Plants which was conducted through Microsoft teams. Through this activity we aimed at making people aware about the plants and also to know their awareness level. This was full of excitement and eagerness that volunteers were showing through answering the quiz. This way, we gave end to Plantation Drive and Awareness

			losing its importance due to the interest taking priorities. This game used to be popular for kids. It is still played in the inner colonies of old area of Udaipur. Lattu is a part of life for children in Indian villages. In order to make students aware about traditional games this game was organized.
6	19-Jan-21	<b>Hoola Hooping</b>	A hula hoop is a toy hoop that is twirled around the waist, limbs or neck. They have been used by children and adults since at least 500 BC. The modern hula hoop was inspired by Australian bamboo hoops. The new plastic version was popularized in 1958 by the Wham-O toy company and became a fad. The game was organized with an intention to burn calories and body fat, improve your balance, strengthen your core muscles, and boost your cardiovascular fitness. And the best part? It's inexpensive and easy to start, and you can do it anywhere.
