Day 1- 19th APRIL 2021 Monday: 9:30 am to 2:00 pm

Welcome Note by Prof. Mukta Latkar Talwalkar

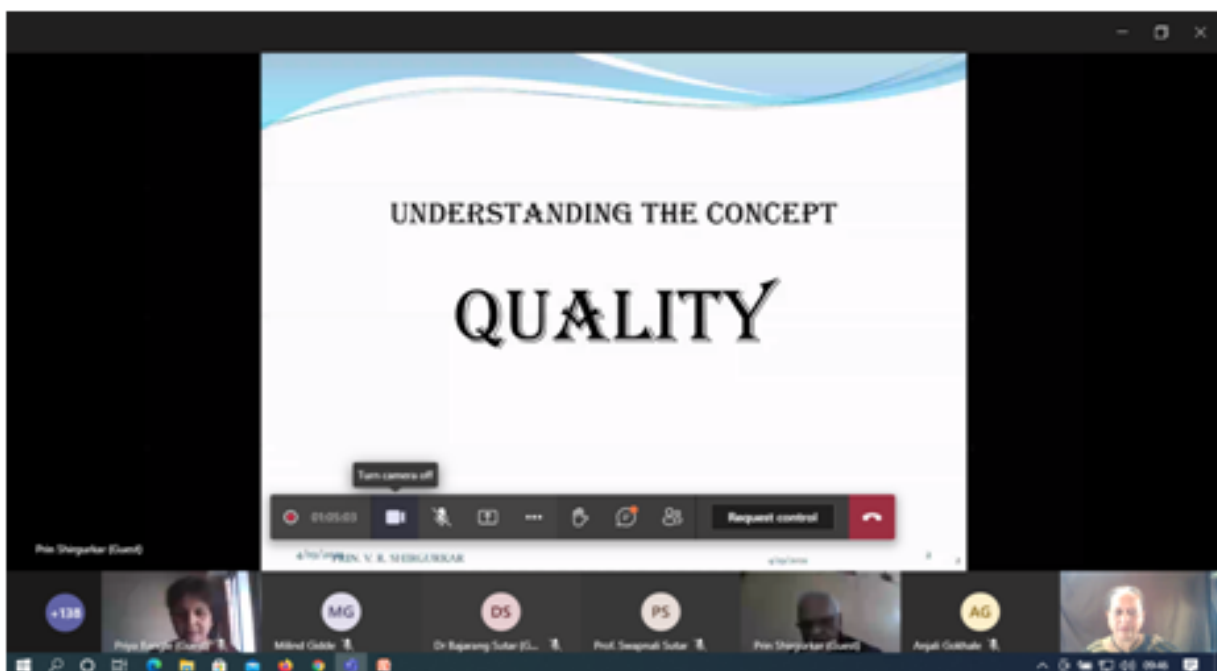

Inaugural and welcome note by Prof. Dr. B.H.Sutar, Principal B.V.D.U. College of Architecture, Pune.

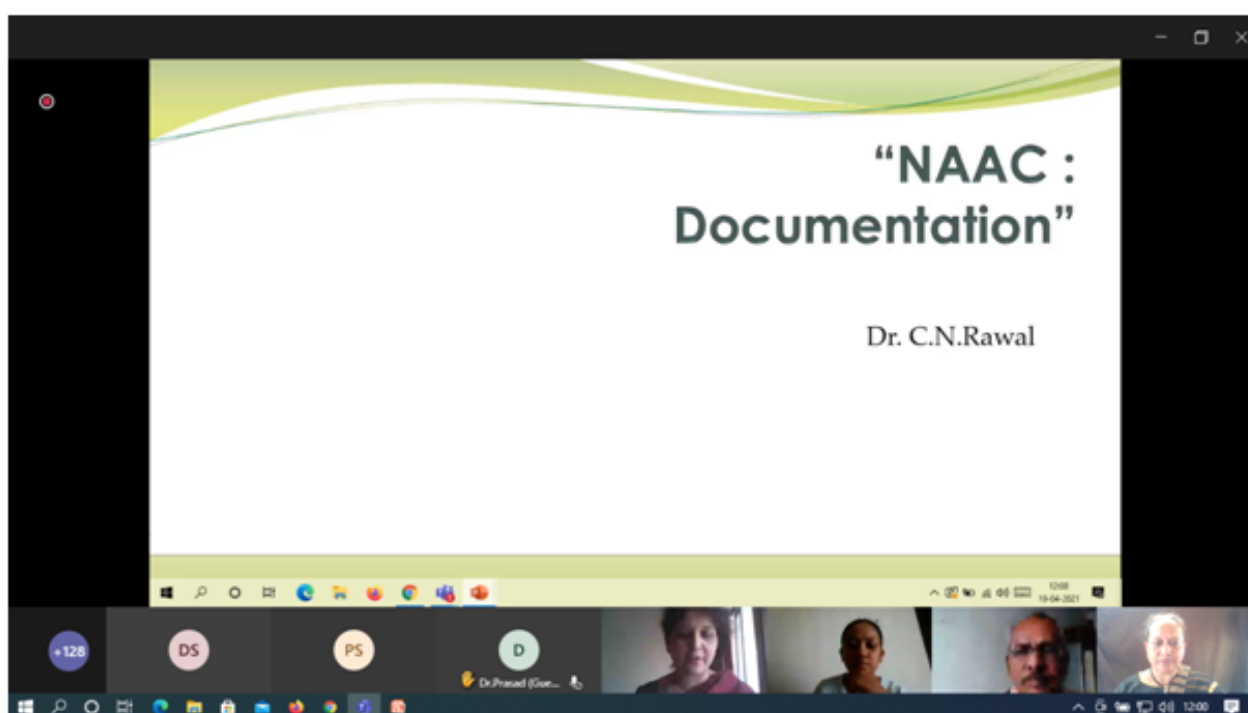

BHARATI VIDYAPEETH DEEMED UNIVERSITY'S
COLLEGE OF ARCHITECTURE, PUNE 43.

First Session was by Dr. V. R. Shirgurkar, Senior Academic Consultant presenting his thoughts on Quality in Higher Education -in the context of NAAC Metrics. He highlighted on the concepts of quality in higher education in the context of the NAAC metrics. Unless quality can be measured, it cannot be improved. NAAC has accepted this by introducing quantitative metrics. He covered how fitness for the purpose, value for money and quest for excellence can be introduced while integrating quality in teaching learning and evaluation.

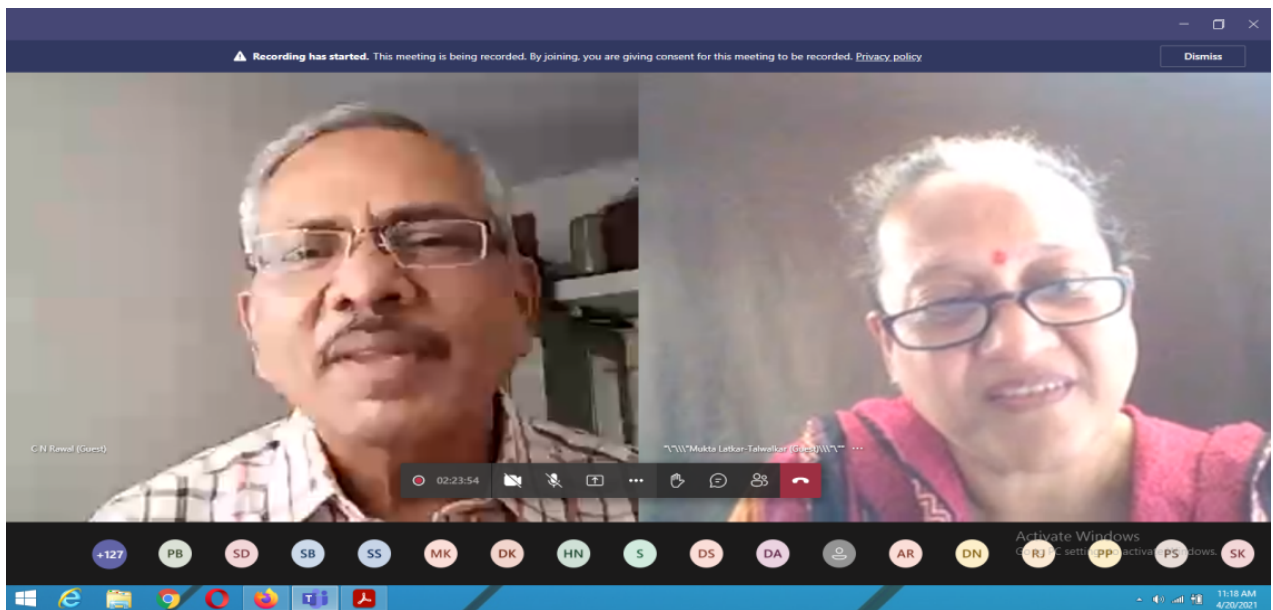

Second Session was Dr.C. N. Rawal, Ex Principal-BMCC, Pune explained the Documentation Process for NAAC. In order to process for accreditation and assessment evidence in various forms are significant and university must establish SOP to maintain all such documents /evidence /proofs in a manner to access, extract required data with the help of most modern technology to suit requirement of time and technology. Due to online assessment such evidence became backbone of grading system. Document refers to material that provides official information, evidence or record. The list of documents required and the files to be prepared before applying for the NAAC Accreditation must be in the right PDF format.

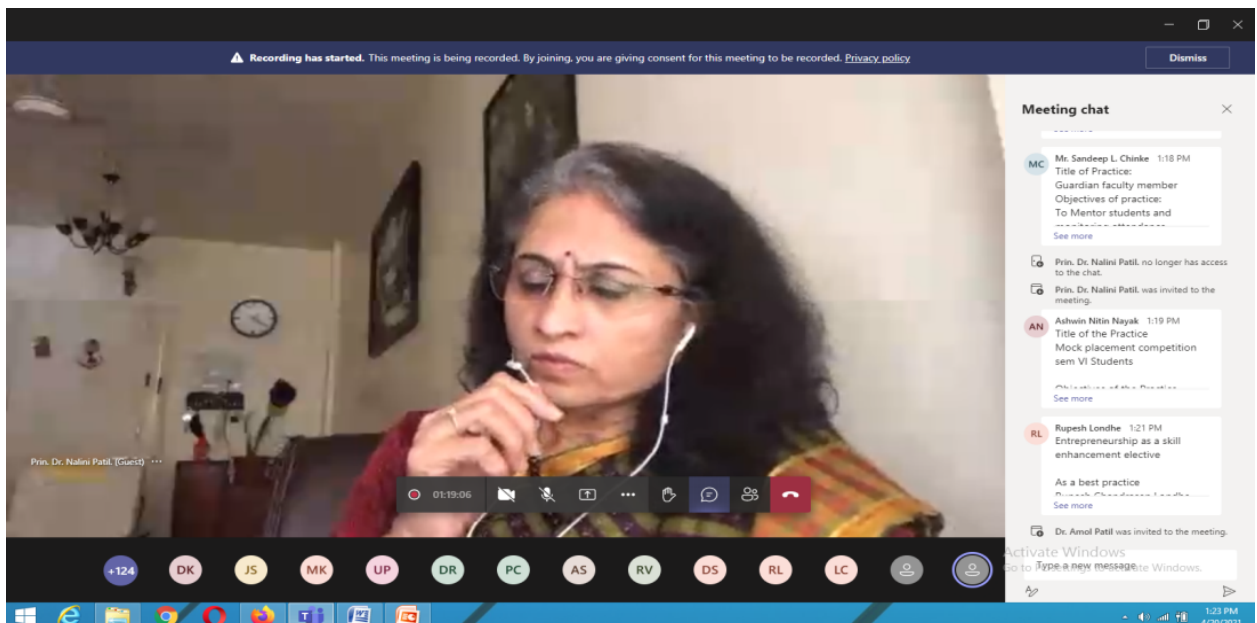

Day 2- 20th APRIL 2021 Tuesday: 9:30 am to 2:30 pm

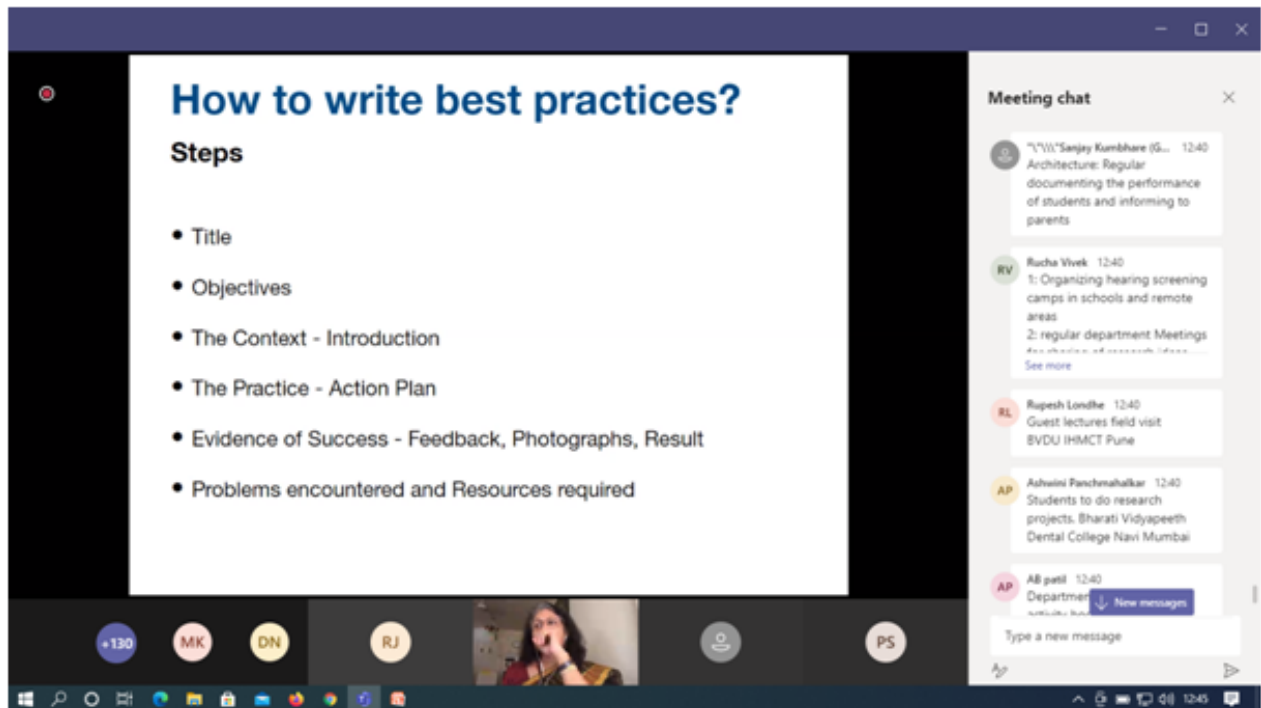

First Session was by Dr.C. N. Rawal, Ex Principal-BMCC, Pune explained the Documentation Process for NAAC Whereas documentation refers to the process of classifying, annotating texts, photos etc. It also consists of description of event between 200 to 500 words, templates, Tabular Formats, Percentage / Average, Video, Scanned Documents, Web Link and PDF uploads. There is need to develop institutional SOPs to collect, classify, analyze, store and retrieve necessary evidence.

**BHARATI VIDYAPEETH DEEMED UNIVERSITY'S
COLLEGE OF ARCHITECTURE, PUNE 43.**

Second Session was by Dr. Nalini Patil, Principal, SNTD College of Education, Pune who explained Best Practices for Criteria 1-7 and also conducted interactive session with participants. The session was divided into three part: first presentation, second interaction and third question and answers session. The seminar covered the detailed process of writing best practices along with how to select best practices for each NAAC Criterion. It explained the factors to be considered while choosing the best practices. The talk also included explanation of steps to implement the best practices effectively. The seminar was more like a workshop, where all participants presented best practices according to the process.

Conclusion of Workshop with a vote of thanks by Prof. Mukta Latkar-Talwalkar
For this online Workshop on NAAC -Documentation :
245 participants registered from 18 different Institutes from various cities.
20 Faculty members and 5 non-teaching members participated from our institute.
141 Certificates were issued after successful completion of feedback and evaluation by the participants.

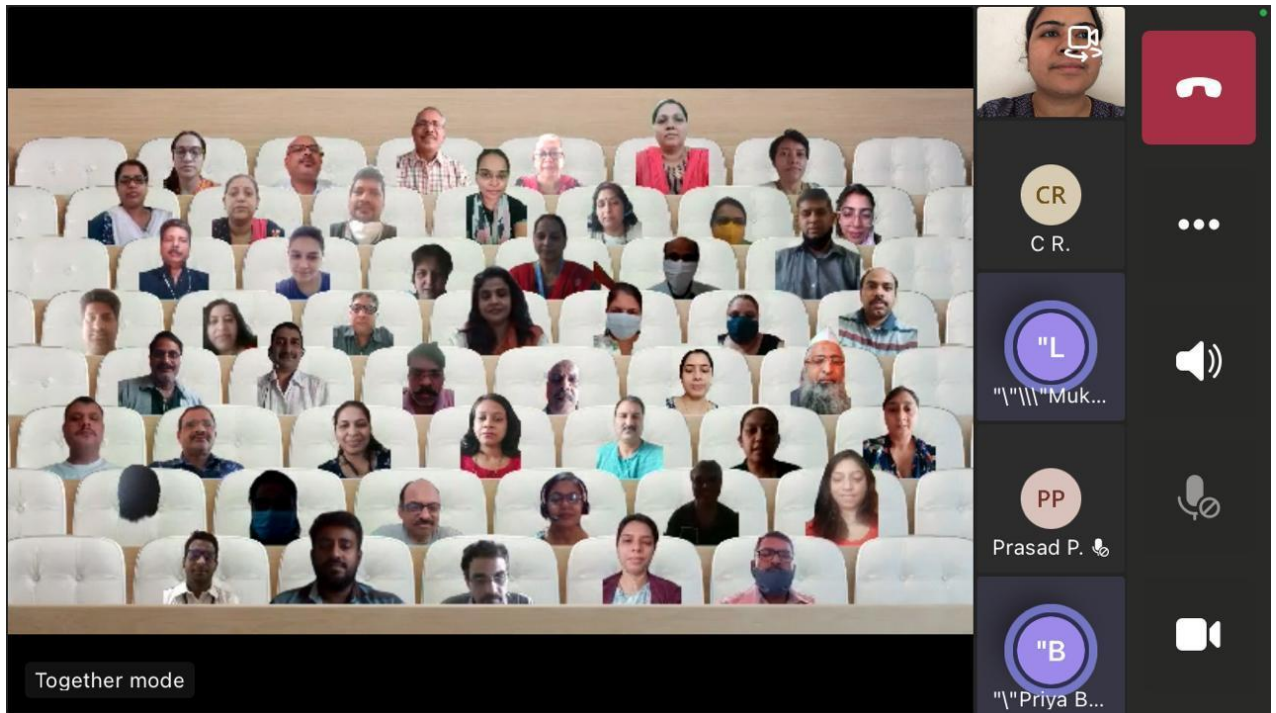

Administrative information:

Permission of the Conference obtained from: Concern Authorities – Principal Dr. B.H.Sutar

Coordinating faculty:

Prof. Mukta Latkar-Talwalkar(Coordinator),
Associate. Prof. Priya Bangle (Coordinator),
Asst. Prof. Swapnali Sutar (Technical -Coordinator).

**BHARATI VIDYAPEETH
DEEMED TO BE UNIVERSITY
DENTAL COLLEGE & HOSPITAL, PUNE - 43**

Date: 01st March 2021

Bharati Vidyapeeth Deemed to be University Dental College & Hospital, Pune organized first of its kind workshop titled "E-resources Optimization" which was exclusively meant for Librarians of various constituent units of Bharati Vidyapeeth on 26th February 2021. A total of 24 librarians from different colleges of Bharati Vidyapeeth (Deemed to be) University registered for this workshop

Dr. Umeshareddy Kacherki (Librarian IISER, Pune) & Dr. Sachin Kadam (Director ICT, Bharati Vidyapeeth Deemed to be University) were invited as Guest Speakers for this workshop.

Inaugural function commenced as scheduled at 10 am. Dr. Sanjay Londhe (Director) introduced the speakers and explained the importance of Librarians and Library in today's era of education. Felicitation of guest speakers was done at the hands of Dr Rajesh Kshirsagar (Principal) and Dr Sanjay Londhe(Director). Dr Aniket Jadhav expressed sincere thanks on behalf of organizing ICT team to guest speakers for accepting College's invitation.

Dr Umeshareddy Kacherki in his presentation explained the role & importance of e-resources optimization to the registered delegates. Dr Sachin Kadam through his presentation explained the role of ICT as an important tool for imparting education. Librarians from 6 colleges also presented their way of library functioning. On an open platform discussions were carried out and suggestions from Guest speakers were noted. Dr Rajesh Kshirsagar (Principal) appreciated Librarians for their active participation.

Every registered delegate was presented with Certificate of appreciation. The workshop concluded as scheduled at 4pm. Librarians from various colleges appreciated the workshop.

Subject : Invitation Letter for Adjunct Professor

January 4th 2021

Prof. Shailesh Deshmukh
Orthodontics & Dentofacial Orthopaedics
Bharati Vidyapeeth University Dental College & Hospital
Pune, India

Greetings from Faculty of Dental Medicine Universitas Airlangga, Indonesia.

Faculty of Dental Medicine Universitas Airlangga would like to cordially invite you to join our academic activities in the year 2021 as an Adjunct Professor. It would be such an honor for Faculty of Dental Medicine Universitas Airlangga Indonesia to have you as an adjunct professor at the Orthodontics Department from January 2021 – December 2021. The purpose of this program is to improve the knowledge of our students and also to enhance the join research as well as the Join publication. Following the adjunct professor program in the year 2021, please find the attachment details of the assignments and compensation.

Great hope this adjunct professor program will provide goods to both parties. If you have any further questions, please do not hesitate to contact us.

Sincerely yours,

Shawan P.

College self-study report (about 8-10 pages):
This report may be submitted by 1/7/2021

- 1) Describing the current state of their efforts to improve student learning and the academic quality of their programs
- 2) Infrastructure related highlights
- 3) Research- publications, projects in brief
- 4) Citing and briefly describing documentation supporting exemplary practices
- 5) Describing implementation plan(s) for improvement initiative(s)
- 6) Describing their strengths and weaknesses in the five focal areas

1) **Students learning-**

Qualitative efforts are taken by each faculty for all-round development of students. Regular lectures, Practicals and demonstrations are conducted as per scheduled time table. To encourage the students, various references from reference books, educational websites, etc. are given.

During lockdown period all the faculty organized their online lectures through ZOOM meetings, Google class etc as per their routine schedule. All students and faculty were enrolled on Microsoft platform for teaching and learning. Students were oriented to various academic training programmes. The students are asked to attend Webinars, You tube VDOs. For clinical batches live patients demonstration is given in the clinics. Regular tutorials, terminal and qualifying examinations are held as per schedule and assessment is done with grades.

For unsuccessful students re-exams are conducted for improvement of their academics and remedial classes were conducted for slow learners.

During internship students are allotted small research projects on various clinical conditions and efficacy of homoeopathy in these conditions.

The Internees research work is guided properly and evaluated by conducting their presentations.

In the current scenario college conducted the Qualifying and terminal examinations online and assessment also done online.

All classes' students are divided into small groups [10-12 students] and each such group is posted to a teacher.

Monthly meetings are taken by respective mentor teacher for his/her group students.

Following is the agenda of for such a meeting –

Personal problems regarding health, Academic Difficulties of various subject faced by student.

The students are also motivated to participate in various curricular and extracurricular activities and Interdisciplinary Research projects.

2) **Infrastructure Highlights**

The college ensures optimal allocation and utilization of the available financial recourses for maintenance and upkeep of different facilities

Non clinical departments have well equipped laboratories in the college building. The calibration, repairing and maintenance of sophisticated lab equipment's are done by the professional technicians.

The central library in the college for UG and in the hospital building for PG has ample amount of text and reference books, national and International Journals available for reading and reference. It has DELNET facility and separate Computer section to utilize

for e learning and references. Computer maintenance through AMC is done regularly and non-repairable systems are disposed of.

Classrooms-Adequate, well ventilated and spacious classrooms with ICT facilities are available for UG in college building and for PG in hospital building. Special rooms for Clinical departments and PG departments are in hospital building.

General and special wards available in the hospital for IPD patients. A well-equipped operation theatre in the hospital where minor surgical procedures are carried out.

A spacious seminar hall with technology support is in the hospital building where various seminars, workshops and eminent lectures are organized.

3) **Research- publications, projects in brief**

All the students and faculty members are asked to submit their Research Proposals time to time. During last year Short –term Student scholarship in Homoeopathy (STSH) Total fellowship was granted to 03 students by Central Council of Research in Homoeopathy. Research funds are sanctioned for major research project of “Evaluating the anticancer activity of homoeopathic preparation of *Linum usitatissimum* in breast cancer “funded by CCRH for INR-42, 02,000 lacs. For 3 years.

Many minor projects are also in progress. One project is sanctioned by Industry Wilmar Schwabe for Rs 4000/-.

33 Publications are notified on UGC website on an International level with average impact factor 5.

Many of our PG scholars and PhD are working on cellular study, In-vitro and plant study of Homoeopathic drugs.

4) **Exemplary Practices**

- Institution had linkages for internship in Industrial training for PG scholars of Homoeopathic Pharmacy at Wilmar Schwabe India Pvt. Ltd India for 05 days. (11-03-2019 to 15-3-2019). 6 students from M.D (HOM) participated in the same.
- M.O.U is signed by the Institution with Wilmar Schwabe India Pvt. Ltd India on 3 April 2019.
- Hon’ble Dr. Patangraoji Kadam Post Graduate Scientific Concave in Homoeopathy on 16th April 2019 was organized by PG Department, BVDU HMC. It was assessed by Faculty from RG ITBT and best presentation was awarded.
- The Institute runs Mobile Homoeopathic Clinic in 35-50 kms periphery in all directions from College namely at Yawat, Theur, Pirangut, Paud, Bhugaon, Bhor, Panshet, Ambi, Kirkitwadi, Saswad, Dehuroad and Dehugaon. This was initiated with the following aims:
 - ◆ To create the awareness of Homoeopathic treatment amongst rural population
 - ◆ To study various illnesses commonly seen in rural population.
 - ◆ To study the epidemiology of common illnesses seen in rural population.
 - ◆ To encourage budding homoeopath’s understanding about - The rural health setup, problems of rural people, what role budding homoeopaths can play in due future by providing homoeopathic healthcare services, prepare research papers and seek grant-in-aid from funding agencies.

- The students of all classes are divided into tiny groups [10-12 students] and each such group is assigned to a teacher as Mentor.
- Regular Parent –teacher meetings are conducted during each term.
- Due to COVID-19 pandemic face to face teaching was immediately replaced by Online Teaching & Training. This was done with the help of different apps like ZOOM, Google meet, Google form You-tube VDO. Internal assessment of students was conducted online successfully.
- Following are the Publications made during the last 3 Academic year with citation index

5) **Implementation plan(s) for improvement initiative(s)**

Regular meetings were conducted with the students and PG guides before organizing Hon'ble Dr. Patangraoji Kadam post graduate scientific concave where Scholars had poster presentation of their research topics.

Faculty guides, discuss regularly with students before Publications. They are also guided for article & research paper writing and about UGC authenticated cited journals for publishing.

Due to COVID-19 pandemic face to face teaching was immediately replaced by Online teaching and training for which Faculty was asked to undergo online training module of Learning Management System (LMS) by QASPIR before actual teaching to students.

6) **Strengths and Weaknesses**

Strengths—

1. PG scholars Publications in the International Journals with citation Index and in SCOPUS
2. Mobile Clinics at Periphery and Rural areas.
3. Student's projects were selected for Short-term Student Scholarship in Homoeopathy (STSH) Total Fellowships
4. Online academic and Examination schedule was followed as per Academic calendar published even during COVID-19 pandemic.
5. M.O.U was signed between Institution and Willmar Schwabe Homoeopathic Pharmacy, Ghaziabad; India for Research and clinical Trials of Homoeopathic drugs.
6. Major Project: -
Evaluating the anticancer activity of homoeopathic preparation of *Linum Usitatissimum* in breast cancer --In collaboration with IRSHA, B.V University) is funded for Rs 42, 02,000/-by Central Council for Research in Homoeopathy
- 7 Distribution of Arsenic Alb as a prevention declared by Department of AYUSH to staff members from all collages, patients and students.
8. Post Covid OPD is started in the Hospital.

Weaknesses—

- 1 More Research work and Publication to be initiated and Collaborative Research Projects with other institutes also to be started.
- 2 Internet facility to be upgraded and faculty and students to be enabled for latest upgraded ICT utilization.
- 3 To conduct Awareness programs, workshops Homoeopathic CMEs and National or State level seminars.

Future Growth Plan

1. To introduce M.D. [Hom] in Dept. of Paediatrics and Psychiatry.
2. To bring Homoeopathic treatment at par with other Systems of Medicine by creating awareness about the science in the masses.
3. To improve present knowledge base of Homoeopaths, practicing other modes, by introducing the need based short term courses, Refresher courses, Seminars, Workshops or Re-orientation programmes in the field of Homoeopathy.
4. To organize nationwide Refresher courses, Re-orientation Training Programmes for in service Teachers of Homoeopathy.
5. To verify the principles of Homoeopathy by clinical proving and re-proving of existing drugs with help of advanced technological devices.
6. To encourage proving of existing Homoeopathic medicines & drugs on lower animals in line with other disciplines of medicine by incorporating the latest technologies.
7. To introduce new remedies in Homoeopathy through clinical trials and drug proving.
8. To undertake more Research projects at institute level and in collaboration with Govt. Organisations and Non Govt. Organisations.
9. To establish advanced research laboratory and start Homoeopathic drug manufacturing unit on large scale.

THIS MEMORANDUM OF UNDERSTANDING

is made on the Thursday of 11 March 2021

Between

Medisynth Chemicals Pvt Ltd, Turbhe, Navi Mumbai 400705

and

Bharati Vidyapeeth (Deemed to be University)

LBS Road, Sadashiv peth, Pune- 411030

Background

- i. Medisynth Chemicals Pvt Ltd (MEDISYNTH) and Bharati Vidyapeeth (Deemed to be University) (B.V.D.U.) share interests in training program for post graduate students in regards to industrial pharmacy and research activities and techniques.
- ii. The two institutions have identified that a stronger relation can be developed.
- iii. The so developed relation between the two institutions is mutually beneficial and wish to establish a more formal relationship with each other.

1. Commencement and Duration

- 1.1. This Memorandum of Understanding ("MOU") shall take effect on the date of signing and shall continue for a period of 5 years.

2. Force of this MOU

- 2.1. The areas of agreement outlined in this MOU are described to facilitate more detailed and specific negotiations between the institutions which may lead to the preparation and signing of one or more formal agreements between MEDISYNTH and B.V.D.U. Unless specifically noted herein, in particular by designating the clause as binding, this MOU is not intended to be of legal force and effect in any manner whatsoever. This MOU shall not create a legal relationship between the institutions.

3. Broad Areas for Cooperation

- 3.1. MEDISYNTH and B.V.D.U. Homoeopathic Medical College and Hospital (B.V.D.U.H.M.C.) will discuss the possibility of cooperation in the following areas:

- (a) Industrial Training Program

G. Rajkumar

[Signature]

- (b) Joint clinical research work specifically in areas of post marketing efficacy studies on homoeopathic medicines manufactured at Medisynth, Navi Mumbai.
 - (c) Dissertation projects for B.V.D.U.H.M.C. P.G. / Ph.D. scholars at MEDISYNTH's Research facility.
 - (d) Organising of joint seminars and conferences
 - (e) Joint publications
 - (f) Any collaborative efforts that both may deem fit from time to time.
- 3.2. Representatives of the Institutions may agree to review the operation of this MoU from time to time.

4. Joint Contributions

- 4.1. Potential areas for collaborative research will be identified and recorded in subsequent research specific agreement(s) that set out appropriate and relevant contributions by the institutions. They may include

- (a) Access to the Pharmacy for the development of knowledge of industrial pharmacy.
- (b) Access to its research laboratories and assist in development of projects involving the institutions.
- (c) Access to the Hospital OPD to conduct post marketing studies on products.
- (d) MEDISYNTH and B.V.D.U. shall work specifically in the areas defined in Para 3.1.

- 4.2. The institutions acknowledge that all specific financial arrangements proposed must be negotiated and will depend upon the availability of funds and organizational approvals.

5. Confidentiality and Privacy

- 5.1. MEDISYNTH and B.V.D.U. recognize that they will come into possession of information which the other considers to be confidential, including Personal Information ("Personal Information" means information and opinions recorded in any form about an individual whose identity is apparent, or can reasonably be ascertained, from the information or opinion). Each of MEDISYNTH and B.V.D.U. contractually agrees that it shall not, at any time, disclose to any third institution, any confidential information of another institution without first having obtained the prior written consent of the other institution.

- 5.2. The provisions of this Clause 5 are intended to and shall be binding upon the institutions upon the signing of this MOU, and shall survive the termination or expiry of this MOU.

6. Intellectual Property

- 6.1. "Intellectual Property" means and includes all copyright, all rights in relation to inventions (including patent rights), plant varieties, register and unregistered trademarks, registered and unregistered designs and all other rights resulting from intellectual activity in the scientific, industrial, literary or artistic fields.

G. Angadkar

T. S. Shinde

6.2. Each institution shall retain all rights to existing intellectual property belonging to it and contributed by it ("Background IP") at the commencement of any Research Project arising under this Agreement.

6.3. If any IPR issue emerges as a result of joint research, then a specific IPR addendum will be jointly agreed upon.

7. Amendments and Supplementary Agreements

7.1. The institutions may agree to amend this MOU at any time by further memoranda in writing executed by the duly authorized officer(s) of each institution.

7.2. The institutions shall wherever necessary enter into written agreements to facilitate collaborative activities arising from this MOU. Such agreements will specify the details of agreed activities and programs, including the contributions and responsibilities of the institutions, funding, intellectual property provisions, confidentiality, risk allocation and indemnity obligations of each institution.

8. Use of Name and Logo

8.1. No institution shall use, nor permit any person or entity to use, the name or logo (or any variation thereof) of another institution without first obtaining prior written consent from the other institution. The Institutions intend that this provision shall be binding upon them and shall survive the termination or expiry of this MOU.

“Founder Chancellor, Hon’ble Dr. Patangraoji Kadam Post Graduate Homoeopathic National Research Conclave/Webinar 2020”

REPORT OF THE EVENT

The Post-Graduate Department of Bharati Vidyapeeth (Deemed to be University) Homoeopathic Medical College, Pune organized the three day “**Founder Chancellor, Hon’ble Dr. Patangraoji Kadam Post Graduate Homoeopathic National Research Conclave/Webinar 2020**”.

This Three day Research Conclave was organized with the sole purpose of providing a centre stage to the students to learn and present the research conducted by them and also to gain knowledge relating to application of research and statistics in the field of homoeopathy through the various lectures conducted.

Over the years almost all our P.G. scholars have attended various conferences curiously on the subject of improving the Homoeopathic fraternity in terms of Research. They have published papers in UGC recognized journals and also participated in conferences with Paper/Poster presentations. This year, due to the current pandemic of CoVID-19, the conclave which was originally to be held in the month of April 2020 had to be postponed and was finally organized on the 7th, 8th and 9th September 2020 in the form of a webinar through Microsoft Teams app. We had organized this research conclave to boost the Post Graduate and the Ph.D. scholars to prove themselves and improve the standards of research in the field of Homoeopathy.

The chief guests for the conclave included:

1. **Hon'ble Dr. Anil Khurana.** Deputy Director General, CCRH; Chairman of board of governor of CCH; Editor of Indian Journal of Research in Homoeopathy.
2. **Hon’ble Vice Chancellor, Dr. Manikrao Madhavrao Salunkhe,** Bharati (Deemed to be) University, Pune

The lecturers for the conclave were:

1. **Dr. Shamim Shaikh** (Ph.D.), Principal, Rajiv Gandhi Institute of Information Technology and Biotechnology, Bharati (Deemed to be) University, Pune.
2. **Dr. Prakash Doke** (M.D., DNB, Ph.D.) Professor, Dept Of Community Medicine, Bharati Medical College; Former Director of Health Services; Former Executive Director, State Health System Resource Centre Maharashtra, Government of Maharashtra; Former Professor, MGM Medical College.
3. **Mr. Karamchand Patil** (M.Sc., MPH) Biostatistician at Bharati Medical College; Former Statistician at Shree Krishna Hospital and Research Centre.
4. **Dr. Aniket V. Mali** (M.Pharm, Ph.D.) (Pharmaceutical Biotechnology) Analyst, National Centre for Cell Sciences (NCCS), Pune.
5. **Dr. Jagajjit Sahu,** Ph.D. Domain Expert, NCCS, Pune

DAY 1: The conclave began with a lamp lighting ceremony by Dr. Arun B. Jadhav, Principal, Bharati Vidyapeeth Homoeopathic Medical College and Hospital, Pune in the virtual presence of all the dignitaries.

This was followed by a welcome speech by Dr. Anita S. Patil, Dean, FOH and PG-Coordinator, Bharati Vidyapeeth Homoeopathic Medical College and Hospital, Pune. It was vibrant and enthusiastic and helped in setting up the tone for the conclave.

This was followed by the Principal Address in which he guided the students for the need to re-search and conduct baseline studies to improve the basis of thinking to generate the topics for research. Emphasis was also given to the collaborative and inter-disciplinary activities of research. All the dignitaries were then introduced and felicitated.

Following that, the chief guests addressed the crowd. Hon'ble Vice Chancellor, Dr. Manikrao Madhavrao Salunkhe, Bharati (Deemed to be) University, Pune shared his views of such a high quality conclave and expressed his views on the need of inter-disciplinary collaborative works in chemistry and homoeopathy and how the practical knowledge in one field of science can be helpful in uplifting another field of science.

Hon'ble Dr. Anil Khurana, Deputy Director General, CCRH emphasized on the necessity of research based advancement in homoeopathy by the students and talked about the scope of research for homoeopathic researchers in the present state. He also shared his views on collaborative work and the importance of sharing knowledge with one another and also shared his views on participating in the far reach of the conclave from next time onwards.

This was followed by a vote of thanks from Dr. Tejas P. Gosavi, M.D., Ph.D. scholar, Asso. Prof of Dept. of Pharmacy, BVDUHMC, Pune.

Post inauguration, the session started with lectures on BIOINFORMATICS by DR. SHAMIM SHAIKH which detailed the application of correct interpretation of knowledge of medicine and gene expression etc.

This was followed by a lecture by DR. PRAKASH DOKE on PROTOCOL DEVELOPMENT which answered the questions regarding development of protocols and operating procedures in order to start a research.

Post lunch, the session opened with the e-Poster Presentation competition where participants from all over India as well as scholars of Bharati Vidyapeeth (Deemed to be University) Homoeopathic Medical College, 12th Batch Post Graduate Students participated.

DAY 2: The session started with a lecture by MR. KARAMCHAND PATIL on MEDICAL STATISTICS which shed a light on the application of statistical analysis and various aspect of research.

After this lecture, we observed a session by DR. ANIKET V. MALI about TRANSLATIONAL RESEARCH which touched on the subject of various aspect of drug action, relationship in correspondence to pharmaceuticals.

After a short break, the e-Poster Presentation competition commenced where participants presented their evidence based research work.

DAY 3: On the last day, the session started with a lecture about PUBLICATION WRITING by DR. JAGAJIT SAHU which helped to unravel the complexity of publication of any research article and various view regarding to the publication.

Then, e-poster competition for the topics of evidence based medicine and role of homoeopathy in CoVID-19 commenced.

After a break, we commenced towards the valedictory function of the 3 day research conclave with a speech by Dr. Anita S. Patil, Dean, FOH and PG-Coordinator, Bharati Vidyapeeth Homoeopathic Medical College and Hospital, Pune which was followed by a brief report of the conclave by Dr. Arun B Jadhav, Principal,

BVDUHMC, and Pune. This Speech was followed by few words from the sponsor of the conclave, AIHSAYA (All India Homoeopathic Students and Youth Association) organization. After this, we observed speeches & Announcement of winners by the Judges' panel.

This was succeeded by a Vote of thanks by the Organizing Committee. Then the Research Conclave was concluded by Dr. Anita S. Patil.

The conclave was attended by over 500 attendees from various colleges and institutions all over India from 13 states like Andhra Pradesh, Bihar, Delhi, Gujarat, Haryana, Karnataka, Kerala, Madhya Pradesh, Rajasthan, Telangana, Uttar Pradesh, West Bengal and Maharashtra and over 40 enthusiastic participants for the e-poster competition with 35 presenting their evidence based researches and 8 presenters about COVID 19 research.

The details of participated colleges and their participants in e-poster are as follows:

Name of College	Participants enrolled
SWASTHYA KALYAN HOMOEOPATHIC MEDICAL COLLEGE & RESEARCH CENTRE JAIPUR RAJASTHAN	02
MOTIWALA HOMOEOPATHIC MEDICAL COLLEGE, NASHIK	04
DHONDUMAMA SATHE HOMOEOPATHIC MEDICAL COLLEGE	02
DKMM HOMOEOPATHIC MEDICAL COLLEGE/ MUHS	01
SJPES HMC KOLHAPUR	03
PARUL UNIVERSITY	1
Total	13

Name of the topics allotted for research conclave 2020.	Accepted for e-Poster.
Evidence Based Medicine (Dissertation)	35
Role of Homoeopathy in the Catastrophe: CoVID-19	08
Total	43

Event Schedule: DAY 1

Event	Timing	
	From	To
Inauguration Ceremony	10:00 AM	10:45 AM
• Lamp Lighting - Dr. Arun B. Jadhav , Principal, Bharati Vidyapeeth homoeopathic medical college and hospital, Pune	10:00 AM	10:05 AM
• Welcome Speech – Dr. Anita S. Patil , Dean and PG Co-ordinator, Bharati Vidyapeeth homoeopathic medical college and hospital, Pune	10:05 AM	10:15 AM
• Principal Address – Dr. Arun B. Jadhav	10:15 AM	10:20 AM
• Introduction of Guests and Guests' Address 1. Hon'ble Vice Chancellor, Dr. Manikrao Madhavrao Salunkhe , Bharati (Deemed to be) University, Pune	10:20 AM	10:30 AM 10:40 AM

2. Hon'ble Dr. Anil Khurana. Deputy Director General, CCRH; Chairman of board of governor of CCH ;Editor of Indian Journal of Research in Homoeopathy	10:30 AM	
• Vote of thanks - Dr. Tejas P. Gosavi , M.D., Ph.D. Scholar, Associated Prof of Dept. Of Hom. Pharmacy, BVDU Homeopathic Medical College	10:40 AM	10:45 AM
Lecture session: 1. Bioinformatics - Dr. Shamim Shaikh 2. Protocol Development - Dr. Prakash Doke	11:00 AM 12:00 PM	11:45 AM 12:45 PM
LUNCH	12:45 PM	1:30 PM
E-Poster Presentation Competition [Evidence based medicine]	1:30 PM	4:30 PM

DAY 2

Event	Timing	
	From	To
Introduction of Guests by Dr. Tejas P. Gosavi and Lecture session: 1. Medical Statistics – Mr. Karamchand Patil 2. Translational Research - Dr. Aniket V. Mali	10:00 AM 11:00 AM	10:45 AM 11:45 AM
E-Poster Presentation Competition [Evidence based medicine]	12:00 PM	04:00 PM

DAY 3

Event	Timing	
	From	To
Introduction of Guests by Dr. Tejas P. Gosavi and Lecture session: 1. Publication Writing – Dr. Jagajjit Sahu	09:30 AM	10:15 AM
E-Poster Presentation Competition [Evidence Based Medicine & Role of Homeopathy in this catastrophe: COVID-19]	10:30 AM	02:15 PM
Valedictory Function: 1. Concluding Speech by Dr. Anita S. Patil, Dean, FOH and PG Coordinator, BVDUHMC, Pune 2. Brief report by Dr. Arun B Jadhav, Principal, BVDUHMC, Pune. 3. Speech by sponsors, AIHSAYA organisation. 4. Speech & Announcement of winners by the Judges' panel. 5. Vote of thanks by Organizing Committee.	04:00 PM	05:00 PM

Prize distribution –

Feedback survey report

The event saw an overall positive feedback with very positive and enthusiastic remarks from the attendees with an eagerness for similar events in the future.

The students, all fellow staff members were rejuvenated by the conclave and the learning from the same. The program ran as per schedule. The timing was maintained and the assessment was unbiased. The peer review of scientific committee was appreciated and the judging was unquestioned.

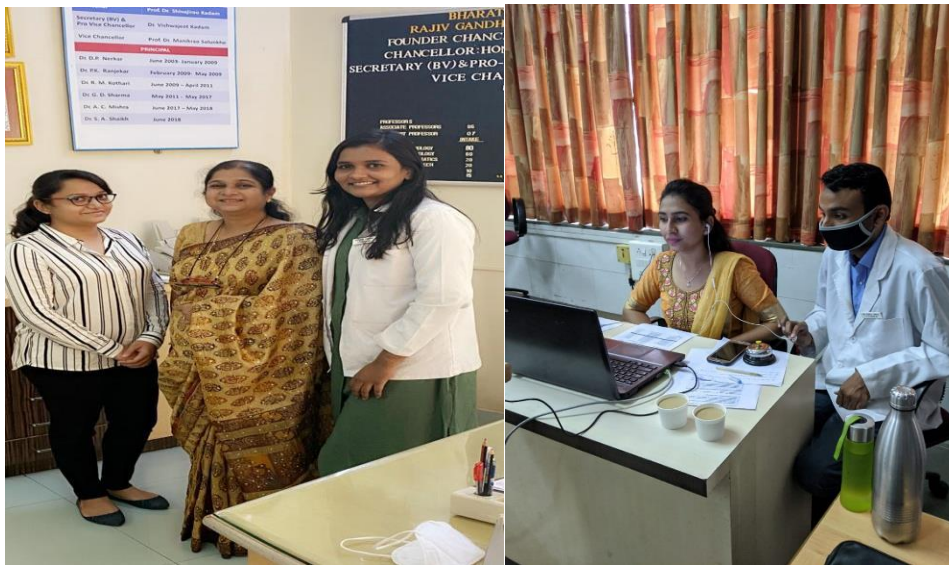

Valedictory Function:

The Vote of Thanks on the 3rd day was given by the organizing committee and the event ended on a high note of a promise to meet on a grander scale the next year. The participants were filled with enthusiasm and vigour to engage in similar such activities in the future. It was very well appreciated by all the participating colleges for the co-ordination and the level of competition and knowledge sharing. This gave them the boost to work and also provided the centre stage for their work which was very well appreciated by one and all, thereby fulfilling the objective and purpose of conducting this research conclave.

Subject : Invitation Letter for Adjunct Professor

January 4th 2021

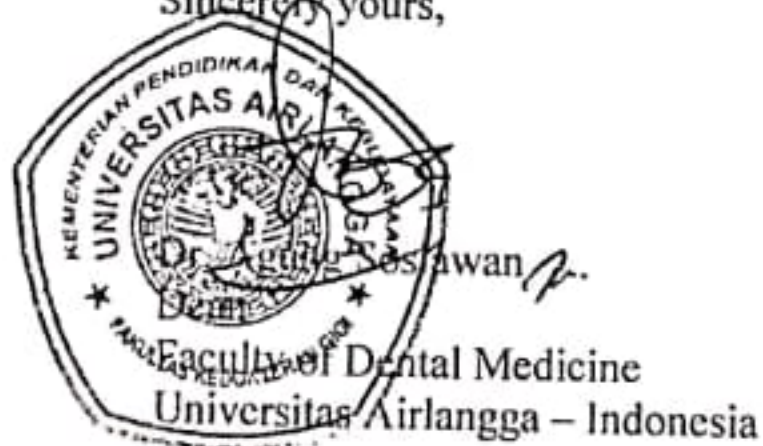

Prof. Shailesh Deshmukh
Orthodontics & Dentofacial Orthopaedics
Bharati Vidyapeeth University Dental College & Hospital
Pune, India

Greetings from Faculty of Dental Medicine Universitas Airlangga, Indonesia.

Faculty of Dental Medicine Universitas Airlangga would like to cordially invite you to join our academic activities in the year 2021 as an Adjunct Professor. It would be such an honor for Faculty of Dental Medicine Universitas Airlangga Indonesia to have you as an adjunct professor at the Orthodontics Department from January 2021 – December 2021. The purpose of this program is to improve the knowledge of our students and also to enhance the joint research as well as the joint publication. Following the adjunct professor program in the year 2021, please find the attachment details of the assignments and compensation.

Great hope this adjunct professor program will provide goods to both parties. If you have any further questions, please do not hesitate to contact us.

Sincerely yours,

PRINCIPAL

**FOUNDATION COURSE
REPORT**

MBBS | PHASE 1 | 2020-21

Introduction

The foundation course has been prepared as per revised Competency based Medical Curriculum given by MCI for MBBS Phase I. The Foundation course has been devised to sensitize the learners with essential knowledge and skills which will lay a sound foundation for MBBS course. The Learning Resource material (LRM) provided by Curriculum Implementation Support Program (CISP) booklet has been used as the guideline for preparation of various modules of foundation course. A logbook is also prepared for record keeping, reflection writing and certification of completion of the foundation course.

Planning

Planning of the Foundation Course was done through various brainstorming sessions and meetings of coordinators and subcurriculum committee members under the guidance of MEU and curriculum committee. The Time-table was drafted so as to cover all the modules and approval was taken from the concerned authorities. In view of Covid pandemic the foundation course had to be carried out in a shorter time frame so that it would also cover important topics. The course was conducted from 2nd January to 3rd February 2021. Few topics were covered later during the routine Phase 1 teaching program as per time availability and convenience, also during after hours.

Execution

Department of Anatomy was responsible for the smooth execution of the foundation course. Dr.Nitin Mudiraj, Dr.Priya Patil and Dr.Yogita Kamble were incharge of this task. The time table of the foundation course was circulated to all the concerned faculty and resource persons. The time table was uploaded on the website as well as on whatsapp group of students and parents. The venue was conveyed to the students a day prior to the schedule.

Faculty

1. In house Faculty: Total 42 Faculties from pre, para & clinical subjects were involved in this program. They were sensitized appropriately for conducting their sessions by conducting meetings. During these meetings faculties were made aware of the requirements of session, use of appropriate TL methods & use of media. Resources were provided whenever they were in need or whenever we received from Nodal centre or MCI.
2. External Faculty: Four external faculties were invited for conducting the sessions as given below
 - a. Dr.Pooja Narwadkar talked on Sexual harassment at Workplace & Prevention of Sexual Harassment Law.
 - b. Yoga & Meditation was conducted by a team comprising of 2 trainers from Harshad Gadgil, B.E. Civil, Yog Shikshak and Pranav Kulkarni M.Sc. Biotech., Yog Shikshak from Vishwa Yoga Darshan Kendra, Sangli.
 - c. Mr. Y.P. Kulkarni, resource person for language sessions.

Report on Orientation Program

The orientation program was conducted on the first day of the foundation course. It included various topics like the Academic ambience, Overview of MBBS Programme, University rules regarding examinations & attendance, Introduction to Foster –parent system Interaction with parents (Question-answers), Information regarding Anti- Ragging campaign and Ragging-free campus which gave a brief idea to the students and parents about the MBBS course. Dean's address to students and parents also highlighted the duties and responsibilities of the students when they are in this campus. Dean sir also interacted with the parents and solved any query that they had in mind.

Report on Skill Module

A. Practical demonstration of Proper Hand wash, gloving and degloving-

i. Interactive sessions were taken by the department of Community Medicine initially emphasising proper hand washing and types of hand washing. Importance of hand washing for healthcare givers & risk associated with improper hand washing and transmission of infections.

ii. Steps of hand washing and gloving and de-gloving video was shown followed by actual demonstration of proper techniques.

iii. A batch of 50 students was divided in a group of 10 each and hands on training with provision of separate basin with running tap water and soap was given and asked individually to demonstrate Hand wash followed by gloving and de-gloving.

iv. Prepared Checklist was used for step by step observation till satisfactory result.

B. Report on First Aid Session:

Power point presentation was given to explain the topic. Students were divided in small groups for DOAP sessions. The sessions were conducted by Department of Surgery and co-ordinated by department of Anatomy.

C. Report on Basic Life Support:

The sessions were conducted by department of Physiology. The students were sensitised to the topic through power point presentations. Later the practical aspect was explained through DOAP.

D. Report on Bio- Medical waste:

Concept of Biomedical waste was explained with the help of power point presentation.

Different types of waste, colour coding for segregation, various types of final disposal techniques were explained. Students were allowed to use their logic for categorising waste.

Lecture was followed by DOAP session. Workstation consisting of colour coded charts were placed. Bio-medical waste items were placed in a tray. Each student was called upon and asked to place the BMW on right colour coded charts. The competency was assessed by observing and using a check list.

- E. Report on Cultural Competency:** Session began with taking the pledge of India. Then 16 symbols related to different cultures were focused on the screen and the students were asked to identify them.

Differences between cultures and religions were described giving examples. What includes culture, benefits of culture, how to understand cultures? What is the importance of cultural differences? Why is cultural identity Important? What shapes cultures?

The meaning of cultural competence was later derived from the students. The elements and benefits of cultural competence were discussed.

- F. Report on Disability Competency:**

With the help of PPT presentation on Disability, definition, rights of the disabled person - UN and WHO guidelines as well as the vision of the disability was discussed with the students.

Social environmental hurdles in day-to-day life of the disabled person were discussed. Role of rehabilitation team and different rehabilitation modes were explained.

Report on Professional development & Ethics

To enhance the importance of values such as Professionalism, attitude & ethical behavior, the students were sensitized initially through power point presentation followed by role play by faculty and students. Following topics were covered during the sessions:

- a) Concept of professionalism & ethics
- b) Value of integrity, honesty & respect during interaction with peers, seniors & faculty other health care workers & patients

The students enthusiastically participated in the sessions. They were told to do reflection writing after the sessions.

Report on Pandemic Module

In view of the COVID 19 Pandemic, this module was introduced in the foundation course. The students were made aware of the prevailing pandemic, signs and symptoms, treatment protocols, safety measures etc through power point presentation.

Report on Computer Skills Sessions

All the students were divided into two batches. One batch 'A' was for learning Language while other batch 'B' was for Computer skill learning. Objectives: 1. To learn basic skills in Microsoft Office, power point presentation & its Applications 2. To apply the skills of Microsoft Office & power point Applications for preparing reports/presentations. 3. To learn reference searching 4. To learn digital applications like Google classroom, Whatsapp, Email. The students were made aware of different features of Microsoft word, power point and excel. They were given tasks individually as well as in groups. Assignments were given to students.

Report on Language Skill Session

All the students were divided into two batches. One batch 'A' was for learning Language while other batch 'B' was for Computer skill learning. We identified the students who wanted to learn Marathi & those who wanted to learn English. The non Marathi students were more in number for Marathi learning, while very few students wanted to learn English.

All the sessions were organized as per different modules developed by faculty and two assessments were conducted.

Feedback on Foundation Course

All the students were instructed to give feedback on every session. The feedback was collected online through Google forms and analysed.

The feedback was taken at the end of each day's session. The questions were based on following points:

1. Content of the session
2. Delivery of the session
3. Usefulness of the session
4. Technical aspects
5. What did you like most and what needs to be changed?

The feedback was taken as per grading on a scale of 0 to 3 (0=needs improvement , 1=average, 2=good, 3=excellent)

The feedback was analysed as per different modules of Foundation course as follows:

	Modules	0= Needs improvement	1=Average	2=Good	3=Excellent
1.	Orientation Programme	0.6%	2.4%	27%	70%
2.	Skill modules	0.5%	1.0%	18.5%	80%

3.	Professional development including Ethics	0.2%	1.3%	22.3%	76.2%
4.	Enhancement of language	0.8%	1.8%	21.4%	74%
5.	Computer skills	0.3%	2%	18.3%	79.4%

Some of the suggestions and remarks by the students were as follows:

- Helpful and informative
- Hope and aspiration to become good doctors
- Most useful for future
- Enhanced our knowledge
- Methods of interaction with teachers and students
- Understood importance of self-directed learning

EVENT REPORT

TITLE: FACULTY DEVELOPMENT PROGRAMME ON 'STRESS MANAGEMENT'	ACADEMIC YEAR: 2020-21
	DAY: SATURDAY
OBJECTIVE: TO REDUCE THE STRESS LEVELS OF FACULTY	DATE: 3rd October 2020
	TIME: 10 .00 AM

VENUE: ZOOM

TYPE OF EVENT: FACULTY DEVELOPMENT PROGRAMME

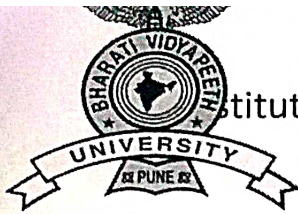

PARTICIPANTS: ALL FACULTIES

CONDUCTED BY: MS. BHAKTI GHATE FROM EXPLORE – I.

FACULTY IN CHARGE:

MRS. JYOTI PESHWE, ASSOCIATE PROFESSOR

PRINCIPAL
Bharati Vidyapeeth
(Deemed to be University)

A Virtual Faculty Development Programme on 'Stress Management' was organized by BVDU Institute of Hotel Management and catering technology on 3rd Oct 2020.

The Guest speaker was Ms. Bhakti Ghate from Explore – I. She is working in the mental health profession as a certified Counselling Psychologist and Life skill trainer for the past 17 years. she is also working successfully in the field of education and development on related projects for various schools, colleges, NGO's, corporates, and government institutes.

The FDP was aimed to reduce the stress levels of faculty and to help them perform better by challenging their own potential.

In the beginning of the session, Principal Mrs. L.S. Chirmulay introduced and welcomed the Guest speaker. Ms. Bhakti Ghate started the FDP Session with What is stress, its types and how it affects health. She also described various symptoms of stress. She explained the yerkes-dodson law of performance in detail. The FDP included hands-on activities and techniques like Stretching which were very useful and effective to reduce and overcome stress.

She gave some tips on how to maintain a healthier lifestyle and to prepare you to cope with the stress of everyday living.

- Get at least 7 hours of sleep.
- Spend time each day with at least one relaxation technique – imagery, daydreaming, prayer, yoga or meditation
- Structure each day to include a minimum of 20 minutes of aerobic exercise.
- Eat well-balanced meals, more whole grains, nuts, fruits, and vegetables.
- Substitute fruits for desserts.
- Avoid caffeine.
- Set aside relaxation time
- Connect with others
- Do something you enjoy every day

All of the above tips given in the session seemed very useful and efficient to reduce stress. The participants of the workshop had a wonderful experience during various

PRINCIPAL
Bharati Vidyapeeth

Institute of Hotel Management & Catering Technology
Katraj–Dhankawadi ,Pune - 411043

practices and exercises. There were discussions in between and at the end of the session in which the doubts and queries of participants were resolved.

At End of the session, Miss Ashima Deshpande, an Assistant professor had given a vote of thanks

There was a total of 18 participants, who attended the FDP. The motive of this FDP was that the faculty should live stress-free life then only they can inspire the student community. Also, it could be beneficial to maintain the health of the faculties.

Subject: Counselling and training services offered by our company - 'Explore-i'.

Dear Ma'am,

I, Bhakti Ghate, am chief trainer and counselor 'Explore-i'. Our company specialises in personal counselling, life-skill training and corporate training and development. We aim to deliver high-quality learning solutions to individuals (professionals and students) and corporate organisations.

Our company's name 'Explore-i' means exploring and polishing the potential within one's 'self'. Our objective with respect to personal counselling is to help individuals help themselves. We believe that any individual is capable of momentous transformation, if he/she is guided to realise and polish his/her potential.

With respect to corporate training, we offer certain predesigned training programmes to our clients. We also customize programmes according to our clients' requirements. The focus of our programmes is on individual as well as organisational development. Examples include: programmes on Stress Management, Team Building and Leadership, Communication Skill, Interpersonal Skills, Presentation Skills, Personal and Professional Grooming, and so on.

In case your organization would like to engage our counselling and training services, kindly contact us on phone or email. We look forward to hearing from you.

Thank you,

Yours sincerely,

Bhakti Ghate

CAREER SUMMARY

With a professional experience of 22 years in the Sales (B2B & B2C) & Marketing function (17 Years as an Employee 5 Years as an Entrepreneur), I have been mentored by accomplished Professionals & have worked for industry leading Organizations : Tata Communications Ltd, Reliance Communications Ltd, Bharti Airtel Ltd, Mahindra & Mahindra Ltd, Procall Ltd.

Education from Columbia Business School (2015) US & an MBA from IMT, Ghaziabad (2004) India, gave me the courage to think beyond myself & to start building Economic Empowerment for the Youth through a hybrid E-Learning platform prowisdom.in.

Experience in building a business from an Idea to Revenue by implementing the 9 components of Business Model Canvas, Represented Brands which were Market Leaders, Market Challengers, Build a new Brand, Industry work experience in Telecom, Logistics, E-Learning (Education Skilling Mentoring)

Building a strong brand, developing leadership capabilities in team, and enabling team to stretch their performance.

EDUCATION

- Executive Program in Management Leadership, Strategy and Finance, (2014-2015) Columbia University, Columbia Business School

Conceptualized prowisdom.in as my project to convert the Program learning into a Business, as a proof of my learning.

- MBA (Marketing) IMT, Ghaziabad (2001-2004) Score : CGPA 7.4/9

Work experience while doing MBA helped me interact meaningfully with the faculty & clear my concepts.

- Post Graduate Diploma in Sales & Marketing National Institute of Sales, New Delhi (1996-1999) Score : CGPA 7.2/10

It was a 2.5 year course in Sales & Marketing, including one year professional practice as a sales trainee.

I did my professional practice at Procall Ltd (a Motorola & Punwire JV) from July 1998 till June 1999.

- Bachelors in Commerce Ramjas College, Delhi University, (1998) Score : 51 %

First experience of being independent & freedom to decide.

PROFESSIONAL SKILLS

- Proven track record in building up a business from concept to revenue, identifying and closing high value contracts, including positioning solutions, developing comprehensive pricing and commercial strategies, negotiating long term service contracts.
- Ability to identify and manage B2B relationships and decision making processes across complex organization spread across geographies.
- Function through designated teams to understand and influence the decision making process of potential enterprise customers and developing/executing strategies to develop business engagement with target enterprise customers
- Ability to cultivate senior executive relationships and take them towards a strong business partnership and developing customer loyalty towards the brand.
- Team leadership, mentoring, and motivational skills.
- Ability to manage sensitive customer issues, including those essential for ensuring a high level of customer satisfaction.
- Excellent presentation and communication skills.
- Customer lifecycle management and creating brand loyalty
- Budgetary assessment and planning to include sales forecasting.
- New business acquisition (hunting) and key account management (farming).
- Ability to "lead by example" and to "represent a strong service brand".
- Ability to build a new brand.

- Communicating through Social Media (Instagram & LinkedIn)

Prowisdom.in is a hybrid E-Learning platform, building future talent & upskilling current workforce by connecting Mentees (young employees and students of schools, colleges) to some of the most accomplished global Mentors (Industry/Academia) for Mentoring & structured Skill Development.

Prowisdom.in connects Education (academia) with Livelihood (Employability/Entrepreneurship). To accomplish a goal of empowering 10 Million Youth by 2025 to thrive in Entrepreneurship or Employability, a global team of professionals are building prowisdom.in: a Skill development & Mentoring E-learning platform, which connects Youth with national & global mentors.

As a Founder & Director, I am responsible for Customer LTV Management, Managing Finance, Leading Sales & Marketing, Team Development, Social Media Marketing, UI & UX improvement, Growing Leadership Skills in Team, Managing Demand & Supply.

Aspire to build Prowisdom.in as a global brand for Skill Development & Mentoring, a hybrid platform with a presence in 10 Countries by 2025 with Revenues of USD 100Mn.

Achievements

- Users, Buyers & Partners value what we stand for, our Purpose of Business, outcome-oriented approach, quality of our services & value for money.
- Positively Impacted 2L+ Youth through our 200+ Global Mentors across 7 countries, whose quality gets appreciated & acknowledged.
- Services delivered in 52 Cities across India.
- 35 Skill Development Programs & 15 E-Learning Courses, designed & delivered by Industry professionals.
- Entrepreneurship Workshop Delivery Partner with ECell IIT Bombay since 2016 for Colleges & Schools.
- Strong brand recall with B2C users in the last 5 Years, where they have started sharing business opportunities with us.
- High value B2B contracts delivered in collaboration with Cambridge University Press, for a Pharma MNC in Pune
- 82 Industry Insights to Gain Competitive edge for our Platform Subscribers
- Successfully conducted 909 + Programs for Entrepreneurship & Employability skills (110 in Schools, 358 in Colleges & Universities, 239 in Companies)
- Customized MoU with State Universities, Colleges & Schools
- Interactive, Measurable & Sustainable learning experience E-Learning through Live Mentoring 204 Hour
- Entrepreneurship as a structured Skill Development program with 3 avenues: PWG Prodigy, PWG Leap, PWG Alpha
- Serving Companies through 4 avenues: Hire for Skills, Mentoring, Skill Development & Meetups
- Recommendation & Appreciation letters from B2B customers.
- Trust & belief in our services from B2C users on InstaLive, as a testimonial.

TATA COMMUNICATIONS LTD **April 2012 - April 2015**

Learnings

- Global teaming & Account management
- Developing strategic customer relationships
- Representing the market leader brand
- Improving the effectiveness of marketing campaigns
- Leading cross functional project management teams
- Winning long term service contracts against Global Telcos
- Building leaders within our team
- Strengthening the knowledge & strategy on hunting new accounts

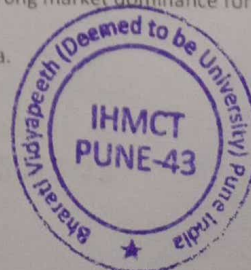

In Global Enterprise Business as Head Sales (Growth Vertical-North Region) our team was focused on new business acquisition from the set of focused accounts.

We developed and executed sales strategies to generate incremental business, engaging the marketing and product functions to penetrate an account by positioning TCL as a global organization which would assist our enterprise customers in enhancing their reach and leadership in their market segment.

It involves developing short term and long term sales & marketing campaigns through which we can enter into a business relationship with a global enterprise account through multi-engagement model.

Achievements

- Achieved 165 new account acquisitions/new enterprise accounts on board in the last two years which had not experienced the global standards of service from Tata Communications.
- Brought in maximum high value service contracts (out of overall sales) with a 3-5 year fixed contract value ensuring consistent revenue from an account and reducing the threat of annual price erosion.
- Rated Best Sales Leader (Sept 2012) across India, on team management and business parameters consisting of business and revenue growth, new account acquisition, competition churn, focus on large deals, new funnel generation, net order booked.
- Awarded "Blue Ribbon" for business excellence in Q3 FY-14 by achieving order booking targets by 150% for our team targets.
- Rated "Best In Class" in annual performance rating in current year, across India in enterprise growth segment, for annual business performance in FY-14.
- Awarded "Certificate of Excellence" for business contribution in Q4 FY-14 with 170% order booking performance.
- Grew revenues to Rs.24Cr from a new region with revenues below Rs.2Cr and developed a strong market dominance for TCL in North India for enterprise growth accounts.
- Ensured two team members achieved Best In Class performance ratings for FY-14 across India.
- Promoted to DGM Enterprise Sales within 11 months of joining in.

[Handwritten signature]

- Mentoring Sales Managers
- Generating cross selling opportunities
- Major account management
- Creating entry barrier for competition through long term contracts
- CXO level engagement for a Challenger brand
- Building active & engaged channel team

Achievements

- Achieved m.o.m revenue growth of 10% in direct accounts through 70% data & ensuring 80% link delivery within 6 weeks of order booking.
- Achieved the distinction of getting the first GMPLS order & first 1000MB P2P link resulting in significant revenue growth.
- Rated Best Sales Leader during JFM 2011 quarter with 100% revenue growth taking the team revenue from Rs.1.2Cr to Rs.2.4Cr in a quarter.
- Brought in highest one time revenue of Rs.1Cr from an MNC with a global data order contract of 7 years.
- Highest revenue growth in channel business since Jan 2011 by 50%
- Promoted to lead one of the key account team with effect from Jan 2012 with an annual revenue portfolio of Rs.40 Cr

In Global Enterprise Business, I was heading one of the key account team at Delhi for sales and revenue growth in existing set of accounts. My role was to lead 09 skilled resources from key account sales, revenue assurance, project delivery and customer service to ensure business and customer's goals are met through our services.

I started my tenure as an AGM Enterprise Sales (Gurgaon) in March 2010 with a team of 06 direct sales managers. The role was to grow RCOM's revenue and market share in Gurgaon. From Feb 2011 till Dec 2011, I was leading the channel team at Delhi for Enterprise business.

BHARTI AIRTEL LIMITED

January 2005 - March 2010

Learnings

- Product based (voice and data products)
- Benefit of speed to market
- Delivering superior customer service experience
- Sharpening hunting and farming skills
- Sales team management
- Channel management.

In Telemedia Services, my assignment as a B2B Head (Voice) was to lead sales and operations for North Zone, Delhi with a focus on serving the complete telecom needs of business segments (Corporate, SMB, Retail).

I started my tenure in Airtel as an Assistant Manager Corporate Sales (Gurgaon) in Jan 2005. The role was to handle a corporate account set of 120 accounts and managing their telecom portfolio. As a Manager Corporate Sales from June 2007, I began with a team of 2 account managers moving up to a team of 5 account managers and a channel partner till July 2009.

Achievements

- Rated Exceptional contributor for consecutive years FY 2006-07, 2007-08.
- As a B2B head Voice, ensured that North Zone (Delhi) becomes no.1 PAN India through incremental voice and revenue growth during FY 2009-10.
- Rated Significant contributor for FY 2008-09
- Achieved highest Enterprise Data order during FY 2008-09 at Gurgaon for Rs.1.1Cr with corporate sales team and a Corporate Data OB of Rs.4 Cr.
- Established & developed a new Channel Partner for voice at Delhi with high manpower productivity.
- Developed & groomed team members to head direct and channel teams in data & voice services in NCR Delhi.
- Won CEO and President award for sales excellence.
- Won performer of the quarter award for 150% sales achievement.
- Increased the monthly revenue portfolio from Rs.25L to Rs.1.8 Cr within a span of 2 years by effective sales team management and key account management.
- Developed the retail and SME sales team at North Zone(Delhi), by executing their self development plan, developing their sales skills, enhancing their sales productivity by 80% using tools of motivation, recognition and empowerment.

MAHINDRA & MAHINDRA LTD

May 2003 - January 2005

Learnings

- Managing outsourcing contracts
- Brand positioning in an unorganized market
- Selling services at a premium
- Drafting legal contracts
- Pitching operational efficiency & Overall value
- Revenue & Channel partner management

In Transport Solutions Group, my assignment as an Account Manager was bringing in business of customized logistics solutions to corporate in North India. The logistics solutions vertical: supply chain management and people movement.

I had to identify and position M&M Ltd as the best available solutions provider for logistics services for a large organization willing to outsource their people and goods movement to an organized company.

Achievements

- Developed Amul / JKSRCT / Mother Dairy as a National Account.

PROCALL LTD

July 1999 - April 2003

Learnings

- Concept Selling & Sales cycle management
- Account management & churn prevention
- Presentation skills
- Hardware sales & rental revenues

As a JV between Motorola & Punwire, we were providing Radio Trunking Wireless Services in North India.

My role, as a Senior Sales Executive, was to grow the business in the target segment of SME in Delhi NCR region having a need to control business communication cost & serve the need to contact their group of employees for faster decision making.

Achievements

- Developed US Embassy as the largest corporate account.
- Developed Radio usage module for IRTE, Delhi
- Implemented an idea of brand identity change at Procall from "wireless by Procall" to "leader in wireless"

Event – On line Faculty Development Programme

Date: 1st – 7th April 2021

Participants – 34

Organized by - IIC -BVDU IHMCT and Entrepreneurship Cell in collaboration with Prowisdom Growth.

Business Model Canvas is a highly effective strategic management tool. The objective of the Faculty Development Programme was to enable the participants to give an insight towards Entrepreneurship and practicing the same.

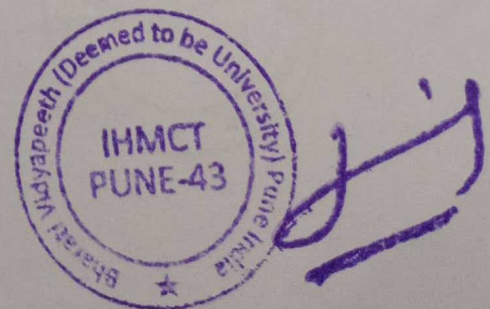

The resource person was Mr. Puneet Raman who is an Entrepreneur – Founder & Director of Prowisdom Growth and an avid Public Speaker with 22 years of experience in the field of Marketing and Entrepreneurship development.

Mr. Puneet Raman is the founder of a start-up in education management, through a unique global digital platform to build economic value for its subscribers and their family.

He has 20+ years of professional experience in (telecom & logistics) service industry having worked in large corporates as Tata Communications Ltd, Bharti Airtel Ltd, Mahindra & Mahindra Ltd, Reliance Communications and Procall.

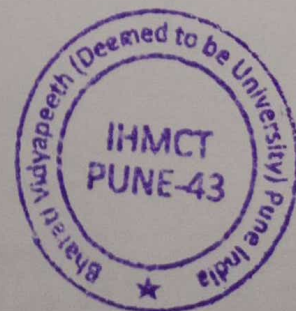

He is passionate about sharing his professional experience's, learning's with the student community and believes in collaborative success, where the working professionals share their knowledge, skills and most crucial WISDOM with the youth of the country in a structured manner, thus enabling building the talent pipeline of the country. His network comprises of professionals, business leaders and subject experts across multiple industries and business functions.

The FDP included hands-on activities and planning for a business which an individual or a team of personnel may wish to start. The participants were given a sheet which was a tool to be used to sketch out the business plan in detail. Mr. Raman explained all the aspects which are important for a business with examples of the business models designed by the faculty members.

IN A NUTSHELL

Ketan walks into every assignment he undertakes with a fresh, rookie-like approach and does not carry the baggage of tried & tested methods. 'To do what is best for the client' is his only maxim. Having got the knack of asking the right questions, he would steer everybody he works with towards solutions pragmatically. It is difficult to miss his zeal and elan in achieving success for his clients.

WORK SYNOPSIS

With close to 15 years of work experience, Ketan started his career in hospitality sector in various functions ranging from sales, operations, training and management. Having loved trainings the most, the transition into being a consultant was almost seamless. At Aacharan Consulting, one of his own brainchild, he has consulted clients from the education sector, hospitality industry, real estate, IT, Automation Industry, Packaging, Manufacturing, Automobiles and so on. He was instrumental in taking the company to East Africa & positioning itself in the international market. Apart from that he has also coached over hundred individuals from diverse professions. With his advanced studies in NLP & Business Strategy, helping businesses & individuals maximise their potential is his biggest strength.

Dear Dr. Chirmulay,

It was nice talking to you the other day.

Thank you for your willingness to offer training in Communication Skills to your students.

Attached herewith are three documents:

1. Commercial proposal for the diagnostic test/ pretest
2. Commercial proposal for the course
3. Suggestive module for the course

We shall be happy to conduct an introductory session on November 5, 2020 as suggested.

The module is suggestive and can be customised as per requirement. Please feel free to ask any queries.

Awaiting your approval,

Thanks and regards,

Vaishali Jundre

wrote:

Dear Madam,
Greetings of the day !

As per our discussion yesterday, this is to suggest that instead of 40 hours of course work we would prefer 30 hours of coursework, considering that our students will be hesitant to pay such high course fees.

Requesting you to kindly re-structure the course as per the following suggested course fees :

Level 1 - 1800/- Rs for 30 hours (Introductory Compulsory Course)

Level 2 - 1800/- Rs for 30 hours

I appreciate your attempt to come out with a viable solution for your students.

However, please understand that language learning is about skill enhancement. It is not a technical training that could be done in a short span. In fact the 60 hour module is a tested design. However, to help us crystallize a working module, we proposed a 40 hour module, the least that we could pull it down.

Reducing it further by 10 hours may not lead to any substantial learning. The training will not bring about any change in the capacities of your students.

Samsung Triple Camera
Shot with my
Galaxy Note10 Lite

So, let us now stick to a 40 clock hour module. The fee that we proposed in our virtual meeting is Rs. 2400/- per student for one level.

The diagnostic test rate has been revised to Rs. 200/- per student. It will be a timed online test of 40 marks.

Kindly consider our suggestions and give us your approval.

Thanks n regards,

Vaishali Jundre

NAAC/NBA accreditation details	NAAC : Grade A+ Score : 3.53 Year : 2017 Validity : 2017 to 2024

INFORMATION ABOUT PRINCIPAL

1. Name: Brig (Retd) Dr. Narayanan Subramanian Mani
2. Subject: Pathology
3. Qualifications: M.D. (Pathology)
4. Teaching experience (in years): 22.8 yrs
5. Number of Teaching hours per week: 05
6. Research Projects/Publications/Study material developed during last 2 years:
 - a) ICMR Project on Effects of maternal pre-eclampsia on placenta
 - b) Neuroendocrine neoplasia in GIT
 - c) Breast prognostic markers in pathology
 - d) Immunofluorescence in renal pathology
 - e) Publications: 04
7. Contribution to enrich quality of teaching - learning during last 2 years:
(Seminars / Workshops / lectures / field visits organized):
 - a) Actively participated and organized 3 CME programmes in Pathology in 2018 and 2019 and in 2 Annual Research Conferences of the Medical College in 2018 and 2019
 - b) Chaired guest lectures at locally organized CME programmes
8. Contribution to the growth and development of the Institution during last 2 years through following:
Committees: Chairman, Board of Studies for II MBBS for Bharati Vidyapeeth University. Member Board of studies for II MBBS at KLEIS, Belgavi, Member of various college committees of college such as MEU, NAAC, Curriculum Implementation committee, Accreditation of Hospital Laboratories and blood bank
Positions held: Chairpersons and Members
Work done: Progress of implementation of new UG curriculum, Activities of MEU including enforcing faculty development programmes, Revision of MBB S syllabi in all disciplines, Implementation of online medical education in UG and PG levels
9. Other responsibilities taken: (Please Specify)
 1. Principal Medical College
 2. Professor Pathology
 3. Chairperson Medical Education Unit
 4. Chairman NAAC committee of the college

10. Best Practices in teaching & Administration introduced in the college in last 2 years

- a) Mentor system for undergraduates
- b) Digitization of student and staff records (In progress)
- c) Online system of education
- d) Introduction of a variety of paramedical skill development courses

College self-study report (about 5-10 pages):

- Describing the current state of their efforts to improve student learning and the academic quality of their programs
 - New CBME curriculum implemented as per the guidelines of NMC since 2019-20
 - Online teaching using various platform like Microsoft Team, Zoom, Google meet
 - Remedial teaching

- Bridge course for newly joined PGs
 - Research methodology workshop for PGs
 - Manuscript writing workshop for PGs
 - GP posting for UGs
- Infrastructure related highlights
- Well-developed infrastructure
 - New Superspeciality hospital building
 - Surgery, Obst & Gynecology OPD renovation
- Research- publications, projects in brief
- The research is integral part of the institution.
 - The UG students are involved in community based research project every year through Community Medicine department.
 - ICMR STS projects
 - Pediatric Research Unit conducts various clinical and vaccine trials which are funded by Pharmaceutical companies. Every year more than 1 crore grants received from various agencies
 - The Students and faculty also presents their work at various state, national, international conferences. The number of publication are also increasing especially in Scopus and PubMed.
 - CRPU established
- Citing and briefly describing documentation supporting exemplary practices
- Covid 19 management in Hospital
 - SOPs at various places
 - RESCON- Annual Research Society Conference
 - Best practices since 2017-18:
 - Bone bank preparation
 - Pre preliminary examination for postgraduates in Obst. & Gynecology
 - Antimicrobial Stewardship Programme
 - Health & Demographic Surveillance System (HDSS): Demographic Trends and Morbidity Profile of Population in Pune District using TAB based data collection
 - COVID -19 designated Hospital with Pune Municipal Corporation
 - New Born Screening (NBS) Programme in the Biochemistry for early detection and treatment of Congenital disorders
- Describing implementation plan(s) for improvement initiative(s)
-
- Describing their strengths and weaknesses in the five focal areas
- Strengths
 - Supportive and Encouraging Management
 - Experienced and dedicated faculty over and above NMC norms
 - Excellent infrastructure, equipment and ICT support
 - Contemporary Curricula and Innovative T-L practices
 - Focus on overall holistic development of students
 - Diversity of students
 - Strong female representation at various levels

- Robust Medical Education Unit with est Faculty Development activities
- Affordable excellent health care strengthened by Health schemes and insurance participation
- NABH accreditation of hospital and NABL accreditation of labs in hospital
- Robust Skill Development Programmes
- Central research and Publication unit
- Research funding, especially Clinical trials
- Weakness
 - Meagre collaborations with national & international agencies
 - Inadequate publications in high impact factor journals
 - High quality Research and lack of funding from research bodies (DBT/DST/ICMR etc.)
 - Less interdisciplinary projects
 - Inactive alumni association
- Future plans
 - Create well equipped and functional Skills Laboratory including Cadaveric laboratory
 - Bringing more ICT in education & introducing the concept of flipped classroom
 - New state of art super specialty building completion
 - Establish full-fledged Oncology services including radiotherapy and nuclear medicine
 - Starting PG and superspeciality courses in Immunohematology and Blood Transfusion, Rheumatology & Immunology, Interventional radiology, Neurology, Neurosurgery and Infectious Diseases.
 - Establish transplant programmes
 - Increase NBE based Fellowships/ DNB programmes
 - Promoting collaborations with the best in the field in patient care, education, research
 - Organization of important knowledge events
 - Mandatory plagiarism checks for research articles
 - Expansion of activities of Idea Incubation Cell
 - New software for hospital– CELLMA deployment and Oracle based student management system
 - Value added courses: Research Methodology for UG students, Language course for new MBBS students
 - Enhancement and effective use of e-content development facility.
 - University exam paper online evaluation.

141	MICROBIOLOGY & SEROLOGY	Serum	Dengue IgM	ELISA	Qualitative(Positive/Negative)	3.2
142	MICROBIOLOGY & SEROLOGY	Serum	Dengue NS1	ELISA	Qualitative(Positive/Negative)	6.9

National Accreditation Board for Testing and Calibration Laboratories

(A Constituent Board of Quality Council of India)

SCOPE OF ACCREDITATION

Laboratory Name **BHARATI VIDYAPEETH UNIVERSITY MEDICAL COLLEGE HOSPITAL AND RESEARCH CENTRE LABORATORY, DHANAKAWADI, PUNE-SATARA ROAD, PUNE, MAHARASHTRA , INDIA**

Accreditation Standard **ISO 15189:2012**

Certificate Number **MC-2181** Page No. : **18 / 21**

Validity **08/05/2019 to 07/05/2021** Last Amended on **-**

S.No	Discipline	Product / Material of Test	Specific Test Performed	Test Method	Range of Testing/ Limits of Detection	%CV
143	MICROBIOLOGY & SEROLOGY	Serum	Dengue NS1 Antigen, IgG and IgM Antibodies	Immuno chromatography	Qualitative(Positive / Negative)	NA
144	MICROBIOLOGY & SEROLOGY	Serum	HAV IgG	CMIA	Qualitative(Positive / Negative)	4.6
145	MICROBIOLOGY & SEROLOGY	Serum	HAV IgM	CMIA	Qualitative(Positive / Negative)	3.0
146	MICROBIOLOGY & SEROLOGY	Serum	HCV Antibodies	Membrane based flow through immunoassay	Qualitative(Reactive / Non-Reactive)	NA
147	MICROBIOLOGY & SEROLOGY	Serum	HCV Antibodies	Chemiluminescent Microparticle ImmunoAssay (CMIA)	Qualitative(Reactive / Non-Reactive)	6.4
148	MICROBIOLOGY & SEROLOGY	Serum	Hepatitis B Surface Antigen	Chemiluminescent Microparticle ImmnoAssay (CMIA)	Qualitative(Reactive / Non-REactive)	7.6
149	MICROBIOLOGY & SEROLOGY	Serum	Hepatitis B Surface Antigen	Immuno chromatography	Qualitative(Reactive / Non-Reactive)	NA
150	MICROBIOLOGY & SEROLOGY	Serum	HEV IgG	ELISA	Qualitative(Positive / Negative)	5.1

National Accreditation Board for Testing and Calibration Laboratories

(A Constituent Board of Quality Council of India)

S.No	Discipline	Product / Material of Test	Specific Test Performed	Test Method	Range of Testing/ Limits of Detection	%CV
159	MICROBIOLOGY & SEROLOGY	Serum	Widal	Tube Agglutination	Titre given if signi to 1:80 & above	NA
160	MICROBIOLOGY & SEROLOGY	Serum	Widal	Slide Agglutination	Qualitative(Positive / Negative)	NA
161	MICROBIOLOGY & SEROLOGY	Skin Scraping, Hair Clipping, Nail Scrapings, Sputum, Pus, Urine, CSF, ETT Secretion, BAL, Ascitic Fluid, Pleural Fluid, Pericardial Fluid, Synovial Fluid, Biopsy Tissue	Fungal Culture	Manual	Qualitative(Growth / No Growth)	NA
162	MICROBIOLOGY & SEROLOGY	Sputum, Pus, Throat Swab, High Vaginal Swab, CSF, ETT Secretion, BAL, Conjunctival Swab, Ascitic Fluid, Pleural Fluid, Pericardial Fluid, Synovial Fluid, Biopsy Tissue	Gram's Stain	Microscopy	Qualitative(Presence / Absence of Pus Cells, Gram Positive, Gram Negative Cocci / Bacilli)	NA
163	MICROBIOLOGY & SEROLOGY	Stool	Hanging Drop Preparation	Microscopic Observation for darting motility	Qualitative(Darting Motility Seen / Not seen)	NA
164	MICROBIOLOGY & SEROLOGY	Stool	Modified ZN Stain	Microscopic Observation for Acid Fast Protozoa	Qualitative(Present / Absent)	NA

**National Accreditation Board for
Testing and Calibration Laboratories**

(A Constituent Board of Quality Council of India)

CERTIFICATE OF ACCREDITATION

BHARATI VIDYAPEETH UNIVERSITY MEDICAL COLLEGE HOSPITAL AND RESEARCH CENTRE LABORATORY

has been assessed and accredited in accordance with the standard

ISO 15189:2012

**"Medical laboratories - Requirements for quality and
competence"**

for its facilities at

DHANAKAWADI, PUNE-SATARA ROAD, PUNE, MAHARASHTRA, INDIA

in the field of

Medical Testing

Certificate Number: MC-2181

Issue Date: 08/05/2019

Valid Until: 07/05/2021

This certificate remains valid for the Scope of Accreditation as specified in the annexure subject to continued satisfactory compliance to the above standard & the relevant requirements of NABL.

(To see the scope of accreditation of this laboratory, you may also visit NABL website www.nabl-india.org)

Signed for and on behalf of NABL

2)PG Orientation Programme

PG Orientation Programme was organized by Bharati Vidyapeeth (Deemed to be University) Dental College & Hospital, Sangli on 11th & 12th August 2020 to welcome the new batch of Post Graduate students.

This event was a 2 day programme which was conducted in examination hall taking into consideration all the safety protocols related to COVID 19 and strict adherence to social distancing. The programme was attended by all the 1st year PG students, HOD's of all departments and all the PG guides. The orientation programme was specifically designed to provide an overview of the PG curriculum to the students. The topics were carefully chosen to prepare the students to undertake Research Projects and Guidance was also provided regarding Techniques for Scientific Literature Search. DCI Rules and Regulations were also explained based on MDS gazette.

Other topics included, Journal Club Presentation, importance of record maintainance, the new norms of Clinical Protocol in the COVID era and Personality Development. Welcome speech was delivered by respected Principal, Dr. Vidya Dodwad madam, where in she congratulated all the students for joining the esteemed Bharati Vidyapeeth University. Her speech highlighted the excellent reputation of Bharati Vidyapeeth (Deemed to be University) Dental College & Hospital, Sangli in the field of education and patient care services. She motivated the students regarding hard work and discipline in PG life & wished them a successful to more of Bharati.

The details of the PG orientation programme schedule is as follows:

Day-01		
11th August 2020	Inauguration	10:30 am to 11:15 am
	Tea Break	11:20 am to 11:30 am and followed by lectures

REPORT ON SEMINAR BY GUIDANCE & COUNSELLING COMMITTEE.

Date: 31st August 2019 & 02nd January 2021
Time: 10.00 am to 12.00 pm and 5.00 to 7.00 pm
Topic: "Upskilling Teachers For Guidance & Counselling" and "Introspection to improve work culture"
Expert: Mr. Rohan Keshav Bhalerao
Qualification: Masters in Counseling Psychology from University of Mumbai, Kalina, Mumbai
Beneficiaries: 34 (Faculty, First Year & Second Year MSc Nursing Students)

About the details of programme:

The seminar was organized under guidance & counselling committee, after identifying the need of training for faculty in guidance & counselling students. Since teachers are involved in regular counselling of students in academic, clinical, curricular, co-curricular and other activities of students, it's important to refresh their knowledge and updated the practice skills of them. MSc students are included in the seminar, because as part of the syllabus guidance and counselling topic is inculcated. Two sessions were planned; one was conducted on 31st August 2019 at Seminar room and second on 02nd January 2021 via online platform. The second session was delayed due to busy academic schedule and lockdown. Both the session were informative and interactive.

REPORT ON FDP

“STRENGTHENING PUBLICATIONS IN NURSING”

Date: 31st May 2021
Time: 10.00 am to 12.00 pm
Topic: “Strengthening publications in Nursing”
Expert: Dr. Nilesh Joshi and Dr. Rahul Venugopal
Qualification: Professor of peridontology, Senior research fellow NIMHANS
Beneficiaries: All teaching faculty from college of nursing Navi Mumbai

About the details of Programme:

The lecture was organized under Internal quality assurance initiative, after identifying the need of encouraging and motivating faculty for research publications. Since teachers are involved in regular research activity of students in academic year and their personal research work too, it's important to update their knowledge and to learn new techniques, fields and get oriented about the faulty publishers and should be aware of all standard journals and publications in research study. Session were organized by IQAC cell under the chair of Principal, Prof. Vaishali Jadhav, IQAC Coordinator Mrs. Sudersha P. Lal, Asst. Prof. HOD CHN Dep through online virtual mode on ZOOM on 31st May 2021 at 10 am. It was scheduled in total two sessions on different topics:

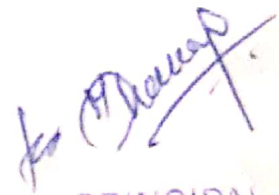

S.No.	TOPIC	SPEAKER	TIME
1.	SCOPUS Indexed journals	Dr. Nilesh Joshi	10:00am -11:00am
2.	Standard journals (Web of science, UGC Care) formats and faulty journals	Dr. Rahul Venugopal	11:00am – 12:00 am

All faculty from college of nursing, Navi Mumbai have participated. The speaker in first session stressed upon clear directions on how to publish in journals like SCOPUS what are the standards which need to be followed. Second session was very interactive where many doubts were answered regarding selection of standard journals .manuscript writing, rejections, then acceptance and speaker also highlighted few faulty journals which can cause harm to your research work and misuse the work.. Programme ended with open discussion. It was very informative and interactive session appreciated by all the participants. At the end Principal Prof. Vaishali Jadhav encouraged all faculty members to publish articles and research work in scopus journals.

Both the speakers have appreciated the interest and efforts for organizing such FDP and encouraged for publications in standard journals.

Nursing Faculty/ Student Exchange program

Program for an exchange of experiences faced by nursing faculty related to teaching-learning processes faced by nursing faculty.

Introduction:

In India, lockdown started in March 2020 and continued until the date 2021. Complying with the COVID-19 prevention protocols, many institutes of nursing educations moved from Face-to-face teaching and learning to the virtual remote learning mode. For a certain period to protect and prevent the infection, the novice students were suspended from the clinical area. However, to build confidence among students, nursing teachers adopted the sudden transit from traditional classroom teaching to online teaching. Any change in daily routine gives positive and negative experiences, and these experiences vary from person to person. When we share experiences, it prepares an individual to handle a similar kind of situation in a better way. Hence, staff M.K.S.S.S B.T.INE. wants to listen and share their teaching-learning experiences with the faculty of nursing from BVCON Mumbai.

Group for discussion: Teaching staff from two nursing colleges affiliated with Bharati Vidyapeeth and Maharashtra University of Health Sciences.

Aim: "to discuss the challenges and perspectives of nursing education in times of the COVID-19 pandemic.

Objectives:

1. To share the challenges related to teaching learning experiences during COVID-19 pandemic.
2. To share the stress symptoms experienced while preparing and delivering virtual remote teaching.
3. To share strategies adopted to gain confidence in delivering virtual remote lectures.

Date and time of Google meet: July 2021, 8. Time: 10.30 am to 12.30 pm

National level online Webinar on
Intellectual Property Rights (IPR) & Patent Process
 on March 19, 2021

PROGRAM BROCHURE

BHARATI VIDYAPEETH
 DEEMED TO BE UNIVERSITY
 PUNE

**National level Online Webinar on
 Intellectual Property Rights (IPR) & Patent
 Process**

19th March 2021

11.30 AM-1.00 pm

Speaker
Mrs. Pooja Maulikar
 Examiner of Patents and
 Design, RGNIIPM,
 Ministry of Commerce &
 Industry,
 Govt. of India

Dear Intellectuals,
 Warm Greetings!!!
 Poona College of Pharmacy, Bharati
 Vidyapeeth (Deemed to be University)
 Pune, invites you to join us for Online
 Joint Webinar on IPR-Patents in
 association with Rajiv Gandhi National
 Institute of Intellectual Property
 Management (RGNIIPM), Nagpur
 (M.S.), Ministry of Commerce &
 Industry, Govt. of India

**Aim of the
 Webinar**

- To raise IP awareness amongst intellectuals, researchers and students
- To highlight the importance of patenting and Patent process.

**Who should
 attend the
 Webinar?**

All the Intellectuals, P.G. students, U.G. students and Faculty members

**How to
 attend the
 Webinar?**

- Free registration by clicking on following link <https://forms.gle/uw1BPe75R3TbSFY77>
- After successful registration, Webinar details will be shared on your registered email.

In case of any doubt regarding Registration,
 please contact to: **Miss Jayshree More**
 9145542375

**How to
 obtain E-
 certificates?**

- E-certificate shall be issued to the participant, who has attended the program and provided the feedback after completion of Webinar.

In case of any doubt regarding feedback form,
 please contact to **Miss Shivani Utge**

National level online Webinar on
Intellectual Property Rights (IPR) & Patent Process
on March 19, 2021

Detailed Report with photo

National Level Webinar on IPR & Patent process jointly organized by PCP and RGNIIIPM

A national level webinar was jointly organized by Bharati Vidyapeeth, Poona College of Pharmacy (PCP) and Rajiv Gandhi National Institute of Intellectual Property Management (RGNIIIPM), Nagpur (M.S.) on March 19, 2021 at 11.30 AM to 1.00 pm on Zoom and YouTube platform. It was a Free session and approximately 300 students and teachers and industry persons have attended this program. E. certificates were provided to all delegate.

Topic of webinar was Intellectual Property Rights (IPR) & Patent process. Lecture was delivered by a well renowned speaker, **Mrs. Pooja Maulikar** [Examiner of Patents and Design, Drawing and Disbursing Officer, RGNIIIPM, Ministry of Commerce & Industry, Government of India].

The aim of the webinar was to raise IP awareness amongst intellectuals/ researchers / students and to highlight the importance of patenting and Patent process. Preamble was given by the program coordinator Dr. Hemant K. Jain, where he explained the need to understand IPR and provided basic idea about IPR. Welcome speech was delivered by In-charge Principal, Dr. A. P. Pawar, where he welcomes all the delegates, resource person and briefly introduced the college and facilities. The speaker, Ms Pooja Maulikar further continued the session and briefly discussed about the office of IP. She commented on IPR and its significance. She also highlighted Patent process in India including the documents required for filing the patent and related fee structure. She covered all the necessary points that should be known to every intellectual. Dr. S. K. Mandlik, and DRA students was part of technical team for the webinar.

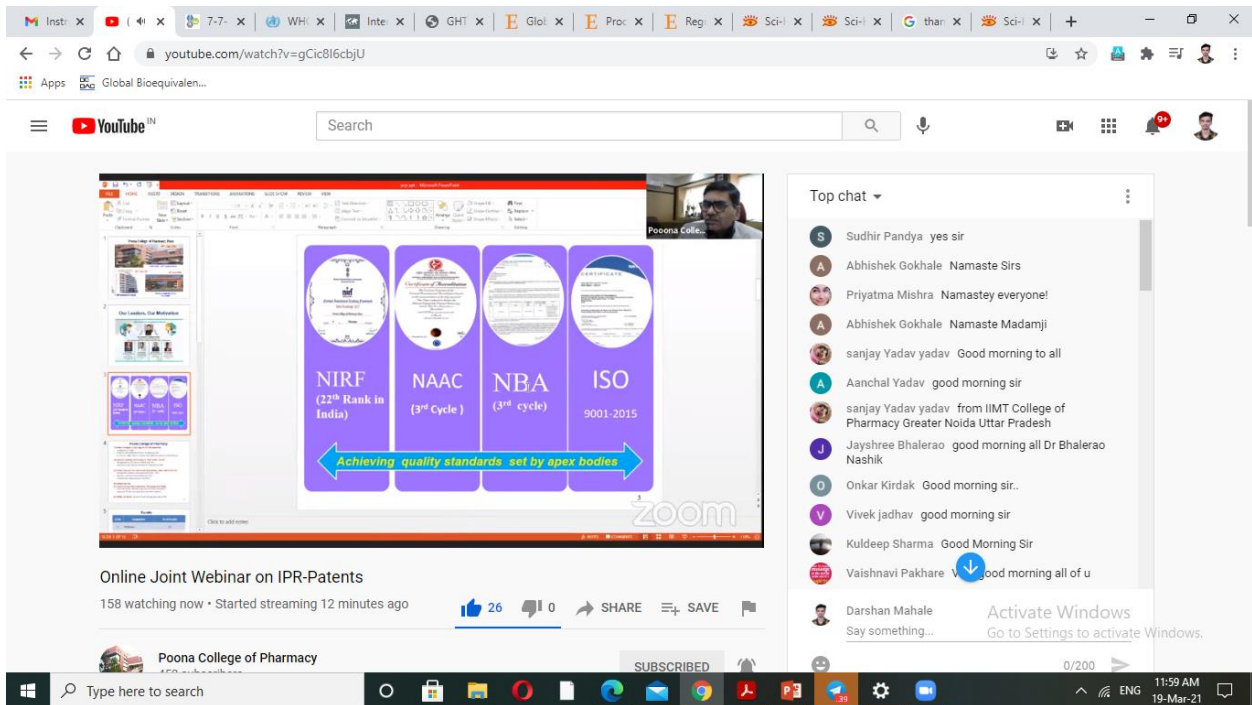

The session was quite interactive and participant's questions were asked by Dr. Nilesh Deshmukh. The speaker answered all the questions with full enthusiasm and suitable examples. At last, the session was concluded with a vote of thanks given by Ms. Preeti Tamane.

Intellectual Property Rights (IPR) & Patent Process
on March 19, 2021

Program coordinator Dr. Hemant K. Jain, I/C Principal, Dr. A. P. Pawar, Vice principal Dr. Varsha Pokharkar, Vice principal Dr. Janhavi Rao and Speaker Mrs. Pooja Maulikar

Welcome speech delivered by Dr. A.P. Pawar [I/C Principal, PCP]

National level online Webinar on Intellectual Property Rights (IPR) & Patent Process on March 19, 2021

The screenshot shows a YouTube video player with the title "Patent Grant Procedure". The video content displays a flowchart of the patent process:

- Filing of Patent application
- Digitization
- Screening & Classification
- Early Publication
- Publication after 18 months
- Request for examination (within 48 M)
- Allotment
- Examination in respective group (6+3)
- Grant or Refusal
- Publication of Grant of Patent
- Post Grant Opposition to Grant of Patent (1 year) (Constitution of Opposition Board)
- Decision By Controller

A red note indicates "Pre Grant Opposition by Representation by any person" between the "Request for examination" and "Allotment" steps.

The top chat window shows several messages from participants, including "Mamta Sharma I joined from a different account due to network issues" and "Namrata Amrute Good Afternoon".

The video is from the channel "Poona College of Pharmacy" with 463 subscribers. The interface shows 153 watching now and the video started streaming 52 minutes ago.

National level online Webinar on
IP & Entrepreneurship
on May 07, 2021

Detailed Report with photo

A national level webinar was jointly organized by **PHD Chamber of Commerce and Industry, New Delhi**(PHDCCI) and Bharati Vidyapeeth, **Poona College of Pharmacy** (PCP), on May 07, 2021 at 11:00 AM to 1.00 pm on Zoom platform. It was a Free session and approximately 250 students and teachers and industry persons have attended this program. E. certificates were provided to all delegate.

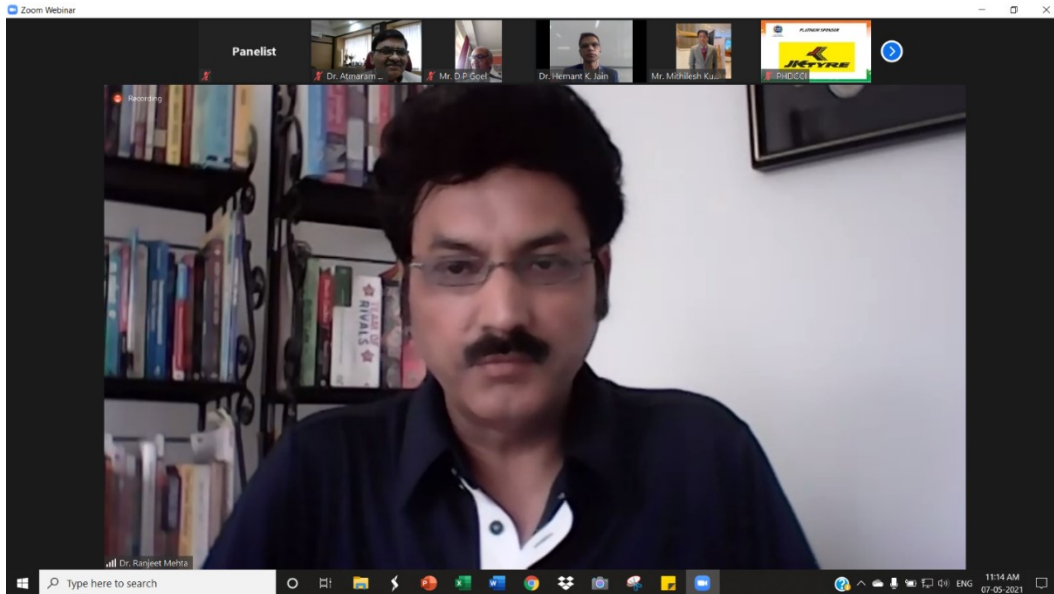

Topic of webinar was **Intellectual Property and Entrepreneurship**. Program initiation was done by **Dr. Hemant K. Jain**, Professor, PCP followed by Introductory Remarks by **Dr. Atmaram Pawar** I/C Principal, PCP.

Welcome address as well as first session was taken by **Dr Ranjeet Mehta**, Deputy Secretary General, PHDCCI on the topic of “Role of Leadership in Entrepreneurship. Followed by **Mr. D P Goel**, Co Chairman MSME Committee, PHDCCI was shared the experience of his Entrepreneurial journey with delegates. Then a Lecture was delivered by **Dr. Mandira Roy**, Director, Commercialization / Tech Transfer, Aumirah IP on the topic of Basic Components of Intellectual Property Rights.

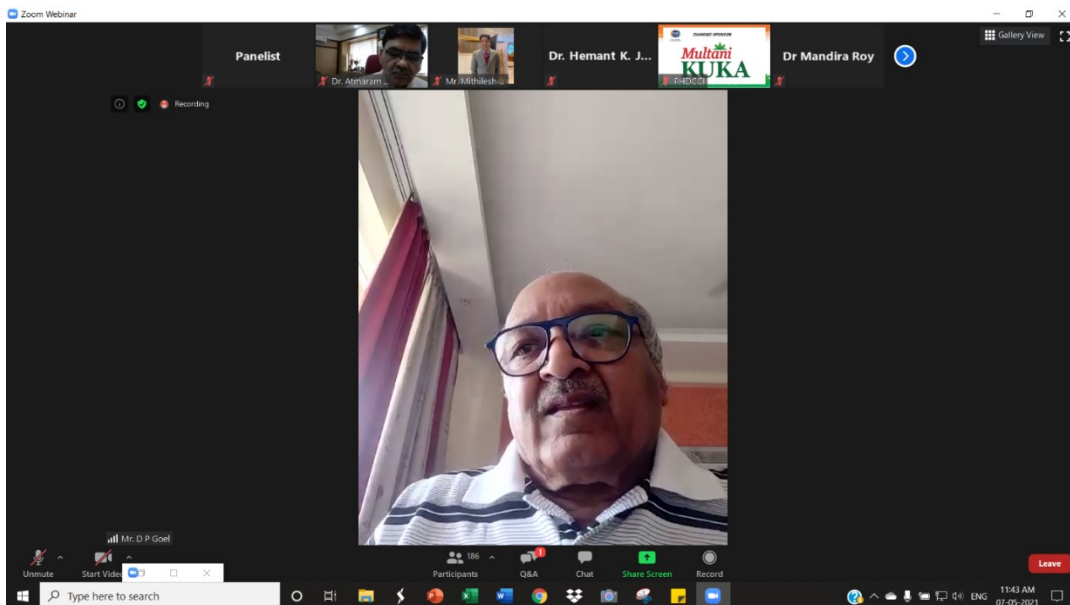

The session was quite interactive and participant’s questions were asked by **Dr. Nilesh Deshmukh**. The speaker answered all the questions with full enthusiasm and suitable examples. At last, the session was concluded with a vote of thanks given by **Mr. Mithilesh Kumar**, Joint Secretary PHDCCI.

Published News in newsletter/news paper [PHD Chamber bulletin-June- 21]

preceding financial year is required to mandatorily furnish 4 digits HSN code on B2B invoices.

Mr. Jatin Harjai, Leader, JHA Legal stated that if the taxable person wants to generate E-Invoice through common Portal or his existing software or existing accounting system, he shall take registration with the GSTN at Invoice Registration

Portal otherwise such E-Invoice will be considered as an invalid invoice and Input Tax Credit (ITC) will not be available to the recipient on such invalid E-Invoice.

Ms. Archana Jain, Founder, Archana Jain & Co. said that every registered person who is required to furnish a return in FORM GSTR-3B having an aggregate turnover of up

to 5 crore rupees in the preceding financial year, is eligible for the QRMP Scheme (Notification No. 84/2020-Central Tax, dated 10th Nov, 2020) w.e.f from January 1, 2021.

The webinar concluded with an extensive discussion with the participation of more than 700 delegates.

INNOVATION, IPR WITH SPECIAL FOCUS ON ENTREPRENEURSHIP

The PHDCCI IP Facilitation Centre (IPFC), New Delhi in association with the Poona College of Pharmacy, Pune organized a "Virtual webinar on Innovation, IPR with Special Focus on Entrepreneurship" on May 7, 2021. The objective of the webinar was to understand the issues and challenges faced by the entrepreneurs and impart knowledge on Intellectual Property Rights among the young generation. The session was moderated by Dr Hemant K Jain, Professor, Poona College of Pharmacy, Bharati Vidyapeeth (Deemed to be University), Pune.

Dr Atmaram Pawar, Principal, Poona College of Pharmacy, Pune in his introductory address said

that Intellectual Property Rights have become quintessential for the economic and social development and can play the role of a game changer in business.

Dr Ranjeet Mehta, Deputy Secretary General, PHDCCI in his welcome remarks talked about the wide scope of entrepreneurship in our country, especially among the youth. He also talked about Leadership's five core practices which are Model the Way, Inspire a Shared Vision, Challenge the Process, Enable Others to Act and Encourage the Heart. He said that everyone is a leader among us leading our life in our own way.

Mr. D P Goel, Co-chairman, MSME Committee, PHDCCI shared

his entrepreneurial journey by citing few examples on how he has grown in life. He underlined that to be an entrepreneur you have to set up a goal and then work hard towards it and achieve it, whatever problems come in your way, don't lose hope believe in yourself. Take ownership of whatever you want in your life.

Ms. Mandira Roy, Director, Aastra IP briefed about the basic components of IPR. She said that IP is basically a tool which manages all activities you are doing with knowledge. She emphasized that since the inventor obtains the exclusive right to the invention, the inventor can exercise this right by preventing others from commercially using the patented invention thereby reducing the competition and thus establishing a place in the commercial market.

The concluding remarks were given by Mr. Mithilesh Kumar, Joint Secretary, PHDCCI.

INFORMATION ABOUT PRINCIPAL

1. Name: Dr. Atmaram Pawar

2. Subject: Pharmaceutics

3. Qualifications: PhD in Pharmacy
Any other (please specify) -

4. Teaching experience (in years): 29

5. Number of Teaching hours per week: _____

6. Research Projects/Publications/Study material developed during last 5 years (Provide in separate sheet): Separate sheet attached

7. Awards/prizes received at state, national and international levels- Separate sheet attached

8. Contribution to enrich quality of teaching - learning during last 5 years:
(Seminars / Workshops / lectures / field visits organized): Separate sheet attached

9. Contribution to the growth and development of the Institution during last 5 years through following:

Committees:

- ✓ Coordinator NAAC and NBA, Dean of faculty of Pharmaceutical Sciences
- ✓ Apex bodies: Member, B. Pharm committee PCI (2019), Member Pharm D Committee PCI (2014).
- ✓ University bodies: BOS/RR Committee Member 09 universities

Positions held:

- ✓ Principal In charge, Poona College of Pharmacy, Pune, 2020 onwards
- ✓ Vice-Principal, Poona College of Pharmacy, 2009 onwards.
- ✓ Dean, Faculty of Pharmacy, BVD University: Two terms 2013-15 and 2015-17.
- ✓ Coordinator for accreditation of institute by National Board of Accreditation (NBA): 2014-15
- ✓ Secretary IQAC-Poona College of Pharmacy, Pune, Since 2011-12 to 2018.

- ✓ Coordinator (Institutional), National Assessment and Accreditation Council (NAAC) visit March 2017.
- ✓ Also worked as In-charge Examinations, Director for Central Assessment Programme (CAP) for various M.Pharm, M. Pharm and Pharm.D.Examinations of BVU and Senior Supervisor for conduct of these examinations.

Work done:

- ✓ Principal In charge, Poona College of Pharmacy, Pune, 2020 onwards
- ✓ Vice-Principal, Poona College of Pharmacy, 2009 onwards.
- ✓ Dean, Faculty of Pharmacy, BVD University: Two terms 2013-15 and 2015-17.
- ✓ Coordinator for accreditation of institute by National Board of Accreditation (NBA): 2014-15
- ✓ Secretary IQAC-Poona College of Pharmacy, Pune, Since 2011-12 to 2018.
- ✓ Coordinator (Institutional), National Assessment and Accreditation Council (NAAC) visit March 2017.
- ✓ Also worked as In-charge Examinations, Director for Central Assessment Programme (CAP) for various M. Pharm, M. Pharm and Pharm. D. Examinations of BVU and Senior Supervisor for conduct of these examinations.

9. Other responsibilities taken: (Please Specify)

- ✓ Member, Pharm.D. Committee of Pharmacy Council of India, New Delhi, 2014 onwards (National committee).
- ✓ Member, B. Pharm Syllabus Committee of Pharmacy Council of India, New Delhi, 2019 onwards (National committee).
- ✓ Dean Faculty of Pharmaceutical sciences Bharati Vidyapeeth University, Pune. Term 2013-2015, Term 2015-2017.
- ✓ Member, Board of Management, Bharati Vidyapeeth University, Pune, 2015 to 2017 and Planning and Monitoring board 2018.
- ✓ Member BoS and RR committee of Pharmaceutics, Pune University, 2011 to 2015. 2018-20.
- ✓ Member Board of Studies in Pharmacy: BVU (2004 onwards), Solapur University, Solapur (2006 to 2010), Dr. BA University, Aurangabad (2007 to 2012), and Shivaji University Kolhapur (2011-2016, RRC 2016-2020). KLE University, Belgaum (2014 to 2016), JSS 2019-21, Pune University (DY Patil Mumbai 2019 onwards).

- ✓ Invited as Expert for implementation of PCI B. Pharm Regulation: RGUHS Bangalore, 28th Feb, 2017 and PCI sponsored workshop at Bangalore, 14th July 2017.
- ✓ Member syllabus design committee of MSBTE for D. Pharm and for B. Pharm. M. Pharm. syllabus of Pune University, North Maharashtra and Bharati Vidyapeeth University.
- ✓ Member of Indian Association of Colleges of Pharmacy (IACP)
- ✓ President Indian Pharmaceutical Association (IPA), Pune (2012 to 2016). Convener 2018-20.
- ✓ Member Scientific Services, 65th to 67th and 69th Indian Pharmaceutical Congress,
- ✓ Chairman Scientific Services 17th APTICON, 2014.
- ✓ EC member of IPA central: Community Pharmacy Division (2006. 2011) and Education Division (2009).
- ✓ Indian Pharmaceutical Association and the Indian Pharmacy Graduate Association (IPGA)
- ✓ Secretary of Association of Pharmacy Teachers of India (APTI) Maharashtra Branch (2010)
- ✓ Indian Association of Community Pharmacy
- ✓ Founder-President of a NGO “Physician-Patient-Pharmacist- Community Association.

10. Best Practices in teaching & administration introduced in the college in last 3 years

- The implementation of problem based learning and evaluation is one of the best practices implemented in teaching.
- Interactive teaching, outcome based and student centric teaching are the best practices implemented in teaching.
- Induction for new faculty and programs on teaching learning process are measures to ensure best practices in teaching-learning.
- e-logbook system and data management is the primary administrative change brought about in administration.
- Organising training Programmes for non-teaching staff on different skill sets required improved the administrative system.

College self-study report (about 5-10 pages):

- Describing the current state of their efforts to improve student learning and the academic quality of their programs

Poona College of Pharmacy has adopted the B. Pharm syllabus as per the mandatory recommendations of PCI since academic year 2019-2020. For the current Academic Year (CAY), PCI syllabus is applicable for First Year and Second Year B. Pharm., while BVDU Choice-Based Credit and Grading System (CBCS) 2015 is applicable for Third Year and Final year B. Pharm. The B. Pharm course is of four-year duration and the syllabus structure is based on choice based credit system. The CBCS adopts continuous assessment methodology which includes internal sessional exams, assignments, project work, end semester University examinations and includes four weeks of industrial training. The syllabus content of each subject is designed based on the Program Outcomes (POs) envisaged by NBA. The contents of each theory and practical subject are well defined based on the Course Outcomes (COs) and for the practicals the focus is on skill development in the field of pharmaceutical sciences as per the syllabus. Content delivery of the syllabus is accomplished using apt teaching-learning methodologies, so as to further strengthen the course outcomes (COs), program educational objectives (PEOs) and program outcomes (POs).

The dedicated faculty members have taken lot of efforts to improve students learning in various ways. For instance, for each course, a course file is prepared by the respective faculty in which all details of students performance in class test, assignments, sessional exam and university exams, result analysis, students assessment, semester plan etc are maintained. The curriculum gaps are identified by different mechanisms such as feedback received from the stake holders which helps to identify the curricular gaps. Based on the feedback the APC recommends the corrective measures for the same. The corrective measures include the extra

inputs from faculty as well as the guest lectures on topics beyond syllabus. In accordance to the suggestions received from the stakeholders, faculty and students, during routine feedback, activities were conducted for delivery of content beyond syllabus. The students are informed and encouraged to enrol for various MOOCs on UGC SWAYAM portal. Bharati Vidyapeeth has collaborated with EDX which is a nonprofit online learning destination and MOOC platform, founded by Harvard University, USA and The Massachusetts Institute of Technology, USA. As a part of this collaboration students from Bharati Vidyapeeth could enrol for various courses and receive certification after course completion.

Teaching Learning Process Overview:

The Institute has well defined teaching learning and evaluation approach which is as follows

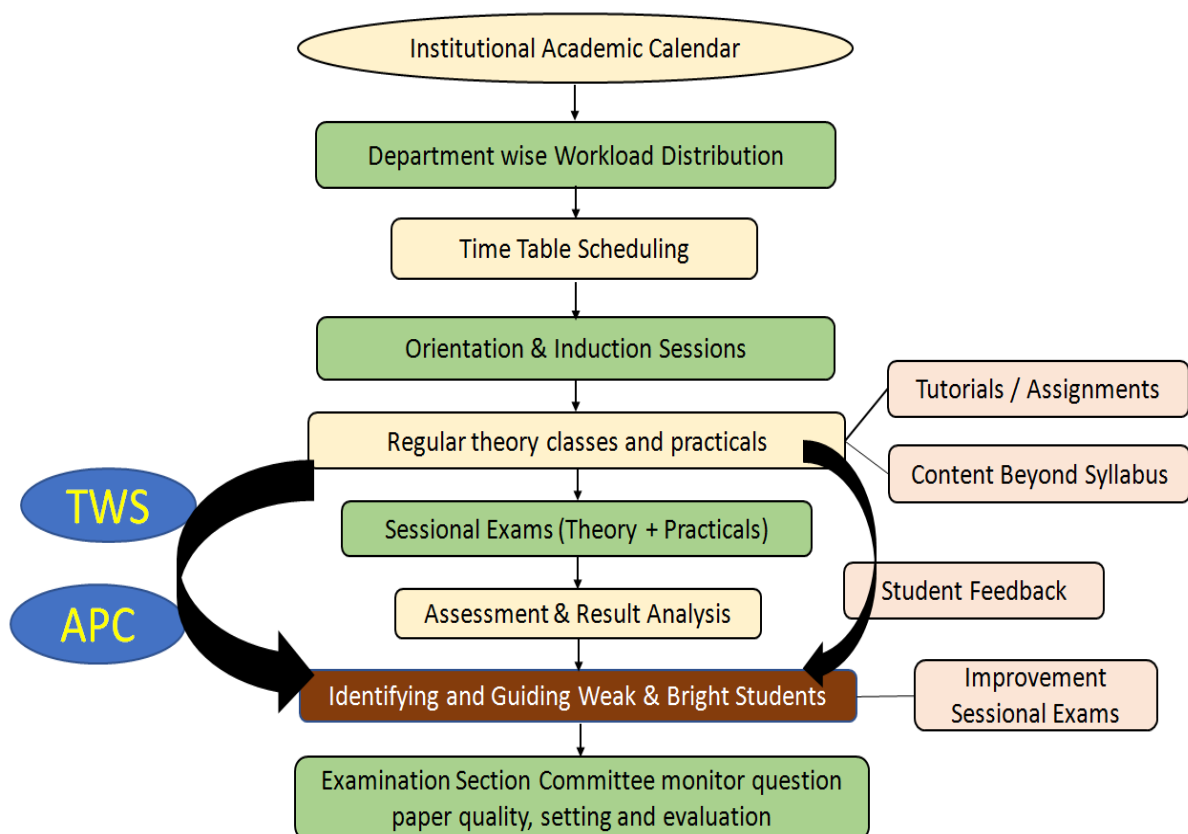

Figure 2.8: Teaching Learning Process

TWS: Teacher-Ward system, APC: Academic Programme Committee

Teaching Learning Plan

- At the beginning of each session an the institutional academic calendar and institutional annual calendar consisting of commencement of session, holidays, events, sessional examination, practical examination, preparation leave and end semester examination is prepared on the basis of calendar issued by BVDU. The details are notified and sent as circular to the teaching, non-teaching staff and students.
- Subject-wise workload is distributed to faculty. Department wise workload distribution is prepared and submitted by HOD to the In-Charge of Academic Programme Committee (APC) for preparation of Time Table.
- Individual Faculty prepares academic plan after the syllabus allocation.
- At the beginning of the session, one week orientation/ induction programme is conducted for the First year B. Pharm. students to introduce with basic concepts, fundamentals and scope of pharmacy programme. Also, the overview of the college infrastructure, importance of different departments of the Institute and the different co-curricular and extracurricular activities conducted is given to the students.
- Regular classes and practicals are conducted as per time-table and teaching program is started as notified by BVDU.
- Assignments, Tutorials and Group presentations are conducted for all students in each subject regularly.
- If any faculty is on leave, another faculty engages the class which ensures continuation of classes.

- Difficulties in any subject are solved by arranging extra classes in zero hour, as per the need.
- Students are encouraged and guided to participate in various curricular, co-curricular and extra-curricular activities to ensure their all-round development.
- Academic related notifications and study materials are shared with students via e-Learning Environment of Bharati Vidyapeeth (Deemed to be University) [<http://ele.bvuict.in/ele/course/view.php?id=618>] and also through the MS Teams portal of BVDU.
- The focus of the B. Pharm program is on adequate skill development hence practicals are an important component of the curriculum.
 - Curriculum in all semesters has laboratory work.
 - Every laboratory has Faculty in Charge, Lab attendant and lab assistant.
 - Students carry out the experiments as prescribed in the syllabus
 - Each laboratory has appropriate facilities i.e., workspace, equipment, glassware, chemicals, first aid kits, fire extinguishers along with SOPs, safety instructions, laboratory manuals and log books.
 - For each experiment detailed instructions and explanation are provided to the students.
 - The observations are checked and verified by the faculty and lab records are maintained systematically.

Various instructional methods and pedagogical initiatives used in teaching

- **Lectures/Presentations:**

Lectures/ classroom teaching are the effective way of achieving the program outcomes (POs) and course outcomes (COs). The course outcomes could not be better achieved without classroom teaching. Every classroom is equipped with PC, LCD

projector and wi-fi facility. Lectures are the means to convey facts, make students think, analyse and apply the concepts. The teacher is always available to clear the doubts instantaneously. All these efforts provide a platform to cover and improve the ability of students to solve problems. Mode of delivery of lectures is power point presentations as well as chalk and board. The course information and additional related knowledge available in the public domain is also made available to promote learning. Interactive teaching and flip classroom techniques are adopted for classroom and online teaching.

- **Guest Lectures/Expert Talks:**

In order to deliver content beyond syllabus and cover the curricular gaps guest lectures are organized regularly. Expert talks by the eminent persons from pharmaceutical industries, research organization/ practicing pharmacists help the students as well faculty to understand current trends in various domains, which further leads to the attainment of POs. External resource persons also add value to the program and help students to link education and real world in the profession. These talks act as a bridge to fill the curricular gaps and also develop rapport for meeting the future needs of the industries /research organization / universities. This promotes the habit of life-long learning.

- **Project-based learning:**

In the 8th semester, projects are allotted to the students. They receive guidance from faculty on individual level. Students need to submit a project report/thesis of the work for assessment and have to present their work. This also helps to develop self learning, problem solving abilities, creative and innovative thinking as well as presentation skills.

- **Collaborative Learning:**

Seminars, debates, group discussions, practical classes, tutorials and case-based studies are organized to cultivate the culture of collaborative learning as well as team working.

- **Educational/Industrial Visit:**

Visit to research organizations and pharmaceutical industries help to explore all opportunities and have greater impact on the students. These allow the students to make real-life decisions. These visits help in career exploration, decision making and to become life-long learners.

- **Seminars:**

Seminar serve as a platform for sharing knowledge/expertise in advanced areas, which results in collaboration and attempt for enhancement of the overall personality; Students also develop skills like public speaking, presentation skill and self confidence. The communication skills can also help the students who are interested to work as a practicing pharmacist.

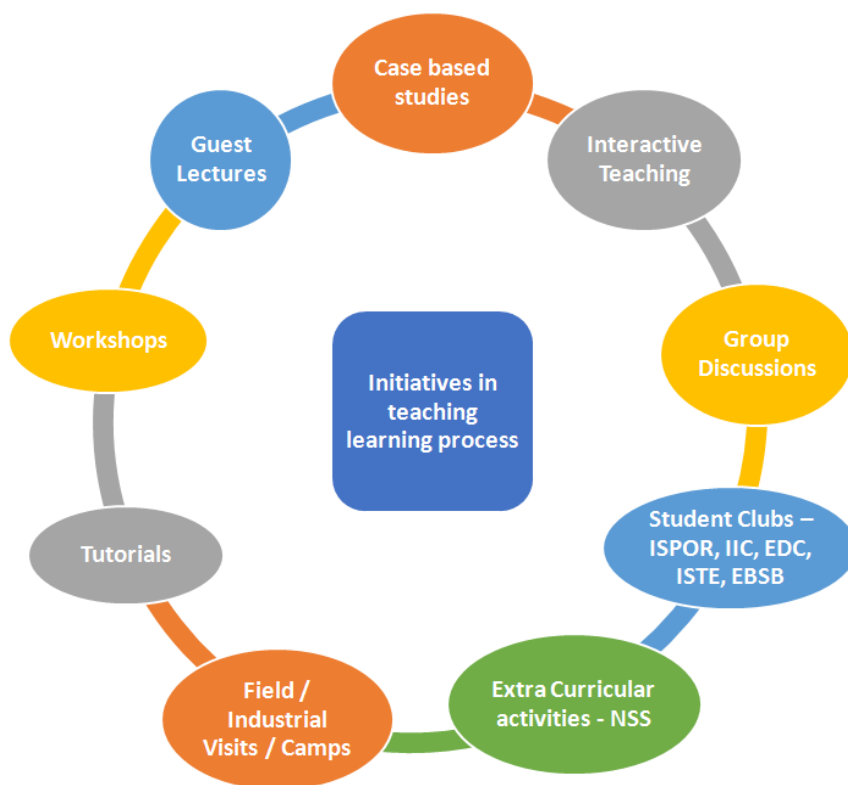

Figure 2.10: Use of various instructional methods and pedagogical initiatives in teaching learning process.

- **Induction program:**

The Institute organizes one week orientation/ induction programs as a first step to introduce the students to the institute and the program. As a part of this exercise, the institute also conducts workshops which help in developing self-learning as well as lifelong learning. Experts from pharma industry, IT, community pharmacy and academia guide and orient the students on various aspects of pharmacy. Our alumni are also actively involved in this process.

Infrastructure:

- The college has well planned building and infrastructure wherein the Research Wing is attached to the UG section through Capsule Bridge is unique feature. Research

wing, in its area of 45000 sq. ft. standing with 5 floors containing about 29 laboratories, 5 interactive cells and ultramodern equipments of about five crores is only one example of institution attached research facility in the country. The displays and walls are the showcase of the research publications.

- The College houses spacious, well laid out, well equipped and well maintained laboratories for different branches of Pharmacy viz. Pharmaceutics, Pharmaceutical and Medicinal Chemistry, Pharmaceutical Analysis, Pharmacology, Pharmacognosy and Natural Products, Quality Assurance, Microbiology, Computer Education, Industrial Pharmacy, Tissue Culture, Computer Aided Drug Design and Polymer Research. We have provided separate laboratories for the post-graduate students of all the five branches that is Pharmaceutics, Pharmaceutical Chemistry, Pharmacology, Pharmacognosy, Quality Assurance Techniques and Biotechnology. All these laboratories have the necessary and latest instruments and equipments. The undergraduate students have been provided with separate laboratories which are also equipped with all the required instruments.
- Our laboratories are equipped to the level of international standards and norms (and thus have set an example for others.) A separate analytical instrument room has been provided which houses sophisticated and ultramodern instruments like Ultraviolet Spectrophotometer, Fourier Transform Infra Red Spectrophotometer, Atomic Absorption Spectrometer, Gas Chromatograph, High Performance Liquid Chromatograph, SCFC, TGA, PCR, Cryocentrifuge, High Performance Thin Layer Chromatograph, Differential Scanning Calorimeter, Spectrofluorimeter etc. Dissolution Test Apparatus, Ultrasonicator, Polarising Microscope are available in the Pharmaceutics research laboratory. Pharmacology research laboratory has instruments like Plethysmometer, Analgesimeter, Polygraph while Pharmacognosy research

laboratory has facilities for plant tissue culture, Soxhlet extractors, etc. Rarely one would find such an updated and sophisticated equipment elsewhere in any other Pharmacy College. All these facilities have been created for the use of undergraduate as well as post-graduate students, research scholars and the faculty members.

- Pharma Museum created by the college is decorated with historical procedures and processes of manufacturing medicines, traditional practice of treating diseases along with modern examples of pharmaceutical innovations and technology.
- The institution has adequate number of rooms for Lectures, Seminars, Tutorials etc. for the B.Pharm. course being taught in the college. The Lecture rooms/Halls are also well furnished for the capacity of seventy students or more with sufficient space to move in and out. Moreover the Rooms/Halls for Lectures/Seminars/Tutorials are also well equipped with teaching aids such as OHP, LCD projectors, PA system. The class rooms also have CCTV facilities.
- Sufficient numbers of laboratories are available for B. Pharm students, funded projects, M. Pharm, Ph.D. work, PTL etc. for performing their practicals and carrying out research work. The labs are available after working hours on week days and also on holidays with prior permission of the Lab. Incharge, Head of the department and Security Officer.
- In addition to academic infrastructure college has in house set up of Public testing laboratory approved by FDA, Maharashtra to cater the need of industries in and around Pune, a pilot plant of manufacturing unit established as per GMP and NABL accredited centre for food testing laboratory.

Research- publications, projects in brief

The different areas in which research work is undertaken in this College are : Novel drug delivery systems, development of biodegradable polymers, floating tablets, formulation

development etc in the department of Pharmaceutics; Simultaneous estimation of multicomponent formulations by HPLC, HPTLC and UV-VIS spectrophotometer; Herb drug interactions, Exploring neuroprotective agents from natural sources, isolation of phytoconstituents from plants and synthesis and Pharmacological activity of new molecules in the department of Pharmaceutical Chemistry ; Screening of traditional formulations and plant extracts for neurodegeneration, CNS, CVS activities, anti-inflammatory, anti arthritic studies, pharmacokinetic studies and toxicity studies etc. in Pharmacology ; Herbal drug standardisation, Wound healing formulation, Plant tissue culture techniques, Isolation and studies on Gums of natural origin etc. in Pharmacognosy, Validations of instruments, equipments and tablet, granulation, mixing, coating machinery etc. in Quality Assurance Techniques.

The students and faculty members regularly publish research papers in the journals of national and international repute. This is evidenced by the number of publications they have got to their credit. They have published about 180 research papers in national and international journals in the last three academic years. Faculty have received projects worth of Rs. 22,315,373 from Govt agencies and Rs. 11,614,173 from Industries.

- Citing and briefly describing documentation supporting exemplary practices
- Describing implementation plan(s) for improvement initiative(s)
- Describing their strengths and weaknesses in the five focal areas
- Future plans

Induction Programs

ACTIVITY REPORT

Name of Activity: INDUCTION PROGRAM- B. PHARM FIRST YEAR (Batch- 2020-21)

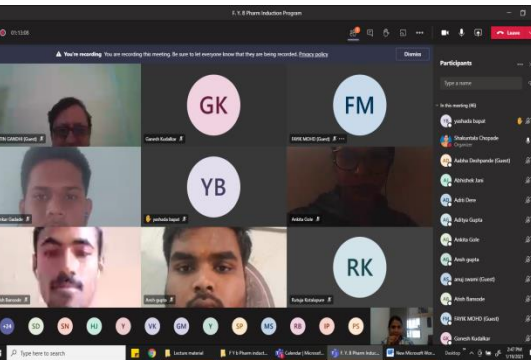

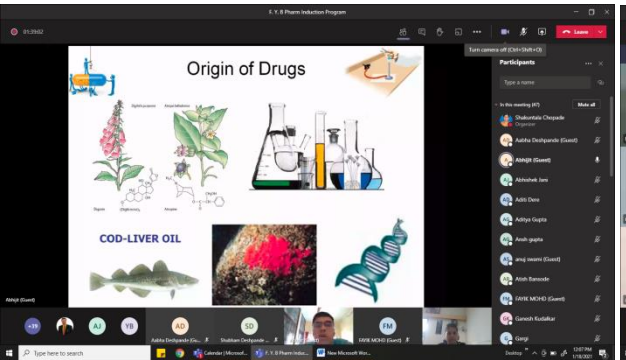

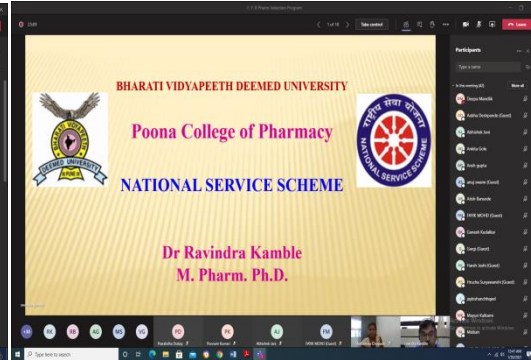

Date / Period: 18th to 22nd January, 2021

No. of Participants: 53

Audience: B. Pharm First year students

Short Summary: The induction program for the newly admitted students of B. Pharm was arranged from *18th to 22nd January, 2021*. ABOUT THE SYMPOSIUM

The symposium is a path-breaking initiative to inspire scientists and scholars to boost IP filing at the appropriate time at the right place along with the complicating issues of Technology Transfer and Commercialization. It is just to overcome the current limitations in our innovation ecosystem especially in our HEI (higher education institutes). The objective of this symposium is to bring awareness regarding the need of IP filing, mechanism and methodology involved in filing IP in India and globally among students and researchers, thereby developing a culture of systematically protecting new ideas, research and innovation having national and global relevance.

Bharati Vidyapeeth (Deemed to be University), Pune

Date: June 11, 2020

Subject: Microsoft Teams training at Rajiv Gandhi Institute of IT and BT, Pune (scheduled on June 11, 2020)

Dear Sir/Madam,

Some constituent units are already using Microsoft Teams to conduct online sessions. University has designed a framework around the same to support other related teaching-learning activities along with online sessions. Through it individual institutes can setup a hierarchical access control (Director, Class Coordinators, Subject Teachers and Students) on communications conducted through Microsoft Teams. Management of Teams and members also can be simplified as institute has to manage and students have to access only one Team per class.

Requirements of online study material, online session, access to recorded session, access to supportive e-resources, online test, online submission of assignments, online query solving and academic feedback can be class-wise managed through this framework.

Teachers from Rajiv Gandhi Institute of IT and BT, Pune will successfully setup the system for their institute on their own following the framework guidelines.

Date	Time	Constituent Unit
June 11, 2020 (Monday)	10.00 am – 12.00 pm	1. RGITBT, Pune
	2.00 pm – 4.00 pm	1. RGITBT, Pune

You should depute your representatives (minimum two) for the same. They will be trained on the framework and provided practical training to setup similar system in their respective institutes.

Detailed training resources about Microsoft Teams are provided by Microsoft. Participants can access them using their “@bharativedyapeeth.edu” e-mail ID as per the following:

- Login to Microsoft Office 365 using “@bharativedyapeeth.edu” e-mail ID.
- Click on “Teams” icon to open “Microsoft Teams”.
- Click on “Help” icon and then “Training” menu to access the training resources.

These resources will help the participants to come prepared for the training.

Regards,

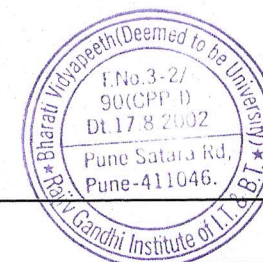

Prof. Manikrao M. Salunkhe
Vice Chancellor

F. No. 28-18-2010-NBA

Dated: 23-07-2020

To,

The Principal,
Bharati Vidyapeeth Deemed University College of Engineering,
Pune-Satara Road,
Pune-411043, Maharashtra.

Subject: Grant of further accreditation of one year in case of UG Engineering programs in Tier I offered by Bharati Vidyapeeth Deemed University College of Engineering Pune-Satara Road, Pune-411043, Maharashtra on the basis of Compliance Report.

Sir,

This is regarding Compliance Reports submitted by Bharati Vidyapeeth Deemed University College of Engineering Pune-Satara Road, Pune-411043, Maharashtra for the UG Engineering programs which were accredited by NBA in Tier-I for academic years 2017-18 to 2019-20 whose validity has expired on 30.06.2020.

2. The National Board of Accreditation (NBA) has decided that in all cases of UG Engineering programs which were accredited in Tier I/Tier II for a period of 3 years upto 30-06-2020 and for which the concerned institutions have submitted Compliance Reports but their visits for data verification of the programs are pending because of the current pandemic situation due to Corona virus, the programs will be considered for further accreditation of one year i.e. upto 30-06-2021 after data verification of the programs in NBA on the basis of the submitted Compliance Reports. The data submitted by Bharati Vidyapeeth Deemed University College of Engineering Pune-Satara Road, Pune-411043, Maharashtra in the Compliance Reports has been examined and verified in NBA. Based on the same, the Competent Authority in NBA has approved the following accreditation status to the programs as given in the Table below:

Sl. No.	Name of the Program(s) [UG]	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Electronics Engineering	Tier-I	Accredited	Academic Year 2020-2021 i.e. upto 30-06-2021	Accreditation status granted is valid for the period indicated in Col.5 or till the program the approval of the competent authority, whichever is earlier.
2.	Civil Engineering		Accredited		
3.	Computer Engineering		Accredited		
4.	Electrical Engineering		Accredited		

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to Bharati Vidyapeeth Deemed University College of Engineering Pune-Satara Road, Pune-411043, Maharashtra as a whole. As such the institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

Chand

Contd./...

-2-

5. The accreditation status of the above programs is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programs as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.

6. The accreditation status awarded to the programs as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.

Yours faithfully

Chand

College self-study report

College self-study report:

1. Describing the current state of their efforts to improve student learning and the academic quality of their programs.

Education programs focus on bettering student achievements. A good, high-quality education is to do with outcomes. An outcome is a culminating demonstration of learning. It occurs after the completion of the academic program. It is a result of learning, which is a visible and observable demonstration of three main things - knowledge, combined with competence, combined with orientations. It is these three factors that determine the quality in higher education.

Curriculum Design:

The syllabus and course structure of Engineering Programs are revised periodically. Since the inception of BVUCOE, Pune as a constituent unit (2000), the course structure and syllabi of Engineering Programs was revised in 2004, 2007, 2011 and 2014.

Salient Features of the new curriculum:

- Emphasis on continuous assessment with weightage to the extent of 40 per cent.
- Scope for student's creativity is given. Assessment of the students based on his performance in preparing new laboratory experiments, presentations, assignments, and real-life problems.
- Addressing employability by way of introducing In-plant training (45 days) as an integrated part of the course structure.
- Professional Skill Development is a new subject added from the first year to the third year in which all soft skills, analytical skills, interview techniques, communication skill, aptitude test preparation, preparing a CV, Group Discussions etc. will be taught. This will expose the student to a wider scope for his placement.
- To inculcate learning attitude among students, two Self Study Papers are introduced for PG programs. Students have a choice to select Self Study Papers that of other disciplines also.
- Wide choice of elective subjects for students.
- Execution of project/dissertation works in two stages viz. Stage – I for literature review and crystalizing the idea/concept and Stage – II for experimentation and analysis of results.
- The curriculum comprises of core courses, interdisciplinary and computational courses, and electives.
- CBCS for UG as well as PG programs are following AICTE, New Delhi.
- Assessment of Term work is based on understanding, presentation, and timely submission.
- Introduced NPTEL curriculum-based videos as part of term work.
- Industry visits, series of guest lectures are integrated part of the course structure.

Continuous Assignments

Subject-wise separate assignments to all students are introduced in a new format. This improves the ability of students to solve and enhance their skills for that subject and regular assessment by the faculties during the entire semester makes them study continuously and score well in their final semester examinations. These assignments are given by subject teacher batch-wise, individually and in other ways. It covers all the six units taught in class and evaluation for the same is done individually for all the students by the faculty itself. In this assignment's students learn to perform new experiments, work on live problems.

In-plant Training

The in-plant training program of 45 Days for students after Semester (VI) was introduced as an integrated part of the curriculum. The importance of this addition was to make students interact with the industry & experience problems in the industry, during their course itself. During In-plant training students writes about knowledge gained, the training he received, the technology he experienced and interaction with managerial and technical personnel. He maintains a separate logbook for the same. He is assessed on the same. All the students are employed for the training program since it has been introduced. The details for the number of students attended for the last two academic year are 688 and 635 respectively.

Virtual Lab

This new concept of Virtual lab an initiative of Ministry of H.R.D was introduced to the faculty members and students. It has been designed to improve remote access to labs and is used to complement physical labs. Virtual labs enable the students to perform experiments remotely as an on-demand service on the web. It provides a complete learning management system that includes web-resources, video lectures, animated demonstrations, and self-evaluation. Virtual labs enable the students to learn at their own pace and to arouse their curiosity. Students of Semester IV and VI were made attend the workshop arranged for the same.

in-Pods

in-Pod is a portable software platform; it can take learning beyond the boundaries of the classroom. Its fit-in-your-pocket ease, offers anytime, anywhere opportunities for teaching and learning. With the creative support of i-Life, it can help foster students' information, visual, and media literacies. It enables teachers to promote collaborative, independent, and differentiated learning, adapting to the needs of each learner. As a professional development tool, it expands opportunities teachers have to strengthen their understanding of the subjects they teach and widen the repertoire of the instructional strategies they use. It is inexpensive relative to laptop and desktop computers. Much of the educational potency of in-Pod stems from its integrated nature. Whether functioning as an audio and video player that delivers compelling rich media or as a device that stores and transports student-produced content. Together, these tools can support the development of a wide range of student skills and teaching strategies. And describing how in-pod functionality supports these skills and strategies is the aim of this software.

Saturday at Bharati Vidyapeeth

This program intends to be the mentoring of students. In this program, speakers are entrepreneurs and high ranked corporates share their experiences, hardships & how they survived various industrial/managerial crises during their journey. This, in turn, enriches the student with various

thoughts, ideas, and a new approach to be successful Entrepreneurs/Managers. This innovative concept is practiced on every Saturday of each month without losing any teaching hours with almost all the students attending the same.

Employment Enhancement Program (EEP)

Clearing Aptitude Test is a very Important facet and preliminary requirement by all MNC's and Core Companies. The College has designed "**Employment Enhancement Program**" (EEP) for all Third Year Students.

The **Employment Enhancement Program (EEP)** will comprise of the following:

- Communication Skill
- Quantitative Analysis
- Soft Skills Development (Group Discussion, Personal Interview)
- Corporate Culture Development
- IT Training – Domain Knowledge Enhancer

This is the initiative and endeavour taken by the college to enhance the placement of the students. This program is intended to help students understand the pattern of questions asked in the Aptitude Test and learn the quickest and easiest way to solve them. This will help them in clearing aptitude test of various companies and get placement.

Webinars

Online webinars on different topics of curriculum presenting advancement in the subject/topics are organized department wise frequently.

Industry Visits

Visits to the industry to understand prevailing technology, industry practices and implementation of theoretical knowledge are mandatory for selected courses in each discipline.

2. Infrastructure related highlights

Infrastructure details

Particulars	details
Building area	35,878 Sq. M.
Classrooms	43 No.
Laboratories	102 No.

Administration

- Enterprise Resource Planning (ERP)
- Online Feedback system
- Online Application Procedure for Change of Branch
- Dynamic website for dissipation of information.
- The mobile application of the college.
- Maximum communication through e-mail.

Library

The BVUCOE library is a dynamic unit requiring proactive thinking. The library is concerned with the acquisition of materials for teaching and research, processing of materials for easy retrieval, and the dissemination of information to facilitate the active and effective exploitation of the acquired resources. The institute has adopted computerization of the library and digitization of records to reshape the delivery of services.

Following are the major implementations in this context:

- 1) Library management software is used for overall library management. This provides services such as resource sharing, ease of book search and database management.
- 2) Due to Library management software, OPAC (Online Public Access Catalog) searching and tracking of books, magazines, videos, CDs, and other media became easy, faster and user friendly.
- 3) Circulation activities like an issue, return and renewal are done using barcode.
- 4) Reports like transaction, book acquisition and stock are generated through the software.

Access to a digital library with journals from publishers such as IEEE, ASME, ASCE, McGraw Hill, J-Gate, Elsevier, DELNET and e-books from any computer machine in the college.

3. Research- publications, projects in brief

- IQAC regularly encourages the faculty members to apply for research grants projects and grants from UGC/DST etc. It keeps information about funding agencies and new avenues for updating the same.
- The college authorities provide all necessary infrastructural support for carrying out research work.
- Deputation of faculty member for qualification improvement in International University and institutes of national importance.

- MoU with international universities for faculty development and research.
- Seed money for conducting research projects.
- Suggestions for setting of new laboratories and modernizing existing laboratories.
- Financial assistance for attending seminars and conferences.
- Increasing liaison with industry and R & D Laboratories for research proposals.
- Organizing students project exhibition and competition.

4. Citing and briefly describing documentation supporting exemplary practices

- **Academic Record Book of the faculty members:** A record book mainly contains academic detail of student viz. attendance, continuous assessment for laboratory/term work, etc. Further, it also provides information about the performance of faculty member with respect to research and development, academics, seminar/workshop/conferences attended, etc. Vision and mission statements are written in Academic Record Book of the faculty members. Faculty members must enter planning of lectures, practical for the course he is teaching. It is checked and monitored by HOD and academic committee regularly.
- **Assignments:** Assignments are given for all the courses and for all the students on online MS Teams platform. Assessment of assignments is also done online, and students can view their performance. Record of this activity is maintained and accessed online.
- **Guest Lectures**

Guest lectures are arranged by department and CESA to explore students about latest knowledge. For this various eminent personality from Industry are called to deliver lecture. Record of this practice–Invitation letter, Attendance, and photographs – is maintained properly.

○ **In-plant Training**

In plant training is aimed at giving students a first-hand experience in the professional environment. In this students are sent for industrial training for 45 days period. During this they are getting hands on experience on live construction projects. Students are expected to participate in the daily working of the company/ organization assigned. Students are expected to learn latest technologies, methodologies, concepts being implemented in the company. Students write daily report of their assignment and get it duly signed by the concerned person in the company. Finally, students undergo a viva-voce examination on the in plant training at the end of semester. Record of this practice– Request letter to company, Logbook – is maintained properly.

○ **CESA**

In the department, CESA (Civil Engineering Student Association) is a active student association which arranges technical event in the department at time of BHARATIYAM (Annual Tech Fest) and other programs throughout the year. Record of this practice– Selection of CESA committee members, organization of different events, Financial Account – is maintained properly.

○ **Saturday @ Bharati Vidyapeeth**

Under this program persons from industry are called on Saturday at college campus to interact with students. During this session industry persons can share his experience, knowledge and guides the students. Record of this practice–Invitation letter, Attendance, and photographs – is maintained properly.

○ **Laboratories Maintenance:**

For every Laboratory one Lab In charge, Assistant and attendant is appointed. Regular servicing and maintenance of equipment and machineries is carried out.

Record of this practice–Appointment, Dead stock register, Consumable, purchase, quotation, repair etc – is maintained properly.

○ **Engagement of People with Science & Technology:**

Department of Civil Engineering conducts program Engagement of People with Science & Technology to spread technical knowledge and develop technical thinking among school students. Record of this practice–Permission letter from school, photographs, report – is maintained properly.

○ **Guardian Faculty Member: (GFM)**

One of the faculty members teaching to the class is appointed as GFM. A guardian faculty member addresses the grievances and taking feedback from students. He conducts meeting of students of respective class in every month to understand and solve academic, administrative, examination as well as personal issues. He keeps communication regularly with parents and communicates them about academic performance, attendance

record, any special achievement, and placement etc. of their ward. Record of this practice—Students details, contact number of students and parents, Attendance record of students is maintained.

5. Describing implementation plan(s) for improvement initiative(s)

Implementation plan:

Following steps are implemented to facilitate the achievement of intended learning outcomes:

- Use of modern methods like Power Point presentations, video clippings and animations, model presentations, etc.
- Arrangement of on-field visits.
- Provision of tutorials for one to one interaction with students
- Use of group discussion/debate on the curriculum topics
- Introduction of mini-projects for some of the selective subjects
- Conduction of students seminars on curriculum topics
- Conduction of remedial classes and counselling session for selected students
- Compulsory 45 days implant training as a part of curriculum
- Demonstrations of latest software's in the industry is arranged for the students.
- Special preparation of the students for orals and practical is taken by discussing a variety of questions based on the term work and on the syllabus.
- Reference material in the form of e-books and notes are provided to students.
- NPTEL video lectures, virtual laboratories etc. is integrated part of term work.

Improvement Initiatives

- Emphasis on continuous assessment is given.
- Weightage of internal assessment has been increased from 20 percent to 40 percent.
- Appreciation of timely submission, presentation and understanding of student is done with due weightage.
- Weightage to creativity, thinking ability and problem-solving capacity of students.
- Additional credits for research aptitude of student and his performance in extracurricular activities.
- Standard norms for paper setting and assessment such that student will apply knowledge of mathematics, science, engineering fundamental and engineering specialization to the solution of complex engineering problems.
- Review of assessed answer papers by students and rechecking of answer paper after redressal in Grievance Committee.

6. Describing their strengths and weaknesses in the five focal areas

Sr. No.	Focal Area	Strength	Weakness
1	Efforts to improve student learning and the academic quality of their programs	1. Personal Attention 2. Solving individual problems of students 3. Assignments 4. Showing videos 5. Industry visits 6. Identifying weak students 7. Topic related guest lectures 8. Inplant training of students with various MNCs, govt organizations.	1. Less attendance 2. Less practical experience and industry exposure
2	Infrastructure related highlight	1. State of art equipment available 2. Purchase of latest digital equipment's 3. Latest configuration of computers 5. Digital Library 6. Access to e-journals	Limitation of expansion due to old building structure
3	Research- publications, projects	1. Strong Research Publications 2. Separate R&D Section 3.	1. More papers expected in listed Journals. 2. Funded research projects need to be increase. 3. Need to improve IPR's awareness
4	Citing and briefly describing documentation supporting exemplary practices	1. Maintaining the Record of mentoring the students. 2. Maintaining the Record of Assignments, Industry visits, guest lectures. 3. Official documentation of research projects with research organizations. 4. Signing MoU with industry	Infrastructures need to be modernized
5	Implementation plan(s) for improvement initiative(s)	1. Collaborations with international universities. 2. MoU signed with Industries for in plant Training, Research Proposals, Guest lectures. 3. Online Teaching through MS Teams 4. Video lectures	Financial constraints which hinder the growth of institute

		6.Faculty Programs	Development	
--	--	-----------------------	-------------	--

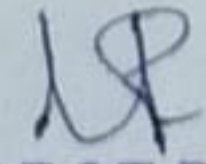

7. Future Plans

- To establish School of Design and School of Nano Sciences
- To develop web active / pod active classrooms.
- To provide transport facility to students for industrial visits.
- To increase revenue generation through testing and consultancy.
- To establish parent-teacher association.
- To strengthen and expand the use of ICT in teaching, learning and administration.

Symposium on "Secrets of Counseling"

Bharati Vidyapeeth (Deemed to be) University, New Law College, Pune organized a seminar on how to become a counsellor on 20Feb 2021 at NLC, Pune in association with **4 C Counseling Centre**. It was co-ordinated by Dr. Ujjwala Bendale, Dr Sapna Deo. The training began with an introduction to counseling and further continued with the qualifications required for it. The procedure for becoming a counselor and his duties were also highlighted. The role of a counselor as a Guide for an individual was also reflected upon. This training witnessed a huge participation.

1. Name: Prof. (Dr) Shankar R. Patil
2. Subject: Botany
3. Qualifications: M.Sc. (Botany), M.Phil., Ph.D., FIAS
Any other (please specify)
4. Teaching experience (in years): 33
5. Number of Teaching hours per week: 20
6. Research Projects/Publications/Study material developed during last 5 years (Provide in separate sheet): 08
7. Awards/prizes received at state, national and international levels: 1
8. Contribution to enrich quality of teaching - learning during last 5 years: (Seminars / Workshops / lectures / field visits organized): 01
9. Contribution to the growth and development of the Institution during last 5 years through following:
 - Committees: List of committees as Chairman:
 - Academic Committee
 - Internal Quality Assurance Cell
 - Positions held
 - Dean, faculty of science, Bharati Vidyapeeth deemed to be University, Pune
 - Member of Academic Council, Bharati Vidyapeeth deemed to be University, Pune
 - Member of Board of Examination, Bharati Vidyapeeth deemed to be University, Pune
 - Member of Board of Studies in Life Sciences
 - Joint Secretary, Indian Aerobiological Society
 - Coordinator of Career Oriented Courses sponsored by UGC
9. Other responsibilities taken: (Please Specify)
 - A. Garden In-charge of the Institute for last 22 years
 - B. Member of Campus Committee, Erandwane, Pune
10. Best Practices in teaching & administration introduced in the college in last 3 years
 - Introduced online admission process system
 - Organized Seminars and workshops
 - Given laptops to all the faculty members
 - Expansion of new building
 - Best NSS college award by Government of Maharashtra

Executive Summary of Self-Study Report

CRITERION-I: CURRICULAR ASPECTS

1.1. Curriculum Design and Development

Inclusion of new developments in the subject, updation of the curriculum is one of the important needs of modern teaching. During the period under consideration, curriculum was revised and changed from annual to semester pattern and upgraded to choice based credit and grade system. Revision of syllabus through boards of studies is done every year and the course is usually changed after every three years. Being a constituent unit of the university, the faculty members get an opportunity to contribute in curriculum design and development. During last five years, the faculty members have contributed on various academic bodies like Board of Management, Academic council, faculty and board of studies.

1.2. Academic Flexibility

To fulfill the demands of the students the college offers academic flexibility to students of first year to opt either Diploma in Banking or Diploma in Marketing along with Degree Courses as well as UGC sponsored certificate courses. For last three years 347 students have opted for Diploma in Banking and 51 students for Diploma in Marketing. Multiple options are available for specialization at the Under-Graduate & Post-Graduate level. Any graduate is eligible for admission to M.A and M.Com courses. Horizontal Mobility is permissible in most of the programmes.

1.3. Curriculum Enrichment

For improvement of the curriculum, the curriculum is designed in such a manner that several desirable features mentioned can be inculcated among the students like value systems, global competencies, use of technology, national development, creativity and quest for excellence. The advances in the respective disciplines, industry-institute interactions, opinions of academic experts and faculty interaction with academic bodies of other universities have constructively contributed in curriculum enhancement.

1.4. Feedback System

Feedback is sought from several stake holders for the design and development of new courses and revision of the existing courses. The interaction with the stakeholders, industry requirement, job potential and academic enrichment are taken into consideration for revision of curriculum. The introduction of new course - M.Sc. Organic Chemistry is the outcome of such an endeavor. In addition, the courses were redesigned in 2012, 2014 and 2016 taking into consideration the feedback received from stakeholders.

CRITERION-II: TEACHING- LEARNING AND EVALUATION

2.1. Student Enrolment and Profile

The norms and policies of the university and government of Maharashtra are meticulously followed during admission. The information about admission is given wide publicity through local and regional newspapers, university and college website and education partner, Shiksha dot com. Fee structure is approved by the university, state government and fee fixation committee. For the most of the classes, the college follows first come first served principle. The alumni of the college strongly recommend the prospective *Yashwants* to seek admission in the college. We admit the students irrespective of gender, cast, creed and religion and special attention is also given to the weaker sections. It is noteworthy to mention that the overall enrollment of students increased from 1518 in 2011-12 to 1836 in 2019-20. The girl students' enrollment has increased from 37% in 2011-12 to 38.56% in 2019-20. Not only this but also the enrollment under minority section stands at 32.67% with respect to total number students admitted.

The college facilitates National and state Merit Scholarships, central and state government free ships, Bharati Vidyapeeth fee concessions as well as scholarships offered by other non-governmental organizations.

2.2. Catering to Student Diversity

The overall student's enrolment has shown consistent growth. Presently, there are 133 students from other states and Union Territories, 91 international students along with 1612 students form Maharashtra perusing higher studies in the college. Our college is a home away from home for international students. The college is the most preferred destination especially for International students. Presently, 83 boys and 8 girls from 8 countries are pursuing higher studies in the college. Enrollment from almost 23 states of India has helped to imbibe multicultural environment, thus achieving national integration.

Due to inclusivity maintained on the campus, there is also consistent growth of SC/ST and OBC students.

2.3. Teaching-Learning Process

Teaching-Learning Process is the backbone of any educational system. The academic calendar is prepared and followed meticulously throughout the year. The calendar is notified to the student and staff members in the beginning of every year. The preparation and monitored implementation of teaching plan has helped to improve the attendance of the students as well as delivery of the knowledge.

The college library provides text books, reference books, journals and e-resources. Along with this, the teaching faculty make use of e-lectures, you tube demonstrations, DIGIFROG, BLAST (Basic Local Alignment search Tool) to enhance the teaching activity. Even the ICT-learning environment complements the classroom teaching.

Industrial visits and the internship have helped to inculcate lifelong learning skill as well as the inclusion of research projects has proved beneficial to enhance the scientific temperament among the students.

The faculty members as well as the students are exposed to advanced level of knowledge and skills through organization and participation in national and international knowledge events and interaction with research scholars and experts. Effective use of Enterprise Resource Planning system has channelized the student-teacher relationship in digitized manner.

2.4. Teacher Quality

Teacher Quality is an important parameter in delivery of knowledge. We follow the rules and regulations of UGC, Govt. of Maharashtra and Bharati Vidyapeeth Deemed University, Pune for the recruitments, service conditions and the pay scales. At present, there are 34 full time faculty members. 29 faculty members are Ph.D. holders as their highest qualification and 04 faculty members are pursuing their doctoral degree. 13 faculty members are recognized research guides. In addition, the faculty members have attended 04 refresher, one faculty member has completed Arpit course and 25 FDPs were attended by our faculty members during the last three years. Feedback from the students on curriculum and the teaching faculty is a regular practice. The teaching and non-teaching staff is assessed through Performance Based Appraisal System forms and Self-Appraisal forms respectively.

During last three years, the faculty members have participated in 33 international, 145 national Knowledge events and published 52 research papers. Some of them have attended international conferences in USA, Scotland, Costa Rica, Oman, Canada, Iran, Malaysia, South Korea, France, Sri Lanka etc. In an attempt to improve the quality of knowledge, the college organized 6 national Knowledge events during last three years.

2.5. Evaluation Process and Reforms

The internal assessment weightage 80:20 in annual system is changed to 60:40 in the CBCS semester Programmes. Industrial internship, long term papers, field visits etc. are some of the major evaluation reforms introduced by the college. The college promotes the use of ICT teaching-learning process. The internal evaluation is conducted through ICT enabled

examinations like on-line MCQ tests. Provision is available to resolve the grievances of the students through grievance redressal cell.

2.6. Student Performance and Learning Outcomes

The College has institutionalized the teaching-learning and evaluation process to achieve the learning outcomes. The examination results are always above 60% thereby maintaining good academic standards. Rigorous efforts are made to instill a set of core values like higher competency in the discipline, independent and critical thinking, adaptation to cultural diversity and international environment, social and ethical commitment and team work among the students by challenging the students through activities like knowledge events, use of ICT, research projects, internship, NSS forum, sports events, annual social gathering *Sanskriti* and college magazine *Yashobharati*. The graduate attributes are also framed in tune with the goals and objectives of the college.

CRITERION-III: RESEARCH, CONSULTANCY AND EXTENSION

3.1. Promotion of Research

Research is one of the basics for the survival of any academic institution in the contemporary world. The college is a recognized research centre of the university. There are 34 students currently registered for Ph.D. in college research center. Adequate research infrastructure is provided to promote research attitude among the faculty and the students. IQAC and research committee of the college monitor the research activities. Faculty is encouraged to submit research proposal to various funding agencies. The outcome of which is, 19 major and 12 minor research projects are completed till date. The faculty members have to their credit 05 approved, 04 published and 1 filled patents.

During the last three years, 56 papers are published in reputed journals. Even 49 students have presented their research papers in conferences. During last three years, 470 projects were completed by the students.

To maintain the research environment, eminent scientists, researchers and entrepreneurs are invited for interaction with students and the faculty members. More than 300 such personalities visited the college during last three years.

3.2. Resource Mobilization for Research

Grant of Rs. 52,50,000 was received under DST-FIST for development of infrastructure for research. The faculty members have also received travel grants worth Rs. 4,58,542/- from UGC and the university to attend international knowledge events abroad.

3.3. Research Facilities

The college procures maximum research funding from the various funding agencies and adequate provision is also made for research promotion in institutional budget. A separate building 'Vigyan Sanshodhan Bhavan' in-house all science laboratories. The research laboratories are well equipped with modern instruments such as X-Ray Diffractometer, Gas Chromatography, FTIR, UV-Visible spectrophotometer, ultrasonic spray system and others. Library has a rich collection of references in the form of print and e-resources. Staff members and the scholars have access to Scopus and Web of Science Indexed Journals Databases. Urkund anti-plagiarism software has proved to be a boon to original research.

3.4. Research Publications and Awards

Promotion of research is one of the best practices followed by the college. Adequate research infrastructure is provided and required technical support is also made available to the researchers. The outcome of this is visible in the quality research publications. They are given financial support for publishing papers and filing patents. The total publications in the calendar years from 2018 to 2020 are 56. Out of which, 47 are international, 05 national and which includes 16 Scopus, 32 Indian citation indexed and 04 web of science publications and all are included in the Google scholar index. During the period under consideration, the total number of books authored by the faculty members is 3. So far, thirty eight of the faculty members have bagged best researcher award, outstanding researcher and exemplary contribution award. Apart from this, 08 faculty members are contributing on editorial boards of various international refereed journals. Our faculty members also publish two peer reviewed international journals.

The quality of the research publications by our faculty members includes publications in UGC CARE listed journals and refereed journals. In addition, cumulative citations of the college is 2693 with i10 index 55 and h-index is 30.

3.5. Consultancy

The extension of the research activity done by the faculty members has contributed to the development of the society by offering consultancy in the areas of their expertise. Some consultancy services are offered free for the benefit of the society.

The department of Microbiology has been engaged in research in HIV infected individuals since 12 years. The faculty members give free consultation to the patients and provide suitable measures to improve the health condition.

The department of Chemistry provides paid service for analysis of chemicals and compounds by using FTIR and UV-Visible spectrophotometer and X-Ray Diffractometer.

3.6. Extension Activities and Institutional Social Responsibility

The staff members and students are involved in various environment and pollution awareness activities, health and nutrition awareness camps, blood donation and medical camps, cleanliness drive, Police Mitra Abhiyan and gender sensitization activities.

The impact of these activities is reflected in the achievement of the students and the faculty like Best College award for NSS and Best Program Officer for NSS are grabbed by the college.

3.7. Collaboration

The college has developed linkages with academic institutions, industries and research organizations. The services created by these are utilized for development and revision of curricula, completion of project work, collaborative research publications and organization of knowledge events. The outcome of these linkages is visible in completion of 470 student research projects, 49 research publications and 51 social and extension activities. Some of these linkages are converted into MOUs with industry. This includes MOUs with Speedjet Aviation, Edubridge Pvt. Ltd., Dreamz Technology Pvt Ltd, Amraotikar and Company.

CRITERION-IV: INFRASTRUCTURE AND LEARNING RESOURCES

4.1. Physical Facilities

The college is situated on a beautiful sprawling campus of 11 acres. There are two buildings of the college. One of these buildings is exclusively for laboratories and research namely Vigyan Sanshodhan Bhavan. The college building inhouses 17 classrooms and 22 state-of-art laboratories, Lecture capture system and sophisticated Seminar Hall along with well-equipped Gymnasium. The college building houses ICT enabled class rooms, well equipped laboratories, administrative block and gymnasium. The Botany department has maintained two botanical gardens with collection of 32 rare and endangered species of plants.

4.2. Library as a Learning Resource

Library being heart of the college, maintains 46786 books, 61 print journals and access to e-resources. There is a dedicated server for library services. To provide easy access to the users, OPAC service is made available through SOUL software. The college subscribes e-resources like e-books, e-journals, *shodhganga*, *shodhgangotri* etc. One lakh five thousand e-books and 12100 e-journals can be accessed through this facility. The library has signed MOUs with the sister concerned libraries on the campus for resource sharing.

During last three years, the college has spent Rs. 296187/- on reference books, textbooks, journals/periodicals, and e-books and e-journals. Separate reading facility is maintained for

students and faculty. Webpage for library is provided on college website through which students and faculty members can access to “Knowledge Resource Center” – one stop solution for online resources, question papers and newspaper readers.

4.3. IT Infrastructure

The college has three state-of-art computer laboratories. There are 81 PCs, 53 Laptops, 13 printers, 11 LCDs, 5 scanners, three 15 KVA UPS to support the ICT needs of the departments, laboratories, administrative office. The college campus is made Wi-Fi enabled. Apart from this, the entire building is connected through LAN. To keep in pace with the modern teaching, Lecture Capture System was installed. Implementation of Enterprise Resource Planning and use of lecture capture system has helped us to step ahead in the digital world.

4.4. Maintenance of Campus Facilities

The total budgeted amount for building, furniture and equipment, computers, garden and campus maintenance was Rs. 1,19,67,289/- during last three years.

CRITERION-V: STUDENT SUPPORT AND PROGRESSION

5.1. Student Mentoring and Support

Tutor-ward system, facilities for physically disabled students, placement, Ladies Association of Yashwantrao Mohite College (LAY), college magazine, wall-paper, vocational guidance, grievance redressal cell, prevention of sexual harassment cell, anti-ragging committee, alumni association etc. proved to be helpful in the overall support to the students. A dedicated foreign students cell caters to the special need of international students thereby the college creates homely atmosphere for them.

Financial help and support is provided to deserving and needy students through offering them fee concession and the government scholarships available to them. The present slide shows that the number of students and the financial support they received during the last five years.

5.2. Student Progression

Efforts taken by the college for the students is reflected through the progression of the students. There is an increasing trend for pursuing higher studies among the students. Employment opportunities are provided through campus placement. Few students go for higher studies like M. Phil. & Ph.D. Most of the students complete their graduation in stipulated time frame.

5.3. Student Participation and Activities

As a positive and constructive response to the facilities provided by the college the students participate in various activities like national and international sports. During the period under consideration, 225 students participated in state, national and international level competitions and received 182 medals in these competitions. More than 100 students have participated in sports events at all levels from zonal to international and won **one Gold, two Silver and four Bronze medals.**

To nurture the creativity of the students, the college encourages student's participation in cultural events. They are supported with required training, travel assistance and such other supports. Around 180 students have participated in cultural events from zonal to National level and have won several ranks.

As a reward to the sincere efforts and contribution of NSS unit, the college has received a Programme officer award and Best College awards during last three years. Total participation of NSS volunteers in various activities from inter collegiate to inter university level is 180 over the last three years. The discipline in individual life is always the concern of the college and NCC cadets are always ahead in it.

CRITERION-VI: GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1. Institutional Vision and Leadership

The management along with the principal; the Principal, IQAC, various committees; heads of the department and staff members decide and execute the policies and play a major role in quality enhancement.

Faculty members are given opportunities in participating in various statutory bodies of university and contribute in various academic developments which help to develop leadership qualities. Thus, the college promotes a culture of participative management to ensure expected outcome and fulfill the vision, mission and goals/objectives of the institute.

6.2. Strategy Development and Deployment

The quality policy of the college has created a benchmark in curricular, co-curricular and extra-curricular activities. The high quality standards developed through education research and other activities are put into action and monitored by the principal along with staff and students. The grievances of the stakeholders are addressed through the various committees and a healthy conducive atmosphere is maintained.

6.3. Faculty Empowerment Strategies

The college is always keen to promote professional development of the faculty through expert lectures on advanced areas of subjects, team building, work and stress management,

promotion of research attitude and research projects as well as publication of research papers in reputed journals. The teaching staff is encouraged to participate in knowledge events abroad by facilitating the travel grants from the university and UGC.

6.4. Financial Management and Resource Mobilization

The financial committee of the college monitors the effective and efficient use of financial resources available. The parent body and the university support the college with financial needs and requirements. The records of all these activities i.e. generation, mobilization and utilization of resources is maintained. The college has received total grants of Rs. 52,67,329/- from UGC during last three years.

6.5. Internal Quality Assurance System

As per NAAC directives, the college has established an IQAC cell in the year 2004. Teaching and non-teaching staff, students, management, alumni, community, Industry and external experts are actively participating and representing various stakeholders in the cell. The internal quality assurance mechanism includes the academic calendar, Time-table; ICT enabled teaching, revision of syllabuses as per the demand of industry and employers, result analysis as well as the feedback from stakeholders.

CRITERION-VII: INNOVATIONS AND BEST PRACTICES

7.1. Environment Consciousness

The college has taken effective measures to ensure protection of environment. The measures include green audit of which is conducted with reference to tree census, classification and numbering of trees etc. Special efforts are taken to neutralize the carbon entity by supporting Bus Day, vehicle free day, PUC check up, plastic free environment drive etc.

7.2. Innovations

To attain the expected outcomes of teaching-learning process, the planned activities are executed in innovative manner. These practices include implementation of CBCS for all courses, Career Orientation Courses, interdisciplinary teaching through extra credit courses, research projects, internship, promotion of rewards for excellence in teaching and research. The college also practices the rain-water harvesting. Implementation of Lecture Capture System as well as Enterprise Resource Planning is a step ahead in the digitization of teaching-learning environment. The research outputs are channelized for the benefit of the society through community oriented activities.

7.3. Best Practices

Promotion of research is one of the best practices we follow. The outcome of this practice is that most of the faculty members are Ph.D. degrees holders. So far faculty members have 31 projects to the credit which have generated grants worth Rs. 1,01,27,900/-.

'To be step ahead in digitization of education' is the need of time which is achieved through lecture capture system, use of social media like YouTube, WhatsApp and Enterprise Resource Planning system.

Dedicated foreign students cell extends all the necessary support to the international students.

To nurture the creativity of the students the college publishes annual number Yashobharati for the past 38 years.

Organization of National level General Knowledge test is one of the notable practices of the college since 1986. LAY, the ladies Association of the college strives hard to arrange different activities for women empowerment.

SWOC analysis

Strengths:

- most favoured destination of international students
- State-of-art infrastructure, outstanding research publication
- blending of rural, urban and international culture
- support from alumni are one of the strengths of the college

Weaknesses:

- need to increase international and industry-institution collaborations
- launch more career oriented courses

Opportunities:

- to vocationalize courses
- start new self-funded post graduate and research programmes
- to establish digital library and smart classroom

Challenges:

- inclination of students towards professional courses
- competition with the institutions of the statutory university
- mushrooming of private universities

- inadequate financial support from the government

All our strategies are aimed to overcome the weakness and face the challenges to evolve as landmark in the modern scenario of education.

Road Map Ahead:

- Construction of extension building is in progress
- establishment of international cultural centre
- promote research oriented programmes and facilitate international representation in sports along with scholarship for sportspersons
- Well-established coaching centre for civil competitive examinations

Sustainable HRM Practices : Post Covid'19

Friday, 14' May, 2021

Time: 10.30 IST

Link For Event- <https://tinyurl.com/IMED-HR-SEMINAR>

The e- inauguration of webinar was at the hands of Dr.Dhanya Narayan, Chief Operation, Rubicon and Dr. Sachin S. Vernekar, Dean FMS-BV(DU), Director, BV(DU) IMED, Pune. The Webinar started at 10.30 am.

The webinar was held with the following objectives :

1. to analyze the impact and possible HR solutions for business organization
2. understanding the Challenges emerging from the 'new' normal, Remote working, Emphasis on employee social safety,
3. Online Employee training,
4. Usage of Artificial Intelligence (AI) in business organization.

Dr. Pravin Mane, Convener of the HR Webinar welcomed all the audience and participants of the webinar. He briefed about the theme of the webinar as the impact of coronavirus pandemic on India has been largely disruptive in terms of economic activity as well as a loss of human lives. Almost all the sectors have been adversely affected as domestic demand and exports sharply plummeted with some notable exceptions where high growth was observed. In view of the scale of disruption caused by the pandemic, it is evident that the current downturn is fundamentally different from recessions. The sudden shrinkage in demand & increased unemployment is going to alter the business landscape. Adopting new principles like 'shift towards localization, cash conservation, supply chain resilience and innovation' will help businesses in treading a new path in this uncertain environment.

Dr. Sachin S. Vernekar, in his speech said Every manager has to be an HR manager as they have to deal with people. It's not IQ but EQ gives the advantage to handle numerous problems. The role of HR manager is to keep the organization – "Lean, Clean and Green" which ultimately takes care of process, people, principles of the entire organization.

In the Key note speech **Dhanya Narayan** elaborated as to stay relevant, one has to always believe in the fundamental principles of the subject. IT is enabler for the organizational processes. The student when joins the profession of HR, they have to transform themselves from the role of 'taker' to 'provider'. The Students have to build up their Knowledge, Skill and Abilities for becoming 'Custodian' of the organization and improve the perspectives to understand the change implied by Covid.

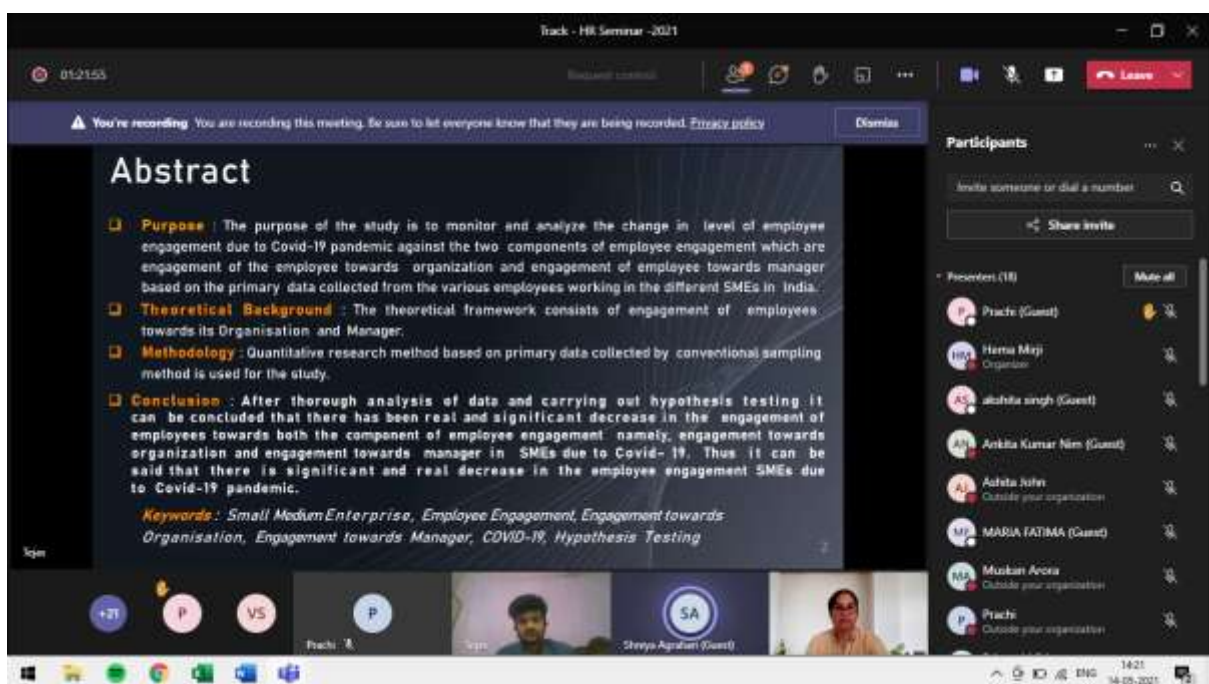

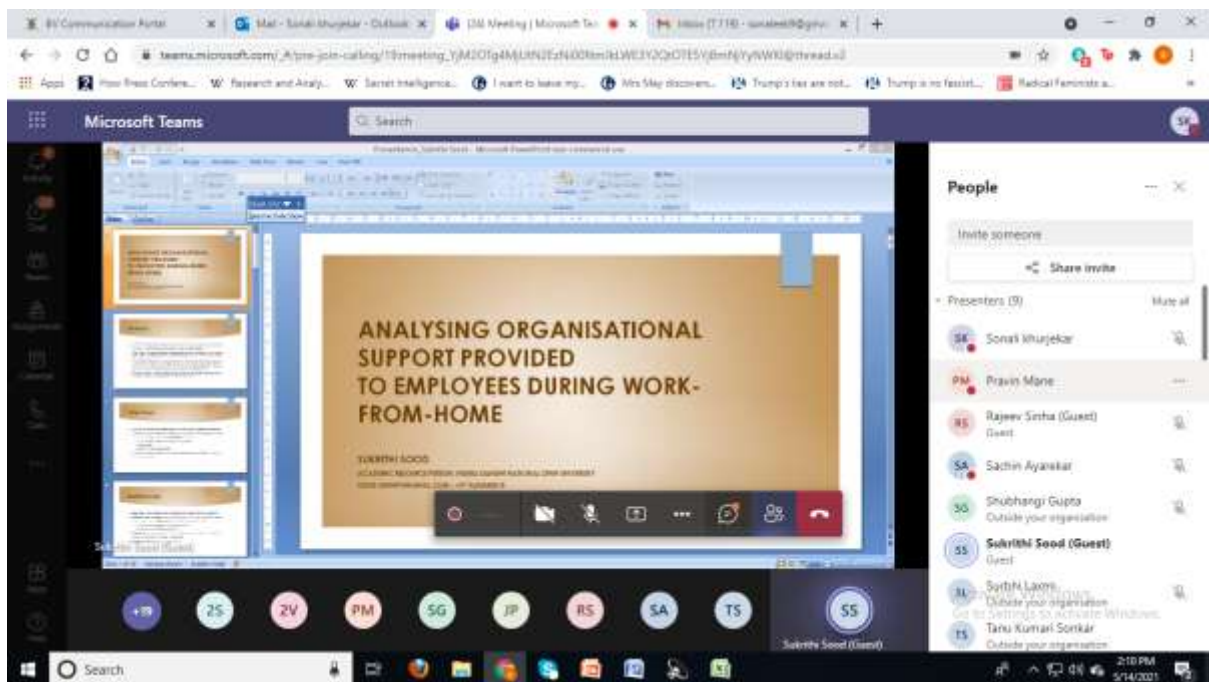

In plenary speech **Dr. Shulgna Sarkar**, She gave insights to Public sector's work climate during the Covid'19. As they employ a lot of semi-skilled and unskilled employee, there were a lot of issues to accommodate the Covid calamity. With the help of IT services like tele medication, Knowledge management, Skill development facilities aimed at all the stakeholders the organization could successfully handle the covid'19. She also emphasized on PPP aspect naming People, Profit and Planet being important elements of any of the organization needs due care.

In afternoon session paper presentation was held. The webinar received participation from top notch universities from the country. To name the few are Arka University, Jharkhand, BITS, Piloni, IGNOU, Institute of Public Enterprise, Hyderabad, St. Xavier University, Jain University Bangalore.

The following were the major topics of the research paper presentation:

1. India poised to play key role in global economy, future of tech, innovation
2. Analyzing organizational support provided to employees during work-from-home
3. Improving employee and organizational productivity
4. Use of Artificial Intelligence in HR
5. The covid-19, Economic Downturn and policy response: A dynamic general equilibrium Analysis

6. Well-being- a quintessential component in the post- pandemic world
7. Driving well-being among the workforce
8. An organization's workforce management and impact of knowledge sharing
9. Role of Happiness quotient and work-life employment engagement
10. A study to analyse employee engagement policies adapted by organization during and post-covid-19
11. Uses of Artificial intelligence in human resource
12. Employee Engagement

National Seminar

On

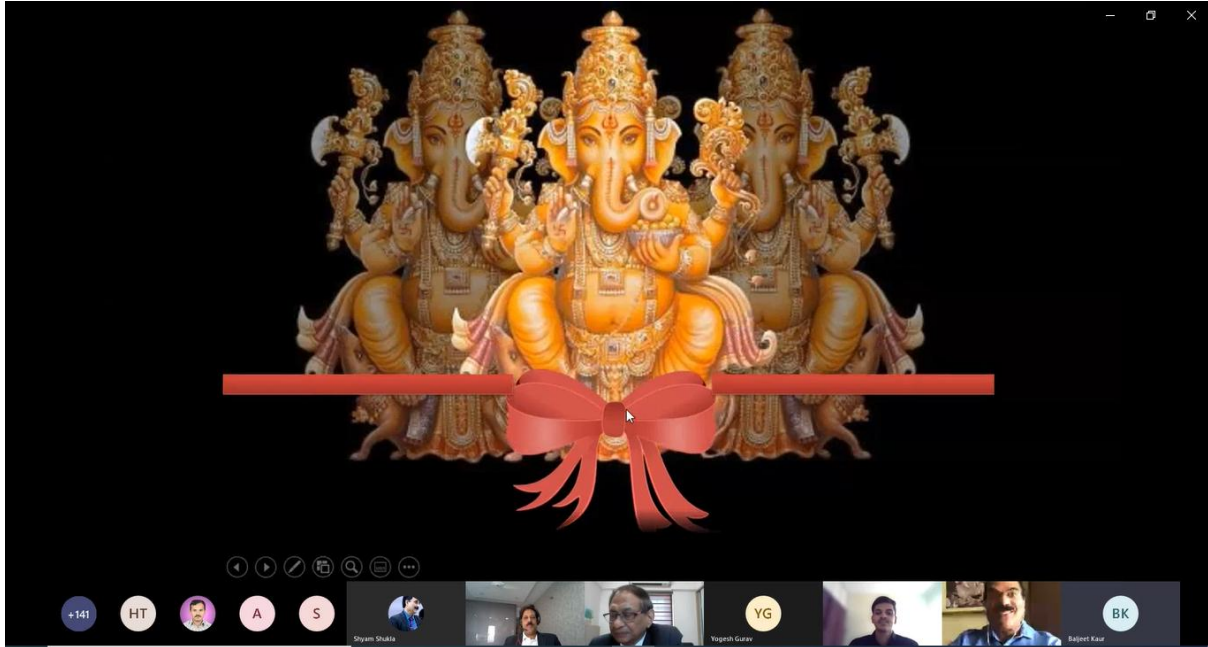

‘Strategic Marketing Management- During and Post COVID-19 Scenario’

23rd and 24th April, 2021

Day 1 – 23rd April 2021

In the current scenario, the Executives around the world are facing serious business challenges due to the onset of COVID-19 virus. These challenges can be seen in terms of sharp decline in customers’ demand, changes in the regulatory norms, disruptions in the global supply chain, recessionary trends in the economy etc. Therefore, it has become imperative for all the commercial organisations to find ways for regaining the lost ground. In doing so, a concerted effort in the form of suitable marketing strategies will help them a lot.

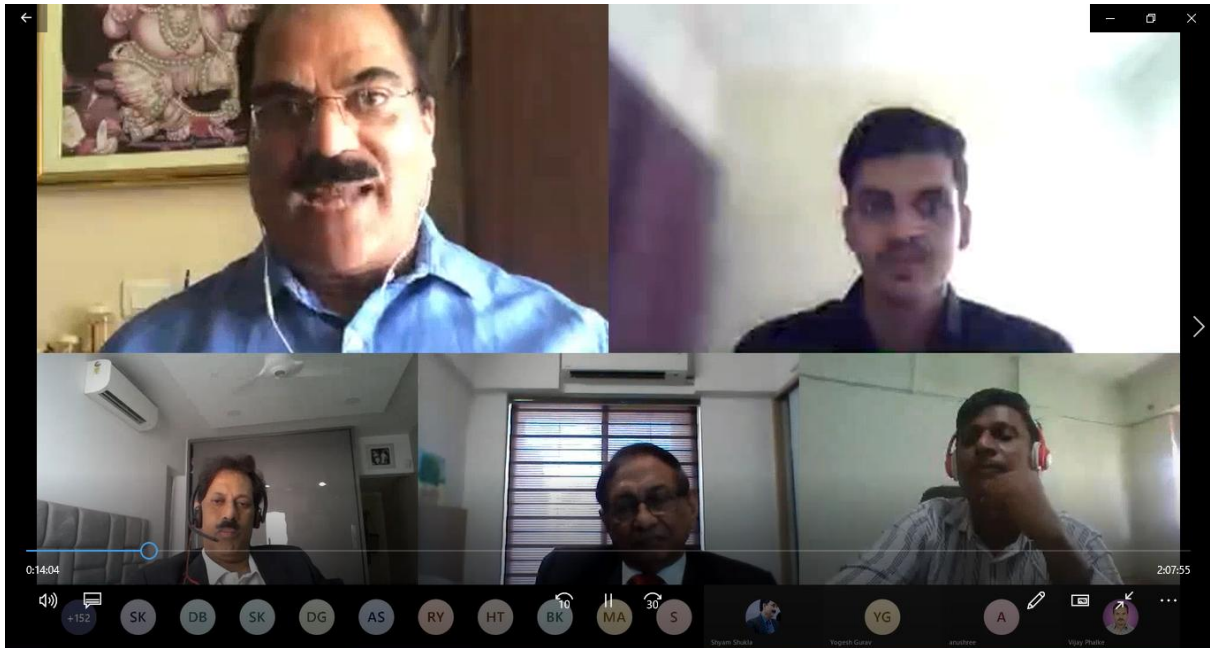

Keeping this in mind, the Department of Marketing at Institute of Management and Entrepreneurship Development (IMED) Pune has organised a Two-Day National Seminar on **‘Strategic Marketing Management – During and Post COVID-19 Scenario’** on 23rd and 24th April 2021. The seminar was e-inaugurated by Dr. Sachin S. Vernekar, Dean FMS BV(DU) and Director IMED Pune.

Dr. Sachin S. Vernekar, Dean FMS BV(DU) and Director IMED Pune, e-inaugurating the National Seminar

Post e-inauguration, on behalf of Bharati Vidyapeeth family, **Dr Sachin S. Vernekar**, Dean FMS BV(DU) and Director, IMED welcomed the Guest of Honour, Resource Person, Star Alumni of IMED and the students. During his speech, he lamented on the evolution of Bharati Vidyapeeth as a great institution imparting quality education across the disciplines/faculties led by a visionary leader **Dr. Patangraoji Kadam**, the Founder, Bharati Vidyapeeth, Pune. He also talked about the challenges faced by the educational institutes due to the pandemic and how Bharati Vidyapeeth in general and IMED in particular has tried to overcome this by having a blended approach to imparting quality education to the students.

He enthralled the audience through his electrifying speech on the theme of the Seminar and also talked on the mantra being followed by the marketers and the same is 'Create Customers, Retain the Customers and Increase the Customer Base- The CRI. In his address, he spoke about the entrepreneurial abilities of the Indians in finding opportunities in this crisis situation. He also lamented on the C. K Pralhad and his Bottom of the Pyramid marketing.

Dr. Sachin S. Vernekar, Dean FMS BV(DU) and Director IMED Pune, is giving his welcome address

Post the e-inauguration of the Seminar and the welcome address by Hon'ble Director sir, **Mr. Yogesh Gurav**, The Convener of this seminar gave a brief overview about the seminar and the activities therein. While concluding the same, he quoted a Sanskrit line which would keep all of us motivated in the trying circumstances caused by the pandemic and the same is, **एतदपि गमिष्यति** | - which means, even this shall pass.

Mr. Yogesh Gurav, the Convener Giving a Brief Overview About the Seminar

1. **Mr. Ramesh Sangare**, President and CEO of HRDC Group, talked about the earlier days of his professional journey that started way back 1967. During his address, he opined that, today's marketing has become a perennial war and has turned out be a fearsome battle in a pandemic. He also talked about the problems faced by the companies due to the disruptions in the supply chain and the restrictions imposed by the Government of the day. In his concluding remark he shed light on the ways to approach the challenges posed by COVID-19 and the same are pragmatic and progressive thinking, better emotional quotient, adaptability in terms of technology, new normal and innovations.

Mr. Ramesh Sangare, President and CEO- HRDC Group, Delivering His Key Note Address

2. **Mr. Mohan Patil**, Sr. GM Bosch (India), started his speech by lamenting on the changed business scenario and the need for adapting it at the earliest. He also shed light on the changes in customers' tastes and preferences, making the marketers to strive hard so as to make them feel delighted. In furtherance of his talk, he quoted Mr. Philip Kotler, world renowned Marketing Professional, wherein he talked about the two powerful forces namely technology and globalisation that will shape the economies world over. In his concluding remarks, he advised the would-be managers in the following manner:
Do not to take short cuts in life, focus on your strengths and do good.

Mr. Mohan Patil, Sr. GM Bosch (India) Interacting with the Students of IMED

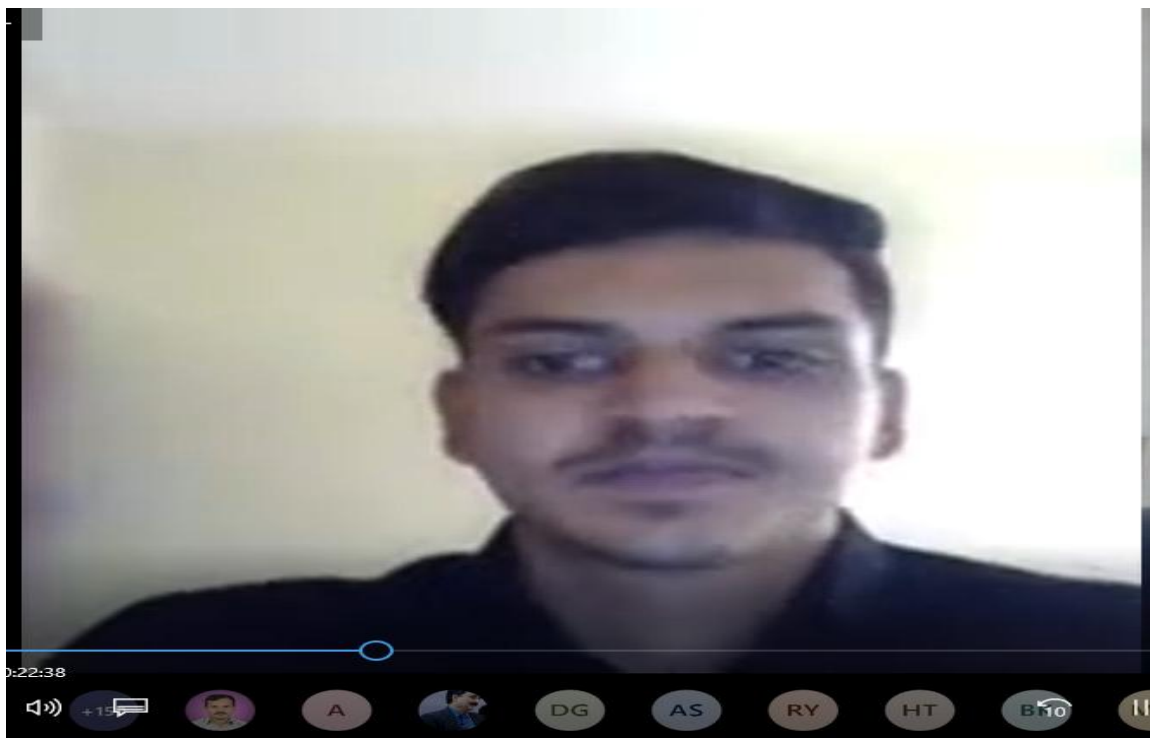

3. **Mr. Kiran Pawar**, the Star Alumni of BV(DU) IMED - MBA (2006-08) Batch, initiated his talk by a walk through a memory lane and shed light on how he has approached his professional life after MBA. During his interactions with the students, he opined that if you have got the vision, you can spot the opportunity even in this crisis situation. Further, Mr. Kiran stressed on the need to understand the market needs and the consumers' behaviour if you are to be successful in business. In this context, he shared his own experience regarding a collaboration with a German Company and how he has tapped the Mumbai Territory. At the end, he told the would-be entrepreneurs that its your mindset that matters when it comes to the success in life and business.

4.

Mr. Kiran Pawar- Star Alumni BV(DU) IMED and Director ULTRA IN Ex Sharing His Experiences with the Students.

The inaugural session ended with a formal vote of thanks proposed by **Mr. Vinit Venkateshwaran.**

Mr. Vinit Venkateshwaran Proposing the Vote of Thanks.

In the post lunch session, the Research Paper Presentation Competition was started through two different groups. In all 22 students were lined up for presentation, but out of these 20 students have presented as two students were unwell.

The students have showcased their research skills through their paper presentations. As a result of this it was a task cut out for the Judges of the Competition to select the best papers. **Dr. Shyam Shukla** and **Dr. Nilesh Mate** were the judges for this competition. Post competition the results were forwarded to the Convener of the seminar as the result of paper presentation are to be announced during X'pressions 2021.

After the paper presentation competition, the Day 1 of the National Seminar concluded.

Mr. Yogesh Gurav

Convener, Marketing Seminar 2021

National Seminar - Day 2- Panel Discussions

24th April 2021

On day 2 of the National Seminar, **Dr. Sachin S. Vernekar**, Dean FMS BV(DU) and Director IMED, Pune, welcomed the distinguished Panellists and discussed the need of keeping the young generation busy and fit in the pandemic situation. He talked on changed business scenario and a striking change in the marketer's approach towards keeping their customers happy. Today, marketers are working towards the achievement of customer ecstasy.

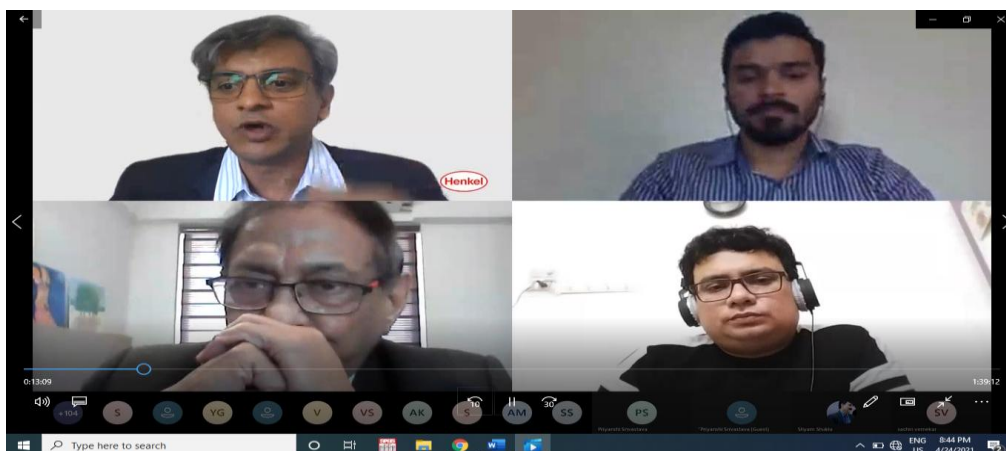

Dr. Sachin S. Vernekar, Dean FMS BV(DU) and Director IMED Pune, is giving his welcome address on
Day 2 of the National Seminar

Dr. Shyam Shukla, the Moderator of the Panel Discussion, while giving a brief overview of the panel discussions used one quote and the same is 'You cannot change your destination overnight, but you can change your directions overnight.' He also talked about the need to design marketing strategies based on the lessons learnt from the life.

Dr. Shyam Shukla, the Moderator of the Panel Discussions is giving a brief overview of National Seminar
- Day 2 – schedule

1. **Mr. Ajit Narkhede**, Sales Manager- Henkel Group, in his opening remarks, he talked about how to become successful in the pandemic situation. He also talked a success mantra and the same is, sustain in the business, ensure growth and increase the business and thereby achieve excellence. Later on, he answered the students' queries related to today's topic.

Mr. Ajit Narkhede, Sales Manager- Henkel Group, giving his initial comments on the topic of today's panel discussion

2. **Mr. Vishal Srivastava**, Head – Sales, bitwise started his opening lines with digitisation of business operations in public sector undertakings and BFSI sector especially focusing on the technological sales. He also lamented on the effects of pandemic on the financial sector in general and NBFC in particular. After this he opined that, the current situation is right for the adoption of technology in Indian financial sector as new banks are getting opened.

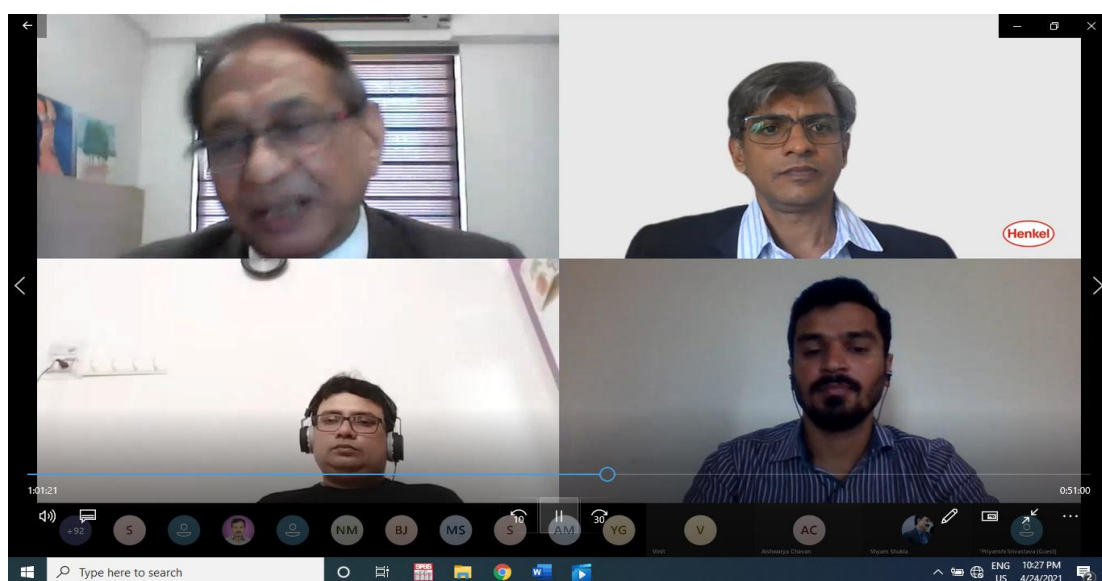

Mr. Vishal Srivastav, Head- Sales at Bitwise, giving his opening remarks on the today's business scenario

3. **Mr. Sudhindra Rao**, Director, Datalore Labs shared his views on the current business scenario from a start-up's perspective. He talked about the how the pandemic has affected many start-ups in terms of resource constraints, retention of employees for longer times etc. He also talked the adaptability as an advantage for his start-up and by virtue of this they could make right and timely decisions.

Mr. Sudhindra Rao, Director, Datalore Labs giving his opening remarks

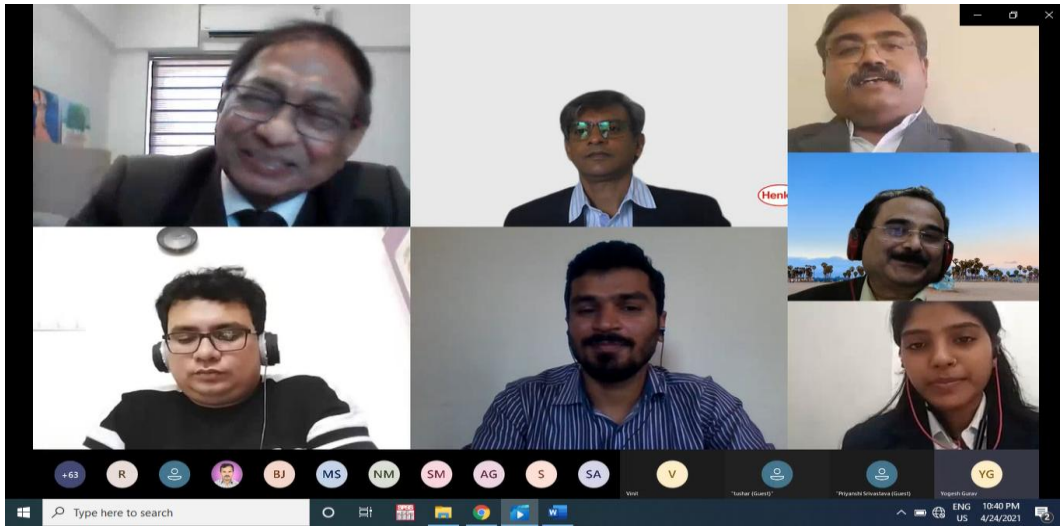

4. **Mr. Ramesh Sangare**, President and CEO – HRDC Group, in his opening remarks talked about Data Analytics and the problems faced in Sales on ground. In addition to this, he also talked about the types of changes that are routine, planned, naturally occurred, strategically imposed etc. Later on, he shed light on the quality of negotiations that takes place in B2B business concerning capital items especially in the current situation.

Mr. Ramesh Sangare, President and CEO – HRDC Group sharing his initial thoughts on the current challenges in business and the ways to address them.

At the end, **Mr. Yogesh Gurav**, the Convener of this Two-day National Seminar proposed a formal vote of thanks and signed off with a couple of lines in Hindi and the same are

जिंदगी एक आईना है | ये तभी मुस्कुराएगी , जब हम मुस्कुराएंगे |

Mr. Yogesh Gurav, proposing a formal vote of thanks

Report on the Student Induction Programme

Name of the Event: Guest lecture on "grooming and fitness in the industry"

Date of the event: 5th November, 2020

Location of the event: Online means (MS TEAMS)

Written by: Kasturi Rana

"Cleanliness is next to godliness"

A guest lecture by Ms. Aparna Passi was conducted on the topic "Grooming and fitness in industry" It was held on 5th of November, 2020, the fourth day of the SIP that is the student induction programme.

The aim of this session was to develop soft skills within the students that need to be acquired by a professional. She gave important tips on grooming for men as well as for women. She also gave tips related to seating, hand movement and body language. She mentioned many examples from her own experience too. She also shared valuable tips on grooming before interviews or business meetings.

She insisted students to remain positive and confident and look at fine details of non-verbal communication. She emphasized students to be active and full of observation. In this session, students learned about importance of self-image. They were able to pick appropriate information for their self-grooming. She then explained the colour of shirts, trousers, shoes, suite, watch, ties and so on for men. Differentiated the corporate and casual wear both for men and women. She discussed on how to work on communication skills and prepare for interview. The way we look and dress, contributes our confidence. Hence dressing well and more importantly dressing appropriate is a very important key to self-confidence.

She emphasized on the importance of fitness in this industry. The various types of diseases are occurring because of the type of activities we do, environmental factors, the food intake, exercise activities and stress. The types of diseases are obesity, underweight, diabetes, hypertension, depression, cardiovascular, cancer. Obesity, one of the most prevalent lifestyle disease in today's youth occurs because of the long-term sedentary lifestyle. The speaker suggested that in order to lead a healthy lifestyle, individuals need to keep track of their weight, measure obesity, and all bad habits such as smoking and drinking must be avoided. The session turned out to be a very informative session which encouraged the students to take up the healthy lifestyle. It came to an end with the professor expressing her gratitude on behalf of each staff and student.

Report on the Student Induction Programme

Name of the Event: Guest lecture on "Yoga"

Date of the event: 5th November, 2020

Location of the event: Online means (MS TEAMS)

Written by: Kasturi Rana

"Go healthy and happy!"

A guest lecture by Mr. San Gaurav Prabhu was conducted on the topic "yoga". It was held on 5th of November, 2020, the fourth day of the SIP that is the student induction programme.

The freshers were introduced to the concept and benefits of yoga. The impact of it on us, not just physically but mentally also. He briefly introduced the ancient science of Yoga and enlightened on common myths regarding it. He emphasized that, practicing Yoga helps us improve flexibility, balance, endurance and physical strength while Meditation helps us to keep the mind sharp and clear, it relieves stress and improves overall well being. He demonstrated various Yoga Asana useful for day-to-day life and gave excellent tips on how to incorporate their use in daily routine even if it was not possible to dedicate special time for the same.

Asanas in standing and sitting posture were performed through virtual means which emphasised on balance and muscle stretchability. Breathing techniques like Anulom Vilom, Bhramari Pranayam and Omkar were performed. He advised various types of patients having Chronic Disorders that benefits from Yoga would be tangible only after regular practice under the supervision of an expert to guide them.

Yoga is a way to connect with the higher Self and integrate all aspect of life so as to live in balance and harmony. It brings us closer to nature and helps us move towards oneness. The primary objective in yoga is the regulation of the restless mind. He also explained the art of meditation and elaborated the meaning of spirituality and its related misconception.

Lastly, he made us aware that the college promotes health benefits among the faculty and students through Yoga and Meditation. This wellness platform largely contributes in creating stress free positive environment and healthy way of thinking and living. The guest lecture came to an end with the professor in charge expressing her gratitude towards the orator on behalf of all students and staff.

Report on the Guest lecture for Student Induction Programme

Name of the Event: Guest lecture on 'Life on campus'

Date of the event: 4th November, 2020

Location of the event: Online means (MS TEAMS)

Written by: Kasturi Rana

"No, sky is not the limit. It is only the beginning"

A guest lecture by an alumni, Ms. Neeta Kawade was conducted on the topic "life on campus". It was held on 4th of November, 2020, the third day of the SIP that is the student induction programme.

She began, by sharing her views on life is on college campus. How we grow in this environment. A college is the place that allows students to dive deep into the ocean of new beginnings and possibilities. The college phase is one of the most interesting stages in life that gives us an opportunity to explore. She emphasised on, how quickly the teenage years end and the golden period in college create a strong foundation of knowledge.

She said that the experience of college will teach you one fundamental thing that, life is unpredictable. The experiences can be weird, they might be good or bad. She explained us that, college life prepares us for all uncertain. It is a beautiful and perfect blend of joy and hardships. We meet different people, interact with them, learn about their different cultures, and grow as a sensible human. One learns and understands how to talk to different people and judge their behaviour, thus helping us with important life skills.

She mentioned that, there will be moments in our college days that will hold a lot of sentimental value, and people do miss those years later. The most important aspect of our college life is friendship. Friends in college give us strength, and they are our knights in shining armour for all our life. The occasional adventure surges, planning road trips, and all the impulsive journeys- all of these things make more emotional when you are out of the institution.

The lecture came to an end with our professor in charge, expressed her gratitude towards the orator.

Report on the Guest lecture for Student Induction Programme

Name of the Event: Guest lecture on 'Road map to success'

Date of the event: 1st November, 2020

Location of the event, Online means (MS TEAMS)

Written by: Kasturi Rana

"Success always comes with a price"

A guest lecture by Ms. Tripti Mishra was conducted on the topic "road map to success". This was held on 1st of November, 2020 which was also the third day of the SIP that is the student induction programme.

The orator explained the freshers the meaning of success, what one should do to be successful in life and most importantly what one should follow to be disciplined in life. She said that success can be achieved when we try our best in all aspects of everything we do, even if that doesn't lead to big results. If we've done our best, we should feel proud of our efforts. She advised to stay realistic and concrete while setting goals, and that success does not come from setting abstract goals. Success is understanding the difference between need and want. Believing in oneself is a very important aspect of the roadmap to success. She said that if we believe we can, we will succeed. Self-belief doesn't come naturally to everyone, so keep telling yourself that we can achieve the goals in our plans. Success is also having the ability to balance work with passion. Work without passion creates undue stress and empty achievements. In fact we should focus on what excites us and what all we love doing. Success is learning something new each day. Learning is something that never stops. A successful person never stops exploring new things and upgrades, keeps a connect with people and also focuses on his goals.

And lastly, she mentioned that success only comes when we overcome our fears. We don't have to let our fears hold us back from achieving our potential and reaching our goals. We can start by questioning our fear, improving our self-confidence, and ending self-destructive behaviours.

The guest lecture came to an end by our professor Mrs. A. Deshpande, expressing her gratitude towards the speaker.

Student Induction Programme

Name of the event: Student Induction Programme

No of participants: 170

Dates of the events- 2nd Nov to 11th Nov 2020

The programme was conducted for all the first year students and commenced with Bharati Vidyapeeth Geet, followed by Welcome address by Principal Dr. Lalita Chirmulay.

The programme included warm up exercises every morning, followed by brief about the Rules and Regulations in Campus. The videos about anti ragging, sexual harassment and adapting to the new environment by different faculty members were shown to the students

The induction programme had eminent speakers like Dr. Majiri Datar, Ms Neeta Kawde, Ms. Apama Passi, Ms. Ashwini Kadam, Ms. Gorthakur and Dr. Ameya Ghanekar who enlightened our students with immense knowledge in the respective fields.

The 10 day induction program had various lectures organized for students and afternoon they were given an option to choose from literary activity or Creative Arts. The induction program was also conducted so that the information about uniforms, Kitchen kit, ODC & Library resources can be given to the students

It was a successful online programme for all the first year students by support of all the faculty members and first year counsellors.

Thank You!

A demonstration on "Assam's Food" was organized by Symbiosis Ishanya Cultural & Educational Centre (SICEC) with Mrs. Monjeeta Baroowa at BVDU- IHMCT, Pune on 29th April, 2021

The workshop/Demonstration was aimed at sharing knowledge about North-East Indian culinary styles and the delicacy of Assamese cuisine.

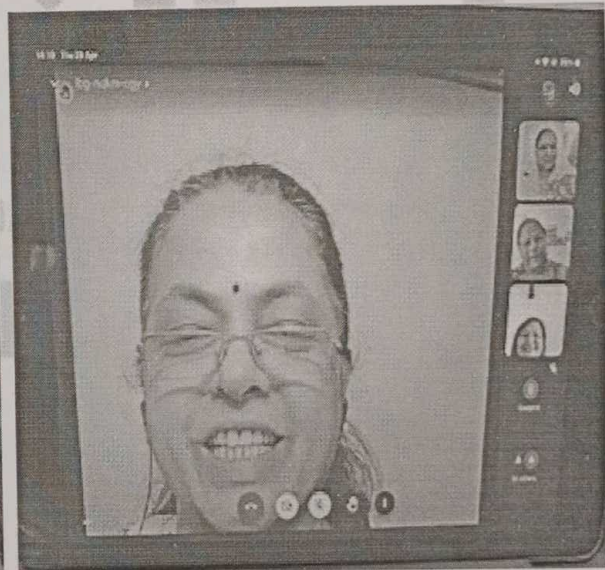

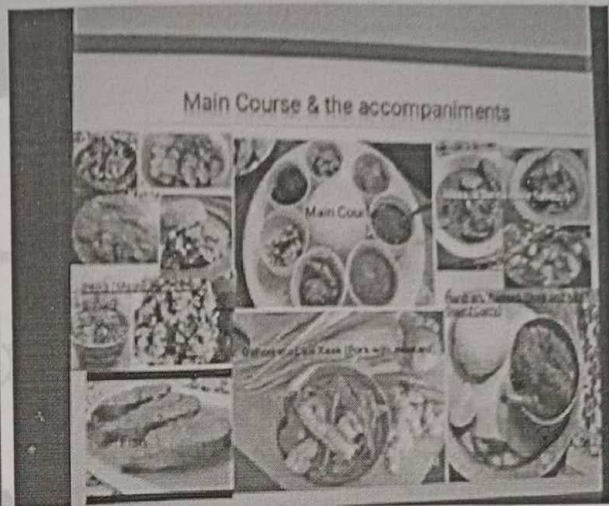

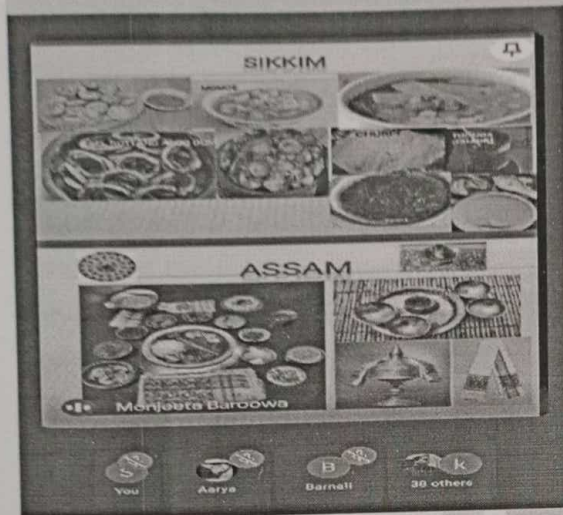

Mrs. Monjeeta Baroowa explained in detail about the various ingredients, cooking styles and equipment used in North-East of India. How it is different from the rest of Indian states. Rice and fish curry is the main food item to the Assamese. A live demonstration of few dishes like Khaar, Maasor Tenga, Aloo Pitika, Pithas etc. was made, followed by Q n A session simultaneously.

Around 37 students and 09 faculty members attended the workshop.

Subject: Commercial proposal for a workshop on North-East India cuisine

To: <bvduihmct@gmail.com>

Cc: Director ELTIS <director@eltis.edu.in>, dy.director <dy.director@eltis.edu.in>

Dear Madam,

Greetings from SICEC!

Symbiosis Ishanya Cultural & Educational Centre (SICEC) is a non-profit organization and a dream project of Dr. S.B. Mujumdar. It was founded in the year 2014. It aims at bridging the cultures of the north-east with the rest of India. It is an initiative to promote North-Eastern culture through various educational and cultural programmes.

Under the banner of Symbiosis Ishanya, we conduct several presentations, music and dance programmes, symposiums, workshops and more, annually. The annual film festival, *Fragrances from the North east* is organized jointly by Symbiosis Ishanya and NFAI. To make the art of the North East more visible, we would like to offer an exciting workshop on North- East cuisine (*Flavours of the North-East India*), for the students of Bharti Vidyapeeth IHMCT. The workshop will give them exposure to authentic dishes, methodology used, herbs and spices used in North-East India.

Please find attached the **commercial proposal** and NEFT details for your perusal. Also attached is the concept note of the workshop.

We will be happy to join hands with you and conduct this workshop for your students. I request for your time for a brief meeting to discuss the pros and cons of this proposed workshop. Please let me know the suitable time to arrange this online meeting.

Looking forward to receiving a positive response,
Dr. Barnali Bhavsar

Report writing on occasion of the national training day; the HEXA webinar by JCI
Poona

Date: 23rd May, 2021

Venue: zoom meeting

Written by: Kasturi Rana

‘Developing leaders for a changing world’

The JCI group of Pune conducted an exclusive webinar on the 23rd of May for the students of our IHMCT department. It was an entire day session which was divided into two halves. The morning timings were from 10:00am to 1:00 pm where three speakers Mr. P Parmarathi, Mr. Ahmed and Miss N Shalmon spoke on topics like ‘Goal setting’, ‘Connecting people’, ‘Critical thinking’. The afternoon session commenced from 4:00pm to 7:00pm. This lot had speakers MR. E Fernandes, Mr. E Upaskar and Mrs. S Maniar who spoke the topics ‘Career orientation’, ‘Leadership’ and ‘Creativity’.

The first half of the day was filled with a lot of elements that acted like an eye opening experience for many of us. In the first session we were told about setting our goals and knowing our priorities, we were shown videos on young boys playing football even when they stayed on an island and had no place to play. Setting our goals on time and working on them is important, most important is putting in hard work at the right time.

Second, we had connecting people which we were shown a short video on a crime scene and expecting us to notice the changes and the mistakes in the movie. At first, everyone thought there were 5-6 mistakes, but there 21 in total. We were given examples of bisleri packaged drinking water and made aware of various fake brands that look alike to the original brands, we often tend to ignore.

Third, we were spoken about critical thinking. We were told of how to make decisions in critical situations. How to tackle our own problems. The solution to all of this was told to us that we should come up to our near ones, our family, parents and friends. Sharing problems and seeking help from them. Also, she gave an example of a situation where we have a pizza in front of us and as to how we can make decisions on whether to eat it or not. Basically, all the speaker tried to explain was to make firm decisions.

Samsung Triple Camera
Shot with my
Galaxy Note10 Lite

Then began the second half of the webinar at 4:00pm. The fourth session was conducted on the topic career orientation. The speaker began with asking a few general knowledge questions. Students showed active participation by answering to those questions in the chat box. He showed us a presentation on career orientation. The slides included of topics like, 'What is a career?', 'Is deciding career important?', 'What time to decide a career?' and so on. He gave us a few steps to follow which included self assessment, explore and research, decision making and taking action. His session ended with lines that said 'failing to plan is planning to fail'. He also spoke of his native town goa and he lacked internet due to poor weather. Hence we lost him because of poor connection.

The fifth session was conducted by a lawyer by profession. He too interacted with students through question answer session. Then he showed us a presentation on leadership rather I must say laddership because he explained the meaning of each word that forms the word LEADER in an ascending form. The words L stood for learn, E for energize, A for attitude, D for discipline, E for evolve and R for reach. He gave a simple definition to the word leader, he said that a leader is someone who knows the way, shows the way and goes the way. He ended the session with a fun activity by asking us to draw a heart on a piece of paper and then asked us to tear the paper it into pieces. He asked us to apologize to the paper and see if they joined again. It didn't! he basically tried to explain that a leader has to have faith in his employee or follower and guide him/her when in need.

And finally, the sixth and the last session of the day was conducted on the topic creativity. The speaker spoke of her background and how she grew up in the city of Pune, her schooling and her days back in college. She began her presentation with a birthday party set up and asked us to get creative with just a piece paper. She asked us to assume it's our 3 year old cousin's birthday and we have nothing to gift him/her other than creating something out of that piece of paper. Some made boats, some made planes, some made flowers, cards etc. the main purpose of this activity was to bring out the creativity in us. We cherished our childhood memories through those pieces of paper. Further she explained the meaning of creativity, importance of creativity, importance of communication etc. There was another fun activity where we were shown a picture of a folded quilts and we had to write numbers of uses of it. The session ended with a feedback from the students where they spoke and thanked all the speakers, and also were grateful for arranging such an extraordinary webinar.
