PHASE V

ACADEMIC DEVELOPMENT

Keeping in view, the changing circumstances all over the world, University is updating its syllabi/Course contents for sports and Physical education. This will keep pace with the changing time and the student will not be lagging behind. Academic reform is a continuous process. Therefore periodic review of the courses /syllabus will be undertaken by Board of studies for sports and physical Education at University level. In doing so, ancillary and supplementary areas of knowledge of sports subject will be taken care of such as yoga, sports medicine, Sports management, conducting short term certificate courses and diploma courses under the faculty of sports and Physical Education by University. Therefore as a part of the extension of these activities, emphasize will also be laid on introducing research degree level course such as M.Phil & Ph.D. in Sports and Physical Education. Research project in sports and introduction and use of modern science and technology in sports, will be undertaken by holding seminars, workshops and orientation courses.

Sports awareness and participation in sports amongst the youth is on high. In order to help developing sports talent, all necessary steps will also be taken into consideration. Therefore, endeavor shall be to take Bharati Vidyapeeth University, On the top of the sports map in the country.

SCHOLARSHIP

Bharati Vidyapeeth University provided Scholarship to out standing sportsmen who shows performance in Inter University & Ashwamedh Inter university Tournament. We also provided good quality of track-suite and Uniform to the players who represent Bharati Vidyapeeth University for All India /Inter University tournament.
