NOTIFICATION NO. 775

It is hereby notified for the information of all concerned that the Academic Council, at its 50th meeting held on 08/12/2015, has considered the Guidelines issued by the University Grants Commission on "Determination of Uniform Span Period within which a student may be allowed to Qualify for a degree" and resolved to adopt the same as under:

The grant of degrees to the students who have been admitted to various programmes which are governed by the regulations of statutory bodies, the respective rules and regulations will be followed.

For others, the students have to qualify for a degree within the period prescribed by the University Grants Commission. If the student could not, he/she will be allowed two more years beyond the prescribed period.

In exceptional cases, further extension of one more year, may be considered by the University.

This will be made applicable to those students who will be admitted from the academic year 2016-2017 onwards.

All the concerned are requested to note and to display in the Notice Board.

(Choice Based Credit System)

(2014 Onwards)

Standard of Passing :

For all courses, both UE and IA constitute separate heads of passing. In order to pass in such courses and to earn the assigned credits, the learner must obtain a minimum grade point of 5.0 (40% marks) at UE and also a minimum grade point of 5.0 (40% marks) at IA.

If a student fails in IA, the learner passes in the course provided he/she obtains a minimum of 25% in IA and GPA for the course is atleast 6.0 (50% in aggregate). The GPA for a course will be calculated only if the learner passes at the UE.

A student who fails at UE in a course has to reappear only at UE as a backlog candidate and clear the head of passing. Similarly, a student who fails in a course at IA has to reappear only at IA as a backlog candidate and clear the head of passing.

The 10-point scale Grades and Grade Points according to the following table.

| Range of Marks (Out of 100) | Grade | Grade Point |
|---------------------------------|-------|-------------|
| $80 \leq \text{Marks} \leq 100$ | O | 10 |
| $70 \leq \text{Marks} < 80$ | A+ | 9 |
| $60 \leq \text{Marks} < 70$ | A | 8 |
| $55 \leq \text{Marks} < 60$ | B+ | 7 |
| $50 \leq \text{Marks} < 55$ | B | 6 |
| $40 \leq \text{Marks} < 50$ | C | 5 |
| Marks < 40 | D | 0 |

The performances at UE and IA will be combined to obtain the Grade Point Average (GPA) for the course. The weights for performance at UE and IA shall respectively be 60% and 40%.

GPA is calculated by adding the UE marks out of 60 and IA marks out of 40. The total marks out of 100 are converted to grade point, which will be the GPA

Formula to calculate Grade Points (GP)

Suppose that 'Max' is the maximum marks assigned for an examination or evaluation based on which GP will be computed. In order to determine the GP, Set $x = \text{Max} / 10$ (since we have adapted 10-point system). Then GP is calculated by the formulas shown as below.

| Range of Marks at the evaluation | Formula for the Grade Point |
|----------------------------------|-----------------------------|
| $8x \leq \text{Marks} \leq 10x$ | 10 |
| $5.5x \leq \text{Marks} < 8x$ | Truncate (Marks / x) + 2 |
| $4x \leq \text{Marks} < 5.5x$ | Truncate (Marks / x) + 1 |

Two kinds of performance indicators, namely, the Semester Grade Point Average (SGPA) and the Cumulative Grade Point Average (CGPA) shall be computed at the end of each term. The SGPA measures the cumulative performance of a learner in all the courses in a particular semester, while the CGPA measures the cumulative performance in all courses since his/her enrolment. The CGPA of learner when he/she completes the programme is the final result of the learner.

The SGPA is calculated by the formula $SGPA = \frac{\sum C_k \times GP_k}{\sum C_k}$, where C_k is the credit-value assigned to a course and GP_k is the GPA obtained by the learner in the course. In the above, the sum is taken over all the courses that the learner has undertaken for the study during the semester, including those in which he/she might have failed or those for which he/she remained absent. **The SGPA shall be calculated up to two decimal place accuracy.**

The CGPA is calculated by the formula $CGPA = \frac{\sum C_k \times GP_k}{\sum C_k}$, where C_k is the credit-value assigned to a course and GP_k is the GPA obtained by the learner in the course. In the above, the sum is taken over all the courses that the learner has undertaken for the study from the time of his/her enrolment and also the during the semester for which CGPA is calculated, including those in which he/she might have failed or those for which he/she remained absent. **The CGPA shall be calculated up to two decimal place accuracy.**

The Formula to compute equivalent percentage marks for specified CGPA:

| | | |
|------------------|------------------------|--------------------------------|
| % Marks (CGPA) = | $10 \times CGPA - 10$ | if $5.00 \leq CGPA \leq 6.00$ |
| | $5 \times CGPA + 20$ | if $6.00 \leq CGPA \leq 8.00$ |
| | $10 \times CGPA - 20$ | if $8.00 \leq CGPA \leq 9.00$ |
| | $20 \times CGPA - 110$ | if $9.00 \leq CGPA \leq 9.50$ |
| | $40 \times CGPA - 300$ | if $9.50 \leq CGPA \leq 10.00$ |

Award of Honours :

A student who has completed the minimum credits specified for the programme shall be declared to have passed in the programme. The final result will be in terms of letter grade only and is based on the CGPA of all courses studied and passed. The criteria for the award of honours are given below.

| Range of CGPA | Final Grade | Performance Descriptor | Equivalent Range of Marks (%) |
|-----------------------------|-------------|------------------------|---------------------------------|
| $9.50 \leq CGPA \leq 10.00$ | O | Outstanding | $80 \leq \text{Marks} \leq 100$ |
| $9.00 \leq CGPA \leq 9.49$ | A+ | Excellent | $70 \leq \text{Marks} < 80$ |
| $8.00 \leq CGPA \leq 8.99$ | A | Very Good | $60 \leq \text{Marks} < 70$ |
| $7.00 \leq CGPA \leq 7.99$ | B+ | Good | $55 \leq \text{Marks} < 60$ |
| $6.00 \leq CGPA \leq 6.99$ | B | Average | $50 \leq \text{Marks} < 55$ |
| $5.00 \leq CGPA \leq 5.99$ | C | Satisfactory | $40 \leq \text{Marks} < 50$ |
| CGPA Below 5.00 | F | Fail | Marks Below 40 |

EXAMINATION REGULATIONS

Faculty of Law

LL. M./LL.B. (3 Year Law) / B.A.-LL.B. (5 Year Law) / B.B.A.- LL.B. (5 Year Law)
(Choice Based Credit System)
(2015 & Onwards)

Standard of Passing :

Both UE and IA constitute separate heads of passing. In order to pass in such courses and to earn the assigned credits, the learner must obtain a minimum grade point of 6.0 (50% marks) at UE and also a minimum grade point of 6.0 (50% marks) at IA.

A student who fails at UE in a course has to reappear only at UE as a backlog candidate and clear the head of passing. Similarly, a student who fails in a course at IA has to reappear only at IA as a backlog candidate and clear the head of passing.

The 10-point scale Grades and Grade Points according to the following table.

| Range of Marks (Out of 100) | Grade | Grade Point |
|------------------------------------|--------------|--------------------|
| $80 \leq \text{Marks} \leq 100$ | O | 10 |
| $70 \leq \text{Marks} < 80$ | A+ | 9 |
| $60 \leq \text{Marks} < 70$ | A | 8 |
| $55 \leq \text{Marks} < 60$ | B+ | 7 |
| $50 \leq \text{Marks} < 55$ | B | 6 |
| Marks < 50 | D | 0 |

The performances at UE and IA will be combined to obtain the Grade Point Average (GPA) for the course. The weights for performance at UE and IA shall respectively be 60% and 40%.

GPA is calculated by adding the UE marks out of 60 and IA marks out of 40. The total marks out of 100 are converted to grade point, which will be the GPA

Formula to calculate Grade Points (GP)

Suppose that 'Max' is the maximum marks assigned for an examination or evaluation based on which GP will be computed. In order to determine the GP, Set $x = \text{Max} / 10$ (since we have adapted 10-point system). Then GP is calculated by the formulas shown as below.

| Range of Marks at the evaluation | Formula for the Grade Point |
|---|------------------------------------|
| $8x \leq \text{Marks} \leq 10x$ | 10 |
| $5.5x \leq \text{Marks} < 8x$ | Truncate (Marks / x) + 2 |
| $4x \leq \text{Marks} < 5.5x$ | Truncate (Marks / x) + 1 |

Two kinds of performance indicators, namely, the Trimester Grade Point Average (TGPA) and the Cumulative Grade Point Average (CGPA) shall be computed at the end of each term. The TGPA measures the cumulative performance of a learner in all the courses in a particular Trimester, while the CGPA measures the cumulative performance in all courses since his/her enrolment. The CGPA of learner when he/she completes the programme is the final result of the learner.

The Formula to compute equivalent percentage marks for specified CGPA:

| | | |
|------------------|-------------------------------|---------------------------------------|
| % Marks (CGPA) = | $10 \times \text{CGPA} - 10$ | if $5.00 \leq \text{CGPA} \leq 6.00$ |
| | $5 \times \text{CGPA} + 20$ | if $6.00 \leq \text{CGPA} \leq 8.00$ |
| | $10 \times \text{CGPA} - 20$ | if $8.00 \leq \text{CGPA} \leq 9.00$ |
| | $20 \times \text{CGPA} - 110$ | if $9.00 \leq \text{CGPA} \leq 9.50$ |
| | $40 \times \text{CGPA} - 300$ | if $9.50 \leq \text{CGPA} \leq 10.00$ |

Rules of A. T. K. T. :

- A student is allowed to carry backlog of courses prescribed for Sem-I, III, V, VII & IX to Sem-II, IV, VI, VIII & X respectively.
- A student is allowed to keep term for Sem-III, if he/she is failing in any number of subjects of Sem-I & II.
- A student is allowed to keep term for Sem-V, if he/she is failing in any number of subjects of Sem-III & IV but passes in all subjects of Sem-I & II.
- A student is allowed to keep term for Sem-VII, if he/she is failing in any number of subjects of Sem-V & VI but passes in all subjects of Sem-III & IV.
- A student is allowed to keep term for Sem-IX, if he/she is failing in any number of subjects of Sem-VII & VIII but passes in all subjects of Sem-V & VI.

[Note: For LL.B. (Three Year) read above rules of A.T.K.T. only a),b) and c)]

For LL.M. course – a student is allowed to carry the backlog of courses prescribed for Sem-I & Sem-III to Sem-II and Sem IV respectively.

Award of Honours :

A student who has completed the minimum credits specified for the programme shall be declared to have passed in the programme. The final result will be in terms of letter grade only and is based on the CGPA of all courses studied and passed. The criteria for the award of honours are given below.

| Range of CGPA | Final Grade | Performance Descriptor | Equivalent Range of Marks (%) |
|------------------------------------|-------------|------------------------|---------------------------------|

EXAMINATION REGULATIONS

Faculty of Pharmaceutical Sciences

Course : M. Pharm.
(Master of Pharmacy)
(CBCS – 2019 Course)

Standard of Passing :

A student shall be declared pass and eligible for getting grade in a course of M. Pharm. programme if he / she secures at least 50% marks in that particular course including internal assessment.

Grading of Performances

Based on the performances, each student shall be awarded a final letter grade at the end of the semester for each course. The letter grades and their corresponding grade points are given below:

| Percentage of Marks obtained | Letter Grade | Grade Point | Performance |
|------------------------------|--------------|-------------|-------------|
| 90 – 100 | O | 10 | Outstanding |
| 80 – 89.99 | A | 9 | Excellent |
| 70 – 79.99 | B | 8 | Good |
| 60 – 69.99 | C | 7 | Fair |
| 50 – 59.99 | D | 6 | Average |
| Less than 50 | F | 0 | Fail |
| Absent | AB | 0 | Fail |

Semester Grade Point Average (SGPA):

The performance of a student in a semester is indicated by a number called ‘Semester Grade Point Average’ (SGPA). The SGPA is the weighted average of the grade points obtained in all the courses by the student during the semester. The SGPA is calculated to two decimal points. The SGPA for any semester shall take into consideration the F and AB grade awarded in that semester. The SGPA is calculated as;

$$SGPA = \frac{C_1G_1 + C_2G_2 + C_3G_3 + C_4 \cdot \text{zero}}{C_1 + C_2 + C_3 + C_4}$$

Where C_1, C_2, C_3, \dots Is the total number of credits and G_1, G_2, G_3, \dots is the grade point.

Cumulative Grade Point Average (CGPA):

The CGPA is calculated with the SGPA of all the VIII semesters to two decimal points and is indicated in final grade report card / final transcript showing the grades of all VIII semesters and their courses. The CGPA shall reflect the failed status in case of F grade(s), till the course(s) is/are passed. When the course(s) is/are passed by obtaining a pass grade on subsequent examination(s) the CGPA shall only reflect the new grade and not the fail grades earned earlier. The CGPA is calculated as;

$$CGPA = \frac{C_1S_1 + C_2S_2 + C_3S_3 + C_4S_4}{C_1 + C_2 + C_3 + C_4}$$

Where C_1, C_2, C_3, \dots Is the total number of credits for semester I,II,III,.... and S_1, S_2, S_3, \dots is the SGPA of semester I,II,III,....

Declaration of Class:

The class shall be awarded on the basis of CGPA as follows:

| | |
|------------------------------|------------------------|
| First Class with Distinction | CGPA of 7.50 and above |
| First Class | CGPA of 6.00 to 7.49 |
| Second Class | CGPA of 5.00 to 5.99 |

Rules of A.T.K.T. :

A student shall be eligible to carry forward all the courses of Sem-I and -II semesters till the Semester-III examinations. However, he/she shall not be eligible to attend the course of Sem-IV until all the courses of Sem-I,II and Sem-III are successfully completed.

Duration:

The duration for the completion of the program shall be fixed as double the actual duration of the program and the students have to pass within the said period, otherwise they have to get fresh registration.

REACCREDITED WITH 'A' GRADE BY NAAC

NOTIFICATION 612

Sub : Supplementary examination for Pharm.D. programme – regarding

The Regulation 10 of Pharm. D. Regulations 2008 provides for conduct of supplementary examinations. Regulation 15 of the Pharm. D. Regulations 2008 provides that students who have appeared for all the subjects and passed the first year annual examination are eligible for promotion to the second year and, so on. However, failure in more than two subjects shall debar him or her from promotion to the next higher classes.

The Pharmacy Council of India at its 89th Central Council meeting held in April, 2012, further clarified these two Regulations as follows –

"If the failed students of annual examination passed in the supplementary examination, they are eligible for promotion to the next higher class without losing additional six months."

Considering the above Regulations and the clarifications provided by the Pharmacy Council of India, it is hereby notified that –

1. Every year there shall be two examinations for Pharm.D. programme. The First examination in a year shall be the annual examination and the second examination shall be supplementary examination.
2. The supplementary examination shall be conducted within 45 days from the date of declaration of the result of the annual examination.
3. Based on the results of the supplementary examination, if the candidates become eligible for promotion to the higher class they may be promoted to the next higher class. However, failure in more than 2 subjects shall debar the students from promotion to the next higher classes.
4. Those students who are eligible to be promoted to the next higher class will join the higher class immediately.

This notification will be implemented with immediate effect and the first supplementary examination shall be held by August 2012.

Standard of Passing :

Both UE and IA constitute separate heads of passing. In order to pass in such courses and to earn the assigned credits, the learner must obtain a minimum grade point of 6.0 (50% marks) at UE and also a minimum grade point of 6.0 (50% marks) at IA.

If a student fails in IA, the learner passes in the course provided he/she obtains a minimum of 25% in IA and GPA for the course is atleast 6.0 (50% in aggregate). The GPA for a course will be calculated only if the learner passes at the UE.

A student who fails at UE in a course has to reappear only at UE as a backlog candidate and clear the head of passing. Similarly, a student who fails in a course at IA has to reappear only at IA as a backlog candidate and clear the head of passing.

The 10-point scale Grades and Grade Points according to the following table.

| Range of Marks (Out of 100) | Grade | Grade Point |

NOTIFICATION NO. 915

It is hereby notified for the information of all concerned that the Academic Council, at its 55th meeting held on 26-3-2018, considered the recommendations of 20th Board of Examinations held on 28-12-2017 regarding conversion of grade obtained by the students of Engineering programmes to percentage of marks and resolved to use the following formula for conversion of Grades to Percentage of marks.

Percentage of marks = (final CGPA – 0.5) x 10

It was further resolved that if any of the student wants to have reprint of the mark sheet, he/she shall be charged for that and the original mark sheet already issued should be surrendered back before getting the new one.

All the concerned may please note.

| Marks < 50 | D | 0 |

The performances at UE and IA will be combined to obtain the Grade Point Average (GPA) for the course. The weights for performance at UE and IA shall respectively be 60% and 40%.

GPA is calculated by adding the UE marks out of 60 and IA marks out of 40. The total marks out of 100 are converted to grade point, which will be the GPA

Formula to calculate Grade Points (GP)

Suppose that 'Max' is the maximum marks assigned for an examination or evaluation based on which GP will be computed. In order to determine the GP, Set $x = \text{Max} / 10$ (since we have adapted 10-point system). Then GP is calculated by the formulas shown as below.

| Range of Marks at the evaluation | Formula for the Grade Point |
|---|------------------------------------|
| $8x \leq \text{Marks} \leq 10x$ | 10 |
| $5.5x \leq \text{Marks} < 8x$ | Truncate (Marks / x) + 2 |
| $4x \leq \text{Marks} < 5.5x$ | Truncate (Marks / x) + 1 |

Rules of A. T. K. T. :

- a) A Student shall be allowed to keep term for the S.Y.B. Arch Sem-III. if he/she has a backlog of not more than **six** passing heads at F.Y.B.Arch. Sem-I & Sem-II together.
- b) A student shall be allowed to keep term for the T.Y.B.Arch. Sem-V if he/she has a no backlog of F.Y.B. Arch. Sem-I & II and if he/she has a backlog of not more than **six** passing heads at S.Y.B. Arch. Sem-III & Sem-IV.
- c) A student shall be allowed to keep term for the Fourth Year B.Arch. Sem-VII if he/she has a no backlog of S.Y.B. Arch. Sem-III & IV and if he/she has a backlog of not more than **six** passing heads at T.Y.B. Arch. Sem-V & Sem-VI.
- d) A student shall be allowed to keep term for the Final Year B. Arch. Sem-IX if he/she has a no backlog of T.Y.B. Arch. Sem-V & VI and if he/she has a backlog of not more than **six** passing heads at Fourth Year B. Arch. Sem-VII & Sem-VIII.

Duration of Course : (Five years)

Award of Honours :

A student who has completed the minimum credits specified for the programme shall be declared to have passed in the programme. The final result will be in terms of letter grade only and is based on the CGPA of all courses studied and passed. The criteria for the award of honours are given below.

| Range of CGPA | Final Grade | Performance Descriptor | Equivalent Range of Marks (%) |
|-----------------------------|--------------------|-------------------------------|--------------------------------------|
| $9.50 \leq CGPA \leq 10.00$ | O | Outstanding | $80 \leq \text{Marks} \leq 100$ |
| $9.00 \leq CGPA \leq 9.49$ | A+ | Excellent | $70 \leq \text{Marks} < 80$ |
| $8.00 \leq CGPA \leq 8.99$ | A | Very Good | $60 \leq \text{Marks} < 70$ |
| $7.00 \leq CGPA \leq 7.99$ | B+ | Good | $55 \leq \text{Marks} < 60$ |
| $6.00 \leq CGPA \leq 6.99$ | B | Satisfactory | $50 \leq \text{Marks} < 55$ |
| CGPA Below 6.00 | F | Fail | Marks Below 50 |

Course : Diploma in Network Security
(2018 Course)

Standard of Passing :

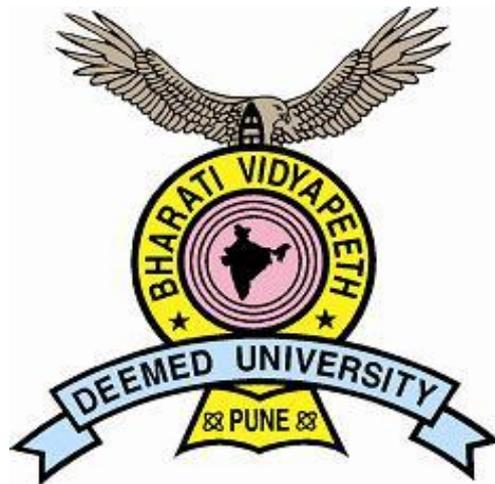

1. A student has to secure 40% marks in each head of passing Theory, Term Work, Oral & Project separately of each module.
2. The Diploma in Network Security is exclusively separate course and passing or failure in either of the examinations (B. Tech. or Diploma in Network Security) will not affect the other.
3. Failure in any of the modules will not entail detention. Students will be allowed to carry forward to the next module and re-appear in case of failure.

- Note :
- 1) A Student who passes the First Year examination (i.e. Module-I) and could not continue further will be awarded “Certificate in Network Security” by the College.
 - 2) A Student who passes both the First Year & Second Year examinations (i.e. Module-I & Module-II) and discontinued for the Third Year will be awarded “Intermediate Diploma in Network Security” by the University.
 - 3) A Student who passes all Three First, Second & Third Years examinations (i.e. Module-I, Module-II & Module-III) will be awarded “Diploma in Network Security” by the University.
 - 4) Student receiving Certificate in Network Security & Intermediate Diploma in Network Security after successful complete of Module-I & Module-II respectively and desires for the study of higher module, he will have to surrender certificates received earlier, before the award of Intermediate or Diploma in Network Security after completing higher module (s).
 - 5) A student will be eligible for only one certification. Once a certification is awarded to the student, he/she will not be eligible to be awarded higher certifications. However the student will be eligible for mark sheets of the higher certifications.

D.C.L., D.Cy.L., D.H.R., D.I.P.L., D.L.L.& L.W., D.T.L.

(CBCS – 2018 Course)

Standard of Passing :

Both UE and IA constitute separate heads of passing. In order to pass in such courses and to earn the assigned credits, the learner must obtain a minimum grade point of 6.0 (50% marks) at UE and also a minimum grade point of 6.0 (50% marks) at IA.

A student who fails at UE in a course has to reappear only at UE as a backlog candidate and clear the head of passing. Similarly, a student who fails in a course at IA has to reappear only at IA as a backlog candidate and clear the head of passing.

The 10-point scale Grades and Grade Points according to the following table.

| Range of Marks (Out of 100) | Grade | Grade Point |
|------------------------------------|--------------|--------------------|
| $80 \leq \text{Marks} \leq 100$ | O | 10 |
| $70 \leq \text{Marks} < 80$ | A+ | 9 |
| $60 \leq \text{Marks} < 70$ | A | 8 |
| $55 \leq \text{Marks} < 60$ | B+ | 7 |
| $50 \leq \text{Marks} < 55$ | B | 6 |
| Marks < 50 | D | 0 |

The performances at UE and IA will be combined to obtain the Grade Point Average (GPA) for the course. The weights for performance at UE and IA shall respectively be 60% and 40%.

GPA is calculated by adding the UE marks out of 60 and IA marks out of 40. The total marks out of 100 are converted to grade point, which will be the GPA

Formula to calculate Grade Points (GP)

Suppose that 'Max' is the maximum marks assigned for an examination or evaluation based on which GP will be computed. In order to determine the GP, Set $x = \text{Max} / 10$ (since we have adapted 10-point system). Then GP is calculated by the formulas shown as below.

| Range of Marks at the evaluation | Formula for the Grade Point |
|---|------------------------------------|
| $8x \leq \text{Marks} \leq 10x$ | 10 |
| $5.5x \leq \text{Marks} < 8x$ | Truncate (Marks / x) + 2 |
| $4x \leq \text{Marks} < 5.5x$ | Truncate (Marks / x) + 1 |

Two kinds of performance indicators, namely, the Trimester Grade Point Average (TGPA) and the Cumulative Grade Point Average (CGPA) shall be computed at the end of each term. The TGPA measures the cumulative performance of a learner in all the courses in a particular Trimester, while the CGPA measures the cumulative performance in all courses since his/her enrolment. The CGPA of learner when he/she completes the programme is the final result of the learner.

The Formula to compute equivalent percentage marks for specified CGPA:

| | | |
|------------------|-------------------------------|---------------------------------------|
| % Marks (CGPA) = | $10 \times \text{CGPA} - 10$ | if $5.00 \leq \text{CGPA} \leq 6.00$ |
| | $5 \times \text{CGPA} + 20$ | if $6.00 \leq \text{CGPA} \leq 8.00$ |
| | $10 \times \text{CGPA} - 20$ | if $8.00 \leq \text{CGPA} \leq 9.00$ |
| | $20 \times \text{CGPA} - 110$ | if $9.00 \leq \text{CGPA} \leq 9.50$ |
| | $40 \times \text{CGPA} - 300$ | if $9.50 \leq \text{CGPA} \leq 10.00$ |

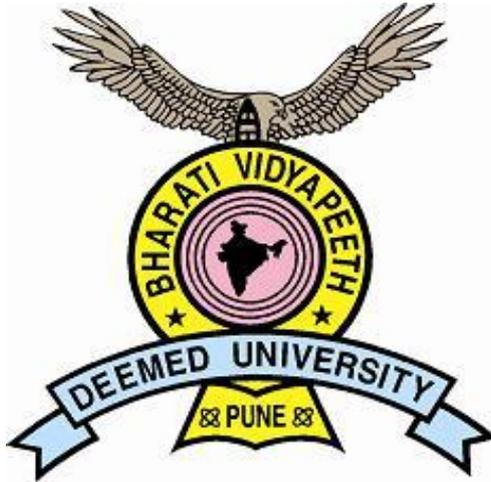

Award of Honours :

A student who has completed the minimum credits specified for the programme shall be declared to have passed in the programme. The final result will be in terms of letter grade only and is based on the CGPA of all courses studied and passed. The criteria for the award of honours are given below.

| Range of CGPA | Final Grade | Performance Descriptor | Equivalent Range of Marks (%) |
|------------------------------------|-------------|------------------------|---------------------------------|
| $9.50 \leq \text{CGPA} \leq 10.00$ | O | Outstanding | $80 \leq \text{Marks} \leq 100$ |
| $9.00 \leq \text{CGPA} \leq 9.49$ | A+ | Excellent | $70 \leq \text{Marks} < 80$ |
| $8.00 \leq \text{CGPA} \leq 8.99$ | A | Very Good | $60 \leq \text{Marks} < 70$ |
| $7.00 \leq \text{CGPA} \leq 7.99$ | B+ | Good | $55 \leq \text{Marks} < 60$ |
| $6.00 \leq \text{CGPA} \leq 6.99$ | B | Satisfactory | $50 \leq \text{Marks} < 55$ |
| CGPA Below 6.00 | F | Fail | Marks Below 50 |

1. The candidate who has appeared at the University examination may apply to the Controller of Examinations in the prescribed form for verification of marks of his theory papers through the Principal of his/her college.
2. A candidate shall submit an application only in the prescribed form to the Controller of Examinations for :
 - i) Verification along with fee of Rs.50/- per head of passing
AND
 - ii) Revaluation of answer books of theory paper/s along with fee at the rate of Rs.100/- per theory paper for nonprofessional courses and Rs.200/- per theory paper for professional courses in addition to the fee for verification of marks.
3. The candidate should submit his application form for verification of marks and revaluation of answer books within 15 days from the date of result, through the Principal/Head of his Colleges/Institution.

No application for verification and or revaluation will be entertained unless :

- i) A xerox copy of the statement of marks at the examination concerned is enclosed to the application.
- ii) Seat No., nomenclature of theory paper/s date of examination and examination centre are correctly mentioned.
- iii) Exact amount of fee as prescribed in the rule is remitted along with the application form.

This fee shall not be refunded if the applicant's application is processed for revaluation. However, the fee for revaluation is liable to be refunded in case; the application is not entertained and not processed for revaluation under the provision of this Regulation.

- iv) If it is not received within 15 days from the date of declaration of concerned examination result.

A student who has appeared at the University examination can apply for revaluation of his/her answer books of the theory papers of the University Examination subject to the following conditions :

1. A student can apply for revaluation in maximum 50% of heads of passing in theory subject/s or maximum three heads of passing in theory subject/s whichever is less at the University examination for which he/she has appeared. However, a candidate who has appeared for 1st MBBS examination may apply for revaluation in maximum two theory papers at any attempt.
2. The revaluation includes verification also. If on verification of marks it is found that the marks originally shown in the mark list issued to a candidate have changed, either minus or plus as a result of verification the changed marks shall be considered as original marks for the purpose of revaluation.
3. The revaluation of the answer books however shall not be permitted in respect of scripts of Practical examination/Term Work/Internal Assessment/Sessional Marks/Dissertation/Thesis/Clinical/ MCQ (Multiple Choice question in practical examination) and Viva-Voce examination.

No. 7

Grace Marks and Condonation

REGULATION EXAM. NO. 7
RULES REGARDING GRACE MARKS AND CONDONATION

Grace Marks for getting Distinction

A candidate who has passed in all the subjects/Heads of passing in an examination can be given up to three marks in grace in subject/s if so required to get him distinction in the concerned subject/s.

Grace marks only for passing

- i) The examinee shall be given grace marks if required only for passing in head/s of passing (Theory/Practical/Oral) as shown below :

| <u>Total marks of head of passing</u> | | <u>Grace marks up to</u> |
|---------------------------------------|-----|--------------------------|
| Up to - | 50 | 02 |
| 51 - | 100 | 03 |
| 101 - | 150 | 04 |
| 151 - | 200 | 06 |
| 201 - | 250 | 08 |
| 251 - | 300 | 09 |
| 301 - | 350 | 11 |
| 351 - | 400 | 12 |

and so on the same ratio.

Note - Grace marks given in the head of passing under the Regulation will be added in the marks obtained and accordingly should be reflected in Examination Result ledger and statement of marks.

ii) Grace marks for getting higher class

A candidate who has passed in all the subjects and heads of passing in the examination and whose total number are less than those required for getting Second Class or Higher Second Class (55%marks) or First Class with Distinction or any (next) final grade by 1% of the aggregate marks of that examination or up to 10 marks whichever is less shall be given the same to get the next higher class/grade.

Provided that benefit of above mentioned grace marks shall be given to the candidate for such examination/s only for which provision for award of class has been prescribed.

iii) Condonation

If a candidate has passed in all other heads of passing but has failed in one head of passing, his deficiency of marks in such a head of passing may be condoned by not more than 1% of the aggregate marks of the examination or 10% of the total number of marks of the head of passing in which he is failing, whichever is less.

iv) Condonation on the basis of Higher Marks

If a candidate has passed in all other heads of passing in the examination but has failed in only one head of passing, his deficiency of marks in that head of passing may be condoned as follows :-

- a) Up to 10% of the total number of marks of the concerned Head of passing if the percentage of marks obtained by the candidate in all the subjects/courses taken together exceeds by 10% over minimum percentage of marks required for passing.
- b) Up to 15% of the total number of the concerned head of passing if the percentage of marks obtained by the candidate in all the subjects/courses taken together exceeds by 15% over minimum percentage of marks required for passing.

Illustration

If the total number of marks required for passing in all the subjects/courses taken together comes to 40% of aggregate marks the total number of marks obtained by the candidate in all the subjects/courses taken together should be at least 50% of the aggregate marks for application of the Regulation 8(a) and 55% of the aggregate marks for application of Regulation No. 8(b).

5. While giving benefit of any of the Regulation to the candidate at any examination for condonation of failure in any of the head of passing and or for awarding next higher class grade if any difficulty arises, the Vice-Chancellor in consultation with the Dean of the concerned Faculty shall take decision in the matter which shall not be inconsistent with the objects of these Regulations and his decision shall be final.

While giving benefit of any of the Regulation for condonation of deficiency in failure of any of head of passing or awarding next higher class only such marks may be awarded as are required for passing.

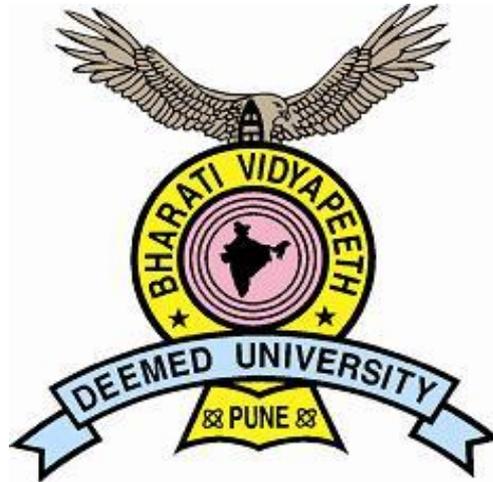

Those marks shall not be divided for condonation of more than one head of passing.

6. No candidate shall be entitled for the benefit of gracing or condonation permissible under more than one regulation except regulation No.5 and regulation No.11 respectively i.e. the benefit of regulation No.5 and regulation related to extra marks for extra-curricular activities can be granted to any candidate at one examination, the benefit of other two Regulations shall not be granted to any candidate at one examination.

Notes for Regulations

- i. If a candidate fails in a head of passing, which is included in another head of passing, of the same subject, he shall be entitled to the benefit of the condonation in both the heads, if necessary, subject to the maximum limit of condonation permissible for each head in accordance with the above paragraph.
- ii. If a deficiency of marks is condoned, the class/grade in the concerned examination of the candidate, shall be declared on the actual marks obtained by the candidate.
- iii. The benefit of not more than one Regulation shall only be given for one examination of one course.
- iv. The benefits under above mentioned Regulation shall not be available for internal assessment.
- v. The benefits of above mentioned Regulation may be given to the candidates appearing in the examination with backlog and / or exemption whenever such an exemption / system of backlog has been provided.
- vi. The benefit under above mentioned Regulation shall be given at the time of declaration of final examination only.
- vii. Final examination for the purposes of this Regulation means and includes such examination/s on the basis of marks of which class/grade is awarded.

CIRCULAR No. 265

The University has introduced Choice Based Credit System (CBCS) for all its postgraduate programmes from the academic year 2012-13.

As a second phase, it has been decided to introduce the CBCS for the undergraduates also from the academic year 2014-15.

In order to review the existing CBCS and to prepare a comprehensive rules for the CBCS, Hon'ble Vice Chancellor has constituted a Committee with Prof. S. F. Patil, former Vice Chancellor, BVU, Dr. P. M. Bulakh, Prof. M. S. Prasad and Mr. M. C. Khanwelkar.

The report of the Committee was placed before the Academic Council at its meeting held on 9th October, 2013 and 6th January, 2014. The Academic Council unanimously resolved to adopt the rules subject to the modifications wherever necessary by the respective Board of Studies and Faculties.

A copy of the rules are enclosed alongwith the erranda. The respective Board of Studies are requested to examine the rules and to offer their recommendations to the concerned Faculty. The Dean of each Faculty is requested to place the recommendations of the Board of Studies before the Faculty and to submit the final recommendation to the University.

The Board of Studies and the Faculty may consider the following points at the time of finalizing the rules for the CBCS.

- (1) It is of the opinion that the ATKT rules need not be a part of the Examinations Rules. However, the respective Boards and Faculties may decide.
- (2) The structure will be of three kinds namely, Core courses, Open Courses and General Courses.
- (3) The Core Courses should be of 70 to 75 percent of the credits, Open Courses should be of 20 to 25 percent and General Courses should be of 5 to 10 percent.
- (4) Each Board of Studies and Faculty should examine and decide the number of General Courses and the Open Courses to be offered.

The above points may be completed on priority basis and the final report may be submitted to the University for further action.

Choice Based Credit System and Grading Systems for Programmes offered by Bharati Vidyapeeth University

The University has introduced a Choice Based Credit System (CBCS) for all its Post-graduate programmes by 2012. Hon'ble Vice Chancellor is keen to bring all under graduate and other programmes also under CBCS from 2014. However, he wished to have a thorough review of the existing CBCS before extending it to all the other programmes.

Accordingly, as directed by Hon'ble Vice Chancellor, Dr. S. F. Patil, Dr. P. M. Bulakh, Shri. Madhav Khanwelkar, and Dr. M. S. Prasad held a meeting on Monday August 12, 2013 at 11.00 am to discuss and suggest modifications to the existing Credit and Grading Systems adapted by the University.

The report of the review committee was placed in the IQAC meeting on 10th September 2013. Hon'ble Vice chancellor has directed to circulate the review committee report to all constituents of the University and seek their suggestions. The review committee held another meeting on 24th September to consider the suggestions received from the institutions and the IQAC, and to finalize the CBCS. The recommendations are as follows:

I. Uniform CBCS:

The University shall have a **uniform** grading and credit systems for all programmes that it offers across all the disciplines. If the suggested pattern is found to be inappropriate for any subject or discipline or faculty the concerned may, with justification, seek approval for any modifications to the suggested pattern as a special case from appropriate university authorities.

II. Credit Structure of Programmes:

A: Course Credit Structure: The following shall be the structure for curricula of various programmes under credit system. Every BoS and every Faculty has to put in maximum efforts to design a truly Choice Based Credit System. In this context, the committee lists the definitions of Choice Based Credit System and other terms provided by NAAC in March 2013, at the end of this document.

1. A program is a collection of courses that a student undertakes to obtain a certification from the University, in the form of a degree, diploma or certificate. Each course may be viewed also as a head-of-passing (HoP) for evaluation of the extent of learning. Each course is defined in terms of expected learning outcomes. The study load (the average number of clock hours per student needed to achieve the expected learning outcomes) determines the assigned credit or credit value for each course. The total of assigned credits of all courses is the assigned credit for the programme and this total constitutes the minimum credits required to be 'earned' to complete the programme and obtain the certificate, diploma or degree from the University.
2. The minimum credits to complete a program shall be at the rate of 50 to 60 credits per year of the duration of the programme. Thus, a two year programme will have 100-120 credits; a three-year programme 150-180 credits; a four year programme 200-240 credits; and a five year programme 250-300 credits.
3. A certificate course shall be of minimum 15 to 30 credits; a diploma of 30 to 60 credits; and a post-graduate diploma of 30-90 credits.
4. The courses in a programme shall be majorly of three kinds, namely , ~~core courses, open courses or general courses~~. Core courses are those which are in the discipline of study and are either foundational or specializations. Core courses may either hard-core (courses which are compulsory to all students in the programme) or soft-core (courses which are electives). The hard-core courses also include laboratory courses, capstone courses such as internships, in-plant training or full-term projects.
5. The core courses should be about 70-75% of the minimum credits that constitute the programme. Remaining 25-30% of the credits may be open courses or general courses. The open courses may be ancillary courses from other disciplines or other specializations or inter-disciplinary. About 5-10% of the credits may be for general courses.
6. General courses are expected to enhance knowledge about societal concerns or even may be value-added/ career development programmes. Even co-curricular and extra-curricular activities may be assigned credits.
7. The Evaluation for all courses shall have two components - Internal Assessment (IA) and End of the term University Examination (UE).

8. While assigning credit values to courses, one credit is considered to be equal to 15 hours of lectures and 25-35 hours of lab/ fieldwork/in-plant training/internship/ or any other.
9. The curriculum of the programme must be truly choice based and should permit credit transfer between the academic departments in the institutes and in the University.
10. Credit may also be given for participation in extra-curricular activities. In each semester, there may be an extra-curricular/ co-curricular course of 2 or 3 credits. There will be a maximum of 10 credits at UG level and 5 credits at PG level. 25-30 hours of extra-curricular/co-curricular work may be considered as one credit.
11. For the time being, the policy for Credit Transfer is not specified by the University. Since credit transfer is an important component of CBCS, the individual BoS and Faculty should come up with suggestions for enabling both horizontal and vertical credit transfers.
12. The nature of question papers at UE and pattern of evaluations at IA courses shall be specified by the respective BoS and Faculty. However the marks assigned for attendance should not be more than **absolute five** for any course.
13. The grading system will be a 10-point absolute grading system.

III. Grading System for Various Programmes:

- B. **Grading System:** The University shall adopt a **10-point absolute grading system** for grading in each head of passing. The system will have seven grade points, the highest being 10. The grading system shall be as shown in Table-1 below. The performance indicators O, A+, A, B+, B, C, and D shall respectively mean Outstanding, Excellent, Very Good, Good, Average, Satisfactory, and Poor. It may be noted that entries in Table are meant for converting marks in individual courses to grade points. The respective grade points can also be computed from the following formulas given in Table-2.

Table-1: The Grading System under CBCS

| Range of Marks (out of 100) | Grade Point | Grade |
|---------------------------------|-------------|-------|
| $80 \leq \text{Marks} \leq 100$ | 10 | O |
| $70 \leq \text{Marks} < 80$ | 9 | A+ |
| $60 \leq \text{Marks} < 70$ | 8 | A |
| $55 \leq \text{Marks} < 60$ | 7 | B+ |
| $50 \leq \text{Marks} < 55$ | 6 | B |
| $40 \leq \text{Marks} < 50$ | 5 | C |
| $\text{Marks} < 40$ | 0 | D |

The Formula to calculate the Grade Points (GP):

Suppose that 'Max' is the maximum marks assigned for an examination or evaluation based on which GP will be computed. In order to determine the GP, set $x = \text{Max}/10$ (since we have adapted 10-point system). Then GP is calculated by the formulas shown in Table-2. After computing the grade point the grade can be found from Table-1.

Table-2: Formula to Calculate Grade Point In Individual Evaluations

| Range of Marks at the evaluation | Formula for the Grade Point |
|----------------------------------|------------------------------|
| $8x \leq M \leq 10x$ | 10 |
| $5.5x \leq M < 8x$ | $\text{Truncate}(M / x) + 2$ |
| $4x \leq M < 5.5x$ | $\text{Truncate}(M/x) + 1$ |

- C. Nature of Examinations:** For all courses there shall be Internal Assessment (IA) conducted by the respective institutions and a end-of-the term University Examination (UE) conducted by the university. The UE will be based on the entire syllabus.
- D. Computation of Grade Point Averages:** Cumulative performance indicators such as GPA, SGPA, or CGPA shall be calculated as described and illustrated below.

1. The performances at UE and IA will be combined to obtain the Grade Point Average (GPA) for the course. **The weights for performance at UE and IA shall respectively be 60% and 40%.**
2. The grade point average (GPA) for a course shall be calculated by first finding the total marks **out of 100 for the course. The corresponding GP (as per the table in (2) above) shall be the GPA for the course.**
3. Two kinds of performance indicators, namely, the Semester Grade Point Average (SGPA) and the Cumulative Grade Point Average (CGPA) shall be computed at the end of each term: The SGPA measures the cumulative performance of a learner in all the courses in a particular semester, while the CGPA measures the cumulative performance in all courses since his/her enrolment. The CGPA of a learner when he/she completes the programme is the final result of the learner.
4. The SGPA is calculated by the formula $SGPA = \frac{\sum C_k \times GP_k}{\sum C_k}$, where C_k is the credit-value assigned to a course and GP_k is the GPA obtained by the learner in the course. In the above, the sum is taken over all the courses that the learner has undertaken for the study during the semester, including those in which he/she might have failed or those for which he/she remained absent. **The SGPA shall be calculated up to two decimal place accuracy.**
5. The CGPA is calculated by the formula $CGPA = \frac{\sum C_k \times GP_k}{\sum C_k}$, where C_k is the credit-value assigned to a course and GP_k is the GPA obtained by the learner in the course. In the above, the sum is taken over all the courses that the learner has undertaken for the study from the time of his/her enrolment and also the during the semester for which CGPA is calculated, including those in which he/she might have failed or those for which he/she remained absent. **The CGPA shall be calculated up to two decimal place accuracy.**
6. The CGPA, calculated after the minimum credits specified for the programme are 'earned', will be the final result.

E. Standards of Passing and ATKT rules:

1. For all courses, both UE and IE constitute separate heads-of-passing (HoP). In order to pass in such courses and to 'earn' the assigned credits

(a) the learner must obtain a minimum grade point of 5.0 (40% marks) at UE and also a minimum grade point of 5.0 (40% marks) at IA;

OR

(b) If he/she fails in IA, the learner passes in the course provided he/she obtains a minimum of 25% in IA and GPA for the course is atleast 6.0 (50% in aggregate). The GPA for a course will be calculated only if the learner passes at the UE. The following examples illustrate this rule for passing in a course under.

Table-3: Illustration of Passing Rule specified in E.1

| Case No. | UE Marks Out of 60 | IA Marks Out of 40 | Total Marks Out of 100 | GP of UE | GP of IA | GPA | Remarks |
|----------|--------------------|--------------------|------------------------|----------|----------|-----|-----------------------|
| 1 | 24 | 16 | 40 | 5.0 | 5.0 | 5.0 | Pass |
| 2 | 40 | 10 | 50 | 7.0 | 0 | 6.0 | Pass |
| 3 | 40 | 06 | 46 | 7.0 | 0 | 5.0 | Fails at IA |
| 4 | 20 | 40 | -- | 0 | 10.0 | 0 | Fails at UE |
| 5 | 34 | 12 | 46 | 7.0 | 0 | 5.0 | Fails at IA |
| 6 | 20 | 15 | -- | 0 | 0 | 0 | Fails at both UE & IA |

2. A student who fails at UE in a course has to reappear only at UE as a backlog candidate and clear the HoP. Similarly, A student who fails in a course at IA has to reappear only at IA as a backlog candidate and clear the HoP.

3. Subject to the Rules E1-E2, the ATKT and other rules may be framed by respective BoS and faculty.

Award of Honours:

1. A student who has completed the minimum credits specified for the programme shall be declared to have passed in the programme. The final result will be in terms of letter grade only and is based on the CGPA of all courses studied and passed. The criteria for the award of honours are given in Table 4.

(Table 4: Criteria for the Award of Honours at the End of the Programme

| Range of CGPA | Final Grade | Performance Descriptor | Equivalent Range of Marks (%) |
|-----------------------------|-------------|------------------------|-------------------------------|
| $9.50 \leq CGPA \leq 10.00$ | O | Outstanding | $80 \leq Marks \leq 100$ |
| $9.00 \leq CGPA \leq 9.49$ | A+ | Excellent | $70 \leq Marks < 80$ |
| $8.00 \leq CGPA \leq 8.99$ | A | Very Good | $60 \leq Marks < 70$ |
| $7.00 \leq CGPA \leq 7.99$ | B+ | Good | $55 \leq Marks < 60$ |
| $6.00 \leq CGPA \leq 6.99$ | B | Average | $50 \leq Marks < 55$ |
| $5.00 \leq CGPA \leq 5.99$ | C | Satisfactory | $40 \leq Marks < 50$ |
| CGPA Below 5.00 | F | Fail | Marks Below 40 |

2. Formula to compute equivalent percentage marks for specified CGPA:

$$\%Marks(CGPA) = \begin{cases} 10 \times CGPA - 10, & \text{if } 5.00 \leq CGPA \leq 6.00 \\ 5 \times CGPA + 20, & \text{if } 6.00 \leq CGPA \leq 8.00 \\ 10 \times CGPA - 20, & \text{if } 8.00 \leq CGPA \leq 9.00 \\ 20 \times CGPA - 110, & \text{if } 9.00 \leq CGPA \leq 9.50 \\ 40 \times CGPA - 300, & \text{if } 9.50 \leq CGPA \leq 10.00 \end{cases}$$

G. Award of Grace Marks:

- Grace marks of 1, 2, or 3 may be awarded to a candidate at UE only, so as to enable him/her to pass-in-a-head-of-passing either at UE or in aggregate. The grace marks may be given in at most **two heads of passing in a semester**. There shall not be gracing in IA. Total grace marks given in a semester shall be a maximum of **five** only. The GPA for a course will be calculated after awarding the grace marks.
- Similarly, a grace of 0.05 GP may be added to the CGPA of the final semester after the student cleared all the heads-of-passing in the programme, so as to enable him/her to get a second class or higher second class or first class or distinction as the case may be.
- Presently, the University is awarding **five bonus marks** for exemplary performance in extra-curricular activities. The present practice shall be continued. However, these marks shall be awarded at UE only before converting the UE marks to Grade points and Grades.

H. The format of the transcripts:

In every semester, the student will be given a transcript indicating his/her performance at the semester examination. The transcript shall show the performance indicators given in the following table, in addition to any other information.

| Course No. | Course Description | No. of Credits | University Examination | | IA/CA | | Grade Point Average (GPA) | Result |
|------------------------------------|--------------------|----------------|------------------------|----------------------|--|-------------|---------------------------|--------|
| | | | Grade | Grade Point | Grade | Grade Point | | |
| 201 | CRS-1 | 4 | | | | | | |
| 202 | CRS-2 | 4 | | | | | | |
| 203 | CRS-3 | 3 | | | | | | |
| 204 | CRS-4 | 2 | | | | | | |
| 205 | CRS-5 | 5 | | | | | | |
| Total Cumulative Credits Completed | | SGPA | CGPA | Equivalent Marks (%) | Note: GPA is calculated by adding the UE marks out of 60 and IA marks out of 40. The total marks out of 100 are converted to Grade Point, which will be the GPA. | | | |

IV. Glossary of Choice Based Credit System:

Academic flexibility is the [extent of] choice offered to the students in the curriculum offering and the curriculum transactions.

Beyond syllabus scholarly activities refers to Participation in academic activities beyond the minimum requirements of the syllabus.

Blended learning is to mix different learning environments such as traditional face-to-face classroom methods with modern computer-mediated activities.

Bridge course is a teaching module which helps to close the gap between two levels of competence.

Choice based credit system is a mode of learning in higher education which facilitates a student to have some freedom in selecting his/her own choices, across various disciplines for completing a UG / PG programme. It is popularly known as the cafeteria model.

Co-curricular activities are those activities, which support the curriculum such as field trips, display of academic achievements, quiz, debate, discussion, seminars, role-play, etc.

Course outlines is a list of the course modules, similar to a table of contents in a book or the outline used for writing papers. The outline defines the scope and content of the course.

Elective courses are a choice available to students to select from among a large number of subjects.

Enrichment courses are value added courses offered by institution for student empowerment. They enhance the curriculum by amplifying, supplementing and replacing such parts or features as have become ineffective or obsolete.

Extension activities are aspects of education, which emphasizes neighborhood services. These are often integrated with curricula as extended opportunities intended to help, serve reflect and learn. The curriculum-extension interface has educational values, especially in rural India.

Flexibility is a mechanism through which students have wider choices of programmes to choose from, as well as, multiple entry and exit points for programmes / courses.

Graduate Attributes are qualities, skills and understandings a university community agrees its students should develop during their time with the institution. These attributes include, but go beyond, the disciplinary expertise or technical knowledge that has traditionally formed the core of most university courses. They are qualities that also prepare graduates as agents for social good in an unknown future.

Learning outcomes are specific intentions of a programme or module, written in clear terms. They describe what a student should know, understand, or be able to do at the end of that programme or module.

Outreach activities are the practice of conducting local public awareness activities through targeted community interaction. They are guided by a local needs assessment.

Program options are a range of courses offered to students to choose at various levels leading to degrees/ diplomas/ certificates.

Remedial courses are courses offered to academically disadvantaged students in order to help them cope with academic requirements.

- V. Criteria like educational qualification, marks scored, age or other such restrictions for the scribe/reader/lab assistant should not be fixed. Instead, the invigilation system should be strengthened, so that the candidates using scribe/reader/lab assistant do not indulge in malpractices like copying and cheating during the examination.
- VI. There should also be flexibility in accommodating any change in scribe/reader/lab assistant in case of emergency. The candidates should also be allowed to take more than one scribe/reader for writing different papers especially for languages.
- VII. Persons with disabilities should be given the option of choosing the mode for taking the examinations i.e. in Braille or in the computer or in large print or even by recording the answers as the examining bodies can easily make use of technology to convert question paper in large prints, e-text, or Braille and can also convert Braille text in English or regional languages.
- VIII. The candidates should be allowed to check the computer system one day in advance so that the problems, if any in the software/system could be rectified.
- IX. The procedure of availing the facility of scribe should be simplified and the necessary details should be recorded at the time of filling up of the forms. Thereafter, the examining body should ensure availability of question papers in the format opted by the candidate as well as suitable seating arrangement for giving examination.
- X. The disability certificate issued by the competent medical authority at any place should be accepted across the country.
- XI. The word "extra time or additional time" that is being currently used should be changed to "compensatory time" and the same should not be less than 20 minutes per hour of examination for persons who are making use of scribe/reader/lab assistant. All the candidates with disability not availing the facility of scribe may be allowed additional time of minimum of one hour for examination of 3 hours duration which could further be increased on case to case basis.
- XII. The candidates should be allowed to use assistive devices like talking calculator (in cases where calculators are allowed for giving exams), tailor frame, Braille slate, abacus, geometry kit, Braille measuring tape and augmentative communication devices like communication chart and electronic devices.

2. None appeared on behalf of Complainant (In Case No.3929/07)
3. Shri K.V.S. Rao, Director on behalf of Respondent.

ORDER

Shri Gopal Soodia, General Secretary, Indian Association of the Blind, the Complainant
 filed a complaint dated 13.5.2007 (Case No. 3929/2007) under the Persons with Disabilities

yet to commence. However, the matter was under active consideration as views of certain National Associations in this field had been received and were being deliberated upon. It was also stated that all efforts to finalize the policy were being made.

6. This Court vide letter dated 04.08.2012 requested Department of Disability Affairs to issue the guidelines on or before 20.09.2012, failing which, it was stated, this Court may be constrained to issue Show Cause Notice. Accordingly, as the guidelines were not issued, a notice of complaint to show cause and hearing was issued on 21.9.2012 with the advice to issue the guidelines by 20.10.2012; else to appear before this Court on 2.11.2012. The matter was re-scheduled for hearing on 20.11.2012 on the request of Department of Disability Affairs.

7. During the hearing on 20.11.2012, the representative of Score Foundation in case No.65/1041/12-13 reiterating his submissions envisaged in his complaint dated 23.4.2012, stressed the need for issuance of uniform and comprehensive guidelines for persons with blindness and persons with low vision as they continue to be routinely subjected to untold hardship and disadvantage for want of such uniform and comprehensive guidelines. He further submitted that the document which has been put together by Score Foundation and others could be circulated to all concerned as guidelines so that these guidelines can be used as a reference by various stake holders for developing their own norms with regard to conduct of examinations as stated above in respect of candidates with disabilities. The complainant further stated that several of the bodies conducting examinations are unaware of ways in which candidates with blindness and/or with low vision can be included in the examination process. He further added that several examination conducting Authorities under-estimate the capabilities of blind and low vision persons to participate in the examination process.

8. The representative of Department of Disability Affairs, Ministry of Social Justice & Empowerment, Government of India submitted that the guidelines forwarded by Chief Commissioner for persons with disabilities were being considered by the Ministry. He added that before taking a final view in the matter, the Ministry had convened a meeting with the recruitment authorities/agencies like Staff Selection Commission, Union Public Service Commission, CBSE and sensitized them about the proposed guidelines. These authorities were requested to send the detailed comments on each of the points made by the Chief Commissioner for persons with disabilities so that their implementation is ensured. While the comments of these authorities/agencies were received, the subsequent meeting to be held with them to finalize the matter could not be held. It was also decided by the Ministry to request the National Institutes working under the Ministry to organize consultations to discuss the guidelines framed by Chief Commissioner for Persons with Disabilities. Even this consultation could not be held so far. Recently, on receipt of a reference from Score Foundation, the matter was again examined at the highest level and it was decided to take action on the guidelines framed by Chief Commissioner for Persons with Disabilities for reaching its logical conclusion. He further stated that a meeting would be convened in the middle of December this year with the relevant recruitment and

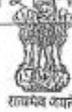

(vi) That in view of the foregoing, the issuance of uniform and comprehensive guidelines as stated above brooks no delay.

10. This Court, therefore, directs the Respondent Department to complete all necessary processes & procedures, finalize and circulate for compliance uniform and comprehensive guidelines to all concerned put together by this Court with or without modifications, as may be necessary for conduct of all kinds of examinations within two months from today.

11. Copy of this Order may be posted on the Website of this Court as soon as may be.

Sub- Guidelines for conducting written examination for persons with disabilities.

Sir,

I am directed to refer to your letter No. 12635 dated 12.03.2013 on the above mentioned subject seeking clarification on clauses IV, V, VI, VII, VIII, XI and XV of the guidelines issued vide Ministry of Social Justice and Empowerment, Department of Disability Affairs's OM No. 16-110/2003 DD-III dated 26.02.2013. The said guidelines are comprehensive and self explanatory. If and when any issue arises in their implementation, the same may be resolved by relying on the principle of need-based flexibility, keeping in view the need for providing reasonable accommodation or by referring the same to Ministry of Social Justice and Empowerment, Department of Disability Affairs.

2. Regarding clause XI, the facility of scribe/reader/lab assistant is meant for only those candidates with disabilities who have physical limitation to write including that of speed. The additional time would be applicable only to such candidates.
