The **inauguration ceremony** marked a significant moment, graced by a confluence of esteemed dignitaries and luminaries from across India. **Hon'ble Padma Bhushan Dr. Vijay Bhatkar**, a prominent Indian computer scientist, served as the Chief Guest, accompanied by the **Guest of Honour, Hon'ble Dr. Vivek A. Saoji, Vice Chancellor** of Bharati Vidyapeeth (Deemed to be University) Pune and **Vishistha Atithi Sri. Sreeprasad**, West Zone Organising Secretary, Vibha. **On Dias** were eminent personalities from GHF, including **Dr. Jayesh Sanghavi, Chairman**, and **Dr. Eswara Das, Patron, Trustee and Former Chairman**, **Dr. S. Praveen Kumar, Secretary General GHF**, **Dr. A. Kannan, Trustee & Finance Secretary, GHF**, and **Dr. Sreevals Gopinath Menon, Managing Trustee, GHF**. The ceremony commenced with the melodious rendition of the **Bharati Vidyapeeth Geet** by the talented

students of Bharati Vidyapeeth (Deemed to be University) Homoeopathic Medical College setting a harmonious tone for the auspicious occasion followed by the lamp lighting ceremony and floral tribute to our Founder chancellor Dr. Patangraoji Kadam Sir & Dr. Samuel Hahnemann.

Following the ceremonial lamp lighting, the gathering was welcomed by **Dr. Anita Patil, Organising Secretary of HVS 6 and Dean, FOH, Bharati Vidyapeeth (Deemed to be University) Pune** who delivered an opening address. Providing a comprehensive overview of the institute, **Dr. Avinash Mhetre, Organising Chairman of HVS 6 and Principal Incharge of BVDUHMC**, elucidated the mission and vision of the institution. Subsequently, the event proceeded with a felicitation ceremony, honouring the **Chief Guest** and the **Guest of Honour**. **The Bharati Vidyapeeth (Deemed to be University) Homoeopathic Medical College** conducted the felicitation ceremony, honouring **Dr. Jayesh Sanghavi, Dr. Eswara Das and Sri Sreeprasad** for their outstanding contributions and accomplishments. Following the felicitation ceremony, **Dr. Jayesh Sanghavi**, Chairman of GHF and **Dr. Eswara Das**, Patron, Trustee and Former Chairman of GHF, addressed the audience, sharing their insights and perspectives on the event's significance and the future endeavours of the organization. Homoeopathic stalwarts and distinguished veterans were felicitated for their remarkable contributions to the field, adding a sense of reverence to the occasion. **Homoeopathic legends Dr. Anil Bhatia, Dr. Sarla Sonawala, Dr. M.L. Dhawale, Dr. Vishpala Parthasarathy, and Distinguished Veterans Dr. Anil Habbu, Dr. M.P. Arya, Dr. Amar Sinha Nikam, Dr. Sanjeev Dole** were felicitated for their immense contribution to the field of Homeopathy. After the felicitation of the distinguished figures, the esteemed guests, including the **Vishistha Atithi Sri. Sreeprasad**, the **Guest of Honour, Hon'ble Dr. Vivek A. Saoji**, and the **Chief Guest Hon'ble Padma Bhushan Dr. Vijay Bhatkar**, took the stage to deliver their speeches, sharing their wisdom, experiences, and words of inspiration with the audience. **Dr. S Praveen Kumar, Secretary General GHF** extended heartfelt gratitude to all attendees for their presence and participation in the inauguration ceremony, expressing appreciation to the dignitaries, guests of honour, and organizers for their invaluable contributions.

WORDS OF ENLIGHTMENT:

- 1. Chief Guest Padma Bhushan Dr. Vijay Bhatkar:** He highlighted the transformative potential of Homoeopathy in improving the health of rural populations. He discussed the relevance of the New Education Policy and the imperative for reforms in the field. Drawing from the Ramayana, he emphasized the importance of unwavering enthusiasm, stating that with such enthusiasm, one becomes unstoppable. Referring to Homoeopathy as "Sushama Ayurveda," he delved into its manifestations and realization, drawing parallels from Bhagwat and its verses. He urged the audience to explore how medicines work beyond the quantum level and advocated for the integration of Quantum Sciences into Homoeopathic education. He declared the conference as a gathering to celebrate the science of the future, expressing pride in the field of Homeopathy and the privilege of studying such a profound science.
- 2. Vice-Chancellor Hon'ble Prof. Dr. Vivek A. Saoji:** In his address, he expressed deep appreciation for the faculty of Homoeopathy and commended the initiative of felicitating legends for their invaluable contributions. He warmly welcomed all the delegates to the Bharati family and provided a brief overview of the University and its institutes, emphasizing that they were founded on the visionary principles of Former Chancellor Dr. Patangraoji Kadam. The Vice-Chancellor underscored the importance of conferences like these, where esteemed individuals from various fields are present, facilitating invaluable interactions between students and stalwarts. He emphasized the culture of lifelong learning and the necessity for flexibility, stressing the significance of interdisciplinary collaboration to remain relevant in today's dynamic world.
- 3. Vishistha Atithi Sri. Sreeprasad:** He reflected on his early days of immersion into the realm of Homoeopathy with Vijnana Bharati, reminded him of the profound journey that has led us to this moment. The evolution of Homoeopathy within our nation, from its embryonic stages to its current

stature as an integral part of our healthcare system, speaks volumes about the dedication and perseverance of all those involved. It is essential to recognize the pivotal contributions of figures such as Dr. Mahendra Lal Sarkar, whose tireless endeavours have paved the way for Homoeopathy's widespread acceptance and growth. He commends the commendable efforts of the Global Homoeopathy Foundation and all those who strive to preserve and enhance the enduring legacy of Indian Homoeopathy. Together, let us continue to champion this noble discipline and ensure its continued prosperity for the betterment of all.

The scientific sessions followed the Inauguration Ceremony.

- **International Speakers :**

The conference witnessed the enlightening contributions of **two esteemed international speakers, Dr. Michael Kuzeff and Dr. Barbara. Dr. Kuzeff, Chairperson of GHF Australia**, showcased his expertise as a distinguished inventor, author, and clinician in his captivating presentation titled "Randomized control trials are always biased? So what?" His thought-provoking insights sparked engaging discussions among attendees, challenging conventional notions in research methodology. **Dr. Barbara, Director of Cawood Medical Clinic** associated with prominent medical associations in South Africa, presented a compelling case study on "Hepatitis B treatment with Homoeopathy." Her innovative approach shed light on alternative methods for managing the condition, offering valuable insights and igniting interest in holistic healthcare practices.

- **Session I:**

Following this insightful start, the first session unfolded with a series of illuminating presentations. **Dr. Tapas Kumar Kundu** provided a comprehensive overview of **Recent Research Advances in Homoeopathy**, focusing particularly on the journey of Homoeopathy in treating Haemophilia in India. **Prof. Dr. E.S. Rajendran** shed light on the intersection of Homoeopathy and Genetics, presenting it as a form of Quantum medicine. **Dr. Aniket Mali** delved into the realm of mechanistic research, exploring avenues for advancing Homoeopathy in contemporary contexts

- **Session II:**

The second session, titled "**Agro and Veterinary Homoeopathy**," was dedicated to exploring the potential of Homoeopathy for animal health, agriculture, and rural development. **Dr. Shivang Swaminarayan, Dr. Ramanjeneyulu, and Dr. Vaibhav Jain** provided valuable insights into the application of Homoeopathy in enhancing animal welfare, agricultural productivity, and the upliftment of rural communities.

- During the event, a **sponsored slot** was graciously provided to **Dr. Prakash Joshi, Vice President (Technical) of Medisynth Chemicals Pvt. Ltd.** Dr. Joshi's session on "Quality Issues in Homoeopathic Medicines" provided invaluable insights into innovative methodologies aimed at upholding and guaranteeing the quality of Homoeopathic remedies. He underscored the pivotal role of quality assurance in enhancing the efficacy and safety of treatments. Another sponsored slot was generously allocated to **Adven Biotech Pvt. Ltd.** Their session highlighted their innovative contributions to the field of Homoeopathy.

- **Session III:**

In the third session, attention turned to identifying **Low Hanging Opportunities and High Potential Solutions within the field of Homoeopathy**. **Dr. Praveen Kumar** discussed innovative approaches to managing HIV/AIDS, while **Dr. Jyothi Kannan** shared compelling case studies of skin and hair ailments successfully treated with Homoeopathy. **Dr. Ram Jyothis** presented cases of chronic insomnia, showcasing the efficacy of individualized Homoeopathic treatments.

- **Session IV:**

The fourth session centred on **Public Health Initiatives**, with a focus on leveraging Homoeopathy for addressing pressing health challenges. **Dr. Prashant Tamboli** proposed a holistic approach to public health delivery through mobile clinics, while **Dr. Sujata Goda** outlined effective implementation

strategies based on pilot studies. **Dr. Naveen Pawaskar** highlighted the diverse applications of Homoeopathy in tackling various public health issues, ranging from non-communicable diseases to mental health disorders.

ORAL PAPER & POSTER PRESENTATION:

The conference facilitated the presentation of **52 papers**, providing a platform for scholars to showcase their research and innovations.

QUIZ COMPETITION:

Additionally, a **Quiz competition** was conducted after the sessions, fostering an engaging and interactive environment conducive to learning and knowledge exchange. With the successful completion of the event, attendees departed enriched and inspired, ready to contribute further to the advancement of Homeopathy. The prizes of the winners were sponsored by **Dr. Jawahar Shah, Founder of Mind Technologies, Pvt. Ltd.**

VALEDICTORY CEREMONY:

The Guest of Honour of the event:

1. Dr. Dharmendra Sharma

Dean, FOH & Principal
D.Y. Patil University, Pune

2. Dr. Avinash Mhetre

Organizing Chairman of HVS 6
Incharge Principal of BVDUHMC

Dr. Eswara Das, Patron, Trustee and Former Chairman gave the welcome speech for the valedictory ceremony. The conference culminated with the valedictory session, graced by the esteemed presence of **Dr. Dharmendra Sharma**, Dean FOH & Principal of D.Y. Patil University, Pune, as the guest of honour. **On Dias** were **Heads of all the Homoeopathic Institutes** and the **GHF members**. **Dr. Sreevals Menon, Managing Trustee, GHF** conveyed sincere thanks during the valedictory ceremony, expressing gratitude to all attendees for their active involvement and support throughout the event. Appreciation was also extended to the speakers, organizers, volunteers, and sponsors for their significant contributions to the success of the event.

CULTURAL EVENING: After the valedictory session, the delegates were treated to a delightful cultural evening hosted by the **students of Bharati Vidyapeeth (Deemed to be University) Homoeopathic Medical College**. The evening commenced with a soulful ganesh vandana, setting the tone for the vibrant festivities. Showcasing the rich cultural heritage of Maharashtra, the performances included Indian classical fusion, powada, lavani, gondhal, and koli dance. In addition to captivating dance performances, the cultural evening also featured soulful singing renditions, adding another layer of richness to the vibrant atmosphere. The melodious tunes echoed through the venue, further enhancing the experience for all attendees and creating unforgettable moments of joy and unity. This cultural extravaganza provided a fitting conclusion to the event, leaving attendees enriched by the experience and fostering a sense of camaraderie among all participants.

BENEFICIARIES: The conference saw the participation of approximately 25 colleges, with an impressive turnout of around **525 delegates**. This diverse gathering of individuals and institutions contributed to the vibrant exchange of ideas and insights that characterized the event.
