**CDE Programme on
“CORTICO-BASAL IMPLANTOLOGY”**

On the 1st of February 2021, the Department of Oral and Maxillofacial Surgery in Bharati Vidyapeeth (Deemed to be University) Dental College and Hospital Sangli organized a CDE programme on the topic Cortico-Basal Implantology which was credited 4 CDE points by MSDC.

The programme was graced by our guest speaker Dr. Veerendrakumar SC, Director of the Dental Surgery Centre, Bengaluru, Dr. H. M. Kadam sir, Regional director Bharati Vidyapeeth, Sangli and Dr. Vidya Dodwad Principal, Bharati Vidyapeeth Dental College Sangli. The programme was attended by 95 participants which include all the HOD's, professors and PG students of the Departments of Oral and Maxillofacial Surgery, Prosthodontics and Periodontology and many PG students from different colleges around Maharashtra. The program was coordinated by Dr. Aprajeeta Kaushik and Dr. Vishakha Gunjal (2nd year PG OMFS). The programme was inaugurated with the lighting of the lamp, while the welcome speech was given by Dr. Sanjay Byakodi (Professor and HOD, OMFS).

The guest speaker was introduced to the audience by Dr. Amit Basannavar (Associate Professor, OMFS). Dr. Veerendrakumar SC enlightened the audience with his experience in Cortico- Basal Implantology followed by live surgical demonstration on two patients along with a brief discussion with the audience. Finally, the vote of thanks was delivered by Dr. Channaveer Pattanshetti (Associate professor, OMFS).
