VIDYAPEETH
(DEEMED TO BE
UNIVERSITY)**

School of Audiology
& Speech Language
Pathology

DR. PATANGRAOJI KADAM
(1945–2018)

Founder Chancellor: Bharati Vidyapeeth
(Deemed to be University)

Leaders of Bharati Vidyapeeth (Deemed to be University)

Hon. Dr. Shivajirao Kadam
Chancellor

Hon. Dr. Vishwajeet Kadam
Secretary, Pro Vice Chancellor

Hon. Prof. Dr. Vivek Saoji
Vice Chancellor

Vision

To be a world-class University for –
Social Transformation through Dynamic Education.

Mission

To offer an **academically rigorous**, practice and **research oriented**, management and information technology education based on ethical values, ever-changing needs of the industry, profession and society in the domestic and global vista.

To provide a **thought-provoking learning environment** which fosters the understanding of technological developments and **encourages innovation**, learning, inquisitiveness and interdisciplinary research.

To build camaraderie and meet the expectations of multiple stakeholders.

To develop innovative pedagogy and promote extensive use of ICT for not only enriching the teaching-learning processes but also augmenting **effective governance**.

To promote practice of collaborations and work-related learning experience which focuses on the application of knowledge and skills, hones entrepreneurial acumen and concurrently having relevance to the local and global perspective.

About Bharati Vidyapeeth

Nurturing Values Since 1964

Founded on 10 May 1964 by visionary leader Dr. Patangraoji Kadam, Bharati Vidyapeeth, the parent organization of Bharati Vidyapeeth (Deemed to be University), **proudly celebrates 60+ glorious years of excellence in education.**

Today, Bharati Vidyapeeth stands as one of **India's largest and most respected educational conglomerates**, offering quality education from **pre-primary to doctoral levels through 190+ institutions and 29 constituent units.**

Its vast academic ecosystem covers a wide spectrum of professional disciplines including **Medicine, Dentistry, Nursing, Audiology, Optometry, Physiotherapy, Ayurveda, Homeopathy, Engineering, Architecture, Management, Law, Pharmacy, Hotel Management and Catering Technology, Environment Education, Physical Education, Health Management, Biotechnology, and Humanities.**

With a strong foresight for innovation and research, Dr. Patangraoji Kadam established in **1986** two pioneering research institutions, the **R&D Centre for Pharmaceutical Sciences and Applied Chemistry** and the **Yashwantrao Chavan Institute of Social Science Studies and Research.** In **2001**, the **International Research School for Health Affairs (IRSHA)** was founded, fostering collaborations with national and international research partners and nurturing a deep-rooted research culture across all campuses.

Driven by its core mission of **“Social Transformation through Dynamic Education”**, Bharati Vidyapeeth continues to create inclusive learning opportunities for all sections of society through its **campuses in Pune, New Delhi, Navi Mumbai, Kolhapur, Solapur, Karad, Satara and Panchgani.**

Bharati Vidyapeeth (Deemed to be University), Pune

In recognition of its excellence in education, **the Ministry of Human Resource Development**, Government of India, on the recommendation of the **UGC**, conferred the prestigious **Deemed to be University** status to **12 institutions of Bharati Vidyapeeth in 1996**.

Today, **Bharati Vidyapeeth (Deemed to be University)** stands among **India's leading multidisciplinary universities**, offering a wide range of **Undergraduate, Postgraduate and Doctoral** programmes across diverse disciplines. The university hosts a vibrant community of **over 24,000 students** from across India and **35 countries**, guided by **1,600 accomplished faculty members** who are experts in their fields.

With a strong focus on **innovation, research and entrepreneurship**, the university has made significant contributions to advancing knowledge across multiple domains, from cutting-edge technology to healthcare breakthroughs. Several **centres of excellence and incubation initiatives** support the development of new ideas, fostering solutions for societal and industrial challenges.

Distinctive Features

01

160+ programmes across **12 faculties** with **24,000+** students from India and **35 countries**.

02

1,600+ **experienced faculty** ensuring quality teaching, research and high employability through collaborative & experiential learning.

03

Strong placements backed by **active industry partnerships** and a **vibrant global alumni network**.

04

Entrepreneurship Cell fostering **entrepreneurial skills and innovative ventures**.

05

Robust research culture with national and international interdisciplinary collaborations.

06

Statutory Council-approved professional programmes.

07

Regular International/National Conferences, Seminars, and Workshops on emerging themes.

08

Well-equipped Knowledge Resource Centres with extensive books, journals and e-resources.

09

Modern infrastructure with smart classrooms, advanced labs, blended learning tools, Wi-Fi campuses, and residential/recreational facilities.

10

Strong commitment to community welfare through outreach, fieldwork, and social engagement.

Important Dates B.ASLP (Bachelor in Audiology and Speech Language Pathology – 2026

Last date for submission of online application	5th June 2026. at https://www.bvuniversity.edu.in/
Date of entrance test	13th June 2026
Date of declaration of merit list	19th June 2026
Counselling & on the spot admissions	26th June 2026
Commencement of classes	27th July 2026
College working hours	9:00 am to 4.30 pm. (Monday to Saturday)
Duration of program	Bachelor of Audiology & Speech Language Pathology: 4 years

Important Dates MSc. (Audiology) – 2026 & MSc. (Speech Language Pathology) – 2026

Last date for submission of online application	21st June 2026. at https://www.bvuniversity.edu.in/
Date of entrance test	28th June 2026
Date of declaration of merit list	4th July 2026
Counselling & on the spot admissions	16th July 2026
Commencement of Classes	3rd August 2026
College working hours	9:00 am to 4.30 pm. (Monday to Saturday)
Duration of program	MSc. (Audiology) & MSc. (Speech Language Pathology): 2 years

The timings & center details of the entrance test will be communicated to the candidates via the Admit Card. Due to any unavoidable circumstances, the schedule can be changed at the discretion of Bharati Vidyapeeth (Deemed to be University), Pune.

School of Audiology & Speech Language Pathology

Audiology and Speech Language Pathology is an upcoming field in health sciences. There is a dearth of Speech Language Pathologists and Audiologists in India as very few colleges provide educational facilities in this field.

Bharati Vidyapeeth (Deemed to be University) decided to fulfil this long-standing deficiency in Maharashtra by starting a School of Audiology and Speech Language Pathology (SASLP) in the educational capital, the city of Pune under the Faculty of Health Sciences in August, 2006. SASLP is located at the Dhankawadi Campus of Bharati Vidyapeeth (Deemed to be University).

About Audiology & Speech Language Pathology

Audiology is a branch of science that deals with hearing and balance related disorders. Students of Audiology are educated regarding the anatomy and physiology of the normal and abnormal auditory system. They are trained in identification, assessment and differential diagnosis of auditory disorders. These include disorders of the middle ear, inner ear, auditory nerve and the central auditory nervous system. With training, students develop expertise in audiological rehabilitation, which includes recommendation of hearing devices including hearing aids and cochlear implants and rehabilitation. They also learn about assessment and management of tinnitus, vestibular disorders and auditory processing disorders.

Speech-Language Pathology deals with the normal and abnormal aspects of voice, speech, language, cognition and swallowing. Students of Speech-Language Pathology are trained in diagnosis, differential diagnosis and management of speech and language disorders, which includes voice disorders, speech sound disorders, fluency disorders like stuttering and cluttering, communicative problems associated with hearing impairment, intellectual disability, cerebral palsy, cleft palate, autism spectrum disorders, oral and laryngeal cancers, stroke/paralysis, and learning disorders, among others.

Rehabilitation Council of India (RCI) has officially recognized BV (DU) School of Audiology and Speech Language Pathology as a **Center of Excellence!** Owing to the remarkable achievements of Bharati Vidyapeeth (Deemed to be University), which holds a NAAC A++ (CGPA 3.60) accreditation and a NIRF ranking of 59 (2025).

Teaching Faculties

Designation

Area of Expertise

Dr. Gauri Belsare
MBBS, MS Otolaryngology

Honorary Director

- Otology,
- Neurotology
- Cochlear implant surgery
- Endoscopic sinus surgery
- Micro-laryngeal surgery
- Temporal bone dissection

Dr. Aarti Waknis
M.Sc. (ASR), Ph.D. (Speech Language Pathology)

Professor and
Principal

- Maxillofacial anomalies including cleft lip & palate
- Childhood language disorders
- Augmentative & alternative communication

Dr. Piyush Sone
M.Sc. (Speech and Hearing)
Ph.D. (Speech Language Pathology)

Professor &
Vice Principal,
Head of
Department
(Speech Language Pathology)

- Spoken language processing disorders
- Childhood language disorders
- Cleft lip and palate
- Articulation and phonological disorders

Dr. Sharda Sarda
M.Sc. (Audiology)
Ph.D. (Audiology)

Professor &
Head of
Department
(Audiology)

- Vestibular disorders diagnosis & rehabilitation
- CI pre-surgical assessment & post implant rehabilitation

Teaching Faculties

Designation

Area of Expertise

Dr. Pallavi Kelkar

MASLP, Ph.D. (Speech
Language Pathology & Audiology)

Associate
Professor

- Fluency disorders (Stuttering, cluttering)
- Voice disorders
- Voice problems in professional voice users
- Communication skills enhancement

Mrs. Shweta Deshpande

MASLP
Pursuing PhD

Associate
Professor

- CI pre-surgical assessment & post implant rehabilitation
- Diagnostic & rehabilitation audiology

Ms. Nikita Nanavati

MASLP
Pursuing PhD

Associate
Professor

- CI Pre & post-surgical assessment & post implant rehabilitation
- Diagnostic & rehabilitation audiology
- Hearing aid fitting
- Tinnitus & hyperacusis assessment & management
- Vestibular disorders diagnosis & rehabilitation

Dr. Anuj Kumar Neupane

MSc. (Audiology)
PhD (Audiology)

Associate
Professor

- Diagnostic & rehabilitation audiology
- Vestibular disorders diagnosis & rehabilitation

Teaching Faculties

Designation

Area of Expertise

Mrs. Priya Kapoor
MASLP, Pursuing PhD

Assistant
Professor

- Pediatric feeding & swallowing disorders
- Neuro-communication disorders in children
- Motor speech disorders in children

Ms. Rucha Vivek
MSc. Audiology
Pursuing PhD

Assistant
Professor

- Diagnostic audiology
- Auditory evoked potentials
- Assessment and management of CAPD

Ms. Shrunga M S
MASLP

Assistant
Professor

- Childhood language disorders
- Fluency disorders

Mr. Appas Saha
MASLP
Pursuing PhD

Assistant
Professor

- Adult dysphagia (neurology, head and neck cancer)
- Aphasia
- Dysarthria and allied communication disorders

Teaching Faculties

Designation

Area of Expertise

Mrs. Kalyani Ghate
MASLP

Assistant
Professor

- CI Pre and post-surgical assessment & post implant rehabilitation
- Diagnostic audiology

Ms. Kristi Kaveri Dutta
MSc. (Audiology)
Pursuing Ph.D

Assistant
Professor

- Diagnostic audiology
- Pediatric audiology
- Electrophysiological measures
- Vestibular disorders diagnosis & rehabilitation

Ms. Mansi Karnad
M Sc.(Speech Language Pathology)

Assistant
Professor

- Childhood language disorders including Autism spectrum disorders
- Augmentative & Alternative communication
- Pediatric feeding & swallowing disorders

Ms. Kuhoo Kulkarni
MSc. (Speech Language Pathology)
Pursuing PhD

Assistant
Professor

- Childhood language disorders
- Pediatric feeding & swallowing disorders

Teaching Faculties

Designation

Area of Expertise

Ms. Madhuri Bhogade
MSc. (Audiology)

Assistant
Professor

- Diagnostic audiology
- Aural rehabilitation
- Pre CI assessment and post implant rehabilitation
- Electrophysiological measures

Ms. Megha Nigam
MSc (Audiology)

Assistant
Professor

- Hearing aid technology
- Speech perception
- Cortical evoked potentials

Ms. Madhumanti Chakroborty
MSc (Audiology)

Assistant
Professor

- Diagnostic audiology
- Hearing aids
- Cochlear implants

Teaching Faculties

Designation

Area of Expertise

Ms. Rucha Palkar,
MSc. (Speech Language Pathology)

Assistant
Professor

- Childhood language & literacy disorders
- Augmentative & alternative communications

Ms. Lisa P
MSc. (Speech Language Pathology)

Assistant
Professor

- Childhood language & literacy disorders
- Augmentative & alternative communications
- Pediatric feeding & swallowing disorders
- Adult neurocommunication disorders

Name of the clinical faculty and designation

Ms. Iram Pathan

MSc. (Speech Language Pathology)
Grade I Speech Language Pathologist

Ms. Anciya Pinto

MSc. (Audiology)
Grade I Audiologist

Ms. Sejal Gunjal

MSc. (Audiology)
Grade I Audiologist

Mr. Mihir Danke

MSc. (Audiology)
Grade I Audiologist

Ms. Ashwini Kunjir

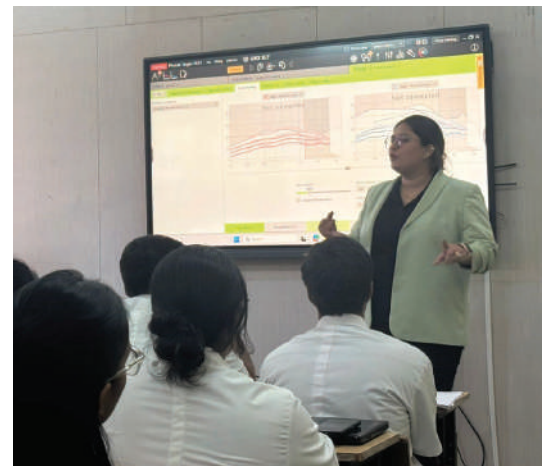

B.ASLP
ASLP Grade II

Ms. Vaishnavi Salunkhe

M.Sc. (Speech Language Pathology)
Grade I Speech Language Pathologist

Highlights of our Academic Excellency!

Translational research, real-world outcomes, & overall student growth!

Indigenous test development

Advance to translational research

Innovative teaching methods

Enhancing quality of life

Overall development

Diverse disciplines, one dynamic campus

Learning comes alive at the 1071-bedded Bharati Hospital & Research Centre with hands on exposure across NICU, PICU, High risk OPD, ICU, wards, & more...

Activities of the School of Audiology & Speech Language Pathology

Academic Programs

The college conducts an undergraduate program, Bachelors in Audiology & Speech Language Pathology (B.ASLP), a four year course; two postgraduate programs - Masters of Science (Audiology) and Masters of Science (Speech Language Pathology) and two doctoral programs- Ph.D. (Audiology) and Ph.D. (Speech Language Pathology).

ICT enabled classroom teaching

Clinical teaching in Speech Language Pathology

Clinical Teaching in Audiology

Workshops for students

The highlights of the academic program are as follows:

The programs are affiliated to Bharati Vidyapeeth (Deemed to be University) and are recognized by the Rehabilitation Council of India (RCI).

Infrastructure at the college includes classrooms and seminar halls with facility for audiovisual presentation through smart boards.

The teaching program is conducted by qualified and experienced faculty with an equal focus on theory, practicals, clinics and research.

Guest lectures by experts in the field are arranged regularly to broaden the horizons and promote exchange of information.

The college has a well-stocked library with books and scientific journals. New books and journals are added regularly.

The staff of the college carry out orientation programs for allied professionals, which include surgeons, general practitioners, pediatricians, neurologists, physiotherapist, special educators, psychologist, teachers of the normal schools and special schools for children with communication disorders, etc.

Workshops/Seminars/Symposia are conducted to orient the students on recent advances in the field and to update the knowledge of the professionals in the field.

Academic activities of the college include clinical case conferences and journal clubs to orient the students to the basics of research.

Students present scientific papers at conferences under the guidance of the faculty.

Faculty are invited at national & international conferences/symposiums to conduct hands on training workshops & deliver lectures.

Clinical Services

SASLP has state-of-the-art facilities for the evaluation and rehabilitation of individuals with speech, language, cognitive, balance and hearing disorders. Besides the college, these services are offered at the Department of ENT and the Department of Pediatrics of the Bharati Hospital and Research Centre. Assessments are regularly carried out in wards, Neonatal Intensive Care Unit, Pediatric Intensive Care Unit, and High Risk OPD, Voice clinic. Management is carried out in wards of Bharati Hospital and Research Centre for individuals with speech & language disorders, oral and pharyngeal cancers, voice problems, swallowing disorders and vestibular disorders. Camps are conducted at old age homes, schools for children with communication disorders and in rural areas. School screening programs are conducted to identify children with speech, language, literacy and hearing problems.

Audiology

Universal newborn hearing screening, school screening for hearing & Central Auditory Processing Disorders (CAPD) as well as bedside audio-vestibular screening

Assessment and differential diagnosis of auditory disorders, which includes facilities such as pure-tone audiometry, speech audiometry, glycerol test, immittance evaluation, recording of Auditory Evoked Potentials (ABR/BERA, MLR, LLR, MMN, P300), Auditory Steady State Response (ASSR) and Oto-acoustic Emissions (OAE).

Selection of hearing aids and other assistive listening devices using objective evaluation tools like Long Latency Responses (LLR) and insertion gain.

Selection of candidates for cochlear implants, intra operative monitoring and post implant mapping

Post cochlear implant rehabilitation

Rehabilitation/ Habilitation of individuals with hearing impairment.

Assessment and management of individuals with Central Auditory Processing Disorders (CAPD)

Assessment and management of individuals with tinnitus and hyperacusis.

Assessment and differential diagnosis of different vestibular disorders.

Vestibular Rehabilitation Therapy

Speciality clinics in audiology

A Speciality clinic for cochlear implants

Bharati Hospital and Research Centre & School of Audiology and Speech Language Pathology have been empaneled for free Cochlear Implant surgeries and post Cochlear Implant Rehabilitation under the ADIP (Assistance to Disabled Persons for purchasing/ fitting of hearing aids) scheme of Ministry of Social Justice and Empowerment. In addition self funded, and NGO funded cochlear implant surgeries and post implant rehabilitation is regularly conducted. CSR funding for implant maintenance and use is present.

Services available:

- ◆ Cochlear Implant Candidacy Evaluation
- ◆ Pre-implant Counseling
- ◆ Surgery for cochlear implantation at Bharati Hospital and Research Centre
- ◆ Intra-operative NRT
- ◆ Switch-on & Post-implant Mapping Aural (re) habilitation.

B Speciality clinic for audio - vestibular disorders

Services available:

- ◆ Vestibular screening
- ◆ Video Nystagmography (VNG)
- ◆ Vestibular Evoked Myogenic Potentials (VEMP)
- ◆ Video Head Impulse Test (vHIT)
- ◆ Management of vestibular disorders
- ◆ Assessing Postural Balance Using Stabilometer

C Speciality clinic for central auditory processing disorders (CAPD)

Services available:

- ◆ Behavioral testing for temporal processing, binaural integration, auditory closure, binaural separation and binaural interaction.
- ◆ Electrophysiological tests
- ◆ Management of Central Auditory Processing Disorders (CAPD)

Speech Language Pathology

Assessment of individuals with developmental language disorders like hearing impairment, intellectual disability, cerebral palsy, autism spectrum disorders, specific language impairment and learning disabilities using tests like 3DLAT, REELS 4, LPT, CLQT, DDST-II, CELF, Picture test of receptive language, ALD, MMALA and other indigenous tests developed at SASLP. Assessment of adult neurogenic speech and language, cognitive communicative disorders like aphasia, dysarthria, apraxia, RHD using tests like Boston Diagnostic Aphasia Evaluation (BDAE), Apraxia profiling and others.

Perceptual and instrumental assessment of individuals with voice disorders using Computerized Speech Lab (CSL), Stroboscopy, Dr. Speech software, MDVP, Spirometer and others. Perceptual and instrumental assessment of individuals with resonance disorders using Nasal view and Nasometer.

Assessment of individuals with fluency disorders using tests like Stuttering Severity Index (DII), Kiddy CAT & others. Assessment of early literacy using tests like ERS, PAM, C-TOPAH, DALI etc. Assessment of individuals with articulation disorders using tests like Photo Articulation Test (PAT), Diagnostic evaluation of articulation and phonology (DEAP) and others.

Assessment of individuals with swallowing disorders using tools like Dysphagia Evaluation Protocol, Manipal Manual for Swallowing Assessment, FEES, Vital stim etc.

Management of individuals with speech, language, literacy, cognitive communication and swallowing disorders.

Respiratory analysis using Spirometer

Pediatric Speech and Language Assessment

Voice Therapy using Artificial Larynx

Speciality clinics in speech language pathology

The College runs seven specialty clinics to cater specifically to the needs of certain client population.

A Speciality clinic for Professional Voice Users & Voice Disorders

Services available:

- ◆ Acoustic voice analysis using - MDVP, Dr. Speech, PRAAT
- ◆ Aerodynamic analysis using - Spirometer
- ◆ Measurement of Nasalance using - Nasometer & Nasal view
- ◆ Voice culture
- ◆ Stroboscopy
- ◆ Voice therapy

B Speciality clinic for Cleft Lip & Palate

Services available at the clinic:

- ◆ Language evaluation and therapy
- ◆ Speech sound disorder evaluation and therapy
- ◆ Nasality – Perceptual assessments, instrumental assessments (Nasometer, Naso-endoscopy, Videofluoroscopy at Bharati Hospital and Research Centre) Therapy
- ◆ Voice – Perceptual assessment, instrumental assessment and therapy
- ◆ Feeding evaluation and therapy
- ◆ Complete hearing evaluation

C**Speciality Clinic for Augmentative & Alternative Communication (AAC)****Services available:**

- ◆ Evaluation of speech, language and communication abilities
- ◆ AAC access evaluation
- ◆ AAC Intervention using Low, Mid and Hi Tech devices across various manufacturers including eye tracking devices
- ◆ Hearing evaluation
- ◆ Parent/caregiver training

D**Speciality Clinic for Feeding & Swallowing Disorders****Services available**

- ◆ Clinical assessment of feeding and swallowing in infants, children and adults
- ◆ Instrumental assessment of swallowing using Modified Barium Swallow Study (MBSS), Flexible Endoscopic Evaluation of Swallowing (FEES) in coordination with Bharati Hospital and Research Centre.
- ◆ Management of swallowing disorders for infants, children and adults including use of Vital Stim

E**Holistic Outcome based Planned Early Evaluation & Intervention (HOPE) Clinic**

This is a multidisciplinary clinic for children with cerebral palsy in coordination with Bharati Hospital and Research Centre.

Services provided to the children includes:

- ◆ Speech language assessment and therapy
- ◆ AAC assessment and intervention
- ◆ Feeding assessment and therapy
- ◆ Physiotherapy
- ◆ Occupational Therapy
- ◆ Pediatric Neurologist consultation
- ◆ Orthopedic Rehabilitation

Oral & Nasal Resonance Assessment Using Nasometer

Voice Assessment using Multi Dimensional Voice Profiling (MDVP)

Bedside Assessment and Management of Feeding and Swallowing Disorders

Pediatric Language Assessment

Tele-Rehabilitation Unit

BV (DU) SASLP offers tele-rehabilitation services for individuals facing constraints in visiting speech and language therapy centers, providing assessments and rehabilitation services for speech, language and cognitive communication needs in online mode.

Tele-rehabilitation service

Extension Activities

Outreach services are provided in and around Pune to cater to the needs of individuals who cannot avail services at the college premises. Services are provided at special schools, old age homes and at the extension centers in places like Satara, Wai, Panchgani, Khandala, & Ratnagiri. SASLP has expanded its services to include a variety of settings. Staff and students of the college visit the following centers to provide clinical services:

Snehalaya Institute for the Handicapped and Cerebral Palsied Children with Multiple Disabilities, Pune.

Indrayani Cancer Institute and Research Centre, Alandi.

Ankur Vidyamandir, Pune.

SOFOSH Shreevatsa Child Care Centre, Pune

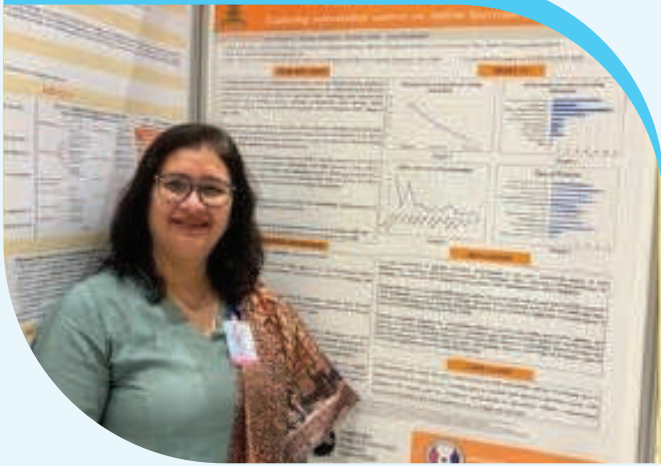

TARASOFOSH DHADPHALE Centre for family deprived children with special needs, Pune

Dr. Patangrao Kadam Speech and Language Therapy Center is the first satellite center of BV (DU) SASLP located in Erandwane, Pune. This satellite center was opened to offer services to children and adults with language disorders, speech sound disorders, fluency disorders, hearing impairment, voice disorders, intellectual disability, literacy disorders, cleft lip and palate, apraxia of speech, swallowing disorders, cerebral palsy & adult neurogenic disorders who have difficulty in commuting to BV (DU) School of Audiology and Speech Language Pathology at Dhankawadi campus.

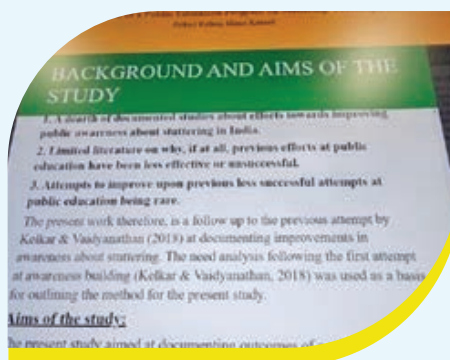

Academic & Research Activities

Global Recognition at Asia Pacific Society of Speech Language Hearing Conference 2025, Bangkok, Thailand

Dr. Aarti Waknis, Principal and Professor in Speech-Language Pathology, presented two research poster presentations at Asia Pacific Society of Speech, Language, Hearing at Bangkok, Thailand on 12th -13th December 2025.

Global Recognition at ASHA convention 2025

Dr. Pallavi Kelkar, Associate Professor in Speech-Language Pathology, presented three research works at the American Speech-Language-Hearing Association (ASHA) Convention 2025, one of the world's largest professional events in communication sciences & disorders, held from November 20-22, 2025 at Washington, D.C, USA

Awards & Recognition

Faculty in action – sharing insights & innovations

Awards & Recognition

BV (DU) SASLP won the Best Quality Improvement Project Award at the International Dysphagia Conclave, 2025 held in from 30th October to 1st November at NIMHANS Convention Centre, Bengaluru

International Collaboration

BV(DU)School of Audiology & Speech Language Pathology signed a MOU with The Nika Project, USA & received 54 Augmentative and alternative communication devices as donation from The NIKA Project USA for AAC Lab and for trials & training to nonverbal and minimally verbal patients. This is followed by regular in person hands on training & online training and support in programming and using the devices for communication development in nonverbal and minimally verbal individuals.

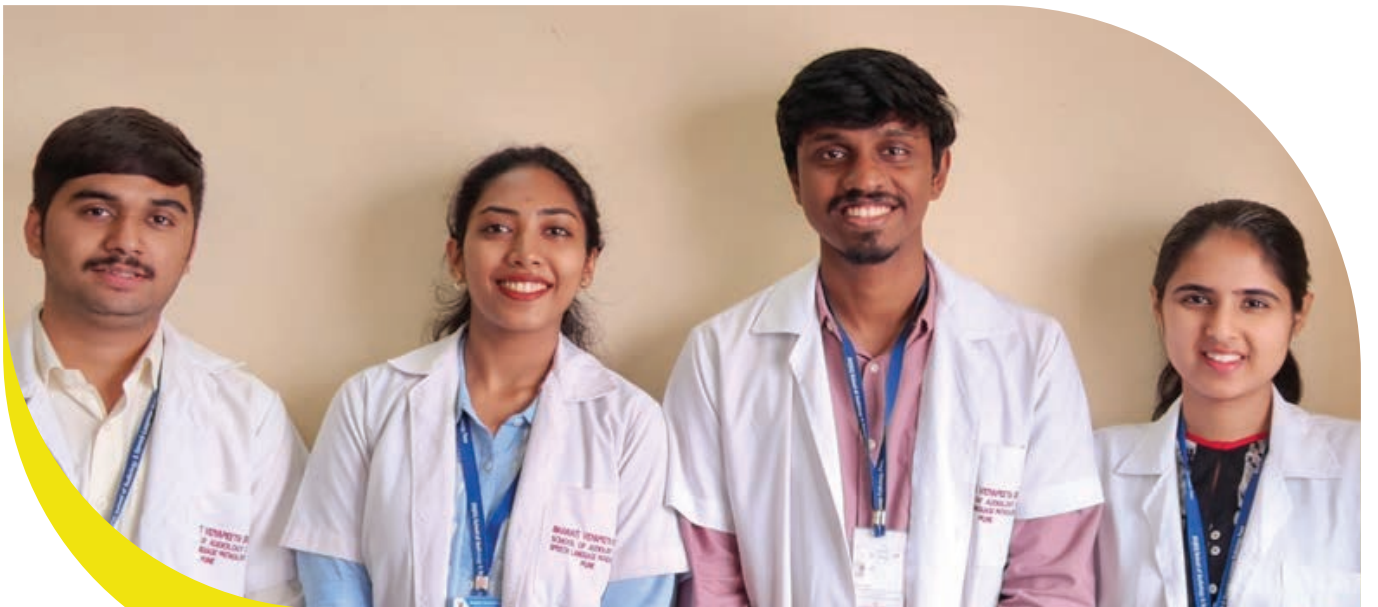

100% Campus placements

Campus placement at National and International level:

Campus placements are conducted every year where employers across different setups conduct interviews for placements PAN India & abroad

Campus placement options for practice at National and International level:

- ◆ Hearing aid and cochlear implant industries.
- ◆ Hospitals- for assessment and management of different speech-language-swallowing disorders as well as for assessment and management of hearing, balance and related disorders.
- ◆ Special schools for children with hearing impairment, autism spectrum disorder, cerebral palsy, learning disability among others.
- ◆ Regular/Integrated schools.
- ◆ Private clinics.
- ◆ Academic, research and clinical posts at universities.

Student Council 2025-2026

Cultural Activities

Sports Activities

MS. ANKITA SUMAN

“Every student hopes to find that academic oasis that will help them achieve their long term objectives and develop competitive strengths. Don't we? In order to bring forth the best in its students, this institution works closely with them. Throughout my Master's programme, I was supported and mentored by the finest faculty. Being a student at the School of Audiology and Speech language Pathology (SASLP), Pune, makes me feel privileged.”

MR. KURUVILLA MATHEW

“Hi, my name is Kuruvilla Mathew. I was studying in BV (DU) SASLP. I am fortunate to be one amongst the students in the first batch of masters in this college. Currently I am settled in Toronto, Canada with my wife working as an Audiologist. I have my own private clinic in Canada & I work for University of Toronto where I am currently student coordinator for Speech language pathology students. I am very proud of my teachers and thank them for making me more confident professionally. I would also like to add that every staff of this college used to take extra efforts to make learning easier. Kudos to the SASLP family.”

MR. GOVIND RAJYOPADHYE

“Dear team SASLP, the period of 4 years that I spent in SASLP was really golden period of my life. I am still counting what all things my college gave to me. My college made me so strong that even in such a competitive world, I manage to not only survive but flourish. Every college teaches their students specific subjects but this college helped me develop my perspectives and out of box thinking abilities”.

MS. ANKITA MORE

“Excellent institution and department at guiding and nurturing students irrespective of their mental and physical flaws always striving. Striving to uphold the student to get to a better curricular stage so that they can obtain a fruitful future. I wish the institute to continue to be a beacon of hope for every student to become proficient at a national and international level. All the best!”

Procedure & rules for admission

General

Separate computer center based entrance tests will be conducted by Bharati Vidyapeeth (Deemed to be University). Admissions will be done on merit, based on their performance in "BV-AB-2026 Entrance Test" for B.ASLP. For MSc. (Audiology) it will be based on entrance test referred as BV- MSc. AUDIO-26 and for MSc. (Speech Language Pathology) it will be based on entrance test referred as BV-MSc. SPEECH LANGUAGE PATHOLOGY-26.

Intake Capacity

Program	Bachelor of Audiology & Speech Language Pathology (B.ASLP)
----------------	--

No. of seats	30
---------------------	----

Intake Capacity

Program	M. Sc. (Audiology)	M. Sc. (SLP)
----------------	--------------------	--------------

No. of seats	20	15
---------------------	----	----

Ten percent (10%) supernumerary seats over and above the sanctioned intake are reserved for NRI/ Foreign quota, candidates from Andaman & Nicobar, Lakshadweep, Northeast and Jammu & Kashmir. Candidates desirous of getting admission under these categories will have to apply separately on a prescribed application form. The application form will be available at the office of The Registrar, Bharati Vidyapeeth (Deemed to be University), Bharati Vidyapeeth Bhavan, L.B.S. Marg, Pune-30. The form fee for this category is Rs. 1000/- (non-refundable).

The last date for submission of form for B.ASLP program is **5th June 2026**.

The last date for submission of form to MSc Programs at the above mentioned address is **21st June 2026**.

Only those candidates who would satisfy all the eligibility requirements as mentioned below will be considered eligible to appear in the computer center based entrance test and for admission to the programme.

All the candidates seeking admissions will have to appear for entrance conducted by Bharati Vidyapeeth (Deemed to be University), Pune. All candidates will have to apply online & fill the prescribed online application form at the website: www.bvuniversity.edu.in.

Eligibility

For B.ASLP Program

- A Candidates seeking admission to the B.ASLP program should have passed 10+2 examination or an equivalent examination conducted by the Pre University Board of Education or an equivalent Board of State or Central Government securing a minimum of 50% marks.
- B The applicants/candidates should have studied any two or more subjects in the science stream in the qualifying examination. The subjects include Physics, Chemistry, Biology and Mathematics.
- C In general, admission of students under 'Disability Category' for the BASLP Program shall be governed by the same guidelines (No.U. 14021-8-2023- UGMEB/ Dated 12th June 2023) issued by the National Medical Commission for admission of students under "Disability Category" to the MBBS Program.
- D The eligibility of persons with disability shall be assessed by a committee consisting of an expert in speech-language pathology, audiology, clinical psychology, pediatrics, and otolaryngology, among others.
- E Foreign applicants shall obtain equivalency certificate from the Association of Indian University.

For MSc Program

Eligibility requirements for admission to First year Masters of Science (Audiology) and Masters of Science (Speech Language Pathology) through entrance tests - BV-MSc. SPEECH LANGUAGE PATHOLOGY-26 / BV- MSc. AUDIO-26 respectively are as follows:

Candidates with B.ASLP or B.Sc. (Speech & Hearing) degree of any recognized University by the Rehabilitation Council of India with a minimum of 55% of aggregate marks.
Candidates should have completed internship before commencement of the program.

Basis of selection for admission

For B.ASLP Program

A

A candidate desirous of seeking admission to First Year of Bachelor in Audiology & Speech Language Pathology undergraduate programme should fulfill the minimum eligibility condition as stated above. The final admission will be offered solely on the merit obtained at the All India entrance test AB-2026 conducted by Bharati Vidyapeeth (Deemed to be University), Pune

B

He/ She must have appeared for the AB-2026 Entrance Test, conducted by Bharati Vidyapeeth (Deemed to be University), Pune at the designated centers.

C

Mere appearance in the Entrance Tests and inclusion of name in the merit list does not confer any automatic rights to secure admission to the program offered by the Institute. The selection and admission to the program is subject to fulfilling the eligibility criteria.

D

In case of two or more candidates obtaining equal marks in the BV-AB-2026, the inter-se-merit of such candidates shall be determined in order of preference as under:

- ★ Candidate obtaining higher marks in aggregate in the qualifying exam. If equal,
- ★ Candidate obtaining higher percentage of total marks in the 10th standard examination. If equal,
- ★ Candidate with longer work experience. If equal,

In case of a tie at this level, computerized random selection of candidate will be carried out.

For MSc (Audiology)/ MSc (Speech Language Pathology) Program

A candidate desirous of seeking admission to First Year Masters of Science (Audiology) or Masters of Science (Speech Language Pathology) program should fulfill the minimum eligibility condition as stated above. The final admission will be offered based solely on the merit obtained at the All India Entrance Tests BV-MSc. SPEECH LANGUAGE PATHOLOGY-26 / BV-MSc. AUDIO-26" conducted by Bharati Vidyapeeth (Deemed to be University), Pune for the respective programmes.

A

He/ She must have appeared for the Entrance Tests "BV-MSc. SPEECH LANGUAGE PATHOLOGY-26 / BV- MSc. AUDIO-26" Test, conducted by Bharati Vidyapeeth (Deemed to be University), Pune at the designated center.

B

The candidate shall be offered admission based on his/ her rank in the final merit list and availability of the seats for a particular program at the institute of the candidate's choice at the time of counseling and admission in the concerned institute. Mere appearance in the Entrance Tests and inclusion of name in the merit list does not confer any automatic rights to secure admission to the program offered by the Institute. The selection and admission to the program is subject to fulfilling the eligibility criteria.

C

Admissions to MSc. (Audiology) will be obtained as per merit in BV-MSc. AUDIO-26 while admissions to MSc (Speech Language Pathology) will be as per merit obtained in MSc. SPEECH LANGUAGE PATHOLOGY-26.

D

In case of two or more candidates obtaining equal marks in the BV-MSc. SPEECH LANGUAGE PATHOLOGY- 26 / BV-MSC. AUDIO-26, the inter-se-merit of such candidates shall be determined in order of preference as under:

- ★ Candidate obtaining higher aggregate marks in B.ASLP. If equal,
- ★ Candidate obtaining higher marks in T.Y.B.ASLP/Aggregate of marks of Semester V and VI. If equal,
- ★ Candidate with longer work experience. If equal,
- ★ Candidate obtaining higher marks in the 12th standard examination
- ★ In case of a tie at this level, computerized random selection of candidate will be carried out.

Nature of entrance test

For B.ASLP Program

AB-2026 is an entrance test for admission to Bachelor of Audiology & Speech Language Pathology.

The Entrance Test will consist of one question paper, set in English and will contain 200 Multiple choice objective type questions, each with four alternatives. There will be 60 MCQs on Physics, 60 on Chemistry, 80 on Biology (Botany & Zoology) or 80 on Mathematics. They will be set on the topics in the syllabus of 11&12 std. One mark will be allotted for correct or most appropriate answer. There is no negative marking for entrance test.

Candidate will have to choose Biology or Mathematics for the entrance test. The entrance test will consist of questions on Physics, Chemistry, and either Biology or Mathematics. The choice may be provided during filling up of online application form. Choice of the section once made will not be changed

Details regarding general instructions, terms and conditions of the entrance test mode, schedule, entrance test centers, application procedure, instructions regarding entrance test etc., are available on website.

Please visit www.bvuniversity.edu.in click on Admission 2026 tab & then select the tab "Common Entrance Test (CET) Procedures, & Rules".

All candidates desirous of taking admission for First Year Masters of Science (Audiology) / Masters of Science (Speech Language Pathology) post graduate programme must appear for " BV-MSc. AUDIOLOGY-26/BV-MSc. SPEECH LANGUAGE PATHOLOGY-26" respectively"

The Entrance Tests "BV-MSc. AUDIOLOGY-26/BV-MSc. SPEECH LANGUAGE PATHOLOGY-26" for admission to First Year Masters of Science (Audiology) / Masters of Science (Speech Language Pathology) program will consist of a total of 50 marks and will be for 60 minutes duration.

The "BV-MSc. AUDIOLOGY-26/BV-MSc. SPEECH LANGUAGE PATHOLOGY-26" will be separate Entrance Tests consisting of separate question papers, set in English and will contain 50 multiple choice objective-type questions in respective subjects. The questions will be set on the syllabus of Audiology/ Speech language pathology subjects respectively of B.ASLP (2017) course as per RCI. Each of the 50 multiple choice questions will have four alternatives, with only one correct or most appropriate answer. One mark will be awarded for each correct answer. There is no negative marking

Details regarding general instructions, terms and conditions of the entrance test mode, schedule, entrance test centers, application procedure, instructions regarding entrance test etc., are available on website.

Please visit www.bvuniversity.edu.in, click on Admission 2026 tab & then select the tab "Common Entrance Test (CET) Procedures & Rules".
