From the Desk of Chancellor

Dear Students,

At the outset, let me welcome all of you who are intending to join our University.

I am extremely happy to note that you have selected our University for your further studies. All of you know that Bharati Vidyapeeth (Deemed to be University), is one of the leading Universities in the country having 'A' grade awarded by Ministry of Human Resource Development, Government of India.

It is accredited with prestigious 'A' grade in 2004, reaccredited with 'A' grade in 2011 and 'A+' Grade (3rd cycle) in 2017 by the NAAC, Bangalore. Our University has excellent infrastructure for all its constituent Institutions, such as well-structured spacious buildings, continuously updated laboratories and hostels with all necessary amenities and facilities.

Today, the horizons of knowledge are expanding exponentially. It is, therefore, a challenge to cope up with this vibrant system of higher education and Bharati Vidyapeeth (Deemed to be University) is well- equipped to impart latest training and education to its students. We are committed to provide excellent teaching, learning and research under its 12 faculties. The University continuously updates the courses of studies being taught in our constituent Institutions, keeping in view, the rapid changes and dynamism around.

Our libraries are timely updated. The University ensures not only high quality training, education in the respective areas of knowledge to the students, but also places emphasis on all-round development of the students. Abundant opportunities are also provided for co-curricular and extracurricular activities on the campus. Considering the social obligations, the University is, no doubt, committed to see that the students studying from this University are well-trained and well-prepared for jobs and become responsible citizens of the country.

The track record of the achievements of the University is indeed commendable. It is a matter of pride for us that our students have achieved successes in their respective fields and established themselves in different spheres of life. We are aware that the success of any University largely depends on the number of successful students; it produces for the service of the society and the nation.

We, therefore, take every care for your bright future career and help you to accomplish your dreams into reality.

Once again, I take this opportunity to welcome all of you to the family of Bharati Vidyapeeth (Deemed to be University), and wish you success in your life.

**Prof. Dr. Shivajirao Kadam
Hon'ble Chancellor**

From the Desk of Vice-Chancellor

It is a matter of immense pleasure for me to be a part of the Bharati Vidyapeeth (Deemed to be University) family as a Vice Chancellor. I take this opportunity of welcoming students coming from all parts of the country, joining the University for Ayurved postgraduate programmes. Most of such students have moved away from the folds of their family and nation to another in their quest of knowledge. One needs to feel that they are just moving away from one family fold to another. Their teachers, seniors and peers, all form an extended family from whom they can look up for any guidance, support and help to move ahead in life as professionals in the study programmes they have opted.

The university is one of the largest multi-disciplinary and multi-campus universities of its kind in India, which caters to the educational needs in various disciplines such as Medicine, Dentistry, Ayurved, Homoeopathy, Nursing, Pharmacy, Environmental Science, Engineering, Architecture, Law, Management, Social sciences, Arts, Commerce And Science, Physical education, Hotel management And Catering technology for urban and rural students. Three research institutes of the university are exclusively devoted to conduct sophisticated researches in health related sciences, pharmaceutical sciences, and social sciences.

The university has highly qualified faculty in their respective fields of expertise. A large number of national and international conferences, seminars and workshops are organized by the university. Such events provide a variety of experiences to the students and include skills such as leadership and team spirit which are helpful in their career.

Our faculty members have been able to publish good quality research work in high impact factor journals of repute. There is an active interaction between faculty and students in the campus. The learning experiences in the campus have a strong path for enhancement of overall development of the learners. Further, the campuses of university are ICT enabled and the colleges provide an e-learning and e-connect environment, along with class coordination system, document management system as well as virtual classrooms. The university is situated in a serene environment. The serenity along with a complex structure of curricular, co-curricular and extra-curricular activities will shape your physical, mental and intellectual growth. As an international student of the university, you are the torch bearers of the different nations; you come from, in order to bring in positive change, towards a direction that will develop sustainability for better future.

I wish and assure you, on behalf of the University family, that we will help you pursue your objectives of life under the varied social, cultural and economic environment and make the University family proud of your attainments.

Prof. Dr. Vivek A. Saoji
Hon'ble Vice Chancellor
