Director's Message

Greetings to All !

It gives me great pleasure to present this newsletter for Term-II of the Academic Year 2022-23.

The Term-II was very exciting since there were lots of student centric events organized by students under the guidance of faculty members. 'Xpressions', the International Management and Cultural Fest, was celebrated with great zeal and enthusiasm with a large number of participants from various colleges. Events like Shark Tank, Launchpad gave a lot of practical learning to the budding entrepreneurs of IMED.

Also there was huge participation from students for national seminars on Marketing, Finance, HR, along with guest lectures and workshops on Entrepreneurship Developments, Alumni Meets, and Entrepreneurship Development Cell activities.
