

BHARATI VIDYAPEETH DEEMED TO BE
UNIVERSITY,PUNE

DEPARMENT OF PERIDONTOLOGY

Our Post Graduate student from department of Periodontology received exclusive training from the international training institute(IFZI institute) from 14th July 2022 to 17th July 2022 for a master course in implant surgery and prosthetics under a big expertise Dr. Professor Ingo Voges in Neuremberg, Germany. This institute provides training to budding implantologist from all over the world .

This was a diverse programme covering all aspects of implantology from single implants, immediate implants ,full mouth rehabilitation ,sinus lift procedures and implant prosthetics .It covered therotical and hands on aspects wherein each participant was allowed to placed 20 implants .

We feel very proud to announce that our student Dr Komal Rajpurohit has been attending such international courses and implementing this knowledge on the patients being treated at our institute.

Student achievement (website - Dr. Soni Bhavit).
