❖   Curriculum Development: The set curriculum used as per the INC guidelines.
 New revision and implantation of the syllabus was done after approval from the meetings by the board of studies and faculty of nursing.

Teaching and Learning-
1. Student centric learning through extensive use of ICT.
2 .Blending learning with e-resources through available free access of Wi-Fi.
3. Concretization and Enrichment of learning experiences through mandatory assignments in theory and clinical.Ppt. Presentations during seminar and clinical and classroom teaching.
4. Fostering the culture of knowledge acquisition through wider self-exposure to latest knowledge through the library and on-line subscribed books and journals.
5. Ensuring continuous updating of teacher competencies through a strong policy of support and teacher deputation for PG and PhD. and sponsorship for the training programme.
❖   Examination and Evaluation-
❖   As per decision taken by the members of board of studies the internal MCQ's

(15marks) pattern were changed to short essay (15 marks) for all the Nursing examination.

❖ Research methodology subject examination for the final year P.B. B. Sc nursing students and marks were added in final university mark sheet.

❖ Research and Development-

A amount of budget is allotted for research and development programme for the teachers. The whole campus is internet connected with Wi-Fi, Teachers as well as students access information of scholarly materials of their research programme.

The teachers guides and encourage the students in the research project.

❖ Library, ICT and Physical Infrastructure / Instrumentation- All physical amenities provided as per the Indian nursing council and ,Maharashtra nursing council and directorate of medicine, education and research norm.

Human Resource Management

Our College will make well defined policy to academically recharge and rejuvenate teachers (e.g. nomination to national/international conferences/seminars, in-service training, Organizing national/international conferences etc.

They will be provided with financial support towards travel and registration. Our College will also provide financial support for organizing national seminar and workshop.

❖ Industry Interaction / Collaboration-

No significant interaction has been made yet to tie up with industry access industrial skills.

❖ Admission of Students –

The admission of students is merit base. The merit of the students is the only factor which is taken into account for admission, thus ensuring full transparency in the admission process. In the next session, the merit will be publicized in web-site. The admission process form applying to admission and entrance is completely online and counselling will be completely off-line.

6.2.2 : Implementation of e-governance in areas of operations:

❖ Planning and Development –

The intuition has achieved in its academic performance after NAAC Accreditation.
