## REPORT

The Dental education Unit organized the first Basic Course in Educational Methods and Technology From 6<sup>th</sup> December 2022 till 21-December 2022. Online as well as offline lecture and workshop was organised for 19 participants of the first batch. The online lectures were organised on Microsoft teams.

Dr Shailesh Lele and Dr Gauri Lele were the Guest speakers for the Programme. A total of 6 online lectures of 2 hours each and a 2 full day offline workshop were arranged. The participants were given assignments during the course as well as their teaching abilities were assessed as well. The participants were assessed by students and a feedback was also recorded. Whatsapp Groups and Microsoft platforms were used for proper communication during the course.
