Candidate Eligibility Format- Tech M.xlsx;

Dear Professor,

Greetings From TechMahindra Ltd !

Glad to inform you that we are kickstarting the Campus Hiring for all the eligible candidates passing out in 2025.

Request you to please share the details for all eligible candidates in the attached format on or before **12th January 2025, end of the day** with Harshal Satav on email harshalsa@TechMahindra.com

Please DO NOT make any changes to the excel provided.

Academic eligibility:

- Candidate should have scored min. of 65% or 6.5 CGPA (Without Rounding-up) in SSC/10th, HSC/12th /Diploma (in case done) and BE/B.Tech/MCA/M.Sc (Computer Science).
- **For Female Candidates for Improvement of Women Diversity criteria is min. of 60% or 6.0 CGPA (Without Rounding-up)** in SSC/10th, HSC/12th /Diploma (in case done) and BE/B.Tech/MCA/M.Sc (Computer Science)
- Eligible Courses – BE/B.Tech - Computer Science / Computer Engineering / IT / E&C / E&TC /Telecom / Communication / Electronics or MCA / M.Sc (Computer Science).
- Candidate should be completing the eligible course in **2025 without any backlog** and should have Consolidated marksheets or Provisional Degree Certificate issued **at the time of offer**.
- There should not be a gap of more than one year after completing SSC and before joining the graduate/post-graduate course. Also, there should not be a loss of academic year after joining a course.

Note – Rounding up of marks to 65% to become eligible for the registration is NOT valid For Male candidates.

Note – Rounding up of marks to 60% to become eligible for the registration is NOT valid For Female candidates.

Selection process:

Candidates will have to undergo the tests below, each acting as a filter for the next stage of the selection process.

- Aptitude Test, English Essay/Story.
- Technical & Psychometric Test

- Verbal Communication Test
- Technical Interview
- HR Interview

The first 2 rounds may be conducted in College Premises through Pool-campus Mode, Verbal Communication test will be conducted in online mode and Interview Process will be conducted at Tech Mahindra Office premises.

Supercoder selection:

- Candidates who excel academically & perform well in the selection process (excluding HR round) will qualify for consideration in the Supercoder cadre selection.
- Eligible candidates will then take the Supercoder test, and those who pass will be designated as Supercoders.

Joining Location and Work Timings:

- Positions are open for Tech Mahindra offices across locations.
- Candidate should be flexible to work on different projects at any of the Tech Mahindra Development Center's or Client Locations spread across country according to company work hours
- Candidate should be open to working in different shifts

Bond and compensation:

Upon Selection

- Candidate will be on probation for 6 months
- Candidate clearing the regular selection process would become eligible for CTC of INR **3.25 L /Annum**
- **Candidate successfully passing the Supercoder selection process** would become eligible for CTC of INR **5.5 L /Annum**
- Candidate will have to sign an indemnity bond for INR 1 L for a mandatory service period of 2 years from date of joining the company.

Note: During probation, the candidate may undergo unit specific classroom training / on-the-job-training / shadowing / all as per the business requirement.

IMPORTANT – This communication is for your reference only. Please DO NOT forward to students or any other parties or publish on your college website.
Please reach out to harshalsa@techmahindra.com for any queries/doubts.

Event Summery :

The **Tech Mahindra Pool Campus Drive** was conducted on **Friday, 17th January 2025**, at the **Bharati Vidyapeeth Deemed University** in Kharghar, Navi Mumbai. The recruitment drive aimed at 1,447 students from 14 different colleges across the Mumbai region. The event took place in a structured manner with specific reporting times allocated to various colleges. The drive included multiple stages, including a Pre Placement Talk, followed by an Aptitude Test and a Technical Test, where students were assessed based on their skills and knowledge.

The schedule was divided into different time slots throughout the day to accommodate all participating students. The first batch of students reported at **8:30 AM**, consisting of students from **Terna Engineering College Nerul** (153 students), **BVCOE** (136 students), and **PVPPCOE** (149 students), making a total of **438 students** in the morning session. Following this, the **10:00 AM** slot saw students from **Datta Meghe College of Engineering** (209 students), **New Horizon Institute of Technology and Management** (101 students), and **MCT's Rajiv Gandhi Institute of Technology** (75 students), accounting for **385 students** in total.

The **12:00 PM** session was more specialized, focusing on students from **Cyber Security** backgrounds. Colleges such as **Shah & Anchor** (31 students), **Thakur College of Engineering and Technology** (50 students for Cyber Security, and 144 students from general courses), **Amity University Mumbai** (42 students), **VJTI, Mumbai** (8 students), **Vijaybhoomi** (8 students), and **Suman Ramesh Tulsiani Technical Campus - FOE** (20 students) participated, bringing the total count for this session to **303 students**. The final session began at **2:00 PM**, featuring students from **Ramrao Adik Institute of Technology** (224 students) and **BVDUDET** (95 students), resulting in a total of **319 students** in the afternoon.

The venue for the event, **Bharati Vidyapeeth Deemed University**, was located at Plot KC1, Sector 3, Kharghar, Navi Mumbai, which was easily accessible through a provided Google Maps link. The venue was well-equipped to host a large number of students and conduct multiple assessments throughout the day. The students were reminded to carry their **Aadhar card** and **college ID** to ensure a smooth check-in process and avoid any inconvenience. The event was well-organized, ensuring that all participants were given equal opportunity to showcase their potential.

This structured and efficient campus drive was designed to give Tech Mahindra access to a large pool of talented candidates from top institutions across the Mumbai region. By breaking the day into time slots and targeting specific colleges, the event was able to manage a large number of participants while maintaining an organized flow. Overall,

the Tech Mahindra Pool Campus Drive on 17th January 2025 served as a crucial platform for students to explore job opportunities with one of the leading IT and business outsourcing companies, offering them the chance to kickstart their careers in the tech industry.
