- Gist of the program:

IQAC cell, BVDU had organised a workshop on Cleverground Training on 11<sup>th</sup> Dec 2024, Wednesday in Lecture Hall, IMED, Erandwane Campus, Pune. Since 2023, the University has implemented the software related to the accreditation management system and Faculty Module which captures data as per NAAC criteria. As part of its ongoing efforts towards digitization and automation of processes, the University has extended the system to implement the Learning Management System module and the Outcome Based education module through “Cleverground” who is the service provider. To facilitate its effective usage and functionality, two admin faculty members were appointed from BVDU Homoeopathic College and Hospital to attend the workshop.

Dr Vaishali Bhagat, Vice Principal, IQAC Co-ordinator, Asso. Prof. Dept. Of Anatomy and Dr Priya Sheth, Assistant Professor, Dept. of Repertory had attended the workshop as an admin on behalf of IQAC cell, BVDUHC.

- The objectives of the training programme are:

- Understanding of the LMS platform – its overview and functionalities
- Monitoring and reporting – utilizing analytics and generating reports
- Troubleshooting basics – addressing common issues faced by users
- Admin Role and responsibilities – user accounts and permissions, verify data etc.

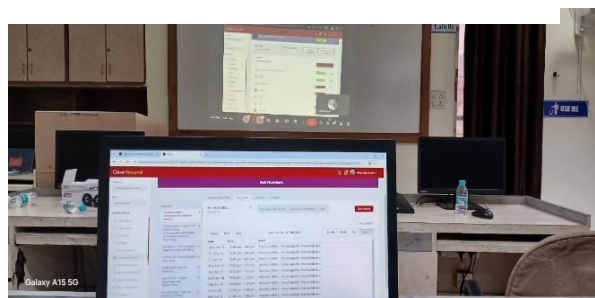

The workshop started at 12.00 pm with introduction of Cleverground software, its rules and regulations and its composition and functioning. Mr Swapneel Dhabolkar and his team gave a brief on each of its constitutional modules. A detail narration was made on the usage of each of the modules. The appointed Admin shall then train the rest of the faculty members regarding usage of the modules at the institute level.

Conclusion: The event saw overall positive feedback with very positive and enthusiastic remarks from the attendees, looking forward to train the fellow faculty members.
