Date : 26th February 2025

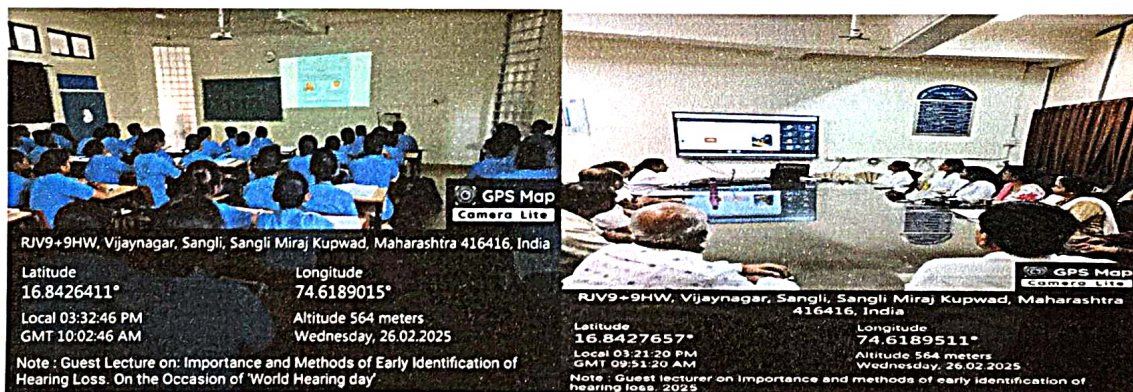

Day : Wednesday

Time : 3pm-4.00pm

Venue: Auditorium ,BV(DU) College of Nursing, Sangli

Beneficiaries : 100 T.Y. B.Sc. (N) ,30 F.Y.P.B.B.Sc(N) ,9 M.Sc. Child Health I&II (N) and faculty

On the occasion of world hearing day, the college organized a guest lecture on Importance and methods of early identification of hearing loss in collaboration with BVDU school of Audiology and Speech Language pathology ,Pune. The lecture commenced at 3pm by the resource person Ms.Kirti Kaveri Dutta declaring the objectives of the lecture being early detection and prevention of hearing loss in children . She emphasized the importance of it with the statistic by the WHO of 1.5 to 2.5 million being at risk of suffering from hearing problems by 2050 . She also explained the new born hearing screening protocol. Madam then presented a child's video of 2 year and 8 month old with cochlear implant. Participants cleared their doubts and the session was very informative and interactive.
