Webinar Report: National Webinar on “Healthy Beginnings, Hope for Future”

Organized by: Bharati Vidyapeeth (Deemed to be University), College of Nursing, Sangli (Community Health Nursing Department)

In collaboration with: The Trained Nurses Association of India (TNAI), Maharashtra State Branch

Platform: ECHO India

Date: April 7, 2025

Occasion: World Health Day

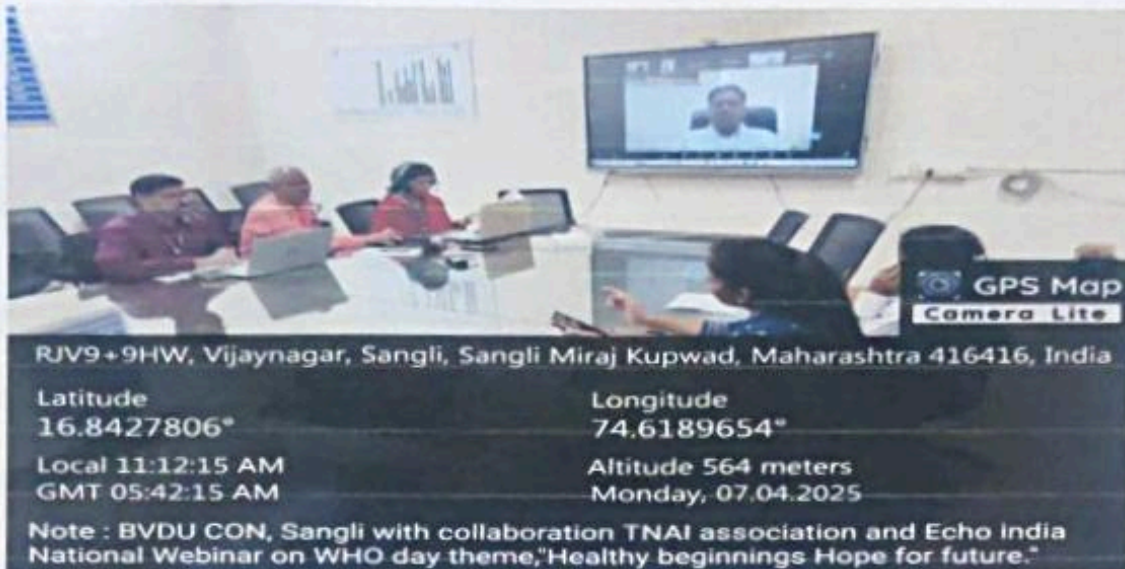

To mark World Health Day 2025, Bharati Vidyapeeth (Deemed to be University), College of Nursing, Sangli, and the Trained Nurses Association of India (TNAI), Maharashtra State Branch, jointly organized a national webinar on the theme “**Healthy Beginnings, Hope for Future**” on the ECHO India platform. The event commenced with an inauguration by esteemed dignitaries, followed by a warm welcome from **Mr. Rajabhau P. Rathod**, President of TNAI, Maharashtra. **Dr. Suresh Kumar Ray**, Principal of BV(DU) College of Nursing, Sangli, delivered the keynote address, highlighting the significance of maternal and child healthcare in shaping a healthier future. The sessions featured expert talks by renowned professionals:

- **Dr. Jyotsna Budhgaonkar** presented an insightful session on antenatal care.
- **Dr. Jyotsna Deshpande** elaborated on best practices in natal care.
- **Dr. Sudha Raddi** focused on comprehensive postnatal care for mother and baby.
- **Dr. Sneha Pitre** emphasized pediatric care and child development.
- **Dr. Sunil Kulkarni** concluded with the importance of family involvement in Reproductive and Child Health (RCH) care.

The webinar was well-attended by nursing faculty and students from diverse settings, including hospitals, colleges, and community health sectors. Registration was accessible and affordable at Rs. 100, with a seamless process facilitated via Google Pay and QR code. Organizing Chairpersons **Dr. Suresh Kumar Ray** and **Mr. Rajabhau P. Rathod** coordinated the event efficiently, supported by **Dr. Sunil Kulkarni** as the Organizing Secretary and **Mrs. Snehalata Reddy** handling registration and vote of thanks. Certificates were coordinated by **Mr. Satish Salvi**.

This informative and engaging webinar not only celebrated World Health Day but also strengthened awareness and capacity among healthcare professionals, aligning with the WHO's global health priorities for 2025.
