Name of the event: World Autism Awareness Day Celebration. 2025

Date: 21st April, 2025

Day: Monday

Time: 10:30 am to 12:30 pm

Venue: Urban Health Centre, Bibewadi, Pune.

Theme: Advancing Neurodiversity and the UN Sustainable Development Goals (SDGs)

World Autism Awareness Day, observed annually on April 2nd, is a United Nations-designated day to raise awareness about the autism spectrum disorder (ASD) and promote inclusivity for autistic individuals worldwide. In 2025, the global community will unite under the theme -**Advancing Neurodiversity and the UN Sustainable Development Goals (SDGs)**. This theme underscores the vital connection between embracing neurodiversity and achieving the broader objectives of sustainable development for all.

All the students of the F.Y. MSc Nursing (MHN Speciality) along with Dr. Monita Thokchom (HOD of MHN Department), Dr. Sushila Devi and the other faculty members of Mental Health Nursing department are visited Bibewadi Urban Health Centre to celebrate **WORLD AUTISM AWARENESS DAY** on 21th April, 2025 at 10:30 am to 12:30 pm.

The celebration includes Short Role Play, Health Education, Poster Display. Posters were made on the World Autism Awareness Day theme and health education includes autism awareness importance, signs and symptoms of autism, parental and preventive care of autistic children, causes, treatments and therapies.

Conclusion: It was knowledgeable experience for community people. Group of people were co-operative and listen patiently. Urban Health Centre incharge medical officer Dr. Chandrashekhar Veer and staff were co-operative. Appreciation given by Dr. Veer and patients for the efforts taken by students and teachers.
