

**BHARATI VIDYAPEETH (DEEMED TO BE UNIVERSITY)**  
**Homoeopathic Medical College & Hospital**  
Pune-Satara Road, Pune-411043

**Empowering Future Healer: Integrating Cancer Awareness & Homoeopathic Approaches for Comprehensive Care**

**Topic:** Seminar on Empowering Future Healer: Integrating Cancer Awareness & Homoeopathic Approaches for Comprehensive Care

**Organizer:** The Post-Graduate Department of Bharati Vidyapeeth (Deemed to be University) Homoeopathic Medical College, Pune & Hahnemannian Homoeo Forum (HHF)

**Speakers:** Dr. Mayuresh Mahajan, Dr. Sunil Ghodke, Dr. Krishnakumar Dinde

**Day, Date & Time** – Wednesday, 26th March 2025 from 09:00am to 05:30pm

**Venue:** Sushruta Auditorium, Bharati Vidyapeeth Medical College, Dhankawadi

**About session:** The session focused on the integration of homoeopathic treatments in cancer care, alongside conventional medical approaches. Dr. Mayuresh Mahajan highlighted how homoeopathy can be used to complement traditional therapies for ovarian and liver cancers, helping to manage symptoms and enhance overall well-being. Dr. Sunil Ghodke discussed the potential role of homoeopathy in alleviating side effects associated with treatments for Acute Myeloid Leukaemia and colon cancer. Dr. Krishnakumar Dinde elaborated on the holistic benefits of homoeopathy in managing symptoms and supporting patients during advanced stages of oesophageal and breast cancer, emphasizing a patient-centred approach that combines both conventional and homoeopathic treatments for comprehensive care.

**Total number of Beneficiaries: 440**
