The institute has collaborated with International Organization of Eudoxia Research Centre India and Eudoxia Research University- USA, for TECHNOVA 2025 , **:** International Conference on Emerging Trends in Technology, Science, and Multidisciplinary Innovation. The conference was held on Friday and Saturday, 30th and 31st May 2025. In her opening remarks Director Dr. Pallavi Jamsandekar stated that the conference would be a good platform for the researchers to present their research work. Prof. Dr. Caleb Moyo, AI & Human Collaboration for a Sustainable Future, Dr. Rania Lampou – Next-Gen Space Tech, Dr. Ryosuke Nakajima – Generative AI & Global Governance and Prof. Dr. Anabela Monteiro – The New Tourist and the Silent Revolution were the keynote speakers for the conference. 124 research papers were presented in the conference.

Conference convener Dr. Pratap Desai gave vote of thanks.
