### **Activity Details-:**

Department of Periodontology, Bharati Vidyapeeth (Deemed to be University) Dental College & Hospital, Sangli, conducted an Alumni Interaction programme on 9<sup>th</sup> May 2025. Dr. Prasanna Sawant, presented an enlightening session on "**Gold Standard: Non-Surgical Periodontal Therapy.**" The session concentrated on the new evidence-based techniques in non-surgical periodontal therapy, with a special focus on early diagnosis, patient motivation, and maintenance therapy. Dr. Sawant also underlined the significance of scaling and root planning, adjunctive antimicrobial treatment, and new developments in instrumentation techniques. The event was graced by 24 students, including postgraduate students from the department. It was a great opportunity for students to learn valuable insights into clinical practice and professional growth. The programme was organized under the supervision of Dr. Sachin Mangalekar and Dr. Pallavi Kamble. Dr. Priti Gaikwad (I yr PG) gave the introduction of programme, and the vote of thanks was presented by Dr. Satyajeet More. (I yr PG)
