### **Activity Details-:**

A live webinar on "**ORAL PATHOLOGY IN DAY TO DAY PRACTICE**" by guest speaker, **Dr. Aravindh Babu**, Prof and Head in the Department of Oral and Maxillofacial Pathology at Sree Balaji Dental College and Hospital, Chennai was organized on 21<sup>st</sup> February 2025 through the zoom platform. Dr. Mamata Kamat welcomed the guest speaker, all the participants and introduced the guest speaker. The session emphasized the importance of oral pathology in routine dental practice, early diagnosis, and patient care. Dr. Aravindh Babu offered valuable insights into diagnosing and managing oral diseases, illustrating the importance of histopathological evaluation through case scenarios and its application in general dentistry.

The webinar was attended by students, faculty of BV(DU), DCH, Sangli and online participants from the oral pathology fraternity across India. The webinar enriched students' understanding of oral pathology beyond academics, reinforcing its significance in daily practice. Feedback forms were shared and Dr.Uma Datar-Chougule delivered the vote of thanks. A Certificate of Appreciation was presented to the guest speaker.
