The Department of Orthodontics and Dentofacial Orthopaedics of Bharati Vidyapeeth (Deemed to be University) Dental College & Hospital, Sangli, conducted an engaging Alumni Interaction Session with Dr. Rutvij Mohile as the esteemed alumni guest speaker on 21<sup>st</sup> January 2025 at the Dental Auditorium. The session focused on the topic “Obstructive Sleep Apnea (OSA)” delving into its orthodontic implications and management strategies. Dr. Mohile shed light on the pathophysiology of OSA, emphasizing the role of craniofacial structures in airway obstruction. He highlighted the importance of early diagnosis and Orthodontic interventions, such as maxillary expansion and mandibular advancement devices, in managing this condition. The presentation also included a discussion on the impact of OSA on overall health, offering attendees a comprehensive understanding of this multidisciplinary concern. The session witnessed active participation from interns, and final-year students. Attendees gained valuable insights into practical approaches to address OSA within the orthodontic scope. The event concluded with a vote of thanks, expressing gratitude to Dr. Mohile for his informative and inspiring session.
