The Department of Orthodontics and Dentofacial Orthopaedics of Bharati Vidyapeeth (Deemed to be University) Dental College & Hospital, Sangli, Alumni Interaction Session organised by Department of Orthodontics and dentofacial Orthopaedics on Topic “ Invisible Orthodontics” by Alumna guest speaker Dr.Simran Budhraja on 9<sup>th</sup> January, 2025 at Dental Auditorium. The session highlighted advancements in orthodontic techniques, particularly clear aligners and lingual braces, which offer patients discreet treatment options.

Dr. Budhraja shared insights on the technology behind invisible orthodontics, advantages for patients, including aesthetics and comfort. The session witnessed active participation from staff, interns and final year students who engaged in a lively session, gaining valuable knowledge about modern orthodontic practices.

The event concluded with a vote of thanks, appreciating Dr. Budhraja's contribution to bridging academic learning with clinical expertise. The session was both informative and inspiring for the attendees.

The event concluded with a vote of thanks, expressing gratitude to Dr. Mohile for his informative and inspiring session.
