The Department of Periodontology celebrated “**World Diabetes Day**” on 14th November 2022 rescheduled on 27th December because of Diwali vacation. World Diabetes Day was inaugurated by respected Vice Principal **Dr. Jeevanasha Agrawal** Madam, along with all the HODs of Bharati Vidyapeeth (Deemed to be University) Dental College & Hospital, Sangli

The program was conducted by all the staff members of the Department of Periodontology. Dr.Sachin Mangalekar, Dr.Pallavi Kamble, Dr.Nitin Gorwade, Dr.Jeeth Rai, Dr.Priyanka Lavate, and Dr.Shashank Vijapure were present for the programme.

As a part of this celebration, introductory speech was delivered by Dr.Sakshi Gupta, by highlighting the theme “**Breaking barriers, bridging gaps**”. She was explained about prevalence of diabetic and prediabetic cases, and also stressed upon growing need of outmost attention towards prevention and treatment. Dr. Asra Shivani addressed the vote of thanks. Vice Principal **Dr. Jeevanasha Agrawal**, Dr. Sachin Mangalekar Sir and all the HODs post graduate students, interns were present during inauguration.

Distribution of free samples of Colgate toothpaste to patients WORLD DIABETES DAY – 2024

Printed flex board was prepared and displayed at the entrance of medical college and Hospital to enroll and benefit more number of patients. Free Scaling and polishing, blood sugar investigation and distribution of toothpaste and mouthwash samples were provided to patients in order to encourage them to maintain proper oral hygiene and in turn, live a disease-free life.

As a part of this celebration, various programs such as free Random blood sugar which was performed by auxiliary staff, free dental check-up with free scaling was performed by interns students, hygienist and post graduate students. In the spirit of the day and the goal to create healthy smiles, diabetic patients, two post-graduate students and four interns were appointed specially to motivate each patient to maintain their oral hygiene and demonstrate proper brushing techniques to all patients in the OPD.

The Department of periodontology is very grateful to principal medical college and HOD general medicine for their support during entire 7 days programme. The total number of OPD of diabetic patients is 30, the Total number of oral prophylaxis done is 30, and free RBS done in 30 patients.
