Dr. Asra Shivani ,Dr. Sandipan Sarkar, Dr. Sakshi Gupta. The support was received from Assistance received from Indian Society Periodontology, Non-Teaching Staff, Auxiliry Staff, ICPA and Sensodyne Health Products Ltd.

Oral Hygiene day is celebrated all across India on August 1st to commemorate the 'Birth Anniversary of Dr. G.B. Shankwalkar sir, the doyen of Indian Periodontology and Founding member of the Indian Society of Periodontology. Various events are conducted all over india to create an awareness among general public about the importance of maintaining oral hygiene and different ways and measures to prevent various dental and systemic diseases.

As a part of this celebration, the department of periodontology Bharati Vidyapeeth deemed to be university dental college and hospital sangli have conducted various competitions like (suturing competition, e-poster and table clinic) and price distribution among students and sample distribution among patients.

The Periodontist Day was inaugurated by, Dr. H M Kadam, Bharati Vidyapeeth Dental College & Hospital, Sangli. As a part of this program, Dr. Sakshi introduced the guest and it was followed by lamp lightening.

As a part of this celebration, suturing competition- poster competition and table clinic was conducted in the Department of Periodontology and the students were felicitated with surgical instrument, powered toothbrush, manual toothbrush and certificates.

As a part of this celebration, final year BDS students who had scored highest marks in periodontology exam were felicitated with certificates and medal in the Department of Periodontology. A medical representative from ICPA and Sensodyne was also invited to this event and free samples of mouthwash, toothpaste and toothbrush were also distributed to the patients.

As a part of this celebration various intuitive programmes such as free ultrasonic scaling and 50% off on other periodontal surgeries was organized to create oral hygiene awareness. The vote of thanks was given by Dr. sakshi.
