

## MOU with MPACR Solution Pvt. Ltd., Sangli

A Memorandum of Understanding (MOU) was signed on Wednesday, 30<sup>th</sup> July 2025 with MPACR Solution Pvt. Ltd., Sangli, marking a significant step toward enhancing training and placement opportunities for our students. It is a matter of immense pride for the institute that our alumnus Mr. Hanmant Sapkal has founded this company.

The MOU aims to foster collaboration in the areas of skill development, technical training, and industry-aligned placement support.

The official signing ceremony was graced by Ms. Vandana Sapkal, HR representative of MPACR Solution Pvt. Ltd., who expressed enthusiasm for this partnership and its potential to bridge the gap between academics and industry requirements.

Director Dr. Pallavi Jamsandekar said that this collaboration will open new avenues for students to gain practical exposure and boost their career readiness.
