Brief about the program/ activity/event:

Bharati Vidyapeeth (Deemed to be University), Sangli recently installed Smart Boards in Colleges for enhancing the teaching-learning method. To ease understanding of the topic, Smart Boards were installed in the classrooms for students. The training for the same was organized in the Medical College on 21st February 2023 from 11:30 am to 12:30 pm. The main aim of this training was to make the Teaching staff of the College familiar with the working of these boards for effective training. Ms. Sarika Yadav guided the staff on multipurpose use of the Smart Board wherein White Board and Power-point presentations can be viewed simultaneously. The training was followed by an interactive Question and Answer session. This training helped the Teaching Faculty in improving the student compliance to computerized teaching. The training was conducted under the guidance of Dr. Sneha Katke (Principal, BVDU SOP, Sangli).
