Homoeopathic Medical College & Hospital
Pune-Satara Road, Pune-411043

Visit to Simulation Laboratory – Basic Life Support (BLS) Skills

Topic: Course in Basic Life Support Skills

Organizer: The Post-Graduate Department of Bharati Vidyapeeth (Deemed to be University) Homoeopathic Medical College, Pune.

Day, Date & Time – Monday, 18th August 2025 from 11:00am to 01:00pm

Venue: Bharati Hospital and Research Centre - Simulation Laboratory

Faculty attended: Dr.Rashmi R.More

About session: The BLS training session at the Simulation Lab for PG scholars was an immersive experience, offering hands-on practice in essential life-saving techniques like CPR, defibrillation, and airway management. Through realistic simulations, participants gained confidence and proficiency in emergency response. Expert instructors guided scholars, ensuring thorough understanding and application of BLS principles. Overall, the training equipped scholars with vital skills and readiness to effectively handle medical emergencies, fostering a valuable learning experience.
