**Name of the Event:** World Heart Day Celebration 2025

**Date:** 29<sup>th</sup> September, 2025

**Day:** Monday

**Time:** 11 am to 12 pm

**Venue:** Conference hall

**Theme:** "Don't Miss A Beat"

**No. of participants:** 151

World Heart Day is a global reminder to take care of the heart. World heart day was observed on September 29 every year to raise awareness about heart disease and preventive measures that can help prevent and manage cardiovascular disease. The theme for the World Heart Day 2025 is "Don't Miss a Beat"

All the student of the F.Y and S. Y. MSc Nursing (MSN Speciality) along With Dr. Veena Sakhardande (HOD of MSN Department), Dr. Shubhangi Gaikwad & the other faculty members of Medical Surgical Nursing Department were gathered to celebrate the world heart day on 29<sup>th</sup> September, 2025, on this occasion medical surgical nursing department organized Seminar on "Don't Miss a Beat"

The event featured a distinguished guest lecture by Dr. Sachin Lakade, a prominent Cardiologist from the Bharati Hospital Research Centre (BHRC). Dr. Sachin Lakade delivered the keynote address, presenting the thematic topic "Don't Miss a Beat." Nursing students actively participated in seminar and decided to prioritize cardiac health in their professional practice and personal lives, promising to be proactive advocates for heart disease prevention in their communities.

**Conclusion:** The World Heart Day observance was a resounding success, achieving its objective of deepening the knowledge base of nursing students regarding contemporary cardiac care. The insightful and practical guidance provided by Dr. Sachin Lakade served as a significant motivation for the students, reinforcing their commitment to compassionate and evidence-based nursing practice.
