

BHARATI VIDYAPEETH DEEMED TO BE UNIVERSITY

COLLEGE OF NURSING, SANGLI

REPORT ON WORD ALZHEIMER'S DAY CELEBRATION

Organized by: Bharati Vidyapeeth (Deemed to be University) College of Nursing, Sangli

Date: 28th September 2025

Time: 11:00 AM

Venue: Nirmal Hospital, Sangli

Introduction:

World Alzheimer's Day was celebrated by the **Department of Psychiatric Nursing** and the **students of 5th Semester B.Sc. Nursing of Bharati Vidyapeeth (Deemed to be University) College of Nursing, Sangli**, on **28th September 2025 at 11:00 am** in **Nirmal Hospital, Sangli**. The event aimed at educating patients, families, and hospital staff, while promoting compassionate care and professional learning for nursing students.

The main objective of the program was to create awareness about Alzheimer's disease, its symptoms, and the role of caregivers in providing support. The students put in great effort to prepare and present a **skit** for the patients and their relatives. The performance highlighted the challenges faced by Alzheimer's patients and emphasized the importance of family care and early intervention. The skit was well appreciated by the patients, relatives, and hospital staff. A total of **25 patients benefited** from this awareness program.

We sincerely extend our gratitude to **Dr. Chandrashekhar Halinagale** for granting permission and providing support to conduct the program successfully.

The entire event was **supervised by Mrs. Milka Rajiv Devraj, Clinical Instructor**, whose guidance and encouragement helped the students deliver the program effectively.

Patients' Feedback:

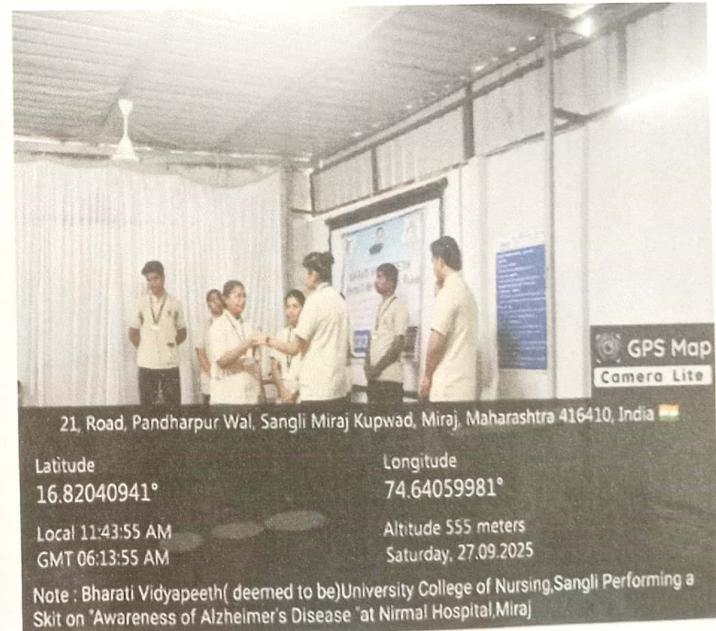

The patients expressed that the skit was very informative and easy to understand. They shared that it increased their awareness of the symptoms, causes, and management of Alzheimer's disease. Many patients appreciated the students' efforts and stated that the program gave them confidence to handle the challenges with family support and medical guidance. The interactive and compassionate approach of the students was highly praised by the beneficiaries.

Conclusion:

The *World Alzheimer's Day Celebration* was highly successful, achieving its objectives of raising awareness, educating the community, and promoting professional growth among nursing students. The event highlighted the importance of compassionate care, proactive community engagement, and student-led health education.
