## **DEPARTMENT OF ORAL AND MAXILLOFACIAL SURGERY**

### **OMFS DAY- CDE PROGRAMME 2025**

**Date:** 13th February 2025

**Organized by:** Department of Oral and Maxillofacial Surgery (OMFS)

**Venue:** Lecture hall 1, Bharati Vidyapeeth Dental College & Hospital, Navi Mumbai

The Oral and Maxillofacial Surgery (OMFS) Department organized an enriching Continuing Dental Education (CDE) Programme on **13th February 2025** in celebration of OMFS Day. The guest speaker for the occasion was **Dr. Laxman Malkunje**, MDS, Oral Surgery. The theme of the day was centered around "**Immediate Functional Loading Implantology and Predictability with Live demonstration**", a cutting-edge concept in the field of dental implants.

With a footfall of **85 participants**, the programme was an overwhelming success, offering a blend of theoretical and practical learning experiences.

#### **Event Highlights:**

Lecture on "Immediate Functional Loading Implantology and Predictability": The event commenced with a highly insightful lecture by **Dr. Laxman Malkunje**, a renowned expert in implantology. The session was focused on the concept of **immediate functional loading in implantology**, which has gained widespread attention for its potential to reduce treatment times and enhance patient satisfaction.

Participants were then given the opportunity to engage in a Q&A session after the lecture, where Dr. Malkunje addressed several questions related to the challenges and considerations of implementing immediate functional loading implants in clinical practice.

Hands-On and Live Demonstration on Basal Implants: Following the lecture, participants had the opportunity to attend a **hands-on session** and **live demonstration** on **basal implants**. Dr. Malkunje provided a live demonstration of the placement of basal implants, showcasing the step-by-step procedure. The hands-on session allowed participants to practice implant placement on models.
