Global Conclave on Oral Health Innovation & Research

At Dr.Ambedkar Centre, New Delhi

The faculty with innovation and intellectual property under the leadership of IIC coordinator , Dr. Tanvi Saraf and tutelage of Dean, Dr. V. Sreenivasan, represented college at Global Conclave on Oral Health Innovation & Research held at Dr.Ambedkar Centre, New Delhi on 15th and 16th February 2025.

The faculty who represented were Dr.Tanvi Saraf, Dr.Viraj Kharkar, Dr.Harjit Singh Kalsi and Dr. Kirti Buva who exhibited their innovations- UV sterilization box, Behaviour management innovations like Smart drape, Adjustable finger grip for hand endo files, audio analgesia head restraint, iSpacalise mobile app, Modified mandibular forceps, Intraligamental syringe, Zygomatic implant driver and Dental wax carver.

The exhibition hall consisted of prototypes and standees with a video showcasing the 30 design patents and 12 copyrights along with the ones recommended for startup by the college to the university.

The innovations were appreciated by stalwarts like Dr.Dhoble, Dr.Himanshu Aeran (VC, Subharti University), Dr.Manu Rathee (Professor & HOD PGIDS, Rohtak, Dr.Vinay Gupta (HOD-Public health dentistry, KGMC, Lucknow) along with BDS and MDS students visiting from all over the country.

Dr.Tanvi Saraf judged the poster and papers of staff and under-graduate students and also presented a poster on her innovative mobile app , ‘Remember my appointment’. Dr.Kirti Buva won best paper in staff category for her innovative mobile app on wax block carving.

The exhibit won an award for ‘Best Innovation in Dentistry Award’ for exemplary Innovation , Creativity and Dedication to advancing oral health.
