**Speakers:** Dr. Arati. Shahade (MD Medicine Consultant physician and Diabetologist)

Mr. Pankaj. Punjot. (Diabetes educator, AIIMS Rishikesh)

**Venue:** B.V (DU) College of Nursing, Pune

Bharati Vidyapeeth (Deemed to be university) college of Nursing Pune. Medical Surgical Nursing dept was organized "Webinar on "World Diabetes day" on 13/11/2025 at 11:00am, under the Theme, "Diabetes Across Life".

The session was attended with the support, motivation and guidance of Respected Principal Dr. Bhagyashree Jogdeo, Vice Principal Dr. Pravin Dani, Dr. Veena Sakhardande. HOD & Associate Professor, Bharati Vidyapeeth (Deemed to be University) College of Nursing Pune. The faculty of department of medical surgical nursing initiated the program. In this Webinar SY.GNM, SY.BSC, FY.PBBSC, FY.MSC,& SYMSC students & Faculty were participated. The session was conducted on "Diabetes Across Life" by Dr. Arati .Shahade. MD Medicine Consultant physician and Dialetologist. The session covered the causes, complication, and lifestyle management and physical strategies for diabetes, focusing on holistic well-being. The second session on current trends in diabetes conducted by Mr. Pankaj. Punjot. Diabetes educator, AIIMS Rishikesh. He was discussed advancements in diabetes care, new technology, digital monitoring tools, and the evolving role of nurses in patient -centered diabetic management. Students gained insights into the latest developments in diabetes care and management. the event strengthened academic and practical knowledge relevant to current healthcare challenges. After the explanation we got positive feedback from students in the form of their doubt and questions related to the diabetes management and after webinar online certificate was given to the participants.

**Conclusion:** The program concluded with thanking the participants for their whole heartily active participation throughout the program. A big thanks to the faculties and students involved in conducting and participating in the webinar. Lastly thanks to all the Medical Surgical Nursing Department for guidance, encouragement and support and making this webinar a grand success.
