About Bharati Vidyapeeth:

The Bharati Vidyapeeth is a premiere educational institution in India that has made a significant contribution to higher education since its establishment in 1964 started by Hon’ble Dr. Patangrao Kadam Saheb. With a motto of ‘Social Transformation through Dynamic Education’, Bharati Vidyapeeth a Deemed to be University, Accredited by NAAC with “A++ ” Grade in 4th Cycle, Ranked 59th by NIRF has a strong presence across several states and countries offering a wide range of programmes in disciplines such as Arts, Commerce, Science, Management, Engineering, Medicine, Law and Social Sciences giving it a true status of Multi State-Multi Disciplinary University in India. Known for its emphasis on academic excellence, value-based education and social commitment, Bharati Vidyapeeth promotes research, innovation and holistic development of students. The institution combines modern educational practices with Indian cultural values, aiming to prepare students to meet global challenges with competence and integrity.

About College:

Yashwantrao Mohite College of Arts, Science and Commerce, Pune, is a renowned higher education institution established in the year 1978, under the aegis of Bharati Vidyapeeth (Deemed to be University) known for its commitment to academic excellence and holistic student development. The college offers a wide range of undergraduate and postgraduate programmes in Arts, Science, Computer Science, Commerce and Library and Information Science along with the Ph.D. research centre in 07 subjects. It emphasizes quality Teaching, Research Orientation, Skill Development and Value-based Education. With experienced faculty, adequate infrastructure and a focus on extracurricular and extension activities, the college strives to nurture responsible, competent and socially conscious graduates.

About the Conference:

The **One Day International Conference on “Recent Trends in Economics, Commerce and Management”** is organized with the objective of providing a vibrant platform for academicians, researchers, industry experts and students to deliberate on emerging issues, contemporary developments and innovative practices in these interconnected disciplines. In the context of rapid globalization, digital transformation, changing trade policies, evolving financial systems and dynamic managerial practices, there is a growing need to continuously review and reinterpret economic and business knowledge. This conference facilitates intellectual exchange through keynote addresses, research paper presentations and interactive discussions, enabling participants to bridge the gap between theory and practice. It aims to enhance research quality, dissemination of knowledge, update academic perspectives, encourage interdisciplinary and international collaboration and address real-world challenges, thereby contributing to sustainable economic growth and effective organizational management.

Objectives of the Conference :

1. To provide an international platform for academicians, researchers, industry professionals, and students to share knowledge and research findings on recent trends in Economics, Commerce, and Management.
2. To encourage interdisciplinary dialogue and exchange of ideas on contemporary economic, business, and managerial issues.
3. To bridge the gap between theoretical knowledge and practical applications through interactions with experts and practitioners.
4. To promote research culture, innovation, and quality scholarly contributions in emerging areas of economics and management.
5. To understand the impact of globalization, trade policies, digitalization, and technological advancements on economies and businesses.
6. To highlight the role of entrepreneurship, innovation, and incubation in sustainable economic and organizational development.
7. To facilitate networking and collaboration among national and international participants.
8. To contribute to policy discussions and best practices for inclusive and sustainable growth.

Conference Themes :

1. Global Trade, Tariffs, and Protectionism: Emerging Issues and Impacts
2. Recent Trends in International Economics and Trade Policies
3. Digital Economy, Platform Economics, and E-Commerce
4. Inflation, Monetary Policy, and Financial Stability
5. Sustainable Development, Green Economy, and Climate Economics
6. Inclusive Growth, Poverty Alleviation, and Social Welfare Policies
7. Indian Economy in the Global Context: Challenges and Opportunities
8. Behavioural Economics and Decision-Making in Modern Markets
9. Changing Dimensions of Commerce in the Digital Era
10. Financial Markets, Financial Services, and FinTech Innovations
11. Accounting, Auditing, and Corporate Reporting: Emerging Standards
12. Corporate Governance, Ethics, and Compliance
13. Entrepreneurship Development and Startup Ecosystem
14. MSMEs, Industrial Development, and Supply Chain Management
15. Marketing Strategies in the Age of Digital Transformation
16. Innovation, Incubation, and University–Industry Collaboration
17. Strategic Management and Business Sustainability
18. Human Resource Management in the Era of AI and Automation
19. Leadership, Organizational Behaviour, and Change Management
20. Operations, Logistics, and Quality Management
21. Knowledge Management and Learning Organizations
22. Project Management and Risk Management
23. Artificial Intelligence, Data Analytics, and Business Decision-Making
24. Startups, Innovation Management, and Enterprise Linkages
25. Public Policy, Governance, and Economic Reforms
26. Women Entrepreneurship and Social Enterprises
27. Ethics, Values, and Corporate Social Responsibility
28. Education, Skill Development, and Employability

The above themes are only indicative in nature, and the scope of the conference is wider, allowing for the inclusion of related and interdisciplinary topics in Economics, Commerce, and Management.
