When the historical decision to establish Bharati Vidyapeeth (Deemed to be University) was taken in 1954, it was a small step towards a big cause. The decision was made about bringing a clear intellectual awakening and all-around development of the young generation through dynamic education.

Nourished and guided by Hon'ble Dr. Patangraoji Kadam, Bharati Vidyapeeth (Deemed to be University) has been over the years, shed the light on the length and breadth of the country. The world's golden jubilee speaks volumes for the aura of glory in which our university lies submerged. For a period of 5 decades, it has unfailingly sent out students who are capable of being good citizens on which the nation can count for help, guidance, and the upliftment of the downtrodden.

The service it has rendered to the country is of immense importance as it is only the little sunrays that constitute the vast sunlight that floors the land. The roots of the present lie in the past and so in the past; we look back to the years when the scaffolds of our university were formed.

FROM THE DESK OF THE FOUNDER

DR. PATANGRAOJI KADAM

Bharati Vidyapeeth's mission is to prepare leaders for the modern world. The Bharati Vidyapeeth (Deemed to be University) Institute of Management shapes today's youth into tomorrow's efficacious managers. We focus on building courage, determination, and dedication, helping students overcome challenges.

Believing in the power of hard work, Bharati Vidyapeeth has established numerous institutions, from pre-primary to post-graduate levels. At BVIMR, I opted for the MBA program with a specialization in Marketing and Finance. It was fantastic 2 years spent absorbing so much that was all around me in the classroom and outside. The stellar faculty and track record were a clear attraction and I can say I was not disappointed in any way. I had about 5 years of experience in the hospitality and real estate industry before I came to BVIMR for my MBA in 2016. Subsequently, my focus and interest in Marketing gave me an opportunity to start a fresh career in the IT industry post-MBA. Today I work with Imtac India as a Regional Manager of North India taking care of Government relationships and projects.

Experience (Pre-MBA): 5 years in Hospitality and Real Estate
