

Educational Tour to Lucknow under My Bharat Scheme

An educational tour to Lucknow was successfully organized from 22nd to 25th December 2025 under the My Bharat Scheme with the objective of broadening students' understanding of history, culture, civic sense, industry, and social awareness. The My Bharat initiative aims to connect youth with nation-building activities by promoting civic engagement, social

responsibility, and community service. It provides a platform for young citizens to contribute meaningfully to India's development while gaining practical learning experiences.

Tour Overview

The tour was scheduled from 20th December to 25th December 2025, with participants arriving in Lucknow on the night of 21st December 2025. A total of 35 students from five different districts participated in this educational initiative.

Orientation Programme

Upon arrival, an orientation programme was conducted where students introduced themselves. Mr. Vikas Singh, Deputy Director of the My Bharat Portal, addressed the participants and explained the objectives of the portal, highlighting youth participation, civic responsibility, and nation-building.

Educational and Heritage Visits (22nd December 2025)

Students visited important landmarks of Lucknow:

- Lucknow Residency, associated with India's freedom struggle
- Bada Imambara, renowned for its architectural brilliance
- Ambedkar Memorial Park, dedicated to Dr. B. R. Ambedkar and social justice
- Dinosaur Park Lucknow, which provided an engaging educational experience

Lectures and Awareness Sessions (23rd December 2025)

Students attended a series of informative sessions:

- A lecture on traffic rules and road safety, promoting responsible civic behaviour
- An industrial session by the Adani Cement Branch Manager, explaining cement manufacturing processes, quality standards, and applications
- A lecture by Mr. Yogesh Tripathi on politics and civic awareness, enhancing understanding of governance and democratic systems

Spiritual Visit and Cultural Programme (24th December 2025)

Participants visited the Ayodhya Ram Temple, experiencing spiritual enrichment and cultural heritage. In the evening, a vibrant cultural programme was organized in which students from all five districts presented folk dances, songs, and performances, beautifully reflecting unity in diversity.

Certificate Distribution (25th December 2025)

On the concluding day, a certificate distribution ceremony was held, and all participating students were awarded certificates for the successful completion of the educational tour.

Participants from the Institution

The following students actively represented the institution:

1. Rutuja Tanaji Patil
2. Prerana Dinesh Vibhute
3. Mrunali Balaso Patil

Dr. Pallavi Jamsandekar, Director, appreciated the sincere participation, discipline, and exemplary conduct of all the three students. She congratulated them for making the institution proud and encouraged them to apply the knowledge and values gained during the tour in their academic and social lives.

The educational tour under the My Bharat Scheme proved to be highly informative and memorable. It enriched students' knowledge of history, culture, industry, and civic responsibility, while fostering interaction among students from different districts and encouraging holistic learning and national unity.
