

# Road Safety Month 2026

The institute observed National Road Safety Month 2026 with great enthusiasm and a strong sense of social responsibility. The program was organized by the institute's National Service Scheme (NSS) Unit on Monday, 19 January 2026 emphasizing its commitment to community welfare and citizen safety.

As part of the initiative, a Road Safety Rally followed by an Oath Taking Ceremony was conducted to spread awareness about safe driving practices, adherence to traffic rules, and responsible road behavior. Faculty members and students participated actively, carrying forward the impactful message:

During the oath-taking ceremony, participants pledged to follow traffic regulations sincerely, promote road safety awareness, and contribute to the prevention of road accidents.

The program was successfully organized under the coordination of Prof. Akhilesh Jadhav, Dr. Prashant Patil, and Dr. Suvarna Patil.

The NSS Unit Head, Mr. Yogesh Patil, played a key role in planning and executing the activity.

The event was conducted under the guidance of Dr. Pallavi Jamsandekar, who inspired students to act as responsible road users and spread awareness within the community.

Such initiatives reflect the institute and NSS unit's dedication to nurturing socially responsible citizens and contributing meaningfully toward road safety and public well-being.
