‘Thalassemia Prevention & Awareness Programme with Screening Conducted during Samaj Prabodhan Saptah’

Topic: Thalassemia Prevention & Awareness Programme with Screening Conducted during Samaj Prabodhan Saptah

Organizer: The Post Graduate Department, Bharati Vidyapeeth (Deemed to be University) Homoeopathic Medical College, Pune, Janakalyan Blood Bank, and Mukul Madhav Foundation

Day, Date & Time – Monday, 12th January 2026 from 10:00am to 04:00pm

Venue: Dr. Samuel Hahnemann Seminar Hall, 5th Floor PG Department, Pune

About session: The programme was collaboratively organized during **Samaj Prabodhan Saptah** on **12th January 2026**, commemorating the **Birth Anniversary of Hon. Dr. Patangraoji Kadam Saheb** and the **Birthday of Hon. Dr. Vishwajeet Kadam Sir**. The Thalassemia Prevention & Awareness Programme with Screening aimed to create awareness about thalassemia and promote early detection, with enthusiastic participation totaling **312 individuals** screened. The initiative highlighted the importance of genetic counseling, preventive measures, and informed health decisions, contributing meaningfully toward reducing the societal burden of thalassemia.

No. of Beneficiaries: Total – 312
