IN MEMORY AND GRATITUDE

SCHOOL OF PHOTOGRAPHY AND CINEMATOGRAPHY (BVSP), PUNE

In the 15 years since inception, we have introduced courses that successfully set new standards in Filmmaking, Cinematography and Photography education. Our courses are evolving to combine leading technology and faculty, putting our students first and thus creating a new breed of professionals who are industry-ready. All our courses have industry relevant content and industry-respected faculty to ensure that students get trained by the minds that move the industry. This empowers our students to graduate with a level of unmatched readiness, ensuring that they get noticed in the worlds of Cinema & Photography.

It gives me immense pleasure to welcome you to this photographic collection, titled **Bharati Vidyapeeth: Frames of a Living Legacy**, celebrating the spirit and journey of Bharati Vidyapeeth (Deemed to be University). Honouring the foundation of this vibrant academic institution, and its growth from humble beginnings into a world-class university with cutting-edge infrastructure, award-winning faculty and excellence in pedagogy.

These photographs are visual stories—stories of vision, dedication, creativity, and excellence. Each photograph captures a moment in time, reflecting the vibrant academic life, cultural diversity, achievements, and values that define our university. Through these images, we see how Bharati Vidyapeeth continues to nurture knowledge, inspire innovation, and shape responsible citizens for the future. This tapestry stands as a tribute to the power of visual storytelling and the talent of our Faculty - beautifully transforming moments into memories.

It is widely acknowledged that one reacts to a new space in the first few days or weeks of being immersed in a place. So, the idea to see BVDU from fresh eyes was the cornerstone of this project - visuals to celebrate the legacy of BVDU. The chief photographer behind these images - Lutz Konermann is a global citizen, having lived, travelled and worked around the world. Mentoring many award-winning students and filmmakers, we are delighted that Mr. Konermann recently joined BVSP to educate and mentor the filmmaking, cinematography and photography students at BVSP.

I invite you to browse through these photographs with curiosity and pride, and to feel inspired by the legacy and limitless potential of Bharati Vidyapeeth.

From its inception

*To be a world class University for Social Transformation
through Dynamic Education*

Bharati Vidyapeeth (Deemed To Be University)

Pune, India

Founded in 1964 by Hon. Dr. Patangrao Kadam Saheb, Bharati Vidyapeeth began as a modest educational initiative with a strong social mission—to make quality education accessible to all. Over the decades, it steadily expanded across disciplines such as engineering, medicine, law, management and the arts. In 1996, it achieved a major milestone by being granted Deemed To Be University status, recognizing its academic excellence and growth.

Visually, the University evolved from simple academic buildings into large, green, and modern campuses, most notably the Dhankawadi campus in Pune, featuring advanced laboratories, hospitals, libraries, and student facilities. Today, Bharati Vidyapeeth (Deemed To Be University) stands as a multi-campus, multidisciplinary institution, blending its strong educational legacy with contemporary infrastructure and a forward-looking academic vision.

BHARATI VIDYAPEETH: FRAMES OF A LIVING LEGACY

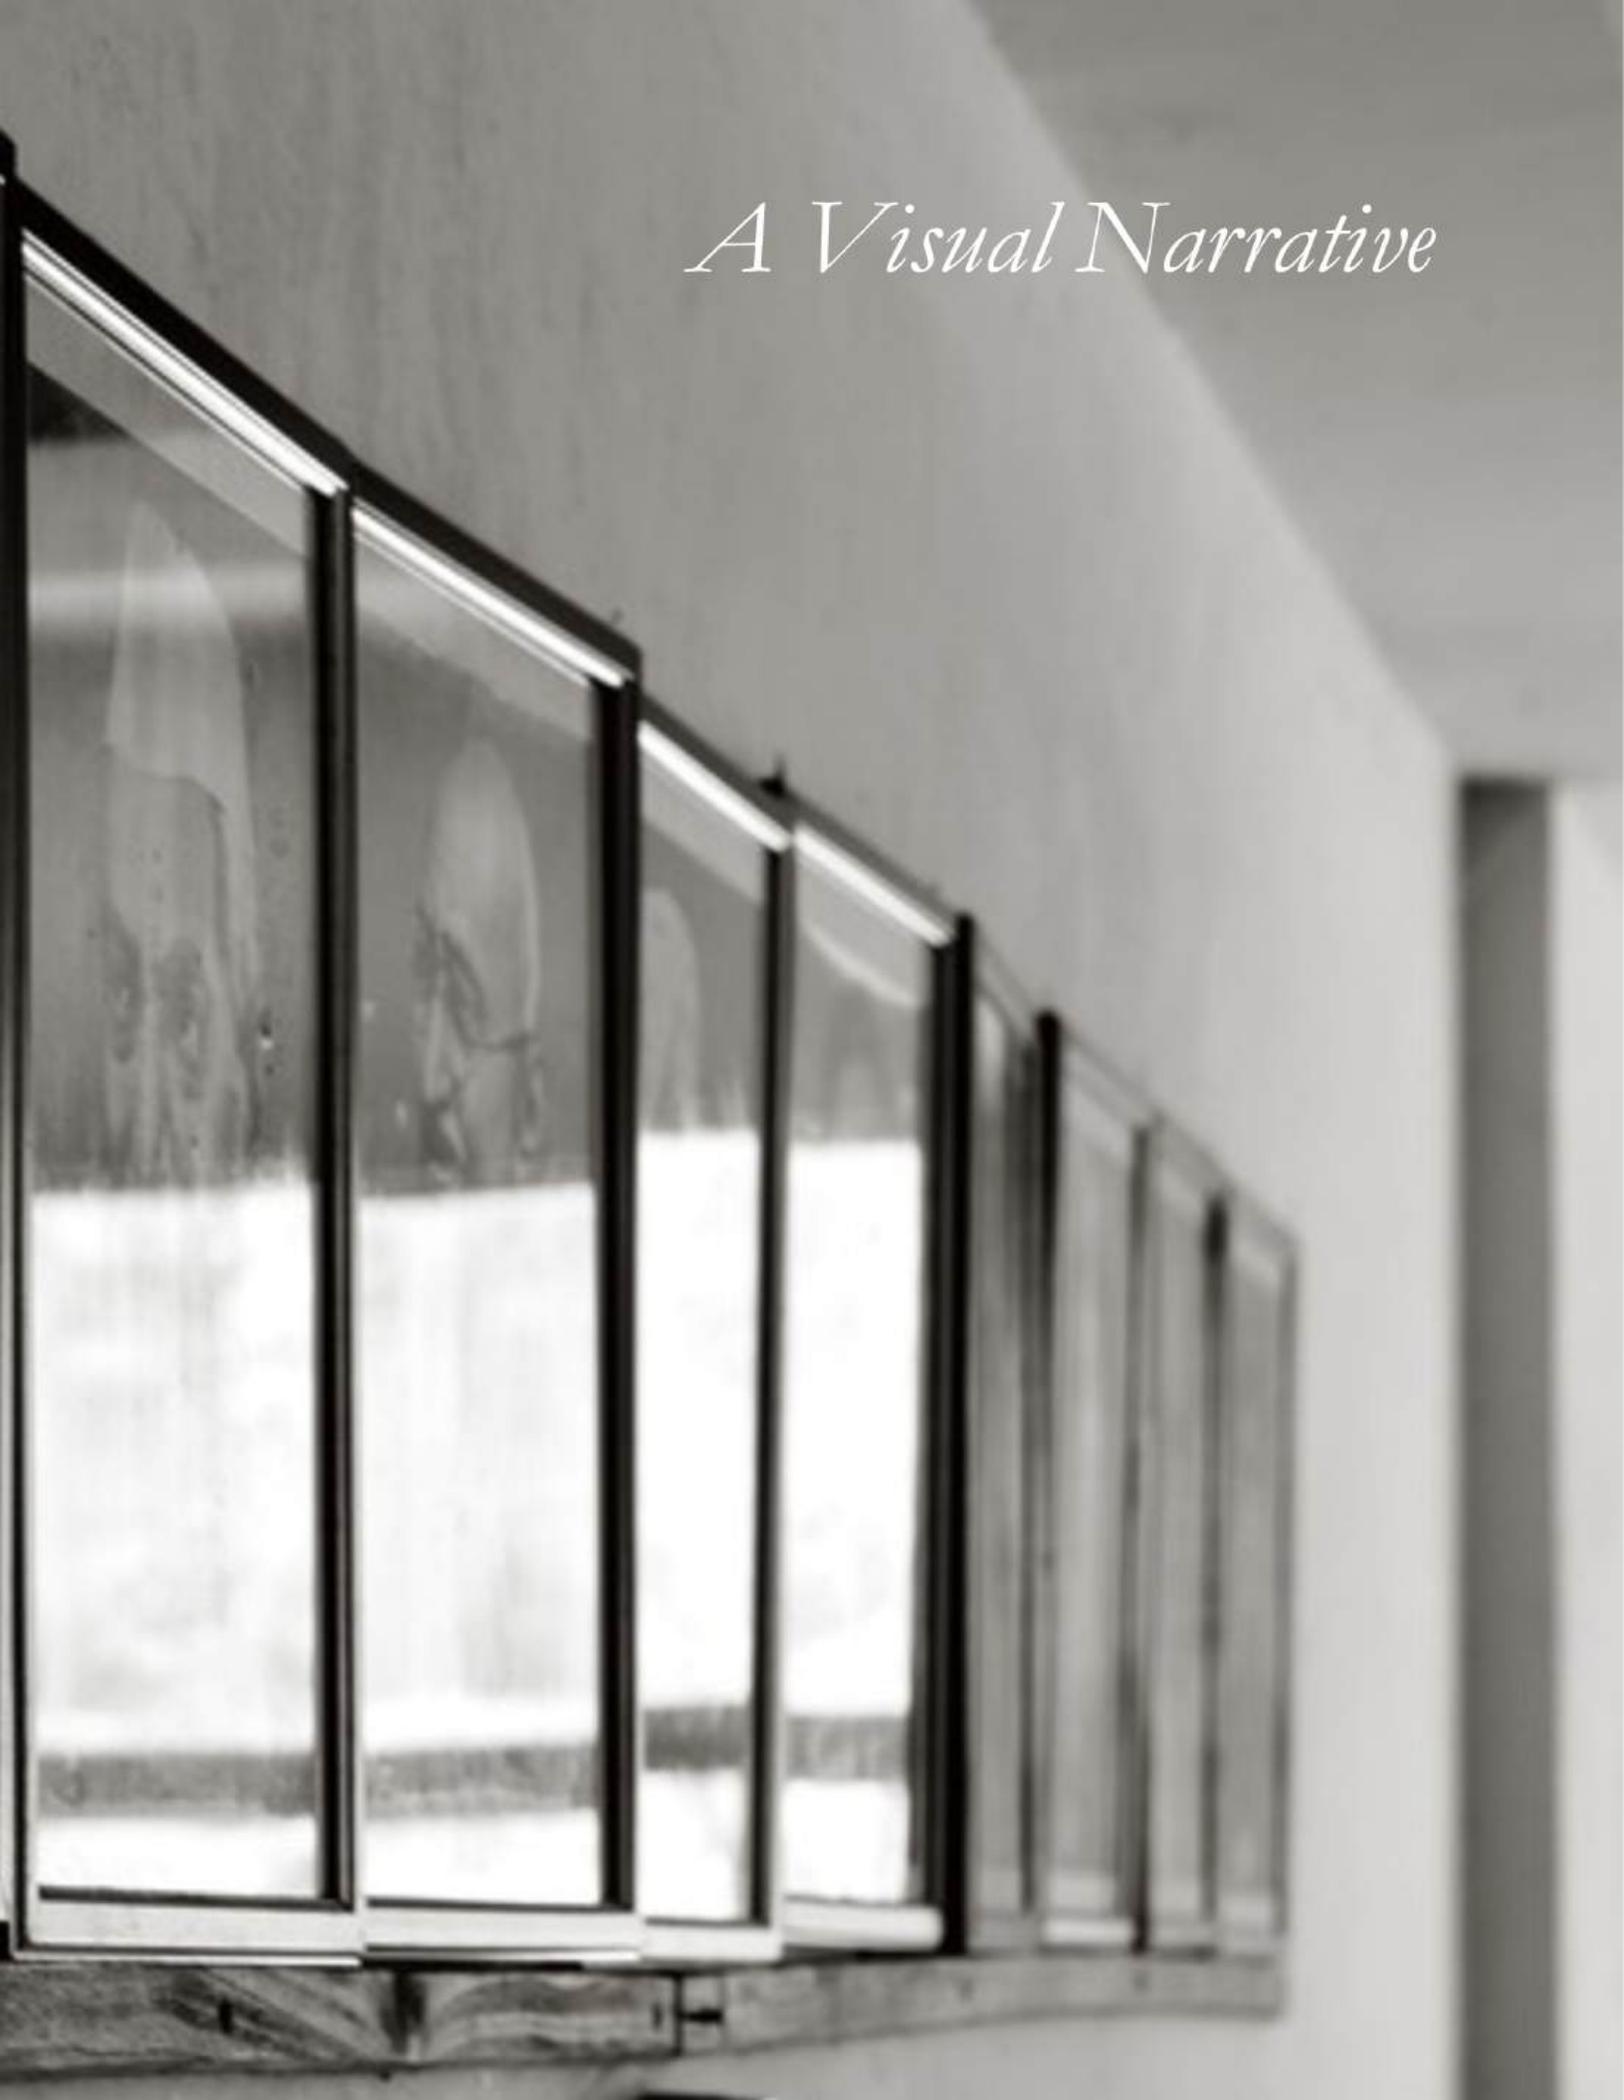

“Documentary photography has been my first love ever since I started using it as a teenager to get a grip on the world. Humanity in all its expressions has never ceased to feed my curiosity. Finding perplexing beauty and hidden meaning in the cracks of the mundane, capturing the unforeseen, drives me and gives me a true sense of purpose.

Exploring Bharati Vidyapeeth’s campuses through my lens has given me an opportunity to discover a multifaceted, vibrant environment, brimming with the energy of both students and faculty sharing experiences and thriving in the process.”.

-Lutz Konermann, Faculty, BVSP
