A special guest lecture was organized on Wednesday, 18th February 2026, a day prior to the celebration of Shiv Jayanti, to commemorate the birth anniversary of Chhatrapati Shivaji Maharaj.

The highlight of the program was an inspiring speech delivered by our own student, Ms. Asmita More. She eloquently spoke about the life, vision, and leadership qualities of Chhatrapati Shivaji Maharaj. She also beautifully highlighted the significant role of Rajmata Jijabai (Jijau) in shaping his character, values, and ideals.

The auditorium was filled to capacity, and a remarkable pin-drop silence prevailed as the audience listened attentively to every word of Asmita's speech. The program served as a meaningful tribute to the legacy of Chhatrapati Shivaji Maharaj and inspired students to imbibe his values of courage, leadership, and patriotism.

Later, a grand poster paying tributes to Chhatrapati Shivaji Maharaj was released from the building of the institute.
