Title of the Event: *Educational Visit to NHRC*

Venue of the Event: National Human Rights Commission

Date of event: 27th March 2026

The Department of Law, BVIMR, organized a high-impact educational visit to the **National Human Rights Commission (NHRC)** headquarters on **27th March 2026**. This visit offered students a rare opportunity to move beyond constitutional textbooks and witness the institutional framework dedicated to the protection of civil liberties in India.

Under the visionary leadership of Dr. Neha Garg (Head of Department) and the meticulous coordination of Dr. Gaurav Gupta (Head of Department), the visit was curated to bridge the gap between human rights theory and administrative enforcement. The primary objective was to sensitize future legal professionals to the socio-legal challenges faced by vulnerable populations and the procedural mechanisms used to address rights violations. The educational visit was conducted successfully with active participation from the students. The experience provided a professional environment that reflected the complexities of legal advocacy outside the classroom. The visit was organized under the expert guidance of Dr. Gaurav Gupta (Head of Department) and Dr. Neha Garg (Faculty Coordinator).
