MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter called as the 'MOU') is entered into on day of 27th June 2025. BETWEEN

Bharati Vidyapeeth (Deemed to be University), College of Engineering, the First Party represented herein by its Principal, Dr. Rajesh Prasad (hereinafter referred as 'First Party', the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

AND

Dolphin Labs Embedded Systems (opc) Pvt. Ltd., Pune, the Second Party, and represented

herein by its Director, Mr. C.P. Mahajan, (hereinafter referred to as "Second Party", company which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party')

WHEREAS:

- A) First Party is a Higher Educational Institution named: Bharati Vidyapeeth(Deemed to be University),College of Engineering,Pune**
- B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.**
- C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.**
- D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest.**
- E) Dolphin Labs Embedded Systems (opc) Pvt. Ltd, Pune the Second Party is engaged in Skill Development, Education and R&D Services .**

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1 CO-OPERATION

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the Institution and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.**
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the**

2.5 intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.

1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents as may be required to give effect to the actions contemplated in terms of this MOU. This MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

2.6 Both Parties... 2.7 2.8 Both Parties... **CLAUSE 2 SCOPE OF THE MoU**

2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.

2.2 **Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party and ensure adequate safety of such faculty & students on such visits. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.

2.3 **Internships and Placement of Students:** Second Party will actively engage to help the delivery of the Internship and placement of students of the First Party into internships/jobs..

2.4 **Research and Development:** Both Parties have agreed to carry out the joint research activities.

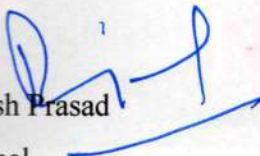

- 2.5 **Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.
- 2.6 **Guest Lectures:** Second Party to extend the necessary support to deliver appropriate guest lectures to the students of the First Party on the technology trends and in house requirements.
- 2.7 **Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting industrial exposure/ training as per the industrial requirement.
- 2.8 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein
- 2.9 There is no financial commitment on the part of the **Bharati Vidyapeeth(Deemed to be University),College of Engineering** , the First Party to take up any program mentioned in the MoU. If there is any financial consideration, it will be dealt separately.

CLAUSE 3 VALIDITY

- 3.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period **Dolphin Labs, Pune**, the Second Party, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of **Dolphin Labs, Pune**, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU
- 3.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations

By signing below, the authorized representatives of the College and the Company acknowledge their understanding and agreement to the terms and conditions outlined in this MOU.

**MEMORANDUM OF UNDERSTANDING
BETWEEN**

**Department of Information Technology and Department of Computer Engineering,
Bharati Vidyapeeth (Deemed to be University) College of Engineering, Pune
AND
Cere Labs, Mumbai**

This Memorandum of Understanding (MoU) is made on this 28 day of March, 2025, by and between:

1. **Department of Information Technology and Department of Computer Engineering, Bharati Vidyapeeth (Deemed to be University) College of Engineering, Pune**, hereinafter referred to as "BV(DU)COE," located at Pune, Maharashtra, India.
2. **Cere Labs, Mumbai**, hereinafter referred to as "Cere Labs," having its office at 501, Takshashila Commercial Centre RHB Road, Mulund West, Mumbai-400080, Maharashtra, India.

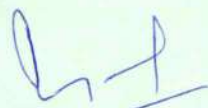

Purpose

This MoU sets forth the terms of collaboration between BV(DU)COE and Cere Labs to provide internship opportunities and project mentorship for students, with no monetary aspects or financial obligations involved for either party.

Scope of Collaboration

1. **Internship Opportunities:**
 - o Cere Labs will offer internships to eligible students of BV(DU)COE in areas relevant to their field of study.
 - o The internship will provide students with hands-on experience, exposure to real-world challenges, and opportunities for skill development.
2. **Project Mentorship:**
 - o Cere Labs will guide students on academic or industrial projects, aligning with the company's expertise and project requirements.
3. **Knowledge Sharing:**
 - o Cere Labs may conduct guest lectures, webinars, or workshops to provide technical and industry-specific knowledge to students.
4. **Non-Monetary Collaboration:**
 - o This MoU does not include any financial commitment from either BV(DU)COE or Cere Labs. The collaboration is intended solely for academic and professional development.

Bharati Vidyapeeth
(Deemed to be University)
College of Engineering
Pune-Satara Road, Pune-43.

Bharati Vidyapeeth
Deemed to be University, Pune, India
College of Engineering

Cere Labs

Responsibilities

BV(DU)COE:

1. Nominate eligible students for internships based on criteria provided by Cere Labs.
2. Ensure that students adhere to the rules, guidelines, and ethical standards of Cere Labs during their internship period.
3. Facilitate communication and coordination between students and Cere Labs as needed.

Cere Labs:

1. Provide internship opportunities in line with industry standards and requirements.
2. Offer mentorship and guidance to students during the internship and project phases.
3. Issue certificates of completion to students who successfully fulfill the requirements of the internship.

Duration and Validity

1. This MoU will remain effective for two academic years, from 2024-2025, 2025-2026, 2026-2027.
2. The MoU will remain active provided that at least one activity (internship, guest lecture, webinar, or project mentorship) is conducted each year.

General Terms

1. This MoU is based on mutual agreement and collaboration, with no monetary implications or obligations for either party.
2. Both parties agree to maintain confidentiality of shared information during and after the validity of this MoU.
3. This MoU is not legally binding but represents a good-faith understanding between BV(DU)COE and Cere Labs.

Termination

Either party may terminate this MoU with prior written notice of 30 days, provided that all ongoing activities are concluded amicably.

This **Memorandum of Understanding** is intended to promote interaction between

METER

And

**Bharti Vidyapeeth (Deemed To Be University) College of Engineering, Pune
(Department of Information Technology and Department of Computer Engineering,**

A. PURPOSE OF AGREEMENT

There's a huge gap between the kind of skills and the kind of competencies that are required by industry and those being supplied by the institutions of higher education. As a responsible member of higher education, BV(DU)COE, Pune, and METER realize their responsibility to consciously contribute to bridge the gap, which primarily helps Industries and Institute as well as society in general.

BV(DU)COE, Pune, and METER recognize that they share common interests and desire to establish a collaborative arrangement towards creating requisite talent by strengthening skills related to Blockchain Technology through targeted initiatives.

METER shall predominantly act as the Knowledge and Resources partner.

The purpose of this agreement is to forge a viable collaboration and jointly perform activities in line with the overarching objectives outlined in the areas of cooperative activities.

B. AREAS OF COOPERATION

Mentoring: BV(DU)COE, Pune welcomes industry professionals from METER to mentor **BV(DU)COE, Pune** students, and select faculties for awareness of new technologies.

Workshops: BV(DU)COE, Pune would engage experts from METER to conduct workshops on current themes. Such workshops can be customized in terms of duration, batch size, delivery mode, venue etc.

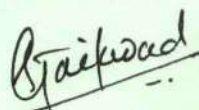

Curriculum Enrichment: METER and BV(DU)COE, Pune shall jointly undertake curriculum review and enrichment exercise and if necessary, develop new curriculum and courses identified areas. **BV(DU)COE, Pune** may request **Meter** to nominate Expert Members on the Board of Curriculum or similar Boards.

Faculty Development Programs: METER and BV(DU)COE, Pune shall jointly organize Faculty/ development programs.

Learner's Evaluation: BV(DU)COE, Pune can invite experts from **Meter** who could assist **BV(DU)COE, Pune** in evaluating various aspects of the learner's performance in terms of project viva, etc.

Expert Lectures: BV(DU)COE, Pune would like to invite experts from METER and vice versa for expert lectures to share their experiences with the students and make them understand the

development programs.

Learner's Evaluation: BV(DU)COE, Pune can invite experts from Meter who could assist BV(DU)COE, Pune in evaluating various aspects of the learner's performance in terms of project viva, etc.

Expert Lectures: BV(DU)COE, Pune would like to invite experts from METER and vice versa for expert lectures to share their experiences with the students and make them understand the expectations of the Industry from the B. Tech Graduates. BV(DU)COE, Pune would also like to invite such experts from METER as keynote speakers for Induction, Seminars, and other Institutional activities. BV(DU)COE, Pune may also share their expertise through such forums of your shared network.

Conference Support: METER will provide the necessary support for organizing and conducting the National-level/ International-level Conferences and Workshops on the Campus

C. IMPLEMENTATION

- a. All programs or activities implemented under the terms of this Memorandum of Understanding shall be mutually agreed upon in writing, including the necessary budget for the program of activity as the need may arise from time to time.
- b. The institute will actively participate in the events organized by METER.
- c. Each of the participating organizations shall be fully responsible financially for the activities carried out under its direction or by its staff, except as otherwise agreed by the organizations.
- d. The organizations will designate one officer each who will develop and coordinate specific programs or activities between them.
- e. This MOU does not place any financial liability on either of the parties.
- f. This MOU does not place any responsibility on METER in terms of placing BV(DU)COE, Pune Students.

D. INTELLECTUAL PROPERTY

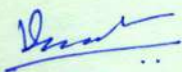

Both partner organizations shall ensure that any results and publications originating from the collaboration will be available to both organizations.

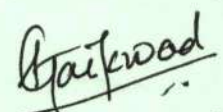

E. DURATION AND RENEWAL OF AGREEMENT

The MoU shall be effective immediately after signatures by the representatives of both organizations for a period of 2 years (A.Y. 2023-24 & 2024-25) and is subject to revision or modification by mutual agreement.

F. AMENDMENTS

- a. The MoU may be amended by a written agreement signed by the representatives of both organizations.
- b. In the event of any unforeseen incident during collaborative activities both organizations agree to negotiate a mutually acceptable solution.
- c. Should any disagreement arise out of the application, interpretation, or implementation of the agreement, the organizations shall endeavor to exercise their best efforts to negotiate

MEMORANDUM OF UNDERSTANDING
BETWEEN

ExcelR Edtech.Pvt.Ltd

And

Bharati Vidyapeeth (Deemed to be University) College of Engineering, Pune
[BV(DU)COE, Pune]
Department of Computer Science and Engineering.

For
Student & Faculty Development Programs, on
Different Emerging Software Technologies and
Skill UP Final Year CRT Program

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (herein after called as the 'MOU') is entered into on this **05th day of August** month **2024** Date : **05 / 08 / 2024**,
by and between **ExcelR Edtech.Pvt.Ltd**,
(Herein after referred to as 'First Party')

And

Bharati Vidyapeeth (Deemed to be University) College of
Engineering, Pune [BV(DU)COE, Pune]
Department of Computer Science & Engineering.
(herein after referred to as "Second Party",
(First Party and Second Party are hereinafter jointly referred to as 'Parties'
and individually as 'Party')

WHEREAS:

1. First Party is an EdTech company: **ExcelR Edtech.Pvt.Ltd**
2. Second Party is an Higher Education Institution: **Bharati Vidyapeeth (Deemed to be University) College of Engineering, Pune [BV(DU)COE, Pune]**
3. First Party & Second Party believe that collaboration and cooperation between themselves **will promote** more effective use of each of their resources and provide each of them with **enhanced opportunities.**
4. **The Parties** intend to cooperate and focus their efforts on cooperation within the area of **Skill-Based Training, Education, and Research.**
5. **Both Parties**, being legal entities in themselves desire to sign this MoU for advancing their **mutual interests.**

**NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL
PROMISES SET FORTH IN THIS MOU, THE PARTIES HERE TO
AGREE AS FOLLOWS:**

CLAUSE 1: CO-OPERATION

1. Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the Institution and its related wings.
2. First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to the second party in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.
3. The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.
4. ExcelR would be the training delivery partner for the second party on various trending technologies
5. Training & Development and dissemination of knowledge for students of second party & affiliated colleges and employees of both organizations.
6. ExcelR would work with incubation centers/ innovation cells of second party(Case to case basis), to formulate the business cases and data collection process from various industry and academic bodies that are associated with the second party
7. Cooperation between both parties would be extended to any other area which may be mutually beneficial to both the organizations.

CLAUSE 2: SCOPE OF THE MoU

1. The budding graduates from the institutions could play a key role in technological up-gradation, innovation, and competitiveness of an industry. Both parties believe that close cooperation between the two would be of major benefit to the student community to enhance their skills and knowledge.
2. Curriculum Design: First Party will give valuable inputs to the Second Party in teaching/training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully
3. Software Technologies Training: The first party will provide the pieces of training to the students and Faculties of the second party on different technologies like Data Science, Data Analyst, Artificial Intelligence, Tableau, Python, etc., Research and Development
4. Skill Development Programs: First Party to train the students of the second Party on emerging technologies to bridge the skill gap and make them industry ready.

5. Guest Lectures: First Party to extend the necessary support to deliver guest lectures to the students of the second Party on the technology trends and in-house requirements.
6. Faculty Development Programs: First Party to train the faculties of the second Party for imparting training as per the industrial requirement considering the National Occupational Standards in the concerned sector, if available.
7. Both Parties are to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein
8. There is no financial commitment on the part of the second party to enroll the students and faculties for the different free pieces of the training run by the first party under Everyday Learning Initiation.
9. First party would extend the help in providing artifacts such as training records, and certificates to the second party upon a written request from the second party. This information is limited to only the students of the second party and at the discretion of the first party.
10. In case, the second party wants to conduct customized commercial training then this agreement can be amended/by adding an annexure with mutually agreed terms.

CLAUSE 3: INTELLECTUAL PROPERTY

1. The first party will have the sole rights to the curriculum and related content provided in the training and it cannot be replicated or copied without the consent of the first party.
2. Confidentiality: Except as may otherwise be required by law, each party will hold confidential, during and after the term of this Agreement, any confidential information disclosed to it or its representatives, and will not disclose any such confidential information to any third party.

CLAUSE 4: VALIDITY

1. The period of agreement is valid for a period of 2 (two) years from the date of signing of this agreement
2. This agreement will be valid only at the intentions of the parties involved therein, this MoU could be dissolved or canceled by either party at any time by giving 30 days' notice and shall not have any legal bindings in nature. should either or all the parties to it opt to not act upon it, the MOU loses its validity.

CLAUSE 5: RELATIONSHIP BETWEEN THE PARTIES

1. It is expressly agreed that First Party and Second Party are acting under this MoU as independent contractors, and the relationship established under this MoU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MoU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

[E] SCOPE OF COOPERATION:

Through this Memorandum, both the Parties affirm the value of industry-academia collaboration and agree to promote the Internship Program as detailed in Annexure-I.

[F] FINANCIAL SUPPORT:

- i. No stipend or any remuneration would be paid to a participating student or University / College / Institute for any Program.
- ii. Wherever feasible, necessary arrangements of transportation from college to airport and back during workshops / visits may be made by AAI, wherever the number of students is more than 20 and where the Second Party doesn't have its own transport facility.
- iii. Wherever feasible, arrangement of working lunch and provision of literature and books shall be made for students by AAI.

[G] ROLES AND RESPONSIBILITIES OF THE PARTIES:

The Parties to this MoU have mutually acknowledged and agreed to the following:

- i. To work together in a cooperative and coordinated manner to fulfil the objective of this Memorandum.
- ii. The Second Party shall ensure that students abide by the rules & regulations of AAI, and SOP / instructions as detailed in Annexure-II.
- iii. The Parties to this MoU have the right to individually or mutually terminate their participation in this Memorandum.
- iv. The data / information collected by the students of Second Party would be for sole academic purpose and mutual benefit. No data or information to be shared with third party without the explicit written consent of the First Party.
- v. Any dispute that arises in connection with this MoU shall be settled amicably between the parties. The decision of AAI Management shall be final and binding on both the parties.
- vi. Internship Program is neither an employment opportunity with AAI, nor an aid in securing employment in AAI.
- vii. AAI has absolute unfettered right to restrict the program in any manner, either to institutions or to numbers of participants or in any other manner.
- viii. This MoU does not create any right to students of the institutions or to institutions. This effort of AAI is purely voluntary.

This Memorandum has come into force on the _____ day _____ month and _____ year as mentioned above.

ANNEXURE-II

SOP for Live Demonstrations / Familiarization / Internship, covering Airport / ATC centre entry, safety and operational aspects

For entry into any restricted area of Airport (eg. Terminal Building, Cargo Terminal, Operational Area, ATC Building / ATC Tower / Hangers etc.), all interns will require Temporary Airport Entry Permit (AEP). Requirement of documents will depend on the duration for which AEP is required, which is as below:

- **In case of Temporary AEP for maximum 30 days:**

The educational institution signing MoU with AAI will nominate a Nodal person to collect the following documents required for issuance of AEP from students shortlisted for the Internship Program:

 - Filled AEP form
 - Aadhaar Card or any other Government issued valid photo id
 - Present address proof (if different from permanent)
 - Permanent address proof
 - Internship letter issued by AAI
 - Recommendation letter of concerned educational institution
- **In case of Permanent AEP (Biometric AEP) for more than 30 days:**
 - Biometric AEP for more than 30 days will take approx. 25-30 days. Pre-requisite to permanent AEP are 1-day AvSec Awareness training and Police Verification
 - The concerned educational institution shall initiate the Police Verification of intern from concerned SP before the commencement of Internship. Police Verification may be exempted for interns who have Indian Passport issued within last 5 years
 - For initial first month, temporary AEP for 30 days shall be issued
 - Following documents will be required for Biometric AEP:
 - a. Aadhaar Card
 - b. Permanent and Present address proof (other than Aadhaar card i.e. Driving License, Passport, Voter id etc)
 - c. Copy of Student's Institute ID
 - d. Online 1-day AvSec Awareness training Certificate
 - e. Internship letter issued by AAI
 - f. Recommendation letter of concerned educational institution
- The educational institution shall ensure that the required documents are submitted well in advance before the commencement of the Internship program, in coordination with concerned department head of AAI at the Airport.
- It will be the responsibility of the educational institutions to ensure that all the students return back the AEPs to the concerned department Head after completion of the Internship program.
