Guest Lecture

Introduction:

Bharati Vidyapeeth (Deemed to be University), AKIMSS, Solapur had the privilege of hosting **Prof. Ganesh Channa**, an eminent educator, IT expert, and environmentalist. Prof. Channa is the **Founder & President of the World Environment Council (WEC)**, an organization with a presence in over 120 countries, actively working towards sustainable development and global environmental well-being. With a distinguished career spanning more than 23 years, Prof. Channa has made significant contributions in the fields of **education, IT, leadership, and environmental conservation.**

The primary objectives of Prof. Channa's Lecture:

- To interact with students and faculty members.
- To share his insights on **environmental sustainability, education, leadership, and global citizenship.**

- To motivate students toward **academic excellence, social responsibility, and professional growth.**
- To explore opportunities for **collaboration between WEC and the institute** in environmental and community-based initiatives.

Proceedings of the Guest Lecture:

1. Welcome & Felicitation:

- The inauguration of the programme began with the **welcome address by Prof. Dr. S. B. Sawant, Director of AKIMSS**, who also presented the institute's progress report. He highlighted the various initiatives undertaken by the institute for student and community development.
- **Dr. Ganraj Mane** anchored the programme and introduced the guest, emphasizing the importance of active student participation in such discussions.
- A formal **felicitation of Prof. Channa** was carried out with a bouquet and memento by the Director.

2. Keynote Session by Prof. Ganesh Channa:

- Prof. Channa delivered an insightful talk on "*Education, Sustainability, and Youth Leadership for a Better Future.*"
- He emphasized the importance of **sustainable practices, environmental awareness, and youth leadership** in shaping a responsible society.
- He shared his journey of establishing the **World Environment Council (WEC)** and leading impactful environmental projects, including the plantation of over **1 million trees.**
- He also stressed the significance of **innovation, IT skills, and continuous learning** as enablers of future success.

3. Student & Faculty Interaction:

- Students actively participated by asking thought-provoking questions on **career opportunities in IT, sustainability, and leadership challenges.**
- Prof. Channa encouraged them to engage in **research, green campus initiatives, and social entrepreneurship**, and to maintain a balance between academic pursuits and community service.
- Faculty members explored possibilities for **academic collaboration, workshops, and joint environmental campaigns** with WEC.

Conclusion:

The event concluded with a **vote of thanks by Prof. C. R. Suryawanshi**, NSS Coordinator. He expressed that the campus visit of Prof. Ganesh Channa was a **remarkable and enriching experience** for both students and faculty. Prof. Channa's inspirational talk and vision for sustainability left a lasting impact on the AKIMSS academic community. He extended his gratitude to **Prof. Dr. S. B. Sawant, Director, BVDU AKIMSS**, for his constant support, to **Dr. G. S. Mane (Convener)** for coordinating the event, to all faculty and non-teaching staff for their cooperation, and to the students for their enthusiastic participation.
