**Homoeopathic Medical College and Hospital,**  
Pune -Satara Road Pune 43  
**CLINICAL SESSION (30)**

- **Academic Year:** 2025-2026
- **Conducted by Department:** Homoeopathic Repertory and Case Taking
- **Name of Convener:** Dr. Rashmi More, M.D (Hom.), Assistant Professor
- **Names of the Interns:** Sejal Pise and Prachi Mahajan
- **Name of the Topic:** Fever with Thrombocytopenia & Involuntary movements
- **Day/Date/Time:** Thursday, 16/04/2026, 2pm to 4pm
- **Venue:** Bharati Homeopathic Hospital Clinical discussion room
- **About the Session:** A clinical session was conducted by Intern Sejal Pise and Intern Prachi Mahajan. Intern Sejal Pise presented on fever with thrombocytopenia, covering its clinical features, laboratory investigations, diagnosis, management, and homoeopathic case-taking with therapeutics. This was followed by Intern Prachi Mahajan, who discussed involuntary movements, including their types, differential diagnosis, management, and illustrative videographic demonstrations, along with homoeopathic aspects. The session was further enriched by Dr. Rashmi More, who elaborated on various involuntary movements and clarified the differentiation between chorea and epilepsy. She also provided a detailed explanation of dengue fever, its types, severity, and management. Overall, the session was informative and clinically insightful.
