Details of the Activity with Photographs (Geotag & non Geotag Photos)-

The Department of Orthodontics and Dentofacial Orthopaedics celebrated **National Orthodontic Day** on **6th October 2025** with great enthusiasm and active participation from faculty members, postgraduate students, and patients. The day was dedicated to creating awareness about orthodontic care, the importance of maintaining good oral health, and promoting the specialty among patients and the dental community.

Activities Conducted

1. Patient Awareness Talk
2. A patient awareness talk was organized in the department for patients and their relatives, where postgraduate students delivered short and informative sessions about:
 - The importance of orthodontic treatment.

- Various types of braces and their advantages.
- The role of orthodontics in improving aesthetics, function, and confidence.
- The need for early orthodontic evaluation in children.
- Awareness videos were displayed to make the session interactive and easy to understand for the patients.

2. Individual Patient Counselling

Faculty members and postgraduate students conducted **individual counselling sessions** for patients, addressing their specific orthodontic concerns and treatment options. The initiative aimed to educate patients about oral hygiene during orthodontic treatment and motivate them for better compliance.

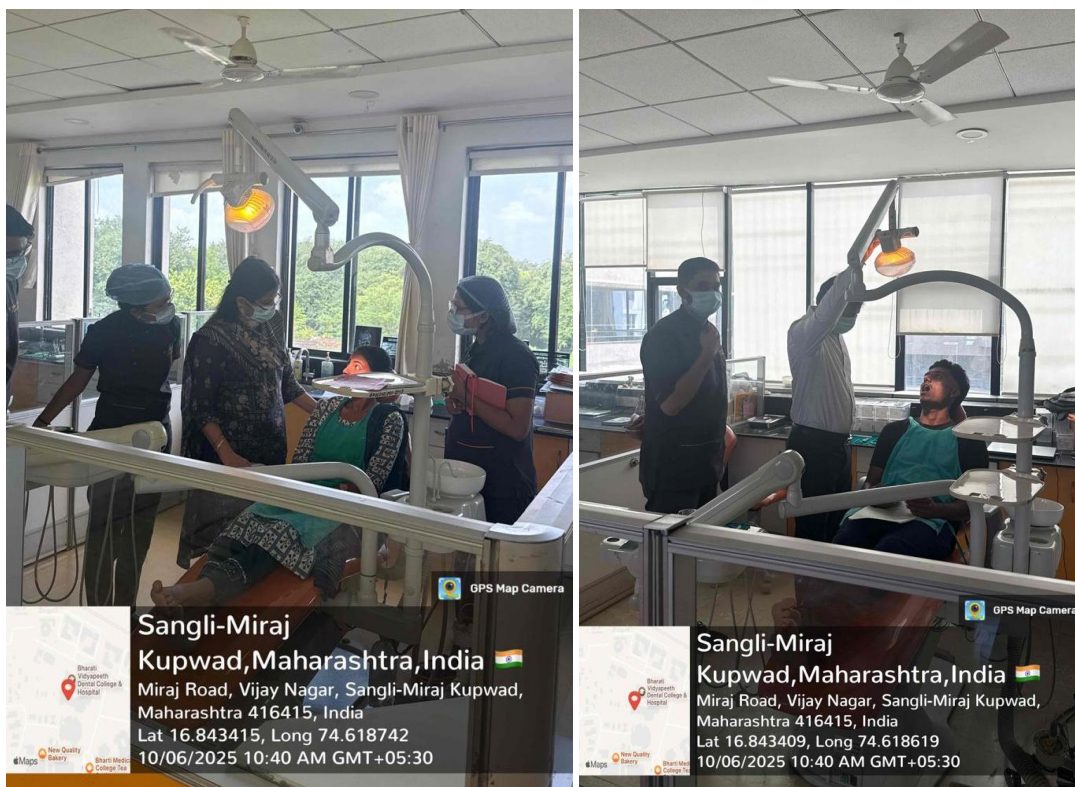

3. Departmental Celebration

A **small departmental gathering** was arranged to mark the occasion. The event began with a brief address highlighting the significance of National Orthodontic Day and the evolving scope of the orthodontic specialty. The celebration was followed by a **cake-cutting ceremony**, creating a joyful and memorable moment for all present.

4. Felicitation of New Postgraduate Students

As a gesture of warm welcome, the newly admitted postgraduate students of the Department of Orthodontics were **felicitated with saplings** symbolizing growth, learning, and a fresh beginning in the orthodontic journey. The act also reflected the department's commitment toward environmental consciousness and nurturing young minds.
